Typical Section #2

**SR 5/US-1/
N Federal Highway**

Maintenance of Traffic

- **Public Safety is our Top Priority!**
 - Work Zone Signage
 - Advanced warning and project signage will be placed throughout the construction corridor
 - Lighted message boards will be located at the eastern and western project limits
 - Ongoing coordination with local agencies and businesses to ensure bus route accessibility and access at all times
 - Broward County Traffic Engineering Division
 - City of Fort Lauderdale

Maintenance of Traffic

Lane Closure Details

Weekdays

- One lane will be closed in each direction Monday through Thursday for the following activities:
 - Lighting, signal improvements, and sidewalk restoration
 - **9:30 p.m. to 6:00 a.m., nightly**
- Lane closures are not permitted during peak hours:
 - Weekdays– 6:00 a.m. to 9:00 p.m.

Weekends

- Multiple lanes will be closed along Broward Boulevard including detour of side streets, Friday through Sunday for the following activities:
 - Brick paver removal, concrete header removal, and asphalt operations
 - **9:30 p.m. to 6:00 a.m., nightly**
- One lane will be maintained in each direction along Broward Boulevard except for Federal Highway Improvements

Incentive & Disincentive

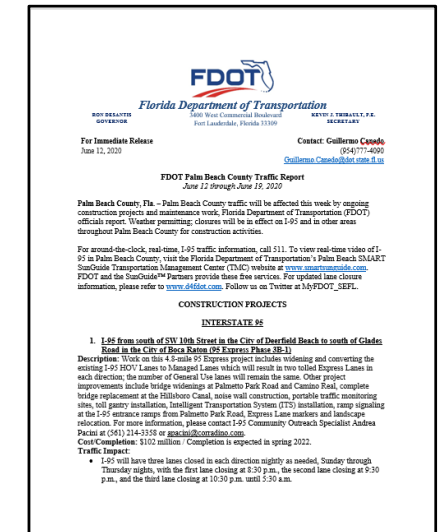

Effort to Minimize Impacts

- The Department desires to expedite construction on this project to minimize impacts to the traveling public and to reduce the time of construction.
- The incentive to the Contractor will total \$100,000.
