**Dear Elected Official:**

**RE: Public Information Notification**

Bus Shelter Structural Design  
State Road (SR) 5/US 1 from Palmetto Park Road to SR 850/Northlake Boulevard  
Palm Beach County, Florida  
Financial Project ID Number: 438386-4-32-01

The Florida Department of Transportation (FDOT) is pleased to provide information about the improvements for the above referenced project.

No public information meeting is scheduled for this project.

Community feedback is at the core of all we do. FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.

A Public Information Flyer about the project will be added to Palm Tran's database of ridership, affixed to buses, provided to businesses and public areas near each proposed bus shelter location, and provided to individuals who have expressed interest in the project. Enclosed is a copy of the Public Information Flyer, which includes a rendering of the proposed bus shelter(s) and other important information about the project.

Project information is posted at:
