SR-25/US-27 SAFETY PROJECT

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information regarding the improvements for SR-25/US-27 from I-75 Interchange to the Broward/Palm Beach County Line. No public information workshop is scheduled for this project. Please visit the project website listed below for more information.

PROPOSED IMPROVEMENTS

- Construction of auxiliary lanes at the entrance/exits to boat ramp areas.
- Installation of shoulder rumble strips and internally illuminated raised pavement markings (IIRPM's).
- Shoulder widening to provide 10 foot wide paved roadside and median shoulders to provide a stable and clear space for emergency refuge by vehicles.
- Intelligent Transportation System (ITS) upgrades to interconnection and power supply for improved communications and power supply to existing devices.

CONSTRUCTION IMPACTS

- Construction will be done in phases to reduce the effects of construction on the community.
- Temporary lane closures will occur during non-peak hours and will be limited to a maximum length of 3 miles.

Construction Cost Estimate: \$22.9 million

Construction Start Date: Summer 2021

Anticipated Completion: Spring 2023
