-  Sharon.SinghHagyan@dot.state.fl.us

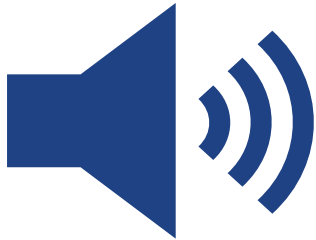

Tallahassee Office

Florida Department of Transportation
State Title VI Coordinator

Jacqueline Paramore

-  605 Suwannee Street, MS 65
Tallahassee, Florida 32399
-  (850) 414-4753
-  Jacqueline.Paramore@dot.state.fl.us

Rules of Engagement

- This Public Meeting is being recorded.
- If you experience technical difficulties, please contact **1-800- 418-0524** so that a member of our technical support team may assist you.
- All **Virtual (online)** attendees **will remain muted** throughout the Meeting.
- **Virtual (online)** attendees are also welcome to submit any questions/comments using the GoToWebinar control panel at any time or use the **“Raise Hand”** button on your control panel and a member of our team will respond/unmute you during the open discussion.
- All **in-person** attendees are welcome to submit a question or comment by forming a line after the presentation, during the open discussion.
- If you are participating via Telephone and have questions/comments, feel free to submit them to **FDOT Project Manager Brad Salisbury, P.E.** via email after the meeting and a response will be provided.

Who is the Broward MPO?

- A federally chartered entity responsible for transportation decision making in the Broward region
 - Influence the expenditure of federal and state transportation funds at the regional level
 - MPO Board
 - 31 municipalities
 - Broward County
 - Broward County School Board
 - South Florida Regional Transportation Authority (Tri-Rail)
 - Develop plans, conduct studies, establish initiatives and programs
-

Our Mission:

To collaboratively plan, prioritize, and fund the delivery of diverse transportation options.

Our Vision:

Our work will have measurable positive impact by ensuring transportation projects are well selected, funded, and delivered

Complete Streets and Other Localized Initiatives Program

- Broward MPO competitive grant program that provides funding opportunities for small local transportation projects which improve the safety and mobility for all transportation users in Broward County.
- The program can fund projects such as (but not limited to): complete streets projects, traffic calming and intersection improvements, ADA upgrades, mobility hubs, bus shelters, bike racks and technology advancements such as transit signal priority and traffic control devices
- Applicants are required to submit “program ready” projects with proof of roadway ownership, well defined scope of work, partner collaboration, cost estimate, documentation of public outreach and resolution of support.
- The following project was submitted by the City of Parkland (2016) and awarded funding:
 - **Holmberg Rd Improvements Project. (FM No. 439995-1)**

Project Location and Project Scope

Project Limits

Heron Bay Blvd to Pine Island Road/Coral Springs Drive

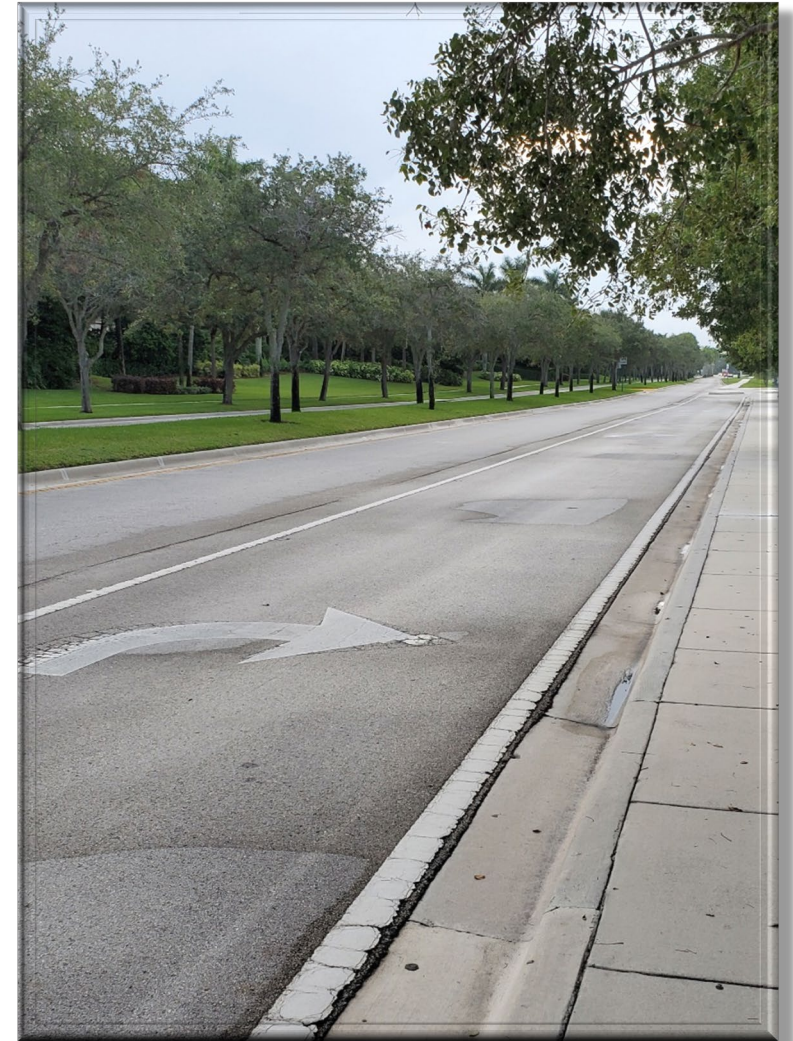

Project Scope

Proposed Improvements:

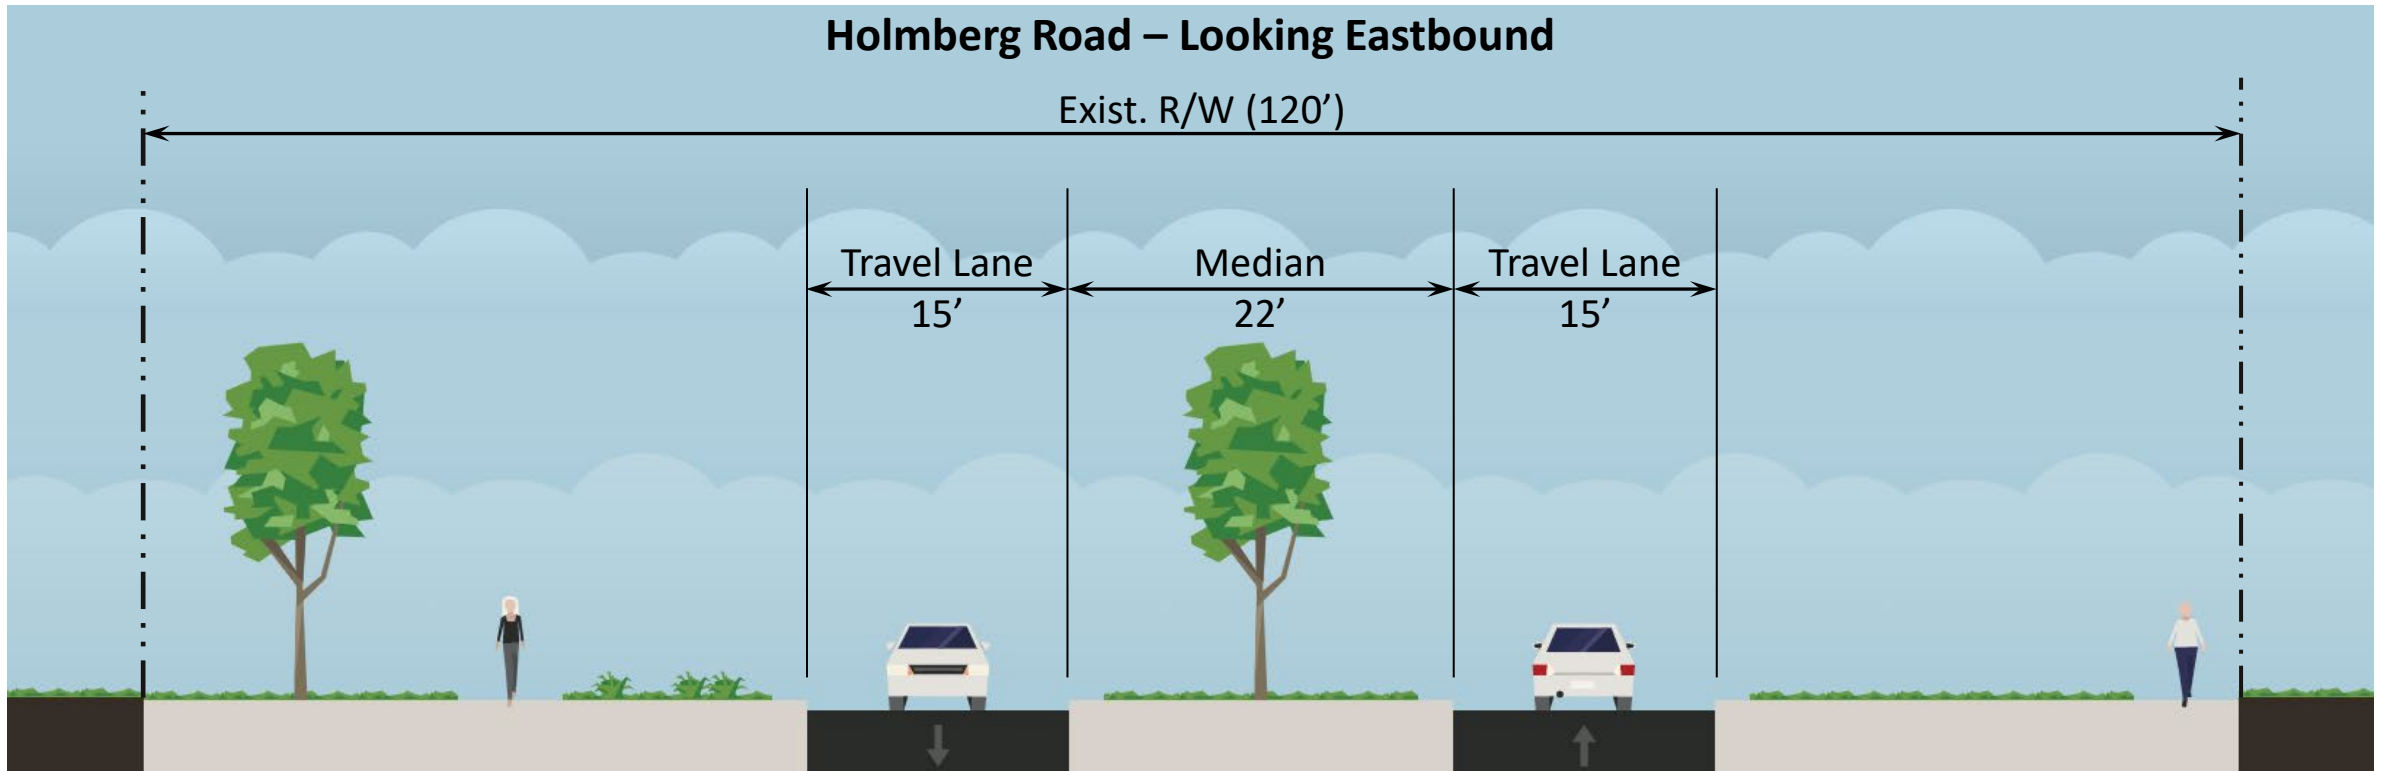

- Off system project within the City of Parkland
- Milling and Resurfacing of the existing pavement
- Installation of a bicycle lane on both sides of the road
- Construction of a new right turn lane to Marjory Stoneman Douglas High School funded by the City of Parkland
- Drainage improvements adjacent to widening areas
- Upgrade pedestrian signals at Pine Island Road
- Upgrade signing and pavement markings

Project Length: 0.519 miles

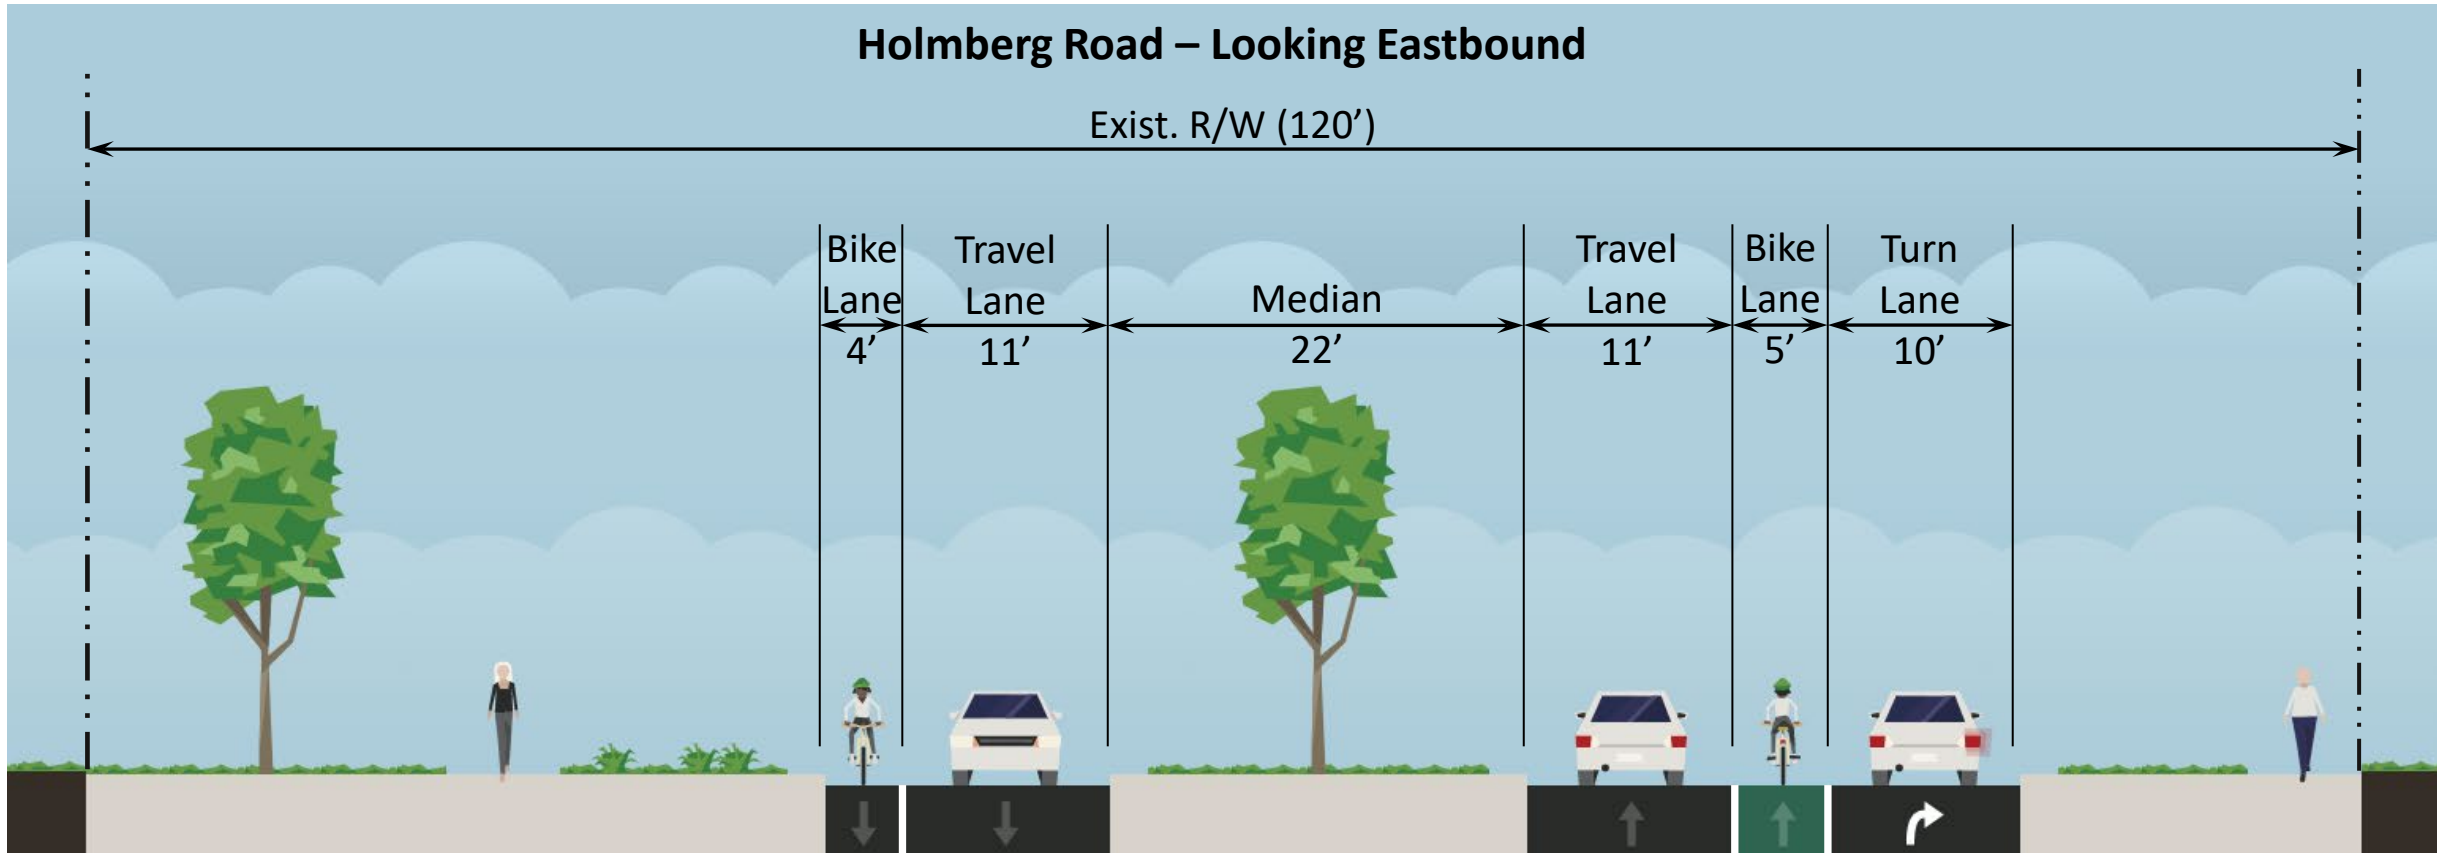

Existing Roadway

Existing Roadway

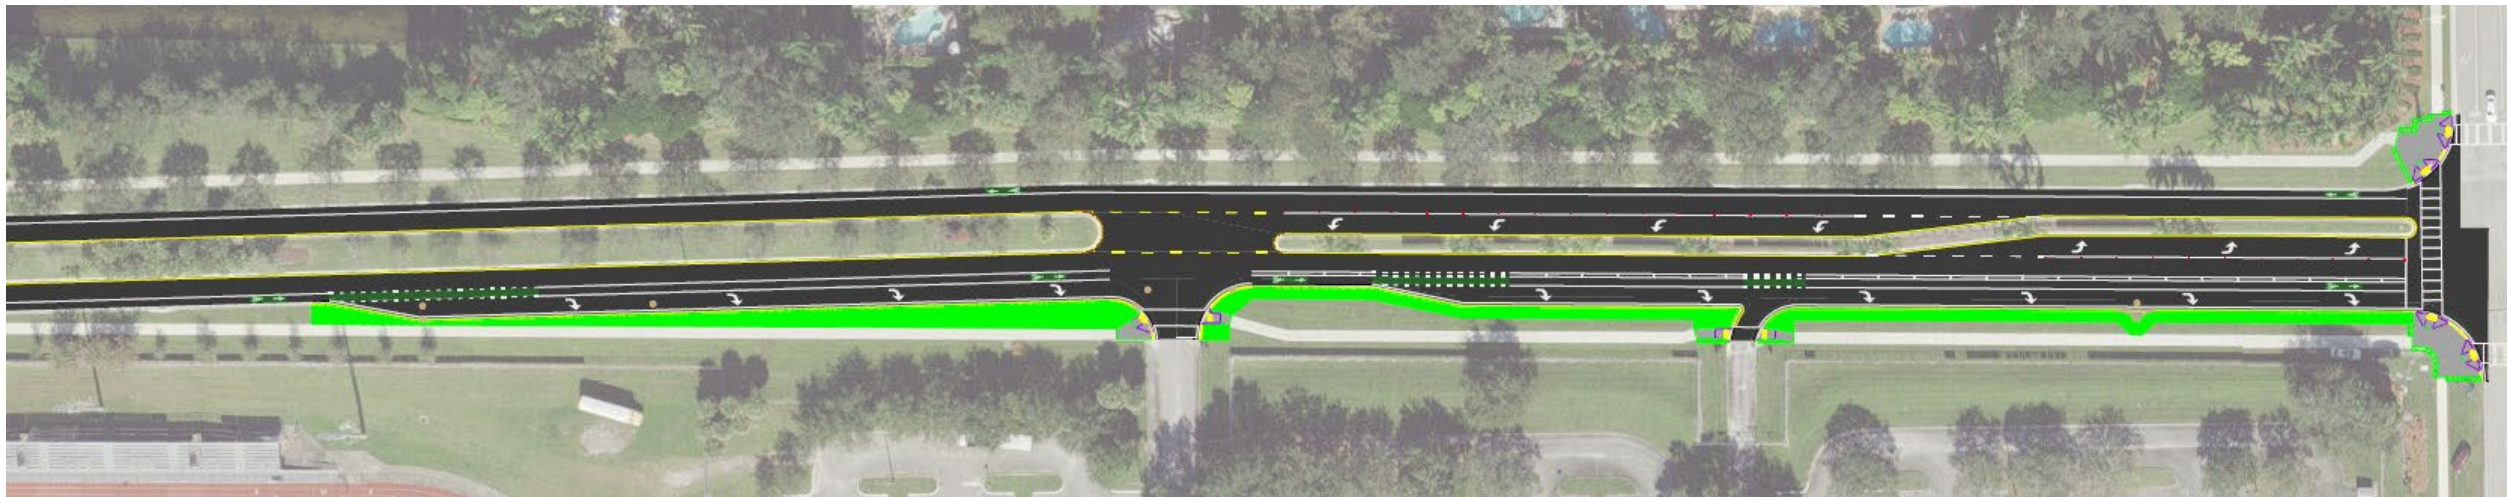

Proposed Improvements

Proposed Typical Section

Proposed Layout

Maintenance of Traffic

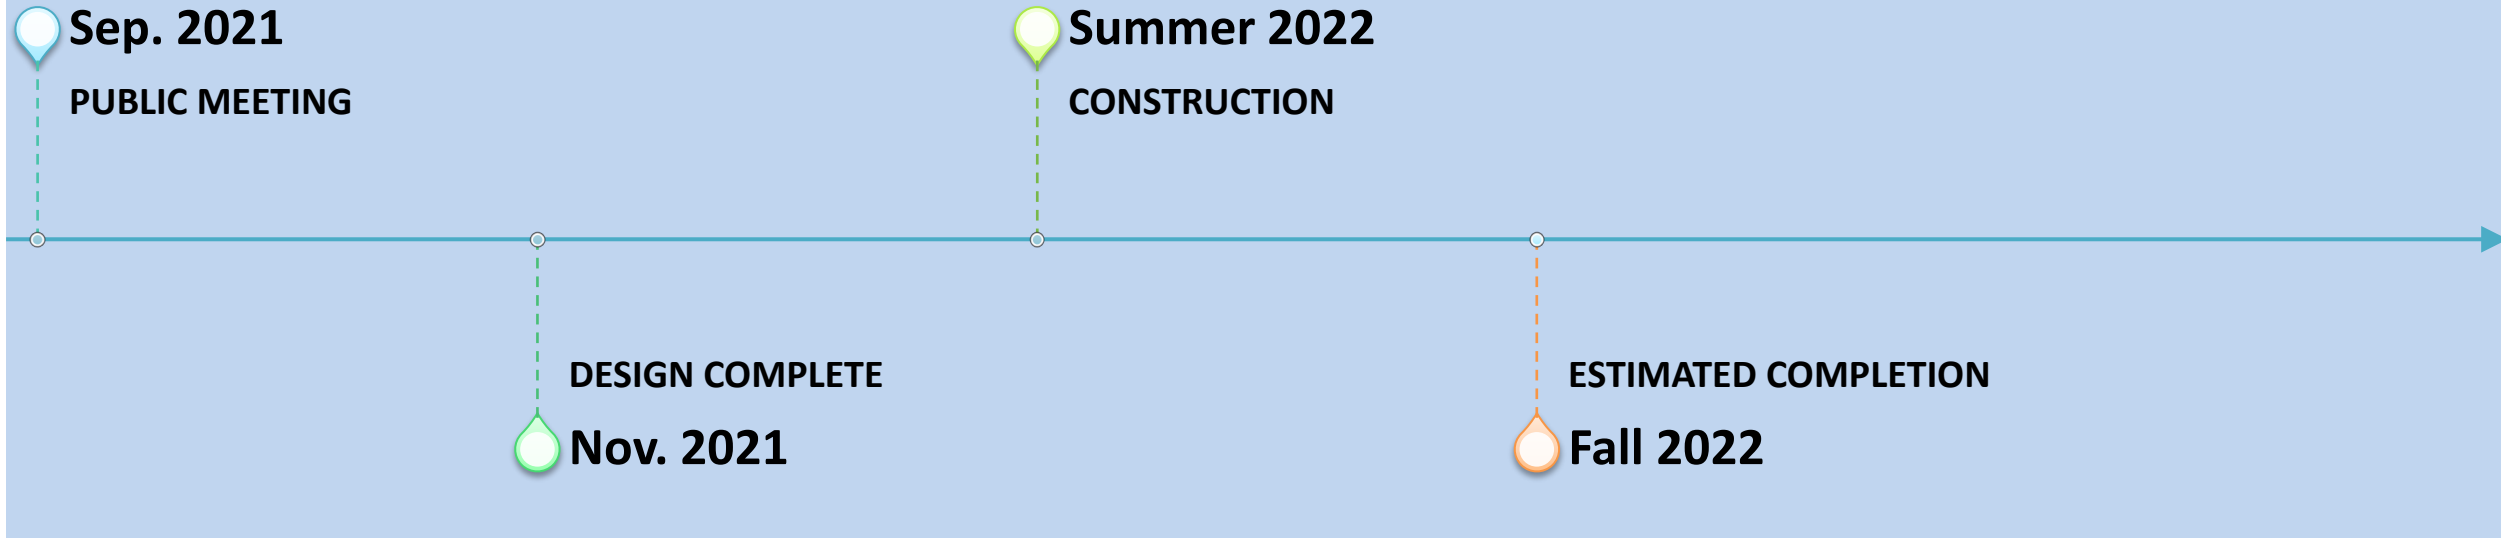

Maintenance of Traffic

- All work will be done in phases to reduce impacts to the community.
- During Construction, lanes will be narrowed to 10 feet wide in work areas.
- Road users will be detoured via Trails End during the milling and paving operations. No detours will be permitted during school hours.
- Temporary impacts to pedestrian traffic will be addressed via temporary pedestrian detours/diversions as required.
- Access to the schools along Holmberg Road will always be maintained during construction. In addition, all sidewalks will be open during school hours.

Project Schedule and Cost

Project Schedule and Cost

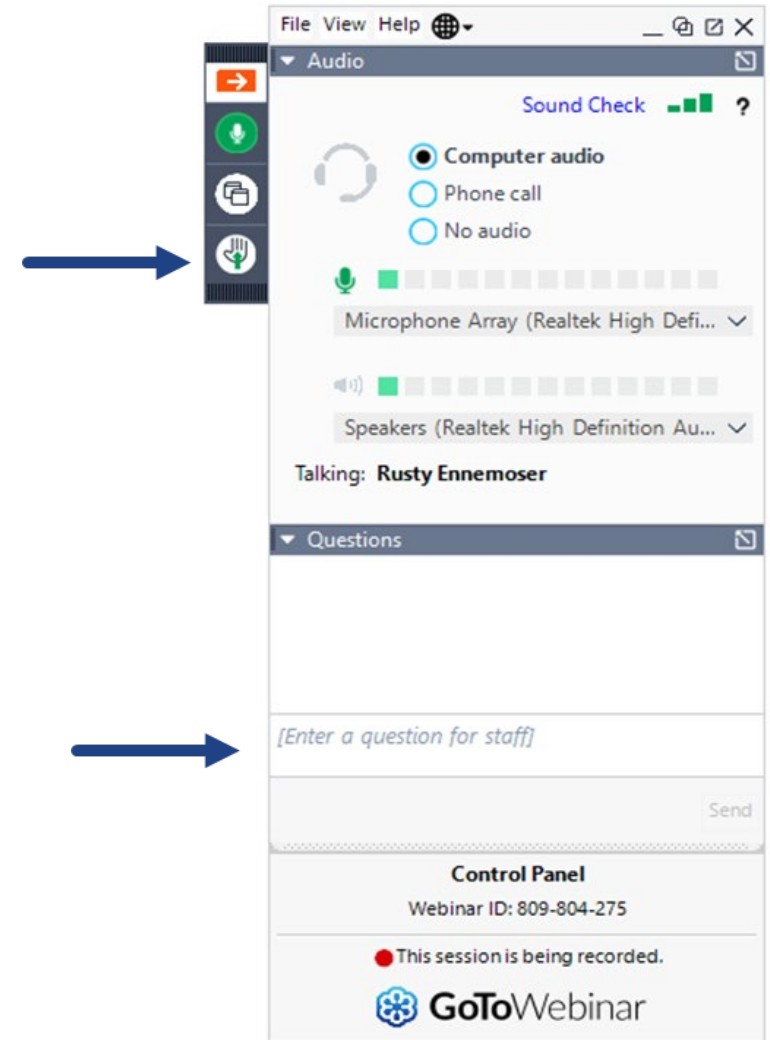

Estimated Construction Cost: \$600,000

Questions and Answers

Questions and Answers

- **Virtual (online)** attendees are welcome to ask a question or provide a comment, by utilizing the question panel or “**Raise Hand**” button on the **GoToWebinar control panel**. Once your microphone is unmuted, please **provide your full name first and then your question/comment**. Your microphone will remain unmuted until the question/comment has been fully addressed
- If your question is not responded to during the event, a response will be provided in writing following the Public Meeting.

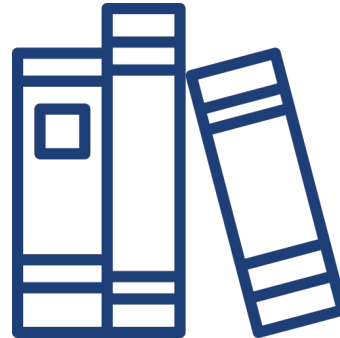

Closing and Contact Information

Additional Comments/Questions

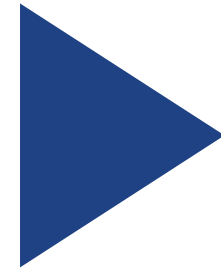

Please submit your comments by October 10, 2021

If your question was not responded to during the event, a response will be provided later.

All comments and questions are part of the **Public Record**.

All registrants will receive a link to the **meeting recording**.
