FDOT Treasure Coast Traffic Report

March 27 through April 3, 2020

Martin, St. Lucie & Indian River Counties, FL – Construction, maintenance and permit-related lane closures on state highways in Martin, St. Lucie and Indian River counties are expected during March 27 through April 3, 2020. Weather permitting, work will be done at the following locations throughout the Treasure Coast.

For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter @ MyFDOT_SEFL.

Please note, any full road, ramp or bridge closures have been highlighted below.

CONSTRUCTION PROJECTS

MARTIN COUNTY

1. **Kanner Highway / State Road 76 from south of Pratt Whitney Road (County Road 711) to SW Jack James Drive**

Description: Kanner Highway is being widened from south of Pratt Whitney Road to SW Jack James Drive. Work on this 1.94-mile project includes: reconstructing Kanner Highway from CR 711 to Locks Road from a two-lane undivided highway to a four-lane divided highway with a raised median and curb & gutter; adding seven-foot-wide bicycle lanes from CR 711 to Locks Road; adding a 12-foot-wide shared use path on the east side of Kanner Highway from CR 711 to Locks Road; adding a six-foot-wide sidewalk on the west side of Kanner Highway from CR 711 to Locks Road; installing drainage features that will improve drainage; and resurfacing Kanner Highway from Locks Road to SW Jack James Drive. Access points and turn lanes will be provided throughout the corridor at the following locations: there will be turn lanes at the two signalized intersections CR 711 and Locks Road; full median openings will be at Mary Drive, Tropical Avenue, and SW Old Royal Drive; and a left-turn-only median opening will be located at Beverly Terrace.

Cost/Completion: $12,892,088.57. Completion is expected in summer 2021.

Traffic Impact:

- The speed limit on Kanner Highway from south of Pratt Whitney Road to SW Jack James Drive has been temporarily reduced from 50 MPH to 45 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kanner Highway from Pratt Whitney Road to SW Jack James Drive will be closed intermittently daily, Sunday through Saturday, from 7 a.m. to 5 p.m. for paving. For lane closures on Kanner Highway where there is only one existing lane in each direction, two-way traffic will be maintained by a flag crew.
- One lane in either direction of Pratt Whitney Road at the Kanner Highway intersection will be closed intermittently daily, Sunday through Saturday, from 7 a.m. to 5 p.m. for paving. Two-way traffic will be maintained by a flag crew.
- Traffic in both directions along Kanner Highway is shifted to the east, utilizing the newly constructed travel lanes, to construct the future southbound lanes. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

2. **I-95 Lighting and Roadway Improvements Project**

Description: The I-95 lighting and roadway improvements project runs from south of the Martin County rest area to south of State Road 714/Martin Highway. Work on this 5-mile project includes: installing lighting along I-95; lengthening the I-95 entrance ramp auxiliary lane from the Martin County northbound rest area; milling & resurfacing along northbound I-95 at the Martin County northbound rest area to tie into the reconstructed auxiliary lane; and milling & resurfacing of the existing pavement and placing overbuild along southbound I-95 where needed for cross slope corrections.

Cost/Completion: $5,985,000. Completion is expected in summer 2020.

Traffic Impact:

- Two northbound lanes of I-95 approximately three miles north of High Meadow Avenue / Exit 102 at the Martin County rest area will be closed Sunday through Thursday night from 7 p.m. to 5 a.m. for paving.
- Two southbound lanes of I-95 may be closed Sunday through Thursday night from 7 p.m. to 5 a.m. for paving.
- Intermittent shoulder closures along I-95 will occur in both directions Monday through Friday from 7 a.m. to 5 p.m. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

3. **Jensen Beach Boulevard Shoulder Widening and Resurfacing Project, from U.S. 1 to Savannah Road**

Description: Jensen Beach Boulevard/State Road 732 is being resurfaced and the shoulder is being widened from U.S. 1 to Savannah Road/County Road 723. The improvements include: milling and resurfacing the existing roadway; widening and restriping pavement to provide dedicated bike lanes; upgrading current drainage; installing new guardrail at NE Pinecrest Lakes Boulevard; improving sidewalks to provide American with Disabilities Act (ADA) compliant curb ramps; improving signing and pavement markings; replacing the existing span wire signal system at US 1 with a mast arm signal system; upgrading pedestrian signals at signalized intersections; and providing intersection lighting at the SR 732 and US 1 intersection and enhancing lighting at other signalized intersections.

Cost/Completion: $5,272,134. Completion is expected in summer 2020.

Traffic Impact:

- One lane in each direction of Jensen Beach Boulevard will be closed Sunday through Thursday night from 6 p.m. to 6 a.m. through Apr. 2020 for roadway work and paving.
- One lane in each direction of Jensen Beach Boulevard will be closed Monday through Friday from 7 a.m. to 4 p.m. through Apr. 2020 for roadway work.
- The sidewalk along the north side of Jensen Beach Boulevard from U.S. 1 to Savannah Road is closed. Pedestrians should utilize the sidewalk on the south side of Jensen Beach Boulevard, crossing at signalized intersections.
- Eastbound and westbound Jensen Beach Boulevard from U.S. 1 to Goldenrod Rd will be shifted to the outside shoulder to facilitate median widening. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

4. **U.S. 1 Shoulder Widening and Resurfacing Project, from South of SE Heritage Boulevard to North of SE Salerno Road**

Description: U.S. 1 is undergoing a shoulder widening and resurfacing project from south of SE Heritage Boulevard to north of SE Salerno Road. The improvements include: milling and resurfacing of all travel lanes, turn lanes, and shoulders; widening the shoulders to accommodate 7-foot buffered bicycle lanes; addressing pavement failures at Cove Road and Salerno Road; upgrading sidewalk and pedestrian ramps to meet American with Disabilities Act (ADA) standards; upgrading signing and pavement markings; installing new pedestrian countdown signal heads at multiple signalized intersections; upgrading traffic controller cabinets at all signalized intersections; and installing lighting improvements at Salerno Road and Cove Road intersections.

Cost/Completion: $8,446,060. Completion is expected in spring 2021.

Traffic Impact:

- One lane in each direction of U.S. 1 will be closed Monday through Friday from 8 a.m. to 4:30 p.m. for shoulder widening.
- One inside southbound lane of U.S. 1 at Cove Road is closed around-the-clock for roadway repairs.
- Intermittent lane closures will occur at the U.S. 1/Salerno Road and U.S. 1/Cove Road intersections Monday through Friday from 8 a.m. to 4:30 p.m. for pipe cleaning. During this time, turning lanes may be closed but traffic will still be able to make turns utilizing the through travel lane.
- One lane in either direction of U.S. 1 will be closed Monday through Thursday night from 7 p.m. to 6 a.m. for paving.
- Intermittent sidewalk closures will occur on the west side of U.S. 1. Pedestrians should cross at the nearest signalized intersection and follow the detour signage in place. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

5. **Palm City Bridge in Palm City**

Traffic Impact:

- One lane in each direction of the Palm City Bridge will be closed Monday through Friday from 9:30 a.m. to 3:30 p.m. through Apr. 3 to replace bridge lighting. For more information, please contact Ken Kroll at 786-877-3834.

6. **SE Ocean Boulevard at Monterey Road in Stuart**

Traffic Impact:

- One eastbound lane of SE Ocean Boulevard will be closed Monday through Friday from 9 a.m. to 4 p.m. through May 8 for utility work. For more information, please contact Max Werling at 321-412-7878.

7. **Warfield Boulevard from Adams Avenue to Madison Avenue in Indiantown**

Traffic Impact:

- One eastbound lane of Warfield Boulevard will be closed Monday through Friday from 9 a.m. to 4 p.m. through May 22 for utility work. For more information, please contact Max Werling at 321-412-7878.

8. **Warfield Boulevard from Adams Avenue to Madison Avenue in Indiantown**

Traffic Impact:

- On Saturday, March 28, 2020 and Sunday, March 29, 2020, the Martin County Public Works Department will be performing rehabilitation work on the traffic signal at the intersection of SE Federal Highway and SE Kanner Highway. This work will necessitate intermittent lane closure at the intersection between the hours of 6:30 am and 3:00 pm each day. Motorists and pedestrians are encouraged to exercise caution and expect minor delays. For more information, please contact Luis Pille at 772-463-2867.

9. **State Road A1A from NE Causeway Boulevard to Joe's Point Road in Jensen Beach and Stuart**

Traffic Impact:

- The southbound lane of State Road A1A will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. Two-way traffic will be maintained by a flag crew. For more information, please contact Steve Jungjohan at 772-882-5084.

10. **U.S. 1 just South of Windemere Drive in Stuart**

Traffic Impact:

- Starting Thursday, Apr. 2, one southbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. through May 7 to install a driveway connection. For more information, please contact Brittany Lynch at 772-286-7385.

ST. LUCIE COUNTY

11. **Midway Road Widening Project, from S. 25th Street to U.S. 1**

Description: This 1.8-mile project includes: reconstructing the existing two-lane Midway Road to a four-lane, divided highway with a raised median; installing a new signal at Sunrise Boulevard; constructing a new bridge over the North Fork St. Lucie River; constructing a 6-foot sidewalk on the north side and a 12-foot multi-purpose trail on the south side Midway Road; constructing 4-foot bike lanes on both sides of the roadway; reconstruction of S. 25th Street approximately 1000' to the south & north of Midway Road; reconstruction of Sunrise Boulevard from W. 1st Street to Charlotta Street; reconstruction of Oleander Avenue from W. 2nd Street to Merritt's Ditch; drainage improvements, including constructing 6 retention ponds at 5 locations; and signage, signalization, and lighting improvements.

Cost/Completion: $26.85 million. Completion is expected in fall 2021.

Traffic Impact:

- One lane in either direction of Midway Road between 25th Street and U.S. 1 may be closed Monday through Friday except from 6:30 a.m. to 9 a.m. & 4 p.m. to 8:30 p.m. for drainage activities, signalization, bridge work, and embankment/excavation. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Oleander Avenue between West 1st Street and just north of Midway Road by Merritt's Ditch may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage activities and signalization. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Sunrise Boulevard between West 1st Street and Augusta Street may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage activities, embankment, and signalization. Two-way traffic will be maintained with a flag crew.
- One lane in each direction of 25th St. from 1,200' north to 500' south of Midway Road may have daytime and nighttime lane closures Monday through Friday except for between the hours of 3 p.m. and 7 p.m. for drainage work.
- One lane in either direction of Melville Road just south of Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage. A flag crew will maintain two-way traffic.
- One lane in either direction of U.S. 1 at Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for signalization and lighting.
- Eastbound and westbound traffic on Midway Road from just east of Oleander Avenue to Star Avenue is shifted to the south on the newly constructed roadway to facilitate roadway construction to the north.
- Eastbound and westbound traffic on Midway Road from 25th Street to Oleander Avenue is shifted to the north on the newly constructed roadway to facilitate roadway construction to the south.
- Northbound and southbound traffic on Oleander Avenue from 2nd Street to Merritt's Ditch is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- Northbound and southbound traffic on Sunrise Boulevard from 2nd Street to Charlotta Street is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- Northbound and southbound traffic on 25th Street from Canoe Creek Lane to approximately 1,000 feet north of Midway Road is shifted to the east to facilitate roadway construction to the west.

12. **<u>Kings Highway Widening Project, from South of State Road 70 to North of the I-95 Overpass</u>**

Description: Kings Highway / State Road 713 is being widened from south of State Road 70 to north of the I-95 overpass in the City of Ft. Pierce and unincorporated St. Lucie County. The improvements on this 3.417-mile project include: reconstructing the existing two-lane undivided Kings Highway with a newly constructed four−lane divided roadway, relocating Canal No. 40 and Canal No. 32E to accommodate widening to the west, realigning Kings Highway at the intersection with Okeechobee Road which will improve the existing connection with the Turnpike, replacing existing culverts/swales and installing a closed drainage system and retention ponds, installing a new highway lighting system, and upgrading signalization with vehicle detection devices and ITS cameras. Features of the new roadway will include: a 30−foot wide median with Type E Curb and Gutter (22−foot-wide raised plus two four−foot-wide paved inside shoulders), 6.5−foot-wide outside shoulders which will also serve as buffered bicycle lanes, a 12−foot-wide shared use path along the west side, and a 6−foot-wide sidewalk along the east side.

Cost/Completion: $45,221,785.65. Completion is expected in fall 2022.

Traffic Impact:

- The speed limit on Kings Highway from south of Okeechobee Road / State Road 70 to north of the I-95 overpass has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kings Highway may be intermittently closed Monday through Fridayfrom 9 a.m. to 4 p.m. through fall 2022 for roadway work. Two-way traffic will be maintained by a flag crew. During this time, intermittent side street closures may occur, maintaining two-way traffic at all times.
- One lane in either direction will be closed at the Kings Highway/Okeechobee Road intersection Sunday through Thursday night from 8 p.m. to 6 a.m. to shift traffic.

- Starting the week of Mar. 30, southbound Kings Highway just north of Okeechobee Road will be shifted to the east to facilitate roadway reconstruction. During this time, the southbound to eastbound turning lanes will be reduced to one lane.
- Southbound and northbound Kings Highway at the Orange Avenue intersection is reduced to one lane in each direction through spring 2021, temporarily removing the designated turning lanes, to facilitate roadway reconstruction.
- **Full Closure:** Crossroads Parkway just east of Kings Highway is closed for reconstruction of Crossroads Parkway. This full closure is anticipated to be in place through April 2020, weather permitting. During this time, motorists heading north on Kings Highway should detour via Graham Road to South Jenkins Road to Okeechobee Road. Motorists heading southbound on Kings Highway should detour via Okeechobee Road. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

13. **State Road 70 at Midway Road in Ft. Pierce**

Traffic Impact:

- **Full Closure:** The eastbound right turn lane from State Road 70 onto Midway Road will be closed through Apr. 11 to widen the existing turn lane. Motorists should detour via Shinn Road to Midway Road. For more information, please contact Rick Shepherd at 772-643-1338.

14. **Port St. Lucie Boulevard from U.S. 1 to Morningside Boulevard in Port St. Lucie**

Traffic Impact:

- One westbound lane of Port St. Lucie Boulevard will be closed Monday through Friday from 9 a.m. to 3:30 p.m. through Apr. 30 for utility work. For more information, please contact Rosendo Raya at 772-626-6272.

15. **North Causeway Bridge in Ft. Pierce**

Traffic Impact:

- One lane in either direction of North Causeway Bridge will be closed Wednesday from 9 a.m. to 4 p.m. for spall repairs. Two-way traffic will be maintained by a flag crew. For more information, please contact Hernán García Del Punta at 786-338-5711.

16. **SE Walton Road at the Railroad Crossing in Ft. Pierce**

Traffic Impact:

- One lane in either direction of Walton Road will be closed, 7 a.m. to 5 p.m., through Mar. 2020 for rail work. Two-way traffic will be maintained by a flag crew. The railroad crossing may be closed intermittently for up to two minutes as trucks move from one side of the tracks to the other. For more information, please contact Katie Mitzner at 407-502-3587.

17. **SE Riverview Drive at the Railroad Crossing in Jensen Beach**

Traffic Impact:

- One lane in either direction of Riverview Drive will be closed, 7 a.m. to 5 p.m., through Mar. 2020 for rail work. Two-way traffic will be maintained by a flag crew. The railroad crossing may be closed intermittently for up to two minutes as trucks move from one side of the tracks to the other. For more information, please contact Katie Mitzner at 407-502-3587.

18. **Port St. Lucie Boulevard from Montauk Street to Sidonia Street in Port St. Lucie**

Traffic Impact:

- One westbound lane of Port St. Lucie Boulevard will be closed Monday through Friday from 9 a.m. to 4 p.m. to replace light poles. For more information, please contact Rob McIntosh at 772-577-9764.

INDIAN RIVER COUNTY

19. **State Road A1A Hurricane Matthew Restoration Project**

Description: The State Road A1A Hurricane Matthew restoration project runs from approximately 2.3 miles south of the Sebastian Inlet northerly 1 mile on State Road A1A. Work on this 1.035-mile project includes constructing a sheet pile wall system on the west side of SR A1A with reinforced concrete caps and placing rip rap with ditch lining to protect the shoreline against the storm surge and wave action from the Intracoastal Waterway during severe storm events; repairing the failed pavement areas within the southbound travel lane; installing a new southbound 8-foot concrete sidewalk; and installing thermoplastic striping and pavement markings.

Cost/Completion: $5,385,475. Completion is expected in summer 2020.

Traffic Impact:

- The speed limit from approximately 2.3 miles south of the Sebastian Inlet northerly 1 mile on State Road A1A has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- The southbound lane of State Road A1A will be closed intermittently Monday through Friday from 7 a.m. to 7 p.m. through Apr. 2020 for clearing and grubbing, sidewalk work and seawall construction. Two-way traffic will be maintained by temporary traffic signals.
- The sidewalk on the west side of State Road A1A is closed to facilitate installation of the sheet pile wall. Pedestrians should use the temporary path installed on the east side of State Road A1A, crossing at the temporary crosswalks. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

20. **U.S. 1 at 45th Street in Vero Beach**

Traffic Impact:

- One southbound lane of U.S. 1 is closed around-the-clock through Apr. 17 for turn lane construction and drainage installation. For more information, please contact Kendall Crayton at 309-360-4718.

21. **U.S. 1 from Main Street to Harrison Street in Sebastian**

Traffic Impact:

- One southbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. through May 8 for utility work. For more information, please contact Max Werling at 321-412-7878.

22. **U.S. 1 just South of 45th Street in Vero Beach**

Traffic Impact:

- One southbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. through Apr. 17 for concrete pole installation. For more information, please contact Ted Howard at 954-907-4011.

23. **U.S. 1 from 6th Avenue to 1st Street in Vero Beach**

Traffic Impact:

- One southbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.
