

I-95 HOV Expansion Project

PROJECT UPDATE

PGA Boulevard to Donald Ross Road
Financial Identification Number: 406870-1-52-01

The Florida Department of Transportation's (FDOT) I-95 HOV Expansion Projects continue to move ahead. The initial phase of construction, sound wall installation, is nearing completion and major construction activities will now begin.

This Project Update will help you to understand the next phase of this project and construction activities that you will encounter in and around the construction zone.

Over the next several months, construction activities will occur during daytime and nighttime hours. This work includes; driving concrete piles that will support the new bridges and concrete removal on the existing bridges. Work will begin the week of March 30, 2009, weather permitting.

Bridge widening is currently underway on the I-95 overpass at PGA Boulevard.

In order to safely complete this work, it will be necessary to close travel lanes at various times and locations. ***Please use caution when traveling through the various work zones.***

Be sure to visit the project Web site: www.pbfdot.com/95Expansion for the latest lane closure information.
