SR 9/I-95 SOUTHBOUND AT CONGRESS AVENUE TO UNDERGO FULL OVERNIGHT CLOSURE OCT. 8, 9 & 15

SR 9/I-95 southbound lanes at Congress Avenue will be closed to traffic overnight Sunday, Oct. 8, Monday, Oct. 9 and Sunday, Oct. 15 for striping and loop installation operations. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Congress Avenue, Congress Avenue and SR 794/Yamato Road. FHP will be on site to assist motorists. Tuesday night, Oct. 10, Wednesday night, Oct. 11, and Monday night, Oct. 16 will be used as a contingency night if needed.

95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
