I-95 northbound lanes at Glades Road will be closed to traffic overnight Wednesday, March 10 and Thursday, March 11 for overhead sign structure removal. The first lane will close at 9:30 p.m., the second lane will close at 10:30 p.m., and all lanes will be closed by 11:30 p.m., reopening by 5:30 a.m. Traffic will be detoured via the I-95 northbound exit ramp to Glades Road east, US-1/Federal Highway and Yamato Road. 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard.
