

FLORIDA DEPARTMENT OF TRANSPORTATION PROJECT INFORMATION FLYER

State Road (SR) 5/US 1/Federal Highway Resurfacing, Restoration and Rehabilitation (RRR) Project
From 6th Avenue North to Arlington Road
In the cities of West Palm Beach and Lake Worth Beach
Palm Beach County, FL
Financial Project ID: 447660-1-52-01

SR 5/US 1/FEDERAL HIGHWAY RRR PROJECT

The Florida Department of Transportation (FDOT) invites the community to learn more about the upcoming SR 5/US 1/Federal Highway RRR project in the cities of West Palm Beach and Lake Worth Beach. This in-person meeting provides an opportunity to engage with the construction team and learn about the project's goals and benefits. A project video will also be available on the project website for your convenience. This project aims to enhance the safety, resiliency, and longevity of the infrastructure for our community. Please see below for meeting details and project information.

Construction Cost: \$2.7 million

Construction Start: March 2025

Anticipated Completion: Early 2026

LEARN MORE ABOUT OUR PROJECT

Coffee with the Construction Team
Wednesday, April 2, 2025
10:30 a.m. to 12:00 p.m.
Common Grounds Brew & Roastery
12 South J Street
Lake Worth Beach, FL 33460

- Project personnel will be available to review the project scope and schedule, lane closure information, and address questions one-on-one
- Project teams from ongoing and upcoming Lake Worth Beach projects will also be present to answer questions.

To learn more about the project and the benefits to your community, scan the QR code or visit <https://tinyurl.com/6thtoArlington> to watch the project video.

For questions or comments, please contact the project team at the below email addresses

PROJECT IMPROVEMENTS

- Milling and repaving the roadway along the project limits to enhance infrastructure resilience and improve safety for the community
- Upgrading pedestrian signals at 7th Avenue North, 10th Avenue North, and 13th Avenue North to countdown signals to enhance pedestrian safety
- Installing Rectangular Rapid Flashing Beacons (RRFBs) and crosswalks on the north side of 6th Avenue North to improve pedestrian safety
- Installing a raised intersection at 16th Avenue North to reduce speeding through the corridor and enhance motorist safety
- Installing speed feedback signs at the curves between Wellesley Drive and Princeton Drive to improve motorist safety
- Installing shared bicycle markings, or “sharrows,” and signage between 6th Avenue North and Princeton Drive to increase motorist awareness and bicyclist safety
- Installing six-foot buffered bicycle lanes between Auburn Drive and Arlington Road to enhance motorist awareness and bicyclist safety
- Upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity

TRAFFIC IMPACTS

- Work will occur in phases to minimize impacts to the public
- One lane is permitted to be closed, during active construction, from 7:00 p.m. to 4:00 p.m.
- Flaggers will be on-site to direct traffic as needed
- Sidewalk and curb ramp closures will be implemented as needed, restricting access to one direction of travel at a time
- Access to businesses and residences will be maintained at all times

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation’s mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state’s economic competitiveness, prioritizes Florida’s environment and natural resources, and preserves the quality of life and connectedness of the state’s communities.

Please contact the Community Outreach Specialist, Melissa Reading, to be added to project email notification lists. If special accommodations under the Americans with Disabilities Act (ADA) or translation services (free of charge) are needed, please contact the Construction Manager, Michael Miller, P.E., at least seven (7) days prior to the Virtual Public Meeting. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Para información y preguntas en Español, por favor llame al (954) 777- 4302.
