

FLORIDA DEPARTMENT OF TRANSPORTATION FULL CLOSURE & DETOUR NOTICE

University Drive in Coral Springs Mobility Improvement Project

From SR 834/Sample Road to north of Westview Drive

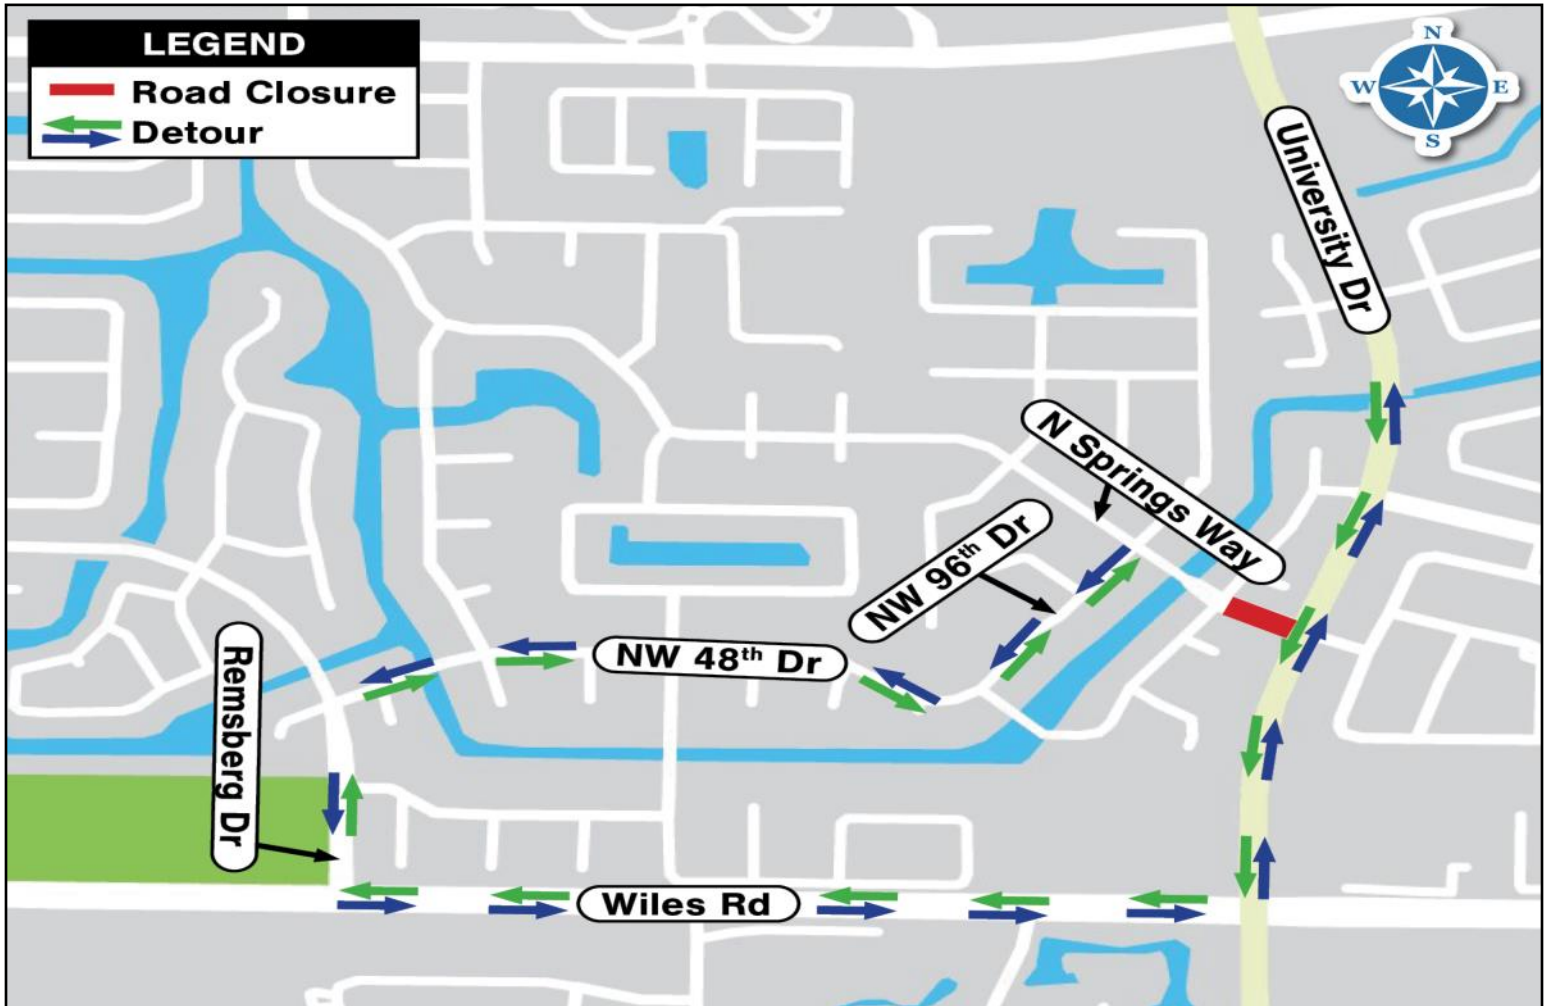

Broward County, FL

Financial Project ID Number: 431756-1-52-01/02 & 431756-2-52-01/02

NORTH SPRINGS WAY AT UNIVERSITY DRIVE CLOSURE JAN. 6 — JAN. 17, 2025

North Springs Way entrance and exit at University Drive will be closed periodically for pavement reconstruction, **beginning, Monday, Jan. 6 through Friday, Jan. 17, 2025**. Access to local traffic will be maintained at all times and proper detour signage will be in place to assist motorists and pedestrians.

When closed, traffic from University Drive trying to access North Springs Way will be detoured via westbound Wiles Road, northbound Remsberg Drive, eastbound NW 48th Drive, and northbound NW 96th Drive. Residents who wish to access University Drive from North Springs Way will use the same detour displayed below. Pedestrian detours will be implemented to ensure access is maintained around the work zone.

The project improvements consist of widening the roadway to accommodate one additional travel lane and bicycle lane, relocating the existing 6-foot sidewalk from NW 40th Street to SR 869/Sawgrass Expressway, relocating impacted drainage structures and regrading swales to ensure proper drainage flow, upgrading traffic and pedestrian signals at NW 40th Street and Westview Drive, installation of 77 light poles along the project corridor, milling and resurfacing within the project limits, and upgrading curb ramps, signing, and pavement markings.
