

## FLORIDA DEPARTMENT OF TRANSPORTATION

### BUS SHELTER PROJECT VARIOUS LOCATIONS

State Road (SR) 5/US 1 from Palmetto Park Road to SR 850/Northlake Boulevard  
Public Transportation Shelters Project  
Palm Beach County, Florida  
Financial Project ID: 438386-4-52-01

The Florida Department of Transportation (FDOT) is pleased to provide information regarding the proposed improvements for the above referenced project. No public information workshop is scheduled for this project. Questions and comments may be submitted by emailing the Project Manager, Shaun Connor, P.E. (contact information below). Project information is posted at [https://www.d4fdot.com/pbfdot/sr\\_5\\_us\\_1\\_from\\_palmetto\\_park\\_road\\_to\\_sr\\_850\\_northlake\\_boulevard\\_public\\_transportation\\_shelters\\_project.asp](https://www.d4fdot.com/pbfdot/sr_5_us_1_from_palmetto_park_road_to_sr_850_northlake_boulevard_public_transportation_shelters_project.asp).

#### PROJECT PURPOSE

To improve the experience of transit riders by constructing bus shelters that will make taking transit safer, more convenient, and easier to access.

#### PROJECT LOCATION

Bus shelters will be located at various locations along US 1 (both northbound and southbound) at the Northwood District, Gregory Road, Lantana Road, Linton Boulevard, Spanish River Boulevard, and NE 20th Street.

#### PROJECT IMPROVEMENTS

- Elevated bus shelter platforms to improve safety and access for riders with disabilities.
- Lighting to improve safety and comfort for riders.
- Real time bus arrival information for riders' convenience.
- Bike racks for cyclists who wish to take transit.
- Covered seating to protect riders from the elements.

#### CONSTRUCTION IMPACTS

- Work will be done in phases to reduce the impacts to the community and access to businesses and residences will be maintained during construction.
- Temporary lane closures will occur one lane at a time during non-peak hours to minimize impacts on traffic and pedestrian traffic will be maintained at all times.
- Temporary bus stops will be provided for existing bus shelter impacts.

#### CONSTRUCTION INFORMATION

- Estimated Begin Construction: **Spring 2026**
- Estimated End Construction: **Spring 2027**
- Estimated Construction Cost: **\$5.1M**

#### FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

*Community feedback is at the core of all we do. FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.*

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge), should contact Shaun Connor, P.E., Project Manager.
