

FLORIDA DEPARTMENT OF TRANSPORTATION PROJECT INFORMATION FLYER

Bass Creek Road Mobility Improvements Project

SW 148th Avenue from SW 52nd Drive to SW 48th Court/Bass Creek Road
Broward County, Florida
Financial Project ID: 439993-1-52-01, 02, 03

Bass Creek Road Mobility Improvements Project

The Florida Department of Transportation (FDOT) is pleased to provide information for the Bass Creek Road Mobility Improvements Project in the City of Miramar.

The City of Miramar, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the Bass Creek Road Roundabout Improvements Project through the City of Miramar Resolution No. 16-01. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward County and this project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access. The Broward MPO is a federally-mandated agency responsible for setting policy on local transportation issues and decided how to spend federal and state funding on transportation projects in the Broward region. For more Broward MPO information, please visit: BrowardMPO.org.

Construction Cost: \$1,967,721

Construction Start: mid-July 2022

Estimated Completion: Spring 2023

PROJECT IMPROVEMENTS

- Constructing a roundabout at the intersection of SW 148th Avenue and Bass Creek Road
- Constructing a shared-use path on the east side of SW 148th Avenue within the project limits
- Milling and resurfacing SW 148th Avenue within the project limits
- Minor roadway widening along SW 148th Avenue
- Upgrading signing and pavement markings
- Installing new light poles

TRAFFIC IMPACTS

- Lane closures are permitted from 7 a.m. to 3 p.m., Monday through Friday.
- Access to schools, businesses, pedestrians, and residences will be maintained at all times.
- Additional information about lane closures, detours, and pedestrian impacts will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link:

https://d4fdot.com/bcfdot/closures_index.asp

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Department will provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of our environment and communities.

Please contact the Community Outreach Specialist, Rebecca Guerrero, to be added to project email notification lists, and if special accommodations under the Americans with Disabilities Act (ADA) or translation services (free of charge) are needed. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.
