NW 19 STREET BIKE LANES AND REHABILITATION PROJECT

The Florida Department of Transportation (FDOT) has awarded a contract to Weekley Asphalt Paving, Inc. for improvements to NW 19 Street from State Road (SR) 7 to Powerline Road in Lauderdale Lakes, Lauderhill, and Fort Lauderdale..

The Broward Metropolitan Planning Organization (MPO) is investing over \$300 million to create safer, healthier communities in Broward. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. The Broward MPO is a federally-mandated agency that is responsible for making decisions on local transportation issues and deciding how to spend federal funds on transportation projects within Broward. For more information about the Broward MPO, please visit: BrowardMPO.org

PROJECT IMPROVEMENTS

- Widening, resurfacing and restriping the roadway to accommodate the following configuration from SR 7 to NW 31 Avenue: 4-foot designated bike lanes and two 10-foot through lanes in each direction separated by a continuous two-way left turn lane in the center of the roadway
- Upgrading pedestrian signals and modifying pedestrian curb ramps and sidewalks to meet ADA requirements from SR 7 to NW 31 Avenue
- Relocating existing drainage system to accommodate widening areas from SR 7 to NW 31 Avenue
- Upgrading lighting at SR 7 and Powerline Road intersections

TRAFFIC IMPACT

- Access to properties will be maintained at all times.
- Lane closures can be expected daily between 8 a.m. and 8 p.m. and overnight between 11 p.m. and 7 a.m.
- At least one lane in each direction of NW 19 Street will be maintained at all times.
- Additional information about lane closures will be provided in the weekly traffic report distributed by FDOT.
