RIVERLAND ROAD MOBILITY IMPROVEMENT PROJECT

The Florida Department of Transportation (FDOT), District Four, is pleased to provide information regarding mobility improvements on Riverland Road/NW 27th Avenue from SR 7/US 441 to SR 842/Broward Boulevard in the City of Fort Lauderdale.

The Riverland Road Mobility Improvement Project is a part of a U.S. Department of Transportation – Transportation Investment Generating Economic Recovery (TIGER) Grant, awarded to the Broward MPO and its local city partners to enhance continuity and extend the Broward Regional Complete Street network. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. For more information about the Broward MPO, please visit: BrowardMPO.org. FDOT is pleased to assist the City of Fort Lauderdale and Broward MPO in delivering their vision and provides the following information on this mobility improvement project.

Construction Cost: \$5.8 million Construction Start Date: May 10, 2021 Anticipated Completion: Early 2023
