

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

PUBLIC INFORMATION FLYER

Alternate State Road (SR) A1A/SR 811 On-Ramp to Southbound I-95 Bridge Painting Project

From south of Kyoto Gardens Drive to west of RCA Center Drive
Financial Project ID Number: 441457-1-52-01

Alternate SR A1A/SR 811 On-ramp to Southbound I-95 Bridge Painting Project

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information for the bridge painting project from south of Kyoto Gardens Drive to west of RCA Center Drive, in the City of Palm Beach Gardens.

Construction Cost: \$373,586	Construction Start: Early May 2019	Anticipated Completion: Fall 2019
------------------------------	------------------------------------	-----------------------------------

PROJECT IMPROVEMENTS

- Sandblast existing paint from steel bridge structure
- Place new paint on steel bridge structure

TRAFFIC IMPACTS

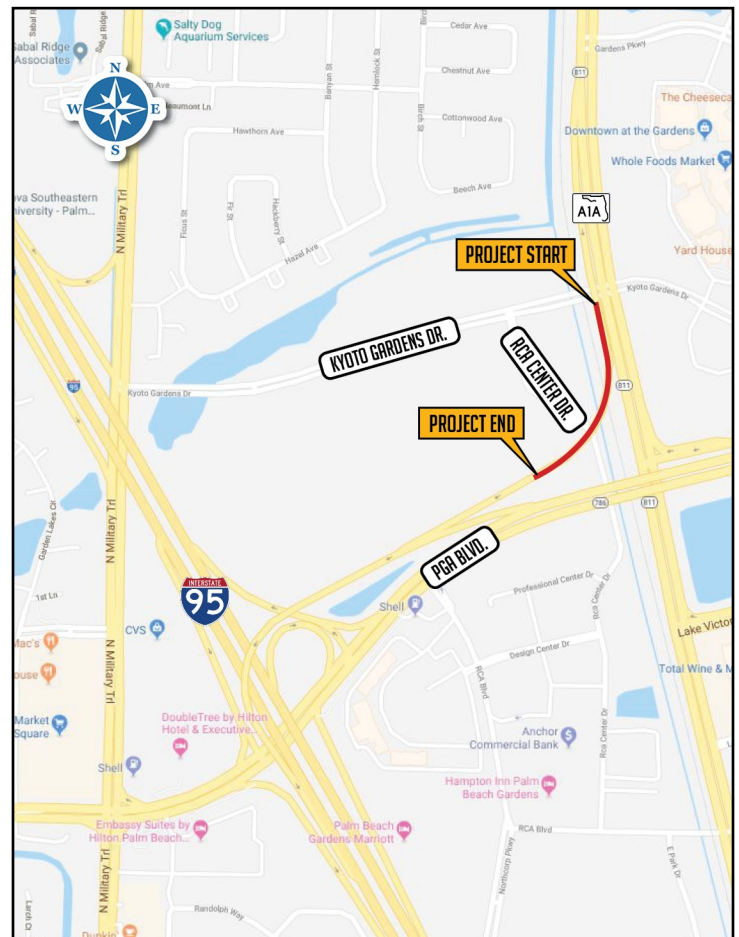

- The existing single through lane of the on-ramp will be reduced from 14 feet to 12 feet and shifted partially into the shoulder, eliminating the need for lane closures on the ramp during bridge painting operations
- Brief intermittent closures will occur with a flagging operation on RCA Center Drive (directly under the bridge) in an effort to eliminate a full closure and detour
- Lane closures are permitted at any time, day and night; however, the contractor is anticipating daytime operations at this time
