SR 817/University Drive from SR 84 to NW 1st Street Mobility Improvements Project

The Florida Department of Transportation (FDOT), District Four, will host an in-person Construction Open House and Virtual Public Meeting regarding the mobility improvements along SR 817/University Drive in the City of Plantation. Please see below for detailed meeting information.

The City of Plantation, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the SR 817/University Drive from SR 84 to NW 1st Street Mobility Improvements Project through the City of Plantation Resolution 12720. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward County and this project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access. The Broward MPO is a federally-mandated agency responsible for setting policy on local transportation issues and how to spend Federal and State funding on transportation projects in the Broward region. For more Broward MPO information, please visit: BrowardMPO.org.
