FDOT Palm Beach County Traffic Report
November 6, 2026 – November 13, 2026

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note that any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit https://www.fl511.com/. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS
INTERSTATE 95

1. **S.R. 9/I-95 at S.R. 804/Boynton Beach Boulevard Interchange Improvements Project**

Description: This 2.354-mile project on S.R. 9/I-95 just north and south of Boynton Beach Boulevard, including the on- and off-ramps, and on Boynton Beach Boulevard from Old Boynton Road to NW 3rd Avenue in the City of Boynton Beach, began Monday, Aug. 11, 2025. Work includes widening the S.R. 804/Boynton Beach Blvd. bridge over S.R. 9/I-95 to accommodate dual left turn lanes to access S.R. 9/I-95 northbound and southbound, improving traffic flow; adding additional turn lanes for the northbound and southbound S.R. 9/I-95 on- and off-ramps at S.R. 804/Boynton Beach Blvd. to increase capacity and improve traffic flow; adding a third through-lane on westbound S.R. 804/Boynton Beach Blvd. at the S.R. 9/I-95 interchange to improve mobility; milling and repaving the roadway throughout the project limits to improve infrastructure resilience and enhance safety; constructing 5-foot to 7-foot bicycle lanes in each direction to improve bicyclist accessibility and enhance safety; replacing traffic signal mast arms at Old Boynton Rd., W. Industrial Ave., and S.R. 9/I-95 on- and off-ramps to leverage technology and enhance mobility; installing traffic monitoring cameras and Wrong Way Detection devices to enhance motorist safety; upgrading curb ramps and constructing 8-foot sidewalks throughout the project limits to enhance pedestrian safety; retrofitting and installing new LED lighting to enhance motorist awareness and pedestrian visibility at night; and, upgrading signage and pavement markings, including bicycle markings, to improve visibility and enhance safety. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.
Cost/Completion: $64 million/Early 2029
I-95 Traffic Impacts:

- **Please note: Scheduled lane closures are not expected Wednesday, Nov. 11, but crews may be onsite.**
- One lane of I-95 may be closed in each direction beginning at 8 p.m., with up to three lanes closed in each direction, 10 p.m. until 6 a.m., Sunday night through Friday, for bridge construction and ramp widening operations. A fourth lane may be closed overnight in each direction, as needed. Please proceed with caution through the work zone and allow additional travel time as needed.
- The I-95 northbound outside deceleration lane and shoulder approaching the I-95 northbound exit ramp to Boynton Beach Boulevard is closed through late 2026 for widening and construction operations.
- The I-95 southbound outside deceleration lane and shoulder approaching the I-95 southbound exit ramp to Boynton Beach Boulevard is closed through late 2026 for widening and construction operations.

I-95 Ramp Impacts:

- **Please note: Scheduled lane closures are not expected Wednesday, Nov. 11, but crews may be onsite.**
- The I-95 entrance and exit ramps at the Boynton Beach Boulevard interchange have portions of the ramps and shoulders closed with temporary barrier wall to create a work zone for widening, paving, and construction operations. Lanes may be temporarily reduced in areas with traffic slightly shifted on the ramps during this time. Please proceed with caution through the work zone and allow additional travel time as needed.
- Additional lanes on the I-95 ramps may be closed nightly, 9 p.m. to 6 a.m., Sunday night through Friday, for construction activities.

Boynton Beach Boulevard Traffic Impacts:

- **Temporary lane reduction and change in traffic pattern on eastbound Boynton Beach Boulevard:**
    - A lane reduction and traffic shift on eastbound Boynton Beach Boulevard is in place through late 2026 to create a temporary work zone on the south side of the project limits from NW 8th Street to east of W. Industrial Avenue. Temporary barrier wall is installed in the eastbound outside lane of Boynton Beach Boulevard in this area and continues east to tie into the existing barrier wall at the I-95 interchange. East of W. Industrial Avenue, traffic transitions to the original configuration approaching the I-95 interchange.
    - The eastbound outside lane of Boynton Beach Boulevard just west of NW 8th Street has traffic barrels installed to begin the eastbound lane reduction, leaving two through lanes at the intersection.
    - Temporary barrier wall is placed in the eastbound outside lane from NW 8th Street to east of W. Industrial Avenue, reducing travel lanes from three to two through lanes in this area only.
    - The northbound outside turn lane of NW 8th Street at Boynton Beach Boulevard is also closed during this time, with only one lane remaining for right, left, and through traffic movements.
    - Please proceed with caution through the work zone, drive safely, expect delays, allow additional travel time, and seek alternate routes as needed.
- **Please note: Scheduled lane closures are not expected Wednesday, Nov. 11, but crews may be onsite.** Boynton Beach Boulevard, from Old Boynton Road to NW 3rd Avenue, may have one lane closed in each direction, 9 p.m. until 6 a.m., nightly, for bridge construction and widening operations. Please note a single lane closure in each direction is permitted on Boynton Beach Boulevard only on Friday and Saturday nights. Please drive safely through the work zone.
- **Please note: Scheduled lane closures are not expected Wednesday, Nov. 11, but crews may be onsite.** The Boynton Beach Boulevard westbound turn lane to the I-95 southbound

entrance ramp may be closed, 9 p.m. until 6 a.m., Sunday night through Friday, for bridge construction and ramp widening operations. Motorists may detour via W. Industrial Ave. (just west of the I-95 interchange) to U-turn to eastbound Boynton Beach Boulevard to access the I-95 southbound entrance ramp. Please proceed with caution through the work zone and allow additional travel time as needed.

- The driveway and front parking area at 650 Boynton Beach Boulevard, just east of NW 7th Street on the south side of the roadway, may be closed around-the-clock as needed through late 2026, for drainage and curb installation. Motorists may detour via southbound NW 8th Street or NW 7th Street to eastbound NW 1st Avenue to access the back parking lot entrance to the plaza during this time.
- Flagging operations at driveways throughout the corridor may be in place, as needed, for construction and widening operations through late 2026.

2. **State Road (S.R.) 805/United States (U.S.) 1/North Dixie Highway and S.R. 9/I-95 Lighting Project**

Description: This 1.32-mile and 1.92-mile project along S.R. 805/U.S. 1/North Dixie Highway from north of Lucerne Avenue to the West Palm Beach Canal, and along S.R. 9/ I-95 from 12th Avenue South to 10th Avenue North in the City of Lake Worth Beach, began on July 7, 2026. Project Improvements consist of retrofitting and installing new LED lighting along S.R. 805/North Dixie Highway to improve nighttime visibility and safety; removing existing light fixtures along S.R. 805/North Dixie Highway; upgrading curb ramps and replacing sections of the existing sidewalks to improve pedestrian safety and connectivity; and replacing the existing lighting fixtures with new LED luminaires on I-95 from 12th Avenue South to 10th Avenue North to improve illumination and enhance visibility for motorists. For more information, please contact Assistant Community Outreach Specialist Kashine Johnson at (561) 408-9940 or kashine@holtcommunications.net.
Cost/Completion: $2.5 million/Summer 2027
Traffic Impacts:

- Northbound and southbound S.R. 805/U.S. 1/North Dixie Highway will have one lane closed intermittently between 13th Avenue North and Fordham Drive, 8 p.m. to 4 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and from 8 p.m. to 4 a.m., on Thursday, Nov. 12, for concrete, electrical, and underground work. Only one lane will be closed at a time.

3. **S.R. 9/I-95 at County Road (C.R.) 809A/Northlake Boulevard Interchange Improvements Project**

Description: This 4.319-mile project on S.R. 9/I-95 from south of C.R. 809A/Northlake Boulevard to south of S.R. 786/PGA Boulevard, and on C.R. 809A/Northlake Boulevard from S.R. 809/Military Trail to Silverthorne Drive in the City of Palm Beach Gardens, is expected to begin Friday, Nov. 13, 2026. Work includes milling and repaving I-95 and Northlake Boulevard, widening the I-95 exit ramps to Northlake Boulevard and adding a Wrong Way Driving Detection System, widening Northlake Boulevard under I-95 to add a fourth though-lane, adding additional turn lanes and bike lanes along Northlake Boulevard, performing ITS, signalization and drainage improvements, and upgrading lighting, signage and pavement markings to enhance the safety for motorists, cyclists and pedestrians. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.
Cost/Completion: $54 million/Late 2029
In-Person Public Meeting:

- An In-Person Public Meeting is scheduled for Thursday, November 12, 2026, from 6:00 p.m. to 7:00 p.m. at the City of Palm Beach Gardens Council Chambers at 10500 N. Military Trail, Palm Beach Gardens, FL, 33410. The meeting will have an informal open house format, and FDOT and consultant staff members will be available to discuss the project and answer questions one-on-one. **Please see flyer attached for more information.**

SOUTHERN PALM BEACH COUNTY PROJECTS
(BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)

4. **State Road (S.R.) 5/United States (U.S.) 1 Resurfacing Project**

Description: This 1.3-mile project along S.R. 5/U.S. 1 from Camino Real to NE 8th Street/Mizner Boulevard in the City of Boca Raton began on August 20, 2026. Project Improvements consist of milling and resurfacing the roadway throughout the project limits to ensure long-term infrastructure resiliency; repurposing the roadway from Camino Real to SE Mizner Boulevard/SE 5th Street by eliminating the 11-foot outside lane and narrowing the median to provide 7-foot separated bike lanes and 11-foot wide sidewalks; narrowing the median from SE Mizner Boulevard/SE 5th Street to NE Mizner Boulevard/NE 8th Street to provide 7-foot separated bike lanes; adding a new signalized mid-block crosswalk with increased lighting south of Plaza Real and upgrading pedestrian push buttons and signal heads at signalized intersections throughout the project corridor to enhance safety and connectivity for pedestrians; replacing existing traffic signals with mast arms at the intersection of S.R. 5/U.S. 1 and Camino Real for long term resiliency; constructing a second left-turn lane at the intersection of northbound S.R. 5/U.S.1 and Camino Real to improve intersection operations and capacity; and modifying curb ramps and pedestrian detectors to meet ADA criteria, and replacing and upgrading signing and pavement markings to improve visibility and accessibility. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.

Cost/Completion: 6.3 million/Late 2027

Traffic Impacts:

- Northbound and southbound S.R. 5/U.S. 1 traffic between Camino Real and SE 5th Street/SE Mizner Boulevard has been shifted to the two left lanes into its final traffic pattern as part of the roadway repurposing project.
- Southbound S.R. 5/U.S. 1 between Camino Real and SE 5th Street/SE Mizner Boulevard will have one lane closed intermittently, 8 a.m. until 3 p.m., Monday, Nov. 9 through Friday, Nov. 13.
- One northbound and southbound lane at the intersection of S.R. 5/U.S. 1 and Camino Real will be closed intermittently, 8:30 a.m. until 4 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, 8:30 a.m. until 3 p.m., Wednesday, Nov. 11, and 8:30 a.m. until 4 p.m., Thursday, Nov. 12 and Friday, Nov. 13, for signalization work.
- Northbound and southbound S.R. 5/U.S. 1 traffic between SE 5th Street/SE Mizner Boulevard and NE 8th Street/Mizner Boulevard will be reduced to one lane, 9 a.m. until 4 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, 9 a.m. until 3 p.m., Wednesday, Nov. 11, and 9 a.m. until 4 p.m., Thursday, Nov. 12 and Friday, Nov. 13, to accommodate median roadway operations.

5. **State Road (S.R.) 5/U.S. 1 Public Transportation Shelters Project From Palmetto Park Road to S.R. 850/Northlake Boulevard**

Description: This 32.9-mile project at various locations along S.R. 5/U.S. 1 from Palmetto Park Road in the City of Boca Raton to S.R. 850/Northlake Boulevard in the City of West Palm Beach is scheduled to begin on November 6, 2026. Project Improvements consist of enhancing bus shelters along S.R. 5/U.S. 1 with covered seating, accessibility features for riders with disabilities, and bike racks for cyclists to support multi-modal travel; upgrading lighting with solar security lights for improved visibility at the bus shelters; installing real-time bus arrival information displays for riders' convenience and travel planning; and upgrading sidewalks, curb ramps, pavement markings, pedestrian signals, and signage incidental to the proposed bus shelter construction within the project limits. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.

Cost/Completion: 2.3 million/Summer 2027

Traffic Impacts:

S.R. 5/U.S. 1 and NE 20th Street Intersection:

- One northbound and southbound lane at the S.R. 5/U.S. 1 and NE 20th Street intersection in the City of Boca Raton will be closed intermittently for clearing and grubbing and concrete operations, 10 a.m. to 2 p.m., and 8 p.m. to 7:30 a.m., Monday, Nov. 9, Tuesday, Nov. 10, Thursday, Nov. 12, and Friday, Nov 13.

S.R./U.S. 1 and Spanish River Boulevard Intersection:

- One northbound and southbound lane at the S.R. 5/U.S. 1 and Spanish River Boulevard intersection in the City of Boca Raton will be closed intermittently for drainage operations, 10 a.m. to 2 p.m., and 8 p.m. to 7:30 a.m., Monday, Nov. 9, Tuesday, Nov. 10, Thursday, Nov. 12, and Friday, Nov 13.

CENTRAL PALM BEACH COUNTY PROJECTS
(BOYNTON BEACH, LAKE WORTH BEACH, ROYAL PALM BEACH, WEST PALM BEACH, PALM BEACH)

6. **State Road (S.R.) 5/S Federal Highway Resurfacing, Rehabilitation and Restoration (RRR) Project**

Description: This 0.8-mile project along S.R. 5/S Federal Highway from S.R. 5/U.S. 1/S. Dixie Highway to 10th Avenue South in the City of Lake Worth Beach begins November 2026. Project improvements consist of upgrading the existing pedestrian curb ramps at side street intersections to improve pedestrian safety; improving pedestrian crossing signalization to enhance safety and connectivity for pedestrians; reconstructing damaged sidewalks to improve safety and mobility for pedestrians; milling and resurfacing to improve resilience and extend roadway service life; adding shared-use travel lane designations to enhance cyclist safety; and replacing signs and pavement markings to enhance safety and traffic flow. For more information, please contact Community Outreach Specialist Kashine Johnson at (561) 408-9940 or kashine@holtcommunications.net.
Cost/Completion: $830K/Early 2027
In-Person Pop-Up Event:

- An In-Person Pop-Up Event is scheduled for Thursday, November 12, 2026, from 10:00 a.m. to 12:00 p.m. at Mimi's Coffee and Creamery at 103A S. 3rd Street, Lantana, FL, 33462. The meeting will have an informal format, and FDOT and consultant staff members will be available to discuss the project and answer questions. **Please see the attached flyers for more information.**

7. **State Road (S.R.) 704/Okeechobee Boulevard at S.R. 809/Military Trail and S.R. 882/Forest Hill Boulevard at Haverhill Road Intersection Lighting Projects**

Description: This 2.4-mile and 0.2-mile project along S.R. 704/Okeechobee Boulevard at S.R. 809/Military Trail and along S.R. 882/Forest Hill Boulevard at the Haverhill Road Intersection in the City of West Palm Beach began on September 9, 2026. Project improvements consist of installing new LED lighting for nighttime visibility and safety; installing backplates with yellow retro-reflective borders on all traffic signal heads to improve visibility for motorists; upgrading signage and pavement markings to meet current Americans with Disabilities Act (ADA) standards; milling and repaving the existing intersections to improve long-term infrastructure resiliency; adding ADA curb ramps at the S.R. 882/Forest Hill Boulevard and Haverhill Road intersection for pedestrian use. For more information, please contact Community Outreach Specialist Kashine Johnson at (561) 408-9940 or kashine@holtcommunications.net.
Cost/Completion: $2.3 million/Summer 2027
Traffic Impacts:
S.R. 704/Okeechobee Boulevard:

- Eastbound and westbound S.R.704/Okeechobee Boulevard from east of S.R. 809/Military

Trail to S.R. 9/I-95 may have one lane closed, 7 p.m. to 7 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and 7 p.m. to 7 a.m., Wednesday, Nov. 11 through Friday morning, Nov. 13, for electrical and paving operations.
- The intersection of S.R. 704/Okeechobee Boulevard and S.R. 809/Military Trial may have two lanes closed, 9 p.m. to 7 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and 9 p.m. to 7 a.m., Wednesday, Nov. 11 through Friday morning, Nov. 13, for signalization, paving, and roadway work.

S.R. 882/Forest Hill Boulevard

- The intersection of S.R. 882/Forest Hill Boulevard and Haverhill Road will have one outside lane closed intermittently, 9 p.m. to 7 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and 9 p.m. to 7 a.m., Wednesday, Nov. 11 through Friday morning, Nov. 13, for signalization and roadway operations.

8. **S.R. 5/U.S. 1 Resurfacing, Restoration, and Rehabilitation Project**

Description: This 1.044-mile project on S.R. 5/U.S. 1 from Belvedere Road to south of Okeechobee Boulevard in the city of West Palm Beach began on May 4, 2026. Project Improvements consist of minor reconstruction, and milling and resurfacing the roadway throughout the project limits of S.R. 5/U.S. 1 from Belvedere Road to south of S.R. 704/Okeechobee Boulevard to enhance infrastructure resilience and safety for the community; reconstructing curb ramps to meet ADA criteria and replacing portions of the existing sidewalk to improve pedestrian safety, connectivity, and use; upgrading signing and pavement markings to enhance visibility and safety; replacing drainage structures within driveways; adding a new signalized mid-block crosswalk north of Vallette Way; upgrading pedestrian signalization at Belvedere Road and Flamingo Drive and the crosswalk north of Cranesnest Way; installing overhead flashing beacons within the school zone north and south of Flamingo Drive; and upgrading lighting to LED fixtures and installing a new light at Flamingo Drive. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.

Cost/Completion: $3.9 million/Early 2027

Traffic Impacts:

- Northbound and southbound S.R. 5/U.S.1 may have one lane closed intermittently between Belvedere Road and S.R. 704/Okeechobee Boulevard, 9 a.m. to 3 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, and 9 a.m. to 3 p.m., Thursday, Nov. 12 and Friday, Nov. 13, for concrete and electrical work.
- Northbound S.R. 5/U.S.1 from Barcelona Road to Acacia Road will have the outside lane closed through Fall 2026, for drainage operations and concrete work.
- Northbound S.R. 5/U.S. 1 from Vallette Way to Croton Way will be closed, 8:30 p.m., Monday, Nov. 9 until 6 a.m., Tuesday, Nov. 10, for roadway reconstruction.

  Motorists will be detoured to make a right onto Flamingo Drive, left onto South Olive Avenue, left onto Jefferson Road, and right to get back onto northbound S.R. 5/U.S. 1. ***See Attached Flyer.***

9. **S.R. A1A/South Ocean Boulevard from Emerald Beach Way to S.R. 704/Royal Palm Way**

Description: This 2.3-mile project in the Town of Palm Beach began on Tuesday, May 27, 2025. Improvements include milling and repaving the roadway throughout the project limits, replacing traffic signals with decorative mast arms at Golfview Rd./Hammon Ave., Worth Ave., and Peruvian Ave., and with standard mast arms at the Town of Palm Beach Fire Station, and S.R. 704/Royal Palm Way, upgrading pedestrian signals with new LED countdowns at Golfview Rd./Hammon Ave., Worth Ave., Peruvian Ave., and S.R. 704/Royal Palm Way, installing drainage improvements just south of S.R. 80/Southern Blvd., just north of El Vedado Rd., and at S.R. 704/Royal Palm Way, upgrading roadway lighting throughout the project limits including decorative lighting at Worth Ave., Peruvian Ave., Chilean Ave., Australian Ave., and Brazilian Ave., upgrading curb ramps and replacing sections of the existing sidewalk, and upgrading signage and pavement markings, including shared bicycle marking

or “sharrows.” For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.
Cost/Completion: $8.2 million/Late 2026
Traffic Impacts:

- One lane of S.R. A1A/S. County Road, from Emerald Beach Way to S.R. 704/Royal Palm Way, may be closed with a flagging operation to direct traffic, daily, 8 a.m. until 6 p.m., and nightly, 8 p.m. until 6 a.m., Sunday night through Saturday, for construction operations throughout the project corridor including sidewalk replacement, concrete work, minor repairs, and conduit, drainage and mast arm installation. Temporary pedestrian detours may also be in place during this time. Please proceed with caution and follow the marked detour routes.
- **Final Paving Operations:**
    - Final paving operations can be expected from 8 p.m. until 6 a.m., Sunday through Thursday nights, through Friday, Nov. 13. Work may extend the following week as needed due to potential weather impacts.
    - Lane closures can be expected intermittently in each direction on S.R. A1A/S. County Road throughout the entire project limits; however, the final paving operations will mostly take place from just south of Gulfstream Road to just north of S.R. 704/Royal Palm Way. Minor repairs can be expected from Emerald Beach Way to Gulfstream Road where needed.
    - When paving operations are moving through intersections from just south of Gulfstream Road to just north of S.R. 704/Royal Palm Way, brief full intersection closures with temporary detour routes may be required to complete this work. Please follow the marked detour routes and proceed with caution.
- **New Traffic Signal Mast Arms:**
    - New traffic signal mast arms have been installed on S.R. A1A/S. County Road from Golfview Road/Hammon Avenue to S.R. 704/Royal Palm Way.
    - Construction operations, sidewalk replacement and site restoration can be expected at the northwest and southwest corners of S.R. 704/Royal Palm Way, the southeast corner of the Town of Palm Beach Fire Station #1, the northeast and southwest corners of Peruvian Avenue, the southwest corner of Worth Avenue, the northwest corner of Golfview Road, and the southeast corner of Hammon Avenue.
    - Pedestrian detours will be utilized as needed for construction operations.
- **S.R. A1A/S. County Road Sidewalk Replacement from Brazilian Avenue to S.R. 704/Royal Palm Way, and at the Hammon Avenue/Golfview Road intersection:**
    - Final sidewalk removal and replacement is underway on the east and west sides of S.R. A1A/S. County Road from Brazilian Avenue to S.R. 704/Royal Palm Way, and at the Hammon Avenue/Golfview Road intersection through November 2026. Operations can be expected daily and nightly as needed, Sunday night through Saturday, with work done in phases to minimize impacts.
    - When work is being performed on the west side of the roadway between Brazilian Avenue and S.R. 704/Royal Palm Way, the southbound lane and parking spots on S.R. A1A/S. County Road may be closed for crews to stage equipment and perform operations.
        - Motorists traveling southbound on S.R. A1A/S. County Road may detour via westbound S.R. 704/Royal Palm Way to southbound Hibiscus Avenue to eastbound Brazilian Avenue to access southbound S.R. A1A/S. County Road.
        - Motorists traveling eastbound on S.R. 704/Royal Palm Way may turn right onto southbound Hibiscus Avenue to eastbound Brazilian Avenue to access southbound S.R. A1A/S. County Road.
    - When work is being performed on the east side of the roadway, intermittent northbound lane closures and a flagging operation can be expected to stage equipment and perform operations, with parking spaces temporarily blocked within the work zone.

        - If the northbound lanes are fully closed, motorists may detour via eastbound Brazilian Avenue to northbound S. Ocean Boulevard, to westbound S.R. 704/Royal Palm Way to access northbound S.R. A1A/S. County Road.
    - When work is being performed at the S.R. A1A/S. County Road and Hammon Avenue/Golfview Road intersection, temporary detours may be in place to stage equipment and perform operations on either the east or west side of the roadway.
        - Motorists traveling northbound on S.R. A1A/S. County Road may detour via eastbound Gulfstream Road to northbound S. Ocean Boulevard to westbound Worth Avenue or westbound Chilean Avenue to access northbound S.R. A1A/S. County Road.
        - Motorists traveling southbound on S.R. A1A/S. County Road may detour via eastbound Peruvian Avenue to southbound S. Ocean Boulevard to westbound Gulfstream Road to access southbound S.R. A1A/S. County Road.
    - Temporary pedestrian detour routes may also be utilized during this time; please follow all directional signage, proceed with caution, and allow extra travel time.
- **S.R. A1A/S. County Road Lane Closures and Detour at Peruvian Avenue:**
    - Sidewalk removal and replacement, and new traffic signal mast arm installation is underway at the S.R. A1A/S. County Road and Peruvian Avenue intersection.
    - The outside northbound lane and parking spots on S.R. A1A/S. County Road between Peruvian Avenue and Chilean Avenue may be closed as needed for construction operations and to stage equipment.
    - The outside southbound lane on S.R. A1A/S. County Road between Peruvian Avenue and Chilean Avenue, and a portion of the southbound turn lane from Peruvian Avenue to Worth Avenue, may be closed as needed for construction operations and to stage equipment.
    - During traffic signal mast arm and drilled shaft operations on the west side of the roadway, the southbound lanes of S. County Road from Chilean Avenue to Peruvian Avenue, and/or from Peruvian Avenue to Worth Avenue, may be closed daily.
        - When southbound lanes are closed at Chilean Avenue, motorists on southbound S. County Road may detour via U-turn at Chilean Avenue to northbound S. County Road, eastbound on Australian Avenue, southbound on S. Ocean Boulevard, and westbound on Worth Avenue to access southbound S. County Road.
        - When southbound lanes are closed from Peruvian Avenue to Worth Avenue, motorists may detour via eastbound Peruvian Avenue to southbound S. Ocean Boulevard, and westbound on Worth Avenue to access southbound S. County Road.

NORTHERN PALM BEACH COUNTY PROJECTS
(RIVIERA BEACH, LAKE PARK, NORTH PALM BEACH, PALM BEACH GARDENS, JUNO BEACH, JUPITER, TEQUESTA)

10. **U.S. 1/S.R. 5 Roadway Improvements Project**

Description: This 3.042-mile project on U.S. 1/S.R. 5 from 59th Street to C.R. 850/Northlake Boulevard in the City of Riviera Beach, Town of Lake Park, and Village of North Palm Beach, began on August 27, 2025. Work includes milling and repaving the roadway throughout the project limits to enhance infrastructure resilience and longevity; modifying the roadway to accommodate designated bicycle lanes in each direction to enhance bicyclist access and safety; constructing new median sections throughout the project limits to enhance motorists safety; widening the sidewalks on the bridge over the Port of Palm Beach to construct a 10-foot shared use path to enhance pedestrian safety and cyclist travel; upgrading curb ramps and replacing sections of the existing sidewalk to improve pedestrian safety and connectivity; upgrading traffic and pedestrian signals at intersections

throughout the project limits to enhance traffic flow and pedestrian access; retrofitting and installing new LED lighting, including decorative lighting, to enhance motorist awareness and pedestrian visibility at night; and upgrading signage and pavement markings, including installing bicycle markings, to enhance visibility and safety. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.
Cost/Completion: $13.4 million/Late 2027
Traffic Impacts:

- **The sidewalk along northbound U.S. 1/S.R. 5 from Access Road to W 11th Street will be closed through December 2026. Right-turn access to E 11th Street will also be closed. For cruise terminal access, please continue straight and use W 13th Street.**
- Northbound and southbound U.S. 1/S.R. 5 from 59th Street to C.R. 850/Northlake Boulevard will have one outside or inside lane closure from **8 a.m. to 4:30 p.m**., Monday, Nov. 9 and Tuesday, Nov. 10, and **8 a.m. to 4:30 p.m**., Thursday, Nov. 12 through Saturday, Nov. 14.
- Northbound and southbound U.S. 1/S.R. 5 from 59th Street to C.R. 850/Northlake Boulevard will have one outside or inside lane closure from **9 p.m. to 7 a.m.**, Sunday, Nov. 8 and Monday, Nov. 9, and **9 p.m. to 7 a.m.**, Wednesday, Nov. 11 and Thursday, Nov. 12.
- The center left-turn lane along northbound and southbound U.S. 1/S.R. 5/Broadway between Silver Beach Road and E. Kalmia Drive will be permanently closed to accommodate a reconstructed median to include a raised traffic separator and islands. Northbound and southbound drivers wishing to make a left or right turn throughout this section must continue to the nearest signalized intersection.

11. **State Road (S.R.) 710/Beeline Highway Reconstruction Project**

Description: This 3.142-mile project on S.R. 710/Beeline Highway from Northlake Boulevard to S.R. 708/Blue Heron Boulevard in the cities of Palm Beach Gardens, Riviera Beach, and West Palm Beach began on March 18, 2024. Improvements consist of widening S.R. 710/Beeline Highway from Northlake Boulevard to S.R. 708/Blue Heron Boulevard from 4 lanes to 6 lanes, replacing and widening the Florida's Turnpike bridge over S.R. 710/Beeline Highway, constructing an at-grade partial Continuous Flow Intersection (CFI) at the intersection of S.R. 710/Beeline Highway and Northlake Boulevard, adding sidewalks and bicycle lanes on both sides of S.R. 710/Beeline Highway, upgrading railroad crossings, drainage, signage, lighting, signalization, and pavement markings throughout project limits, and upgrading Intelligent Transportation System (ITS). For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.
Cost/Completion: $148.2 million/Late 2029
Signalization Impacts:

- **In honor of Veterans Day, no lane closures are scheduled on Wednesday, Nov. 11.**
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

S.R. 710/Beeline Highway Traffic Impact:

- S.R. 710/Beeline Highway and Jog Road intersection through movements and left turns will be closed from 8 p.m. to 6 a.m., Sunday through Thursday, until Thursday, Nov. 19.
    - Motorists traveling on S.R. 710/Beeline Highway will not be able to continue straight through the intersection and turn left onto Jog Road.
        - Northwest-bound S.R. 710/Beeline Highway motorists wishing to continue straight to northwest S.R. 710/Beeline Highway will turn north on Jog Road, U-turn south on Jog Road, and then turn northwest onto S.R. 710/Beeline Highway.
        - Southeast-bound S.R. 710/Beeline Highway motorists wishing to continue straight to southeast S.R. 710/Beeline Highway will turn south on Jog Road, U-turn north on Jog Road, and then turn southeast onto S.R. 710/Beeline Highway.

        - Northwest-bound S.R. 710/Beeline Highway motorists wishing to go south onto Jog Road will turn north on Jog Road, U-turn south on Jog Road, northwest on S.R. 710/Beeline Highway, U-turn onto southeast S.R. 710/Beeline Highway, and then south onto Jog Road.
        - Southeast-bound S.R. 710/Beeline Highway motorists wishing to go north onto Jog Road will turn south on Jog Road, U-turn north on Jog Road, southeast on S.R. 710/Beeline Highway, U-turn onto northwest S.R. 710/Beeline Highway, and then north onto Jog Road.
    - Motorists traveling on Jog Road will not be able to continue straight through the intersection and turn left onto S.R. 710/Beeline Highway.
        - Northbound Jog Road motorists wishing to continue straight north on Jog Road will turn southeast onto S.R. 710/Beeline Highway, U-Turn to northwest S.R. 710/Beeline Highway, and north onto Jog Road.
        - Southbound Jog Road motorists wishing to continue straight south on Jog Road will turn northwest onto S.R. 710/Beeline Highway, U-turn to southeast S.R. 710/Beeline Highway, and south onto Jog Road.
        - Northbound Jog Road motorists wishing to go northwest onto S.R. 710/Beeline Highway will turn southeast onto S.R. 710/Beeline Highway, U-turn to northwest S.R. 710/Beeline Highway, north onto Jog Road, U-turn to south onto Jog Road, and then northwest onto S.R. 710/Beeline Highway.
        - Southbound Jog Road motorists wishing to go southeast onto S.R. 710/Beeline Highway will turn northwest onto S.R. 710/Beeline Highway, U-turn to southeast S.R. 710/Beeline Highway, south onto Jog Road, U-turn to north Jog Road, and then southeast onto S.R. 710/Beeline Highway.
- S.R. 710/Beeline Highway, from Jog Road to the S.R. 91/Florida's Turnpike overpass, one inside lane will be closed in each direction from 7 a.m. to 5 p.m., Monday through Friday.
- S.R. 710/Beeline Highway lanes, northwest-bound from S.R. 809/Military Trail to the S.R. 91/Florida's Turnpike overpass, have been shifted to safely facilitate this phase of construction. This new traffic pattern will remain in place until Summer 2027.
- S.R. 710/Beeline Highway from S.R. 708/Blue Heron to Northlake Boulevard will have one lane in each direction closed daily from 7 a.m. to 6 p.m., Monday through Friday.
- S.R. 710/Beeline Highway and Northlake Boulevard will have one lane in each direction closed daily from 10 a.m. to 5 p.m., Monday through Friday.
- S.R. 710/Beeline Highway and Jog Road will have one lane in each direction closed daily from 10 a.m. to 6 p.m., Monday through Friday.
- S.R. 710/Beeline Highway and Haverhill Road will have one lane in each direction closed daily from 7 a.m. to 6 p.m., Monday through Friday.
- S.R. 710/Beeline Highway from S.R. 809/Military Trail to S.R. 708/Blue Heron Boulevard will have one lane in each direction closed daily from 7 a.m. to 6 p.m., Monday through Friday.
- S.R. 710/Beeline Highway lane widths are reduced, and westbound traffic has been shifted to the median from just east of the S.R. 91/Florida's Turnpike overpass to S.R. 708/Blue Heron Boulevard to safely facilitate construction activities.
- The S.R. 710/Beeline Highway northwest ramp to eastbound Northlake Boulevard has been temporarily closed to safely facilitate this phase of construction and is anticipated to reopen in Winter 2026. During this closure, motorists can continue on S.R. 710/Beeline Highway and turn right at the light to access eastbound Northlake Boulevard.
- The southeast S.R. 710/Beeline Highway left turn lane to eastbound S.R. 708/Blue Heron Boulevard will be closed around-the-clock through Spring 2027.
  Detour:
    - Motorists traveling to eastbound S.R. 708/Blue Heron Boulevard will be detoured via southeast S.R. 710/Beeline Highway, north on S.R. 809/Military Trail, and east on S.R. 708/Blue Heron Boulevard.

- Access for emergency and first responder vehicles will be maintained following the detour route. Signage will be posted along the detour route to assist motorists.
- Access to all businesses on S.R. 708/Blue Heron Boulevard will remain open during this work.

S.R. 708/Blue Heron Boulevard Traffic Impact:

- S.R. 708/Blue Heron Boulevard eastbound from S.R. 710/Beeline Highway to Military Trail will have one outside lane closed daily from 7 a.m. to 6 p.m., Monday through Friday.

Northlake Boulevard Traffic Impact:

- Northlake Boulevard, west of S.R. 710/Beeline Highway, will have one lane closed in each direction, as needed, from 10:30 a.m. to 6 p.m., Monday through Friday.
- Northlake Boulevard, east of S.R. 710/Beeline Highway, will have one lane closed in each direction, as needed, from 10:30 a.m. to 6 p.m., Monday through Friday.
- The S.R. 710/Beeline Highway northwest-bound access to eastbound Northlake Boulevard has been temporarily shifted to safely facilitate this phase of construction. The current movement is anticipated to reopen in Winter 2026. During this phase, from S.R. 710/Beeline Highway northwest-bound, motorists can turn right at the intersection to access eastbound Northlake Boulevard.
- Northlake Boulevard lanes in each direction at the S.R. 710/Beeline Highway intersection have been temporarily shifted, and U-turns in both directions are not available to safely facilitate this phase of construction. This new traffic pattern will remain in place until Winter 2026.

S.R. 91/Florida's Turnpike Traffic Impact:

- S.R. 91/Florida's Turnpike, from south of the S.R. 710/Beeline Highway overpass to just north of the S.R. 710/Beeline Highway overpass, will have one lane closed in each direction Sunday night from 10 p.m. to 6 a.m. and Monday through Thursday nights from 9 p.m. to 5 a.m. through November 2026.
- S.R. 91/Florida's Turnpike southbound lanes, from south of the S.R. 710/Beeline Highway overpass to just north of the S.R. 710/Beeline Highway overpass, have been temporarily shifted to safely facilitate this phase of construction. This new traffic pattern will remain in place until Fall 2026.

12. **U.S. 1/State Road (S.R.) 5 Earman River Bridge Replacement Project**

Description: This 0.175-mile project, located in the Village of North Palm Beach along U.S. 1/S.R. 5 from Northlake Boulevard to just north of Anchorage Drive, began on February 10, 2025. Improvements include replacing the U.S. 1/S.R. 5 bridge over the Earman River to enhance structural safety, traffic flow, and long-term resiliency. The roadway will be widened to add a second right-turn lane from southbound U.S. 1/S.R. 5 onto westbound Northlake Boulevard, improving infrastructure resilience, traffic flow, and safety. Milling and resurfacing the roadway along U.S. 1/S.R. 5 within the project limits will enhance safety, ride quality, and infrastructure longevity. Additionally, 4-foot and 5-foot bicycle lanes will be added along U.S. 1/S.R. 5 within the project limits to improve safety for all roadway users. Upgrades to drainage, signage, lighting, signalization, pedestrian curb ramps, pavement markings, and the Intelligent Transportation System (ITS) will further enhance infrastructure resilience, traffic flow, transportation efficiency, and safety. Finally, benches and planters will be installed throughout the project limits for the Village of North Palm Beach to improve public spaces. For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: **$**13.7 million/Summer 2027

Traffic Impacts:

- **In honor of Veterans Day, no lane closures are scheduled on Wednesday, Nov. 11.**
- Southbound U.S. 1/S.R. 5 lanes at the Earman River Bridge have been shifted to the new southbound bridge to safely facilitate median construction on the new bridge.
- Northbound U.S. 1/S.R. 5 lanes at the Earman River Bridge will be shifted to the inside lanes to safely facilitate construction on the new bridge.

- U.S. 1/S.R. 5, from Anchorage Drive to Northlake Boulevard, will have single, intermittent lane closures daily from 9:30 a.m. to 5 p.m. to safely facilitate material deliveries and roadway construction.
- Signal operations may be impacted by project activities and are being closely monitored during construction for temporary adjustments to minimize congestion.
- Pedestrian detours and signage will direct pedestrians to the sidewalk on the west side of the bridge.
- Southbound and northbound bike lanes end at the intersection of U.S. 1/S.R. 5 and Northlake Boulevard and at U.S. 1/S.R. 5 and Anchorage Drive.

Marine Impacts:

- The Earman River channel will be closed through Spring 2027 to facilitate construction activities safely. Mariners may take an alternate route to the Intracoastal Waterway north to the Lighthouse Bridge.

13. **State Road (S.R.) 811/Alternate (ALT) A1A Bridge Rehabilitation Project**

Description: This 0.219-mile project along S.R. 811/ALT A1A over the Loxahatchee Bridge in the Town of Jupiter began on October 13, 2026. Project improvements consist of upgrading the bridge fender system with resilient materials to protect against vessel impacts, and enhancing the navigational lighting system to improve boater visibility. For more information, please contact Assistant Community Outreach Specialist Kashine Johnson at (561) 408-9940 or kashine@holtcommunications.net.

Cost/Completion: $830K/Spring 2027

Traffic Impacts:

- All lanes open.

Marine Impacts

- No marine impacts.

WESTERN PALM BEACH COUNTY PROJECTS
(WELLINGTON, ROYAL PALM BEACH, SOUTH BAY, BELLE GLADE, PAHOKEE, CANAL POINT)

14. **S.R. 7/U.S. 441 Resurfacing, Restoration, and Rehabilitation Project at S.R. 802/Lake Worth Road**

Description: This 0.225-mile project on S.R. 7/U.S. 441 at S.R. 802/Lake Worth Road began on April 27, 2026. Project improvements include milling and resurfacing the roadway throughout the project limits to enhance infrastructure resilience and safety for the community; widening to provide a dedicated northbound to eastbound right-turn lane to alleviate congestion on S.R. 7/U.S. 441 northbound approach at S.R. 802/Lake Worth Road; constructing a sidewalk along the east side of S.R. 7/U.S. 441 and upgrading ADA curb ramps along the existing sidewalk to enhance pedestrian safety; upgrading signing and pavement markings by adding high emphasis crosswalks and upgrading to steel strain poles with LED lighting at the signalized intersection to enhance visibility and safety; upgrading signalization to improve traffic operations; and modifying the existing guardrail along the east side of S.R. 7/U.S. 441 for enhanced safety. For more information, contact Community Outreach Specialist Kevin Wells at 728-235-7218 or kevin@holtcommunications.net.

Cost/Completion: $3.4 million/Early 2027

Traffic Impacts:

- Eastbound and westbound S.R. 802/Lake Worth Road will have one lane closed, 8 p.m. until 6 a.m., Sunday, Nov. 8 and Monday, Nov. 9 for milling and resurfacing operations. Work will occur in one direction at a time.

- Northbound and southbound S.R. 7/U.S. 441 will have one lane closed, 8 p.m. until 6 a.m., Tuesday, Nov. 10 through Thursday, Nov. 12, for milling and resurfacing operations. Work will occur in one direction at a time.
- The entrance and exit of the shopping plaza along northbound S.R. 7/U.S. 441, south of S.R. 802/Lake Worth Road, will be closed continuously through Friday, Nov. 20. During the closure, drivers may use the alternate plaza entrance and exit along S.R. 802/Lake Worth Road.

15. **S.R. 80/Southern Boulevard Ramps and S.R. 7/U.S. 441 Ramp Improvements Project**

Description: This 0.779-mile project on S.R. 7/U.S. 441 and S.R. 80/Southern Boulevard on- and off-ramps, from S.R. 7 south of C-51 Canal to north of S.R. 80 began in February 2026. The project improvements include milling and repaving the roadway throughout the project limits to enhance infrastructure resilience and improve safety for the community; widening the roadway and the C-51 Canal bridge to accommodate dual right-turn lanes along northbound and southbound S.R. 7/U.S. 441, triple left-turn lanes along the eastbound and westbound S.R. 80/Southern Boulevard ramps, and dual right-turn lanes along the eastbound and westbound S.R. 80/Southern Boulevard ramps to improve traffic flow and capacity; reconstructing and signalizing the U-turns at the eastbound and westbound S.R. 80/Southern Boulevard ramps to enhance vehicular safety; upgrading curb ramps and replacing sections of the existing sidewalk to improve pedestrian safety and connectivity; constructing new traffic signal mast arms to accommodate the turn lanes along S.R. 7/U.S. 441 and the S.R. 80/Southern Boulevard ramps; upgrading pedestrian signals with new LED countdowns at intersections throughout the project corridor to enhance pedestrian use; retrofitting and installing new LED lighting to improve motorist awareness and pedestrian visibility at night; and upgrading signage and pavement markings, including installing green bicycle markings, to enhance visibility and safety. For more information, contact Community Outreach Specialist Kashine Johnson at 561-408-9940 or kashine@holtcommunications.net.

Cost/Completion: $8.3 million/Summer 2027

Traffic Impacts:

- The northbound and southbound lanes along S.R. 7/U.S. 441 will have one lane closed intermittently for roadway work, 7 a.m. to 5 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, and 7 a.m. to 5 p.m., Thursday, Nov. 12 and Friday, Nov. 13.
- The northbound right-turn lane at the S.R. 7/U.S. 441 on-ramp to eastbound S.R. 80/Southern Boulevard will be closed continuously for bridge widening work.
- The eastbound S.R. 80/Southern Boulevard off-ramp U-turn lane at U.S. 441/S.R. 7, which provides access to the westbound S.R. 80/Southern Boulevard on-ramp, will be closed until Fall 2026 for construction associated with the new U-turn ramp widening.
    - Motorists wishing to access the westbound On-ramp at U.S. 441 will continue to travel eastbound on S.R. 80/Southern Boulevard, past the S.R. 7/U.S. 441 Off-ramp, and will be detoured to make a U-turn at Fairgrounds Road to access westbound U.S. 441. ***See Attached Flyer.***
- The northeast and southeast sidewalks on S.R. 7/U.S. 441 and S.R. 80/Southern Boulevard will be closed continuously through Fall 2026 for bridge widening work.
    - Pedestrians and cyclists wishing to utilize the northbound (east) sidewalk along S.R. 7/U.S. 441 will be detoured to the signalized intersection at Erica Boulevard to access the southbound (west) sidewalk along S.R. 7/U.S. 441. From there, continue north past Acme Road, under the Southern Boulevard ramps, and across at the signalized intersection to access the S.R. 7/U.S. 441 sidewalks. ***See Attached Flyer.***

16. **U.S. 27/State Road (S.R.) 25 Everglades Agricultural Area (EAA) Reservoir Inflow-Outflow Canal Bridges Project**

Description: This 0.37-mile project on U.S. 27/S.R. 25**,** 27 miles north of the U.S. 27/I-75 Interchange, started on January 5, 2026. Project improvements consist of dredging a new canal in

partnership with South Florida Water Management District for future connection to the EAA reservoir; constructing northbound and southbound U.S. 27/S.R. 25 bridges over the South Florida Water Management District new canal to facilitate enhanced stormwater treatment and resiliency; milling and repaving the roadway throughout the project limits to restore the infrastructure; constructing drainage and roadside swales for stormwater treatment and storage; installing guardrails and concrete barrier walls to enhance motorist safety; and upgrading signage and pavement markings to enhance visibility and safety. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.
Cost/Completion: $20.9 million/Late 2028
Traffic Impacts:

- Intermittent northbound and southbound single lane closures of U.S. 27/S.R. 25 may be needed within the project limits, 7 a.m. to 5 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, and 7 a.m. to 5 p.m., Thursday, Nov. 12 and Friday, Nov. 13, to accommodate maintenance repairs and deliverables.
- Southbound and northbound mainline traffic on U.S. 27/S.R. 25 will be shifted east until **Dec. 31,** to protect the work activities for the new bridge and canal construction along the west side of U.S. 27/S.R. 25.
- The speed limit within the project limits will be reduced from 65 mph to 55 mph.

17. **State Road (S.R.) 700/Conners Highway Embankment Repairs – Slope Protection Project**

Description: This 0.14-mile project, located 1.7 miles south of Hatton Highway on S.R. 700/Conners Highway, began on June 1, 2026. Project improvements consist of repairing the existing L-10 Canal along S.R. 700/Conners Highway to minimize erosion and enhance resiliency; shoulder reconstruction, and milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resiliency; replacing the adjacent guardrail within the project limits to enhance vehicle safety; and upgrading signage and pavement markings to enhance visibility and safety. For more information, please contact Community Outreach Specialist Kevin Wells at (728) 235-7218 or kevin@holtcommunications.net.
Cost/Completion: $1.3 million//Late 2026
Traffic Impacts:

- S.R. 700/Conners Highway from Hatton Highway to S.R. 80/U.S. 98 has been reopened as of Friday, Oct. 30, 2026.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

- **For additional maintenance, utility, permit, and agency closures not listed below, please click this link: Lcisv2**

INTERSTATE 95

Southbound S.R. 9/I-95 at Woolbright Road in Delray Beach will have one lane closed, 10 p.m., Monday, Nov. 9 until 5 a.m., Tuesday, Nov. 10, for bridge repairs. For more information, please contact Jackson Arnold at 561-569-5344.

FLORIDA'S TURNPIKE

S.R. 91/Florida's Turnpike Widening Project from north of S.R. 80/Southern Boulevard to north of S.R. 704/Okeechobee Boulevard | For more information, please contact Melissa Readling, Community Outreach Specialist, at 954-934-1108 – or – 1-800-749-PIKE or Melissa.Readling@dot.state.fl.us.
Traffic Impacts:

FLORIDA'S TURNPIKE

S.R. 91/Florida's Turnpike Widening Project from north of S.R. 80/Southern Boulevard to north of S.R. 704/Okeechobee Boulevard | For more information, please contact Melissa Readling, Community Outreach Specialist, at 954-934-1108 – or – 1-800-749-PIKE or Melissa.Readling@dot.state.fl.us.

Traffic Impacts:

- **Eastbound and westbound S.R. 704/Okeechobee Boulevard** will have single lane closures between Vista Parkway and West Drive, 8:30 p.m. to 6:30 a.m., nightly, Sunday, Nov. 8 through Thursday, Nov. 12. Eastbound and westbound lanes will not be closed at the same time.
- **Northbound and southbound S.R. 91/Florida's Turnpike** between Jog Road and north of S.R. 704/Okeechobee Boulevard will have single lane closures, 8 p.m. to 6 a.m., Sunday, Nov. 8 through Thursday, Nov. 12.
- **Northbound S.R. 91/Florida's Turnpike between Jog Road (Exit 98) and north of S.R. 704/Okeechobee Boulevard (Exit 99)** will have full road closures, 8 p.m. to 6 a.m., Monday, November 9, through Thursday, November 12.
    - Northbound S.R. 91/Florida's Turnpike traffic wishing to continue north will be directed to exit at Jog Road (Exit 98), travel north onto Jog Road to S.R. 704/Okeechobee Boulevard/S.R. 704, and east onto S.R. 704/Okeechobee Boulevard to access northbound S.R. 91/Florida's Turnpike.
- The left-turn lane of northbound N Jog Road to southbound S.R. 91/Florida's Turnpike will be closed through Late 2027 to allow crews to perform bridge widening activities. During this closure, lanes in both directions of N Jog Road over S.R. 91/Florida's Turnpike will be reduced from three to two lanes and traffic will be shifted to the east. Please note, this schedule may change due to inclement weather or unforeseen conditions. Traffic will be detoured as follows:
    - Northbound N Jog Road traffic wishing to access southbound S.R. 91/Florida's Turnpike will be directed west onto Belvedere Road, and south onto Pike Road to access southbound S.R. 91/Florida's Turnpike.
    - Belvedere Road traffic wishing to access southbound S.R. 91/Florida's Turnpike will be directed south onto Pike Road to access southbound S.R. 91/Florida's Turnpike.

CENTRAL PALM BEACH COUNTY PROJECTS
(BOYNTON BEACH, LAKE WORTH BEACH, ROYAL PALM BEACH, WEST PALM BEACH, PALM BEACH)

OCEAN RIDGE

Traffic Impacts: S.R. A1A/Jimmy Buffett Memorial Highway, from just south of Corrine Street to just north of S.R. 804/Ocean Avenue, will have around-the-clock lane closures through late 2026 for water main improvements for the Town of Ocean Ridge.

- Temporary Traffic Signal—A temporary traffic signal system is alternating traffic on northbound and southbound S.R. A1A/Jimmy Buffett Memorial Highway, and from driveways and side streets, within approximately a 400-foot section of the work zone. This temporary traffic signal is operational around-the-clock through late 2026 and will shift as needed within the project corridor as work progresses.
- The temporary traffic signal system is currently in place just south of the S.R. 804/Ocean Avenue intersection, closing the northbound lane to create a work zone. The sidewalk on the west side of the roadway and beach access points remain open during this time. Crews can be expected on site Monday through Friday, and Saturday as needed, through late 2026.
- Daytime and nighttime flagging operations may also be required to direct traffic along S.R. A1A/Jimmy Buffett Memorial Highway, and for eastbound and westbound single lane closures

on S.R. 804/Ocean Avenue at the S.R. A1A/Jimmy Buffett Memorial Highway intersection. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-589-9584 or mcruz@cruz-pr.com.

LAKE WORTH BEACH

Eastbound and westbound S.R. 802/Lake Worth Road from Congress Avenue to Holiday Drive in Lake Worth Beach will have one lane closed, 9 p.m. to 4 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and 9 p.m. to 4 a.m., Wednesday, Nov. 11 and Thursday, Nov. 12, for pavement marking work. For more information, please contact Tameaka Channer at 561-370-1156.

WEST PALM BEACH

Northbound and southbound S.R. 809/Military Trail between 10th Avenue North and Cresthaven Boulevard in the City of West Palm Beach will be closed until further notice for repair work. Only emergency vehicles will be permitted access. Law enforcement will be on site redirecting non-emergency traffic and assisting local residents, as needed.

- Motorists are asked to use 10th Avenue North and Purdy Lane/Alemeda Drive for east-west travel.
- Motorists are asked to use Haverhill Road and Kirk Road for north-south travel.

PALM BEACH

Eastbound and westbound S.R. 704/Royal Palm Way at the Royal Park Drawbridge will have one lane closed non-simultaneously, 9 a.m., to 3:30 p.m., Monday, Nov. 30 through Thursday, Dec. 10, for pedestrian gate relocation. For more information, please contact Miguel Sosa at 954-907-8973.

NORTHERN PALM BEACH COUNTY PROJECTS
(RIVIERA BEACH, LAKE PARK, NORTH PALM BEACH, PALM BEACH GARDENS, JUNO BEACH, JUPITER, TEQUESTA)

RIVIERA BEACH

Eastbound and westbound S.R. 708/Blue Heron Boulevard from S.R. 809/Military Trail to S.R. 5/U.S. 1/Broadway in Riviera Beach will have one lane closed, 9 p.m. to 4 a.m., Sunday, Nov. 8 and Monday, Nov. 9, and 9 p.m. to 4 a.m., Wednesday, Nov. 11 and Thursday, Nov. 12, for pavement marking work. For more information, please contact Tameaka Channer at 561-370-1156.

WESTERN PALM BEACH COUNTY PROJECTS
(WELLINGTON, ROYAL PALM BEACH, SOUTH BAY, BELLE GLADE, PAHOKEE, CANAL POINT)

WELLINGTON

Southbound S.R. 7/U.S. 441 from Wellington Parc Drive to north of S.R. 802/Lake Worth Road in Wellington will have one lane closed, 9 a.m. to 4 p.m., Monday, Nov. 9 and Tuesday, Nov. 10, and 9 a.m. to 4 p.m., Thursday, Nov. 12 and Friday, Nov. 13, for sidewalk repair. For more information, please contact Tameaka Channer at 561-370-1156.
