Drainage Work & Driveway Reconstruction on SR 607/Emerson Avenue Begins Monday, March 17, 2025

This notice is to inform you that drainage work will begin on **Monday, March 17, 2025**, within the Florida Department of Transportation (FDOT) right-of-way on SR 607/Emerson Avenue between Citrus Park Boulevard and 25th Street Southwest. This work along the project corridor will require driveway modifications and is expected to be completed in approximately four months, weather permitting. Residents can park on side streets or arrange alternative access with the contractor. The work at each driveway is anticipated to be completed in one day. If work cannot be completed in one day, temporary access will be provided.

Thank you for your patience while we perform drainage improvements and reconstruct your driveway. If you have any questions or would like to coordinate driveway access, please contact Project Administrator Gernary Figueroa, P.E., at (352) 246-7235 or gfigueroa@mgfconsultants.com.
