

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR PUBLIC INFORMATION FLYER

SR 811 (ALT A1A) Bridge over Loxahatchee River Rehabilitation Project
Palm Beach County, Florida
Financial Project ID: 443867-2-52-01

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information regarding the rehabilitation of SR 811 (ALT A1A) bridge over the Loxahatchee River. No public information workshop is scheduled for this project.

PROPOSED IMPROVEMENTS

- Rehabilitate the existing navigation/marine fenders, including the repair of the concrete piles and the replacement of the walers (components of the bridge structure).

CONSTRUCTION IMPACTS

- Work will take place during the day and be sequenced to reduce the effects of construction on the community.
- Work will be performed from barges within the waterway.
- Temporary single lane closures may be required, during off-peak hours, for the loading and un-loading of construction materials.
- Channel will remain open to marine traffic for the duration of construction.
