

FLORIDA DEPARTMENT OF TRANSPORTATION

Henry E. Kinney Tunnel Improvements and Pedestrian Plaza Project

SR 5/US 1 from SR 862/I-595 to north of SR 842/Broward

Boulevard

Broward County, Florida

Financial Project ID: 439714-1-52-01 & 439714-1-52-02

CITY OF FORT LAUDERDALE

Henry E. Kinney Tunnel Improvements and Pedestrian Plaza Project

The City of Fort Lauderdale initiated and sponsored the tunnel extension portion of this project for a new tunnel top pedestrian plaza at Las Olas Boulevard under a Locally Funded Agreement.

Construction Cost: \$28.4 Million

Construction Start: September 7, 2021

Estimated Completion: Summer 2024

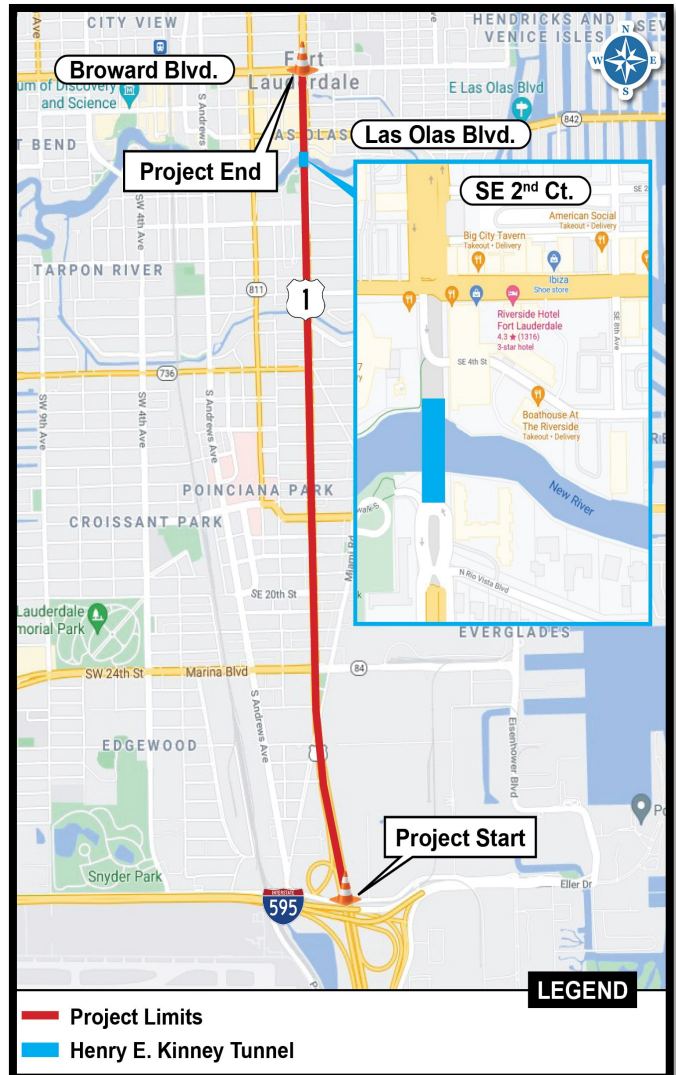

PROJECT IMPROVEMENTS

- Rehabilitating the structural, mechanical, electrical, architectural, and life safety components of the Henry E. Kinney Tunnel
- Milling and resurfacing US-1 from Rio Vista Boulevard to south of the Tunnel
- Extending the tunnel to accommodate a pedestrian plaza which will include new fountains, seating facilities, re-designed brick pavers, artificial turf and landscape installation
- Reconstructing the intersection of Las Olas Boulevard at SE 6th Avenue

TRAFFIC IMPACTS

- Traffic along the Tunnel will be shifted to one tunnel portal and one lane in each direction will be maintained throughout this configuration
- Lane closures and full closures of the Henry E. Kinney Tunnel are permitted and detours of US-1 traffic will be implemented as needed
- Lane closures and full closures along Las Olas Boulevard are permitted and detours will be implemented as needed
- Pedestrian safety will be maintained throughout the work zone and business access will be maintained at all times
- Additional information about lane closures and detour information will be provided in the weekly traffic report distributed by FDOT and can viewed by using the following link, https://d4fdot.com/bcfdot/closures_index.asp

***Full closures of Las Olas Boulevard and the Tunnel will not be concurrent.**
