

FLORIDA DEPARTMENT OF TRANSPORTATION

95 Express Lanes Phase 3C—New Traffic Pattern for SR 9/I-95 Northbound Managed Lanes

State Road (SR) 9/I-95 from south of SR 820/Hollywood Boulevard to south of SR 842/Broward Boulevard and SR 862/I-595 from US 441/SR 7 to SR 9/I-95
Financial Project ID Numbers: 409354-2-52-01 and 432222-1-52-01

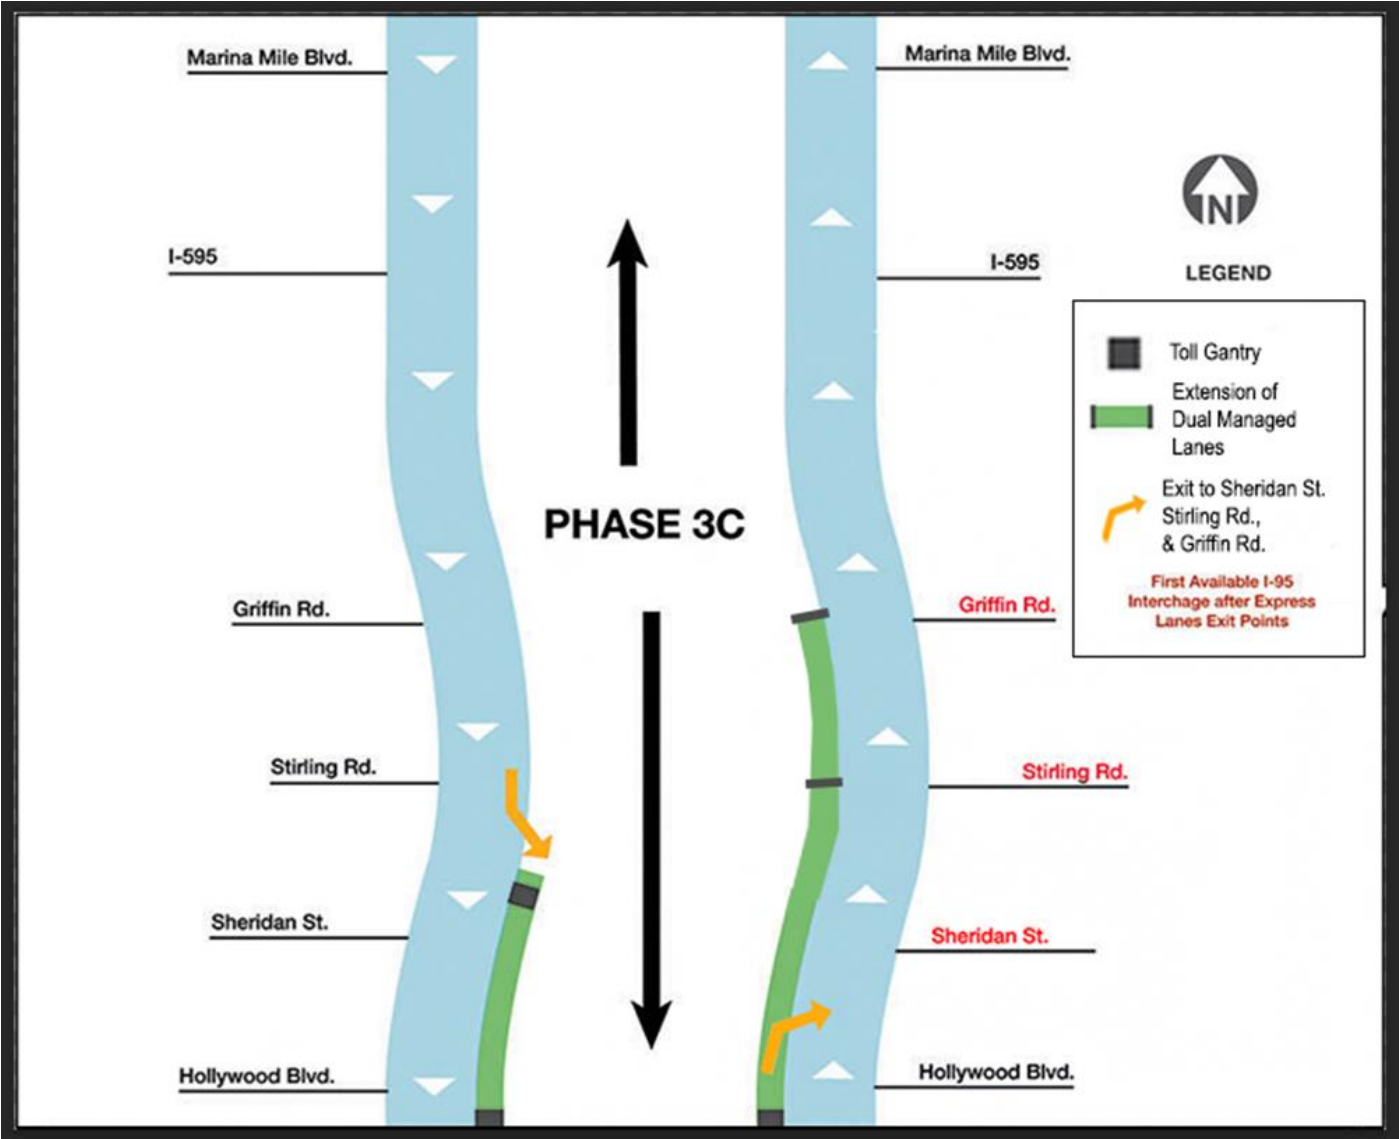

NEW SR 9/I-95 NORTHBOUND MANAGED LANE TRAFFIC PATTERN:

The SR 9/I-95 northbound managed lanes, which previously ended at SR 848/Stirling Road, were extended approximately 550 feet to just north of SR 818/Griffin Road on the morning of July 15, 2025. Motorists must exit the managed lanes north of SR 820/Hollywood Boulevard to access SR 822/Sheridan Street, SR 848/Stirling Road, or SR 818/Griffin Road. This extension enhances lane continuity and safety.

Overhead signage has been updated to reflect the new exit pattern: **Local Exits 21–29 & Sheridan St thru Griffin Rd.**

The **Florida Highway Patrol (FHP)** will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area.
