Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Helen James, P.E., Project Manager.

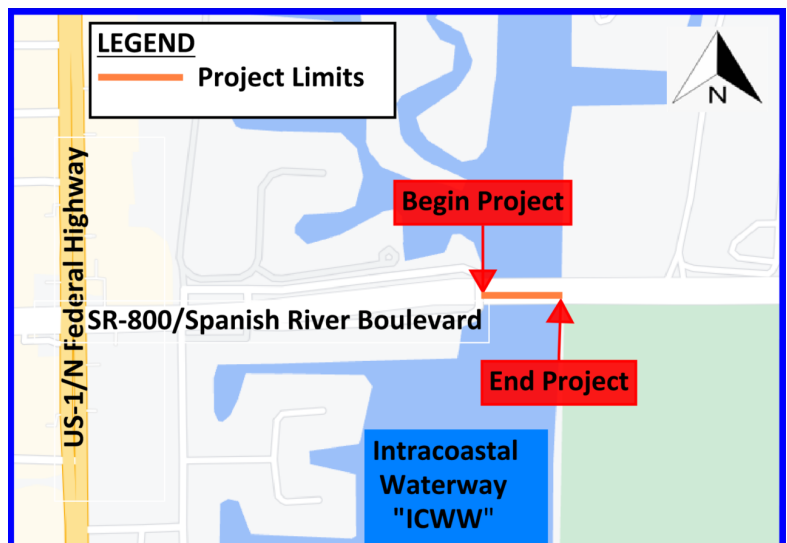

CONSTRUCTION IMPACTS

- Work will be done in the ICWW under the bridges. Marine traffic will be maintained at all times.
- Temporary lane closures on the frontage road during non-peak hours in order to minimize effect on traffic.
- Access to properties along the frontage road will be maintained throughout construction.

PROJECT BENEFITS

- Maintaining the strength and carrying capacity of the Spanish River Boulevard bridges.
- Ensuring a long-lasting life for both bridges.

PROJECT LOCATION MAP

FLORIDA DEPARTMENT OF TRANSPORTATION—MISSION STATEMENT

The Department will provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity and preserves the quality of our environment and communities.
