Introductions

Meet the Team

Haiyan Ou, P.E.
FDOT Project Manager

Fernando Gomez, P.E.
Consultant Project Manager
Snubbs Consulting, Inc.

Erik Salgado, P.E.
Design Engineer of Record
Snubbs Consulting, Inc

Paulette Summers
Community Outreach Specialist
Media Relations Group, LLC

Agenda

- 1. General Information**
- 2. Non-Discrimination Policy and Rules of Engagement**
- 3. Project Location and Overview**
- 4. Proposed Improvements**
- 5. Construction Impacts**
- 6. Project Schedule and Cost**
- 7. Questions and Answers**
- 8. Closing and Contact Information**

GoToWebinar Control Panel

The detailed view of the GoToWebinar Control Panel interface is shown within a dashed blue border. It features a top menu bar with 'File', 'View', and 'Help' options. Below the menu is a vertical toolbar with icons for navigation, microphone, chat, and hand raise. The main content area is divided into sections: 'Audio' with a 'Sound Check' indicator and radio buttons for 'Computer audio' (selected), 'Phone call', and 'No audio'; microphone and speaker volume sliders; and dropdown menus for 'Microphone Array (Realtek High Defi...)' and 'Speakers (Realtek High Definition Au...'. A 'Talking:' indicator is also present. Below the audio section is a 'Questions' section with a text input field containing the placeholder '[Enter a question for staff]' and a 'Send' button. At the bottom, a 'Control Panel' section displays 'Webinar ID: 809-804-275', a recording status indicator 'This session is being recorded.', and the GoToWebinar logo.

For Dial-In by Phone Attendees

Dial-in attendees are **'listen only'**

Non-Discrimination Policy and Rules of Engagement

Title VI of the Civil Rights Act of 1964

Title VI Compliance

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express concerns relative to FDOT compliance with Title VI may do so by contacting:

Sharon Singh Hagyan
District Four Title VI Coordinator
3400 West Commercial Boulevard
Fort Lauderdale, Florida 33309
(954) 777-4190
Sharon.SinghHagyan@dot.state.fl.us

Stefan Kulakowski
State Title VI Coordinator
605 Suwannee Street
Tallahassee, Florida 32399
(850) 414-4742
Stefan.Kulakowski@dot.state.fl.us

All inquiries or concerns will be handled according to FDOT procedure and in a prompt and courteous manner.

Rules of Engagement

- This Public Meeting is being recorded.
- If you experience technical difficulties, please contact (786) 352-4351 so that a member of our technical support team may assist you.
- All **Virtual (online)** attendees **will remain muted** throughout the Meeting.
- **Virtual (online)** attendees are also welcome to submit any questions/comments using the GoToWebinar control panel at any time or use the “**Raise Hand**” button on your control panel and a member of our team will respond to/unmute you during the open discussion.
- All **in-person** attendees are welcome to submit a question or comment during the open discussion.
- If you are participating via Telephone and have questions/comments, feel free to submit them to **FDOT Project Manager** Haiyan Ou, P.E., via email after the meeting and a response will be provided.

Project Location and Overview

Project Location

Project Overview

Project Length: Approximately 1.599 miles

Proposed Improvements:

- Repaving the existing roadway from E. Linton Boulevard to Casuarina Road (existing pavement from Casuarina Road to E. Atlantic Avenue is in good condition)
- Upgrading pedestrian lighting at:
 - Linton Boulevard, Casuarina Road and E. Atlantic Avenue signalized intersections
 - Midblock crossings

Project Overview

Proposed Improvements (Cont.):

- Upgrading Casuarina Road pedestrian signal features for ADA compliance
- Upgrading 4 midblock crossings to Rectangular Rapid Flashing Beacons (RRFBs)

Existing Roadway

Midblock Crossings

Existing condition at mid-block crossings

Example of pedestrian crossing with RRFB (Rectangular Rapid Flashing Beacon)

Existing Roadway

SR-A1A looking north at Linton Boulevard

SR-A1A looking south at Casuarina Road

Proposed Improvements

Proposed Improvements

From Linton Boulevard to White Drive

Proposed Improvements

From White Drive to Casuarina Road

Proposed Improvements

From Casuarina Road to E. Atlantic Avenue

Construction Impacts

Construction Impacts

- Work will be performed primarily during daytime hours
- Flagging Operations will be used to direct one lane of traffic at a time
- Work will be done in phases to reduce the effects of construction on the community
- Access to properties adjacent to the corridor will be maintained throughout construction

Construction Impacts

Example of roadway paving

Temporary Traffic Control Plan

What to Expect During Construction

Closures/Detours:

- Limited lane closures (*one direction at a time*) will occur during paving operations
 - Daytime in residential area
 - Flagger Operation
- Sidewalk closures will occur; however, pedestrians will be detoured to always maintain sidewalk connectivity
- Shoulder closures will occur for the signalization and mid-block crossing work (*one direction at a time*)
 - During this time, bicycle traffic will be maintained on the road using shared lane markings
- Closures and detours will be clearly delineated

Temporary Traffic Control Plan

What to Expect During Construction

Speed:

Existing 30 and 35 Mile Per Hour (MPH) limit will remain

Project Phasing:

Work will be done in phases to reduce the impacts of construction in the community

Temporary Traffic Control Plan

What to Expect During Construction

Dust:

The contractor will be required to water and sweep in order to minimize construction-related dust

Noise:

Some noise should be expected during daytime hours

Access:

Access to businesses and residential properties will be maintained at all times during construction

Temporary Traffic Control Plan

Lane closure example

Temporary Traffic Control Plan

Example of flagger operation

Project Schedule and Cost

Project Schedule and Cost

- ❑ Estimated Construction Start: Fall 2024
- ❑ Estimated Construction End: Winter 2025
- ❑ Estimated Construction Cost: \$2.15 million

Public Comments, Questions and Answers

Questions and Answers

- All **in-person** attendees are welcome to submit a question or comment
- **Virtual (online)** attendees are welcome to ask a question or provide a comment by utilizing the question panel or “**Raise Hand**” button on the **GoToWebinar control panel**. Once your microphone is unmuted, please **provide your full name first and then your question/comment**. Your microphone will remain unmuted until the question/comment has been fully addressed
- If your question is not responded to during the event, a response will be provided in writing following the Public Meeting.
