**PROJECT IMPROVEMENTS**

- Milling and repaving the existing roadway within the project limits to ensure long-term infrastructure resilience and safety.
- Constructing five concrete bus pads throughout the project corridor to enhance transit rider safety and accessibility.
- Installing curb ramps and replacing sections of sidewalk to enhance pedestrian safety and connectivity.
- Upgrading signage and pavement markings, including bicycle lane markings, to enhance visibility and safety.

**TRAFFIC IMPACTS**

- Work will occur in phases to minimize impacts to the public.
- Single-lane closures will be permitted daily, with flaggers in place to direct traffic as needed.
- Access to businesses and residences will be maintained at all times.
- Additional information about lane closures and detours will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link:
