Virtual Public Meeting Orientation

Moderator & Presenter

Christian Gonzalez
Community Outreach Specialist
The Corradino Group

Virtual Public Meeting Format

Presentation, Q&A Session

- 5 p.m. to 5:30 p.m.
- 5:30 p.m. to 6 p.m.

The recording of this Virtual Public Meeting and a copy to the presentation will be posted to www.d4fdot.com.

The Florida Department of Transportation is required to comply with various non-discrimination laws and regulations, including

Title VI of the Civil Rights Act of 1964.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

Persons wishing to express concerns about Title VI may do so by contacting either:

District Four

Florida Department of Transportation
District Four Title VI Coordinator

Sharon Singh Hagyan

(954) 777-4190

Sharon.SinghHagyan@dot.state.fl.us

Tallahassee Office

Florida Department of Transportation
State Title VI Coordinator

Stefan Kulakowski

(850) 414-4742

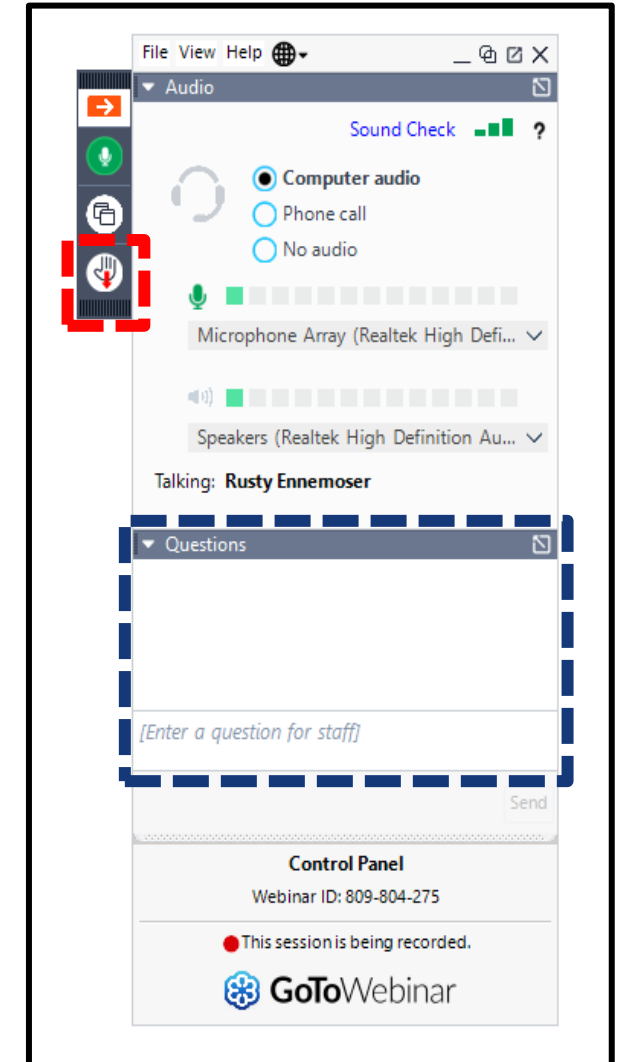

Stefan.Kulakowski@dot.state.fl.us

All inquiries or concerns will be handled according to FDOT procedure and in a prompt and courteous manner.

Participating In GoTo Webinar

- This meeting is being recorded.
- All attendees **will remain muted** throughout the duration of the presentation.
- Throughout the presentation, attendees are welcome to submit questions and/or comments using the [GoToWebinar Question Panel](#). Responses will be provided during the question-and-answer portion at the end.
- During the Q&A session at the end of the presentation, click the [Raise Hand Button](#) on the Control Panel if you wish to speak. Your microphone will be unmuted when your name is called.
- If you experience technical difficulties, please contact GoToWebinar Support at **+1 (833) 851-8340**.
- Should you lose audio during the session, please open the GoToWebinar Control Panel and change your audio to 'Phone Audio' or 'No Audio,' and then switch it back to 'Computer Audio.' If this does not work, you may need to exit and re-enter the webinar.

Project Limits

Project Overview

Purpose: This project aims to resurface, restore, and rehabilitate SR 820/Pines Boulevard between I-75 and NW 118th Avenue to extend its service life and enhance infrastructure resilience.

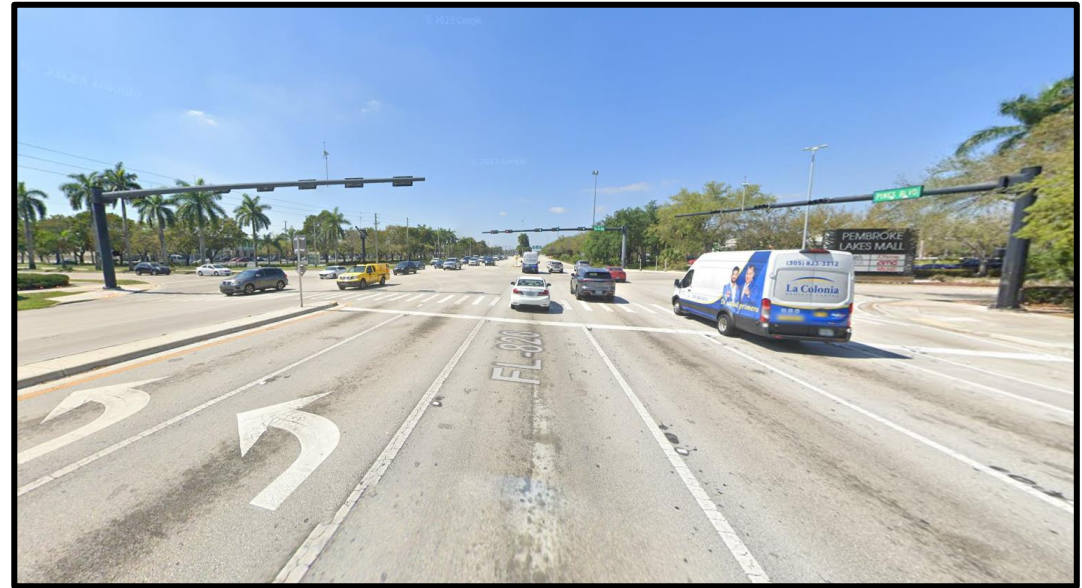

Length: 1.9 Miles

Contractor: Weekley Asphalt Paving, Inc.

Construction Start: September 2024

Estimated Contract Cost: \$9,458,464

Estimated Completion: Spring 2026

*SR 820/Pines Boulevard at NW 118th Avenue
(Pre-Construction)*

Scope of Work

Roadway/Pedestrian Improvements

- Milling and resurfacing the existing roadway within the project limits to ensure long-term resilience
- Adding a shared-use path along westbound SR 820/Pines Boulevard to enhance pedestrian mobility
- Upgrading existing pedestrian signals throughout the project corridor to improve pushbutton accessibility
- Upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility

SR 820/Pines Boulevard Facing West (Pre-Construction)

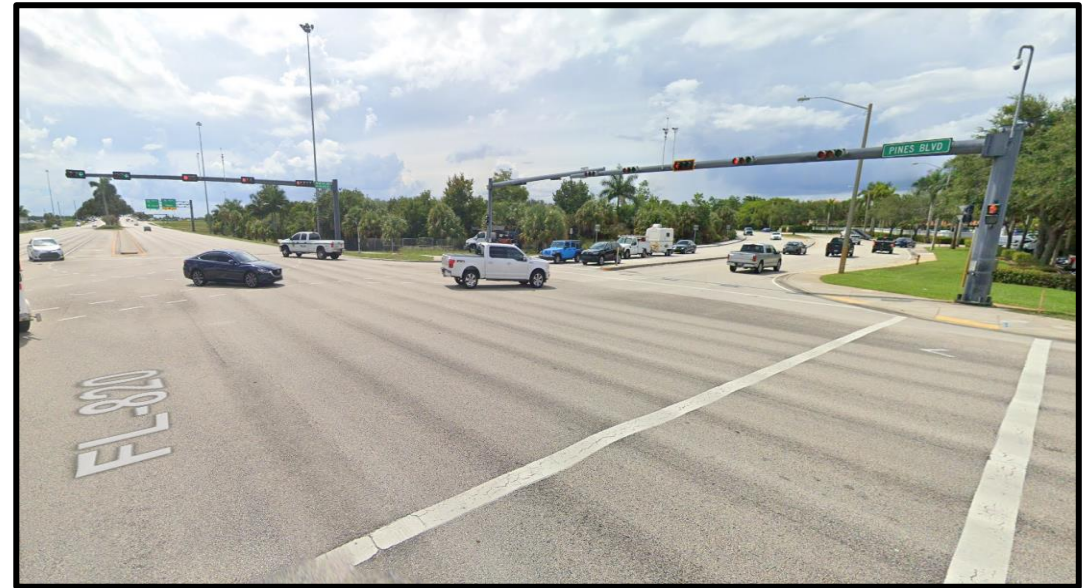

Scope of Work (cont.)

Signal Improvements

- Upgrading the signalized mast arm and adding a second right-turn lane along westbound SR 820/Pines Boulevard at the intersection of NW 142nd Avenue/SW 145th Avenue to improve vehicular capacity and mobility

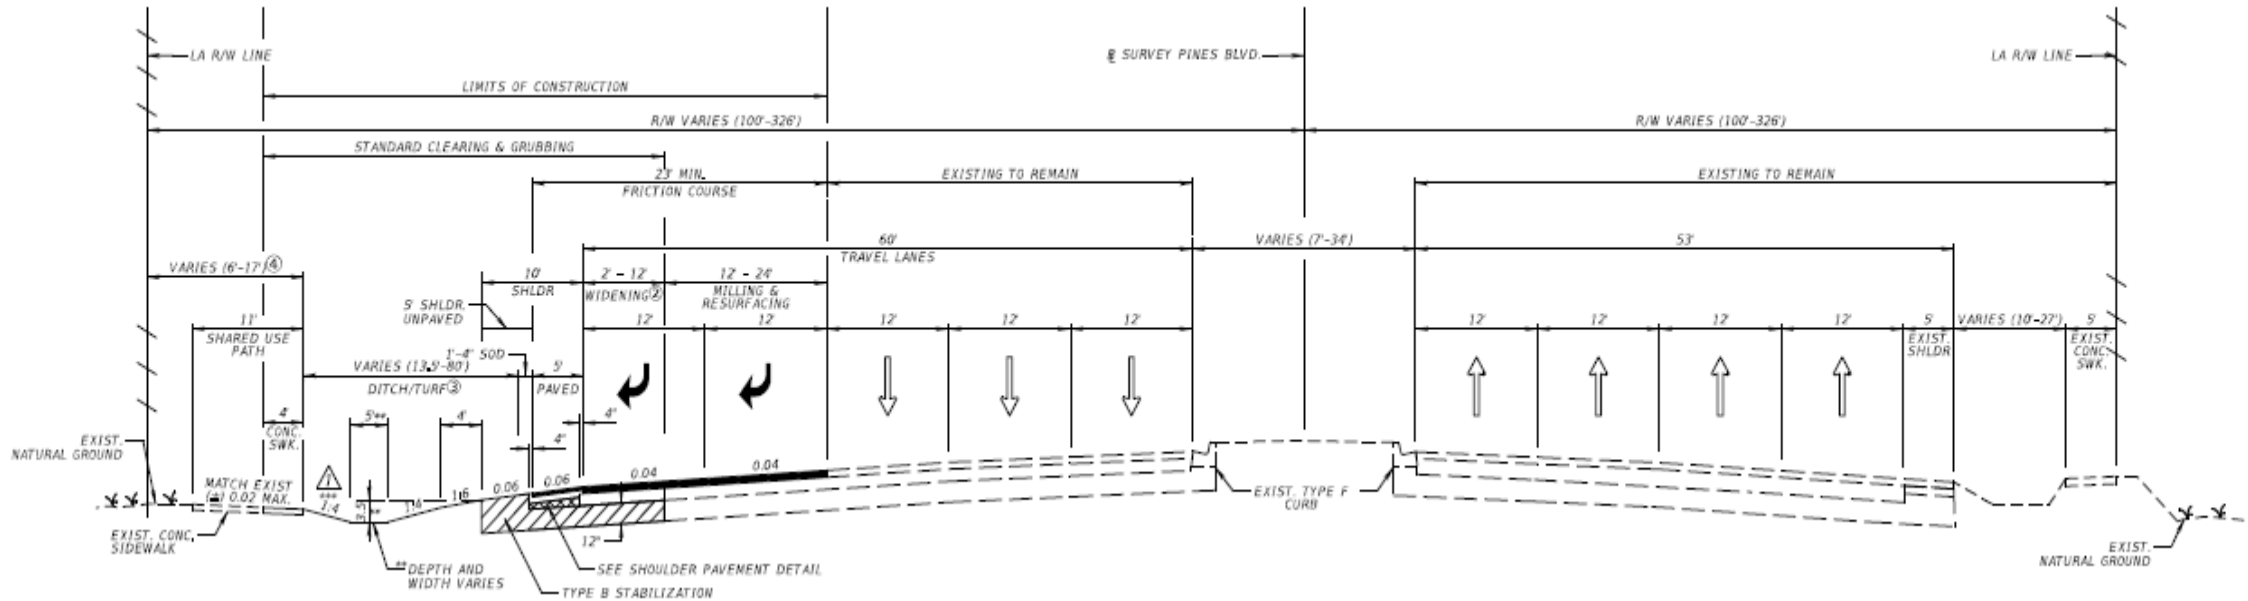

Lighting Improvements

- Installing new streetlights along westbound SR 820/Pines Boulevard to enhance nighttime visibility and pedestrian safety

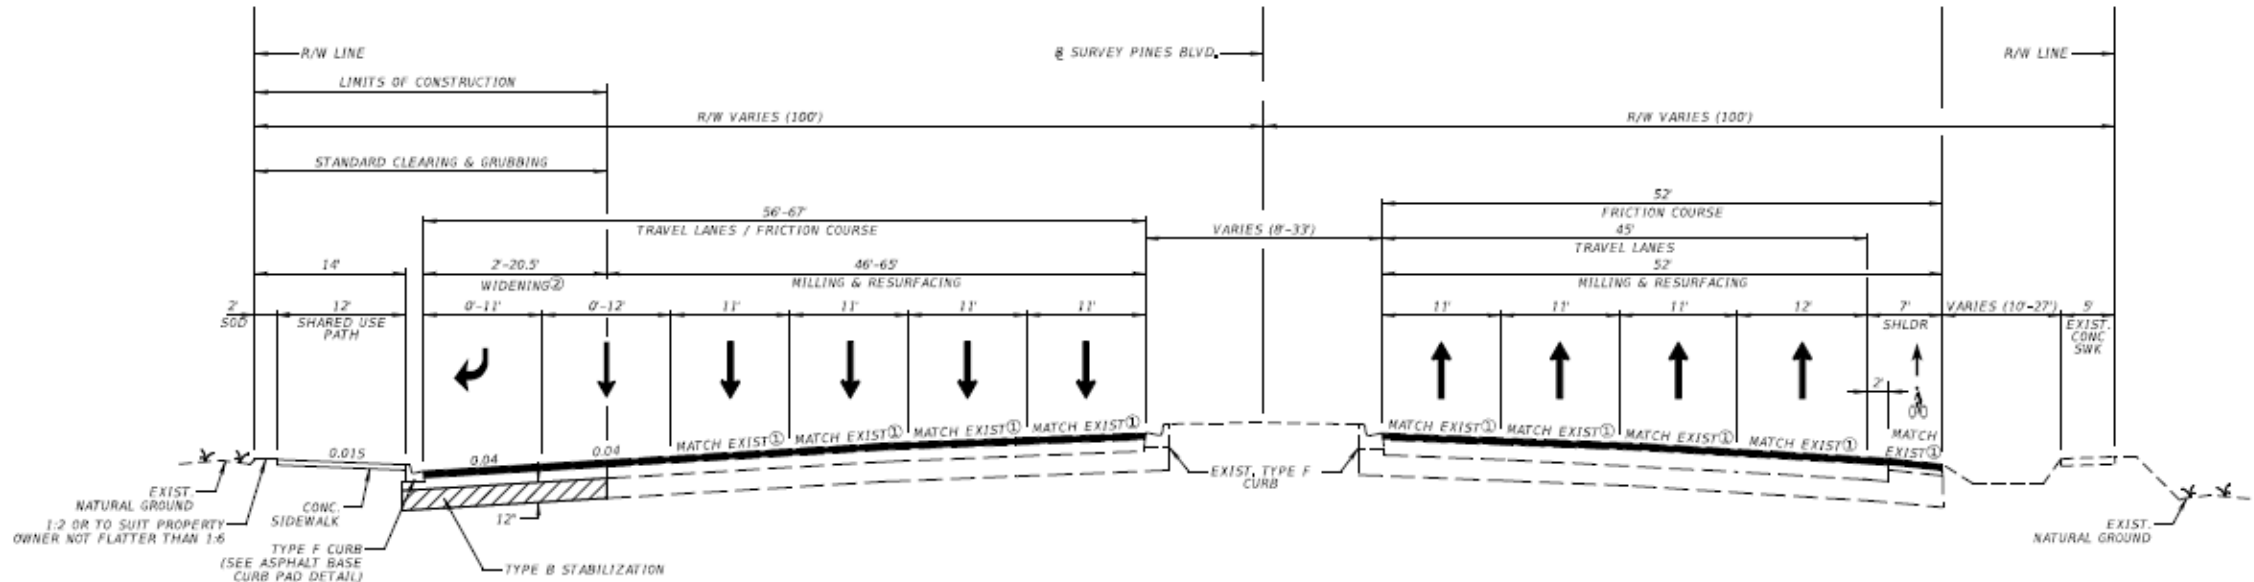

*SR 820/Pines Boulevard at
NW 142nd Avenue/SW 145th Avenue
(Pre-Construction)*

Typical Section

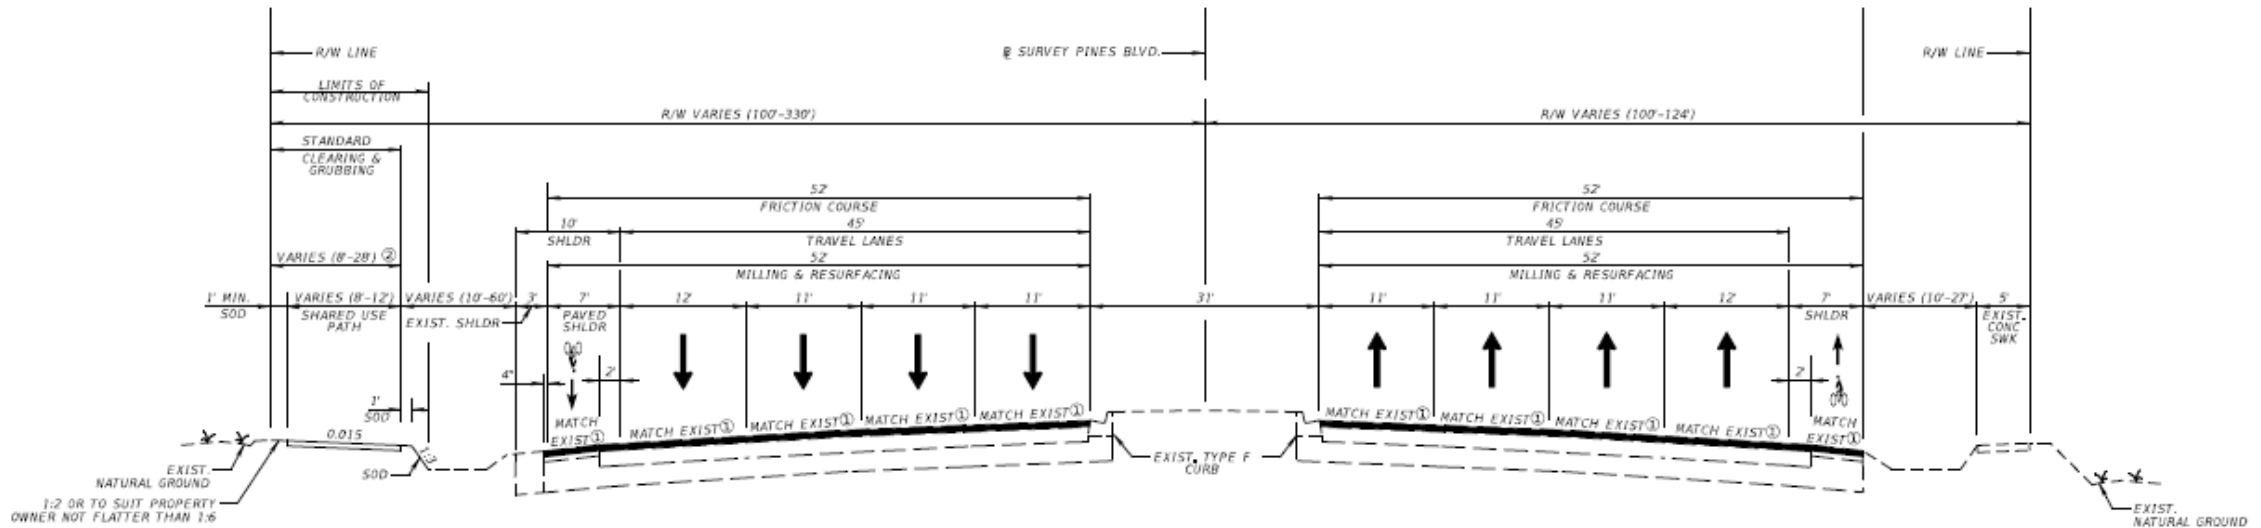

*SR 820/Pines Boulevard from I-75 entrance ramp to
NW 142nd Avenue/SW 145th Avenue*

Typical Section (Cont.)

*SR 820/Pines Boulevard from
NW 142nd Avenue/SW 145th Avenue to NW 136th Avenue*

Typical Section (Cont.)

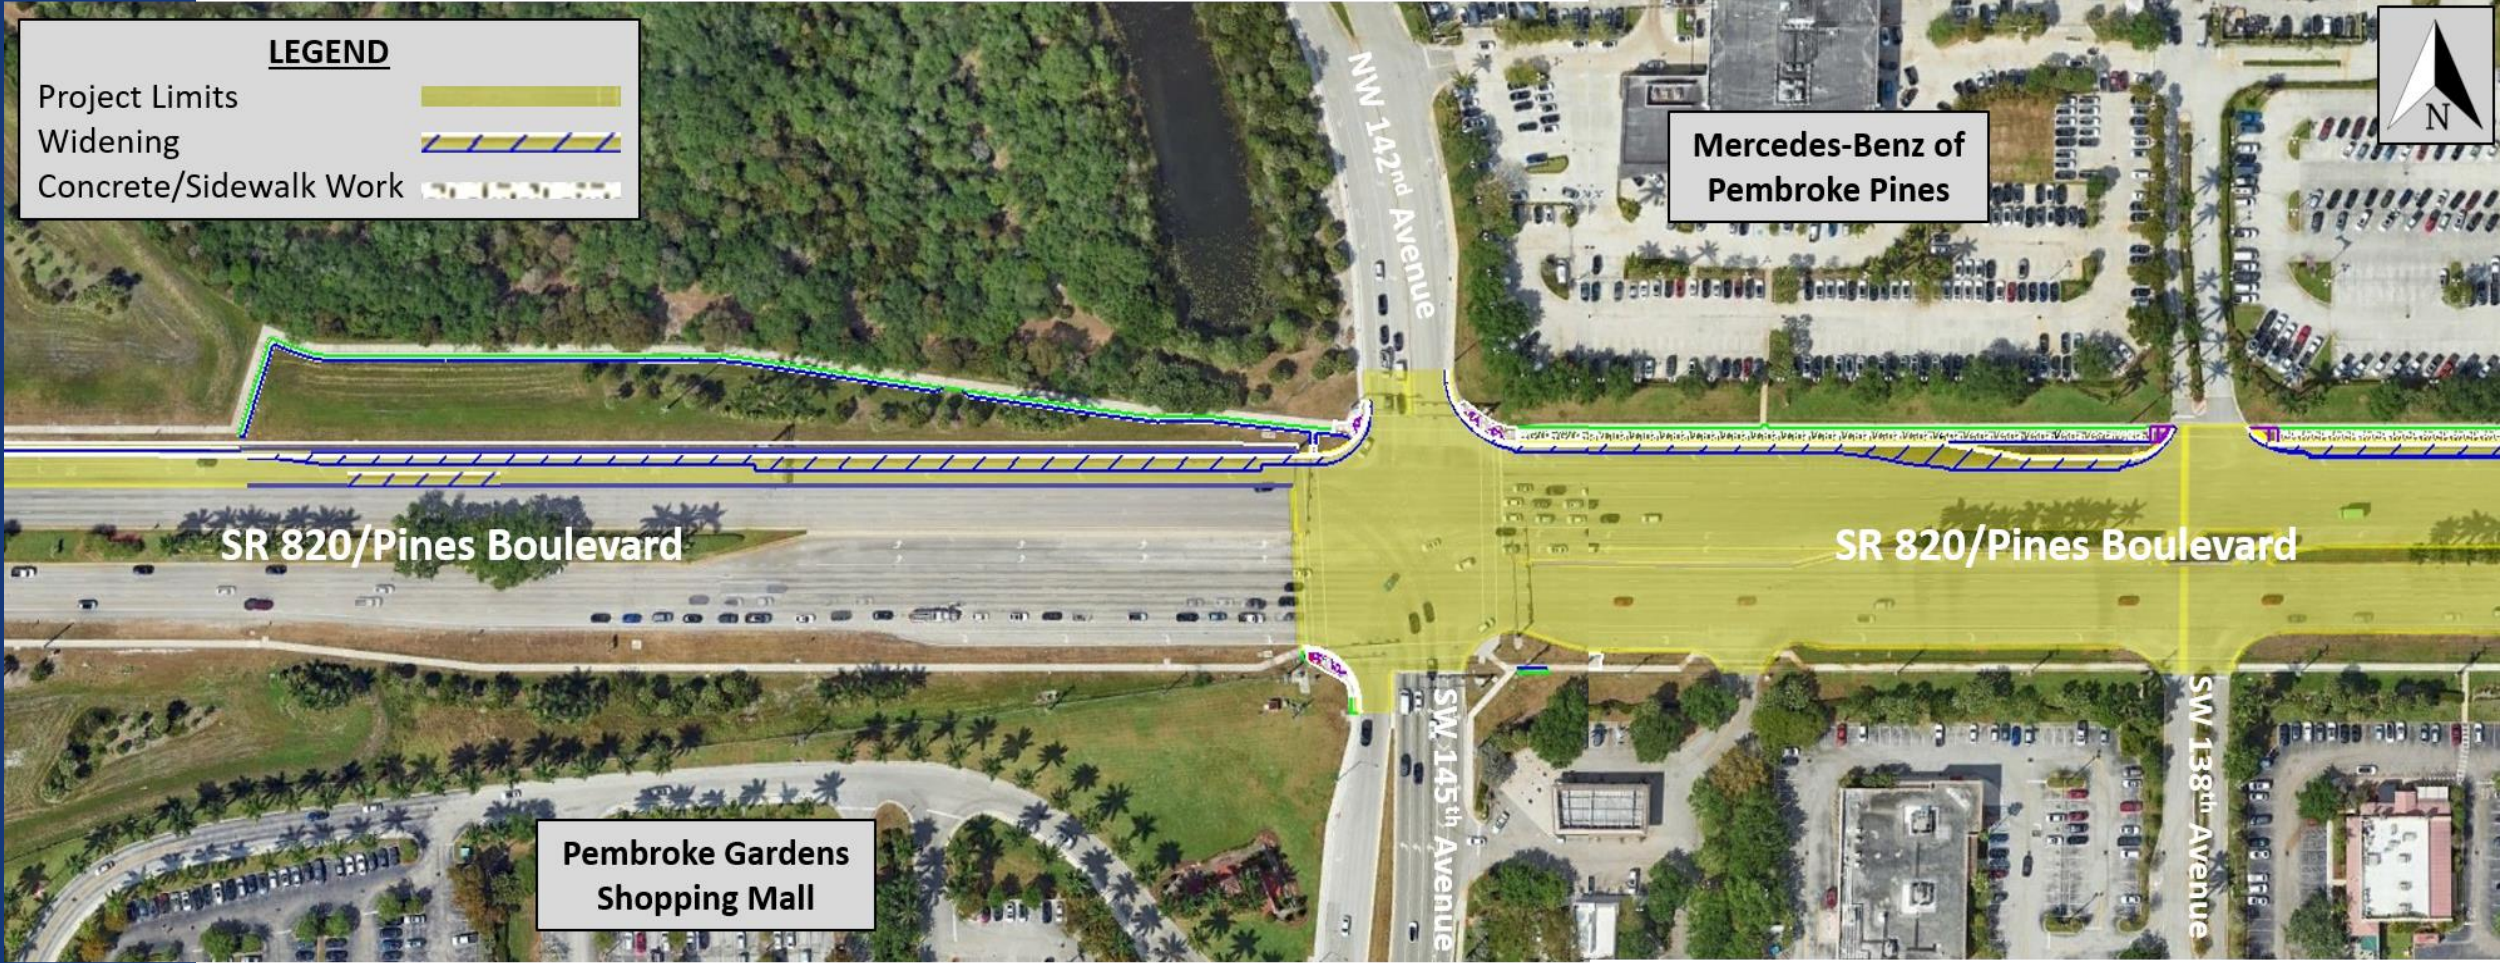

SR 820/Pines Boulevard from NW 136th Avenue to NW 118th Avenue

Proposed Rendering At NW 142nd Avenue/SW 145th Avenue

LEGEND

- Project Limits
- Widening
- Concrete/Sidewalk Work

Proposed Rendering At NW 136th Avenue

Proposed Rendering At NW 129th Avenue

Proposed Rendering West of SR 823/Flamingo Road

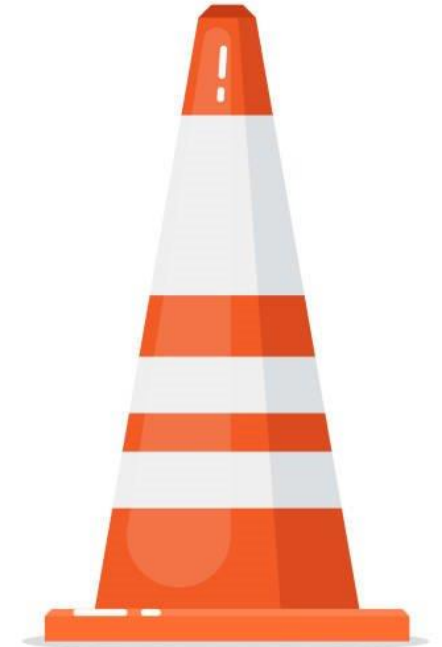

Proposed Rendering West of NW 118th Avenue

Traffic Impacts

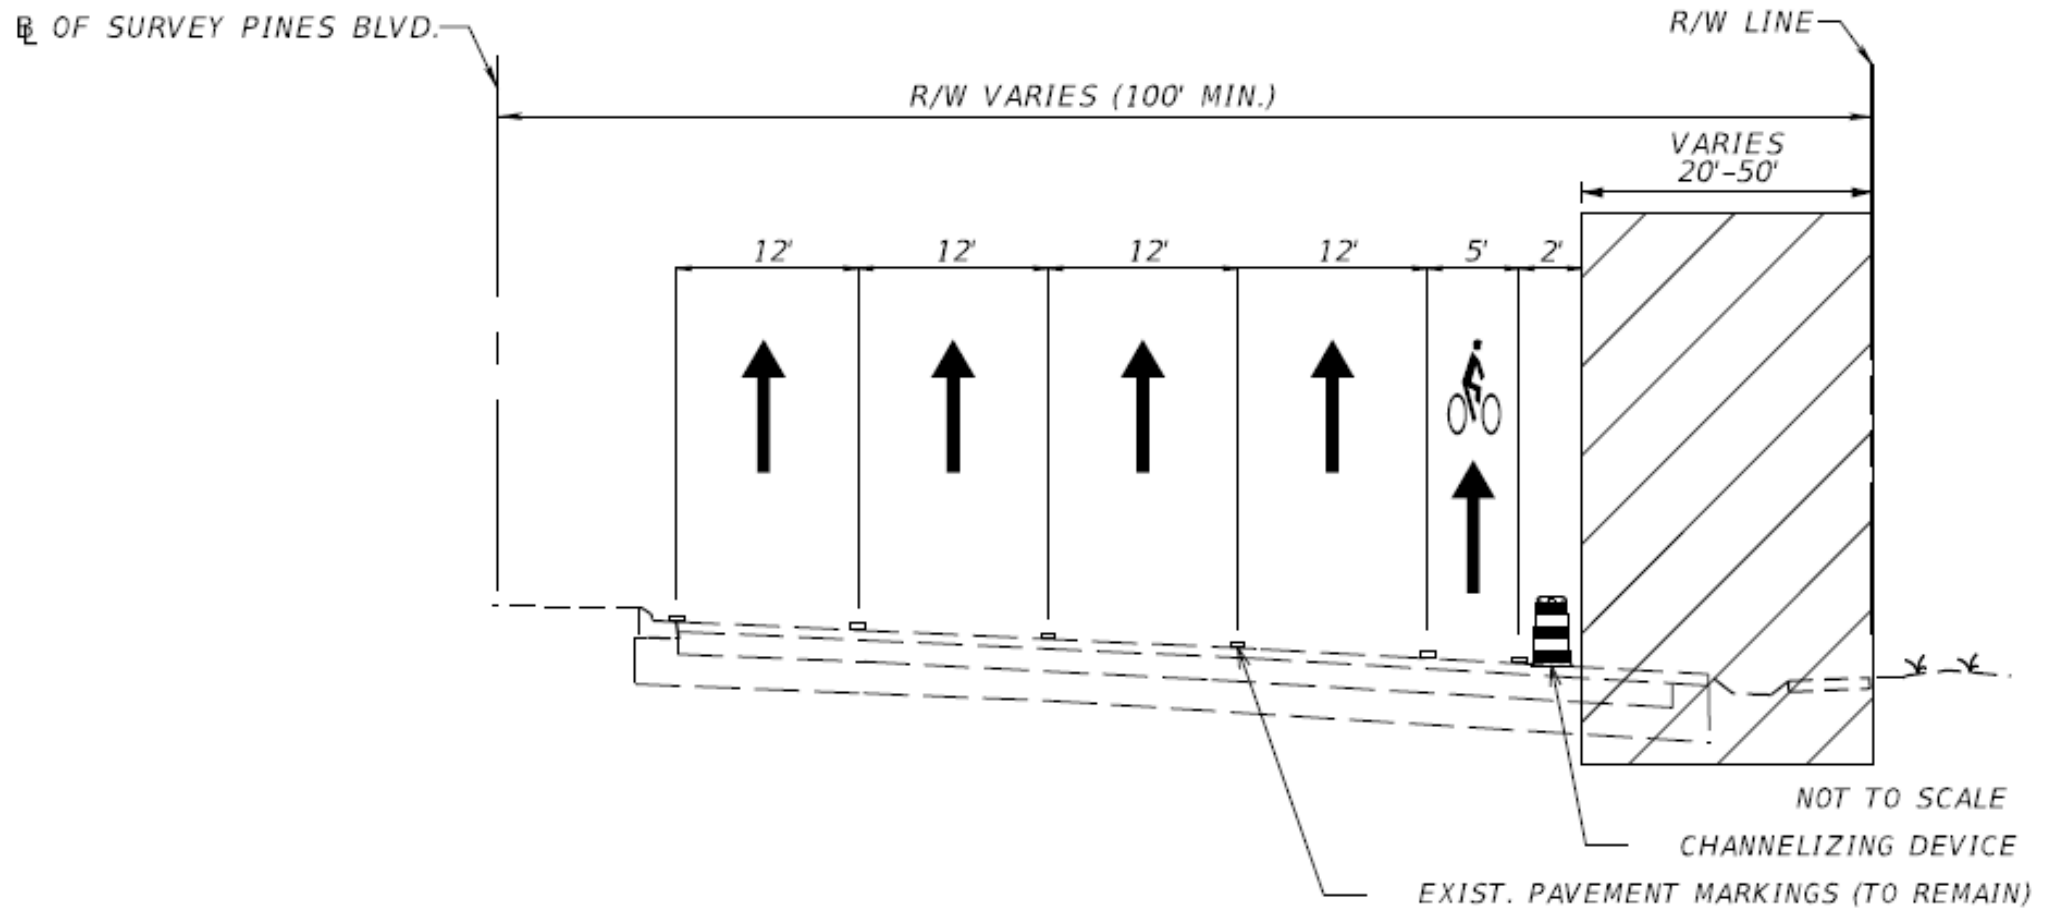

Maintenance of Traffic

- Nightly lane closures along SR 820/Pines Boulevard are permitted 9:00 p.m. until 7:00 a.m., weeknights and weekends.
- Motorist and pedestrian access to businesses and residences will be maintained at all times.
- Additional information about lane closures, detours, and pedestrian impacts will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link: [FDOT Broward County Construction - Home \(d4fdot.com\)](https://d4fdot.com)

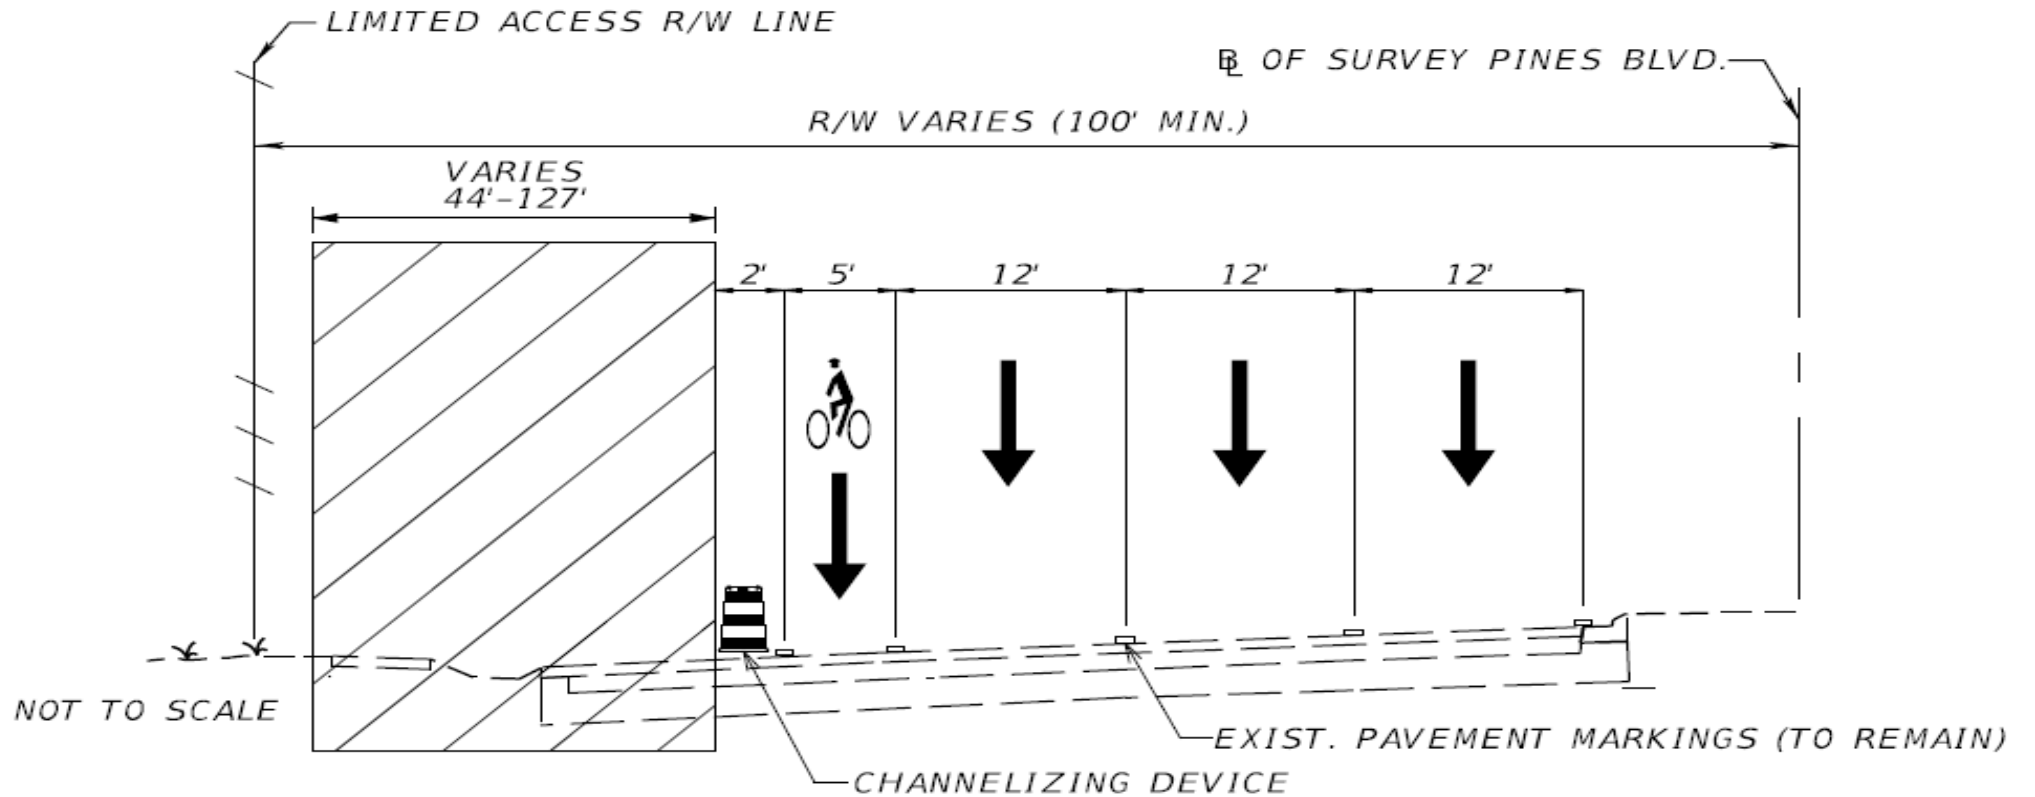

Temporary Traffic Control Plan (TTCP)

Eastbound SR 820/Pines Boulevard

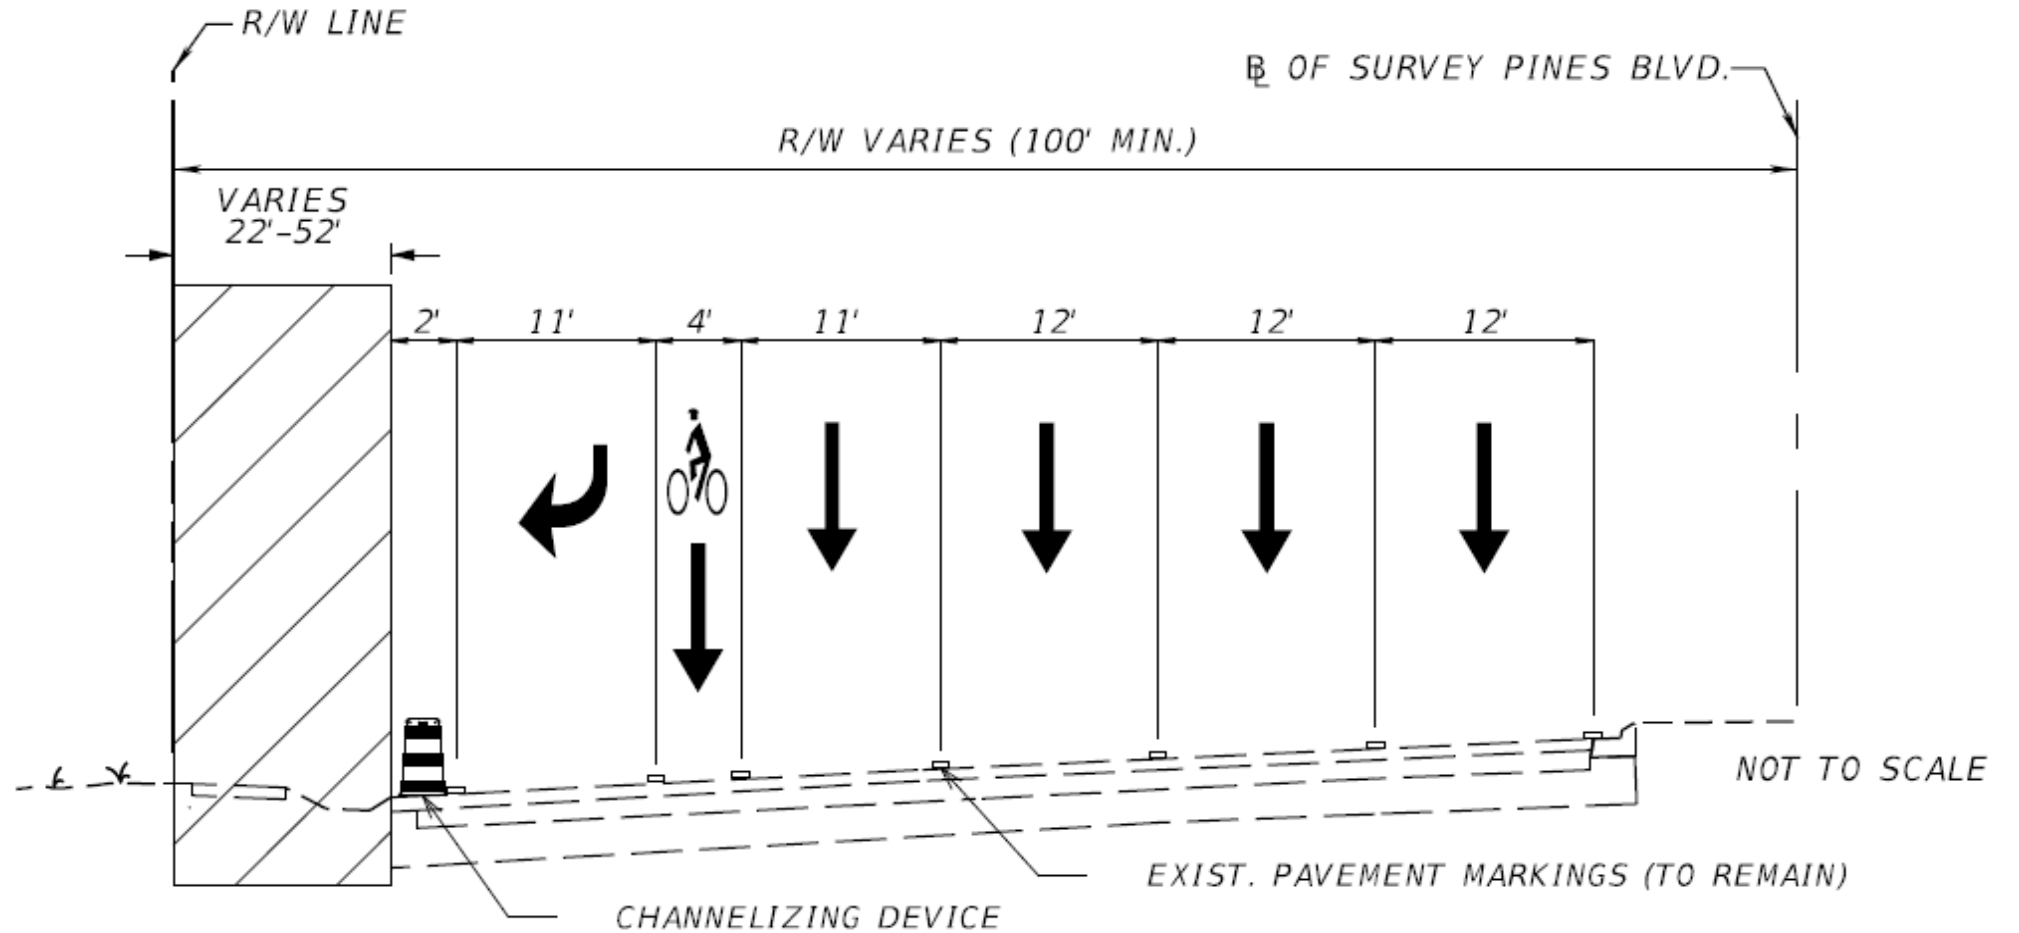

Temporary Traffic Control Plan (TTCP)

Westbound SR 820/Pines Boulevard

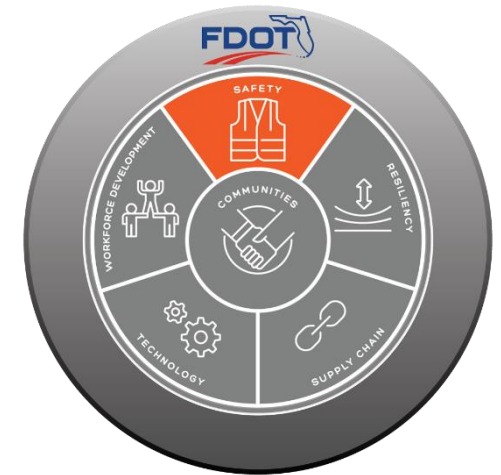

Temporary Traffic Control Plan (TTCP)

Westbound (Widening) SR 820/Pines Boulevard

Safety and Local Coordination

- **Public Safety is our Top Priority!**
 - **Work Zone Signage & Maintenance of Traffic**
 - Advanced warning and project signage will be placed throughout the construction corridor to alert the traveling public
 - **Local Agency & Stakeholder Coordination**
 - The project team will continue working closely with local stakeholders including local municipalities, schools, neighborhoods and other local agencies to ensure safety standards are met and impacts to the public are minimized in any way possible
 - **Emergency vehicles will be provided access at all times**

Lighted Message Board

Community Outreach

- To receive project-specific updates, please email Community Outreach Specialist Christian Gonzalez at csgonzalez@corradino.com to be added to the distribution list
- A weekly press release will be distributed every Friday
- Additional project-specific information can be found on the website
- The recording of this Virtual Public Meeting and a copy to the presentation will be posted to www.d4fdot.com.

All project updates will be posted to the District Four website.

FDOT Safety Message

**Thank you for attending tonight's
Virtual Public Meeting!**

A photograph of a call box sign on a highway. The sign is rectangular and has the text "CALL BOX" on the top line, "MILE" on the second line, and "430" on the third line. The sign is mounted on a post. In the background, there is a highway with several cars and a large truck. The road is flanked by trees and a grassy area.
