### SR 710/MLK Jr. Boulevard ATMS Project

The Florida Department of Transportation (FDOT) is pleased to provide the community with information regarding the upcoming SR 710/MLK Jr Boulevard ATMS Project. The project limits are from North Congress Avenue to President Barack Obama Highway in the City of Riviera Beach. This project aims to enhance the safety, resiliency, and longevity of the infrastructure for our communities by utilizing modern technology.

**Construction Cost:** \$1.8 Million

**Construction Start:** January 2025

**Estimated Completion:** Summer 2025

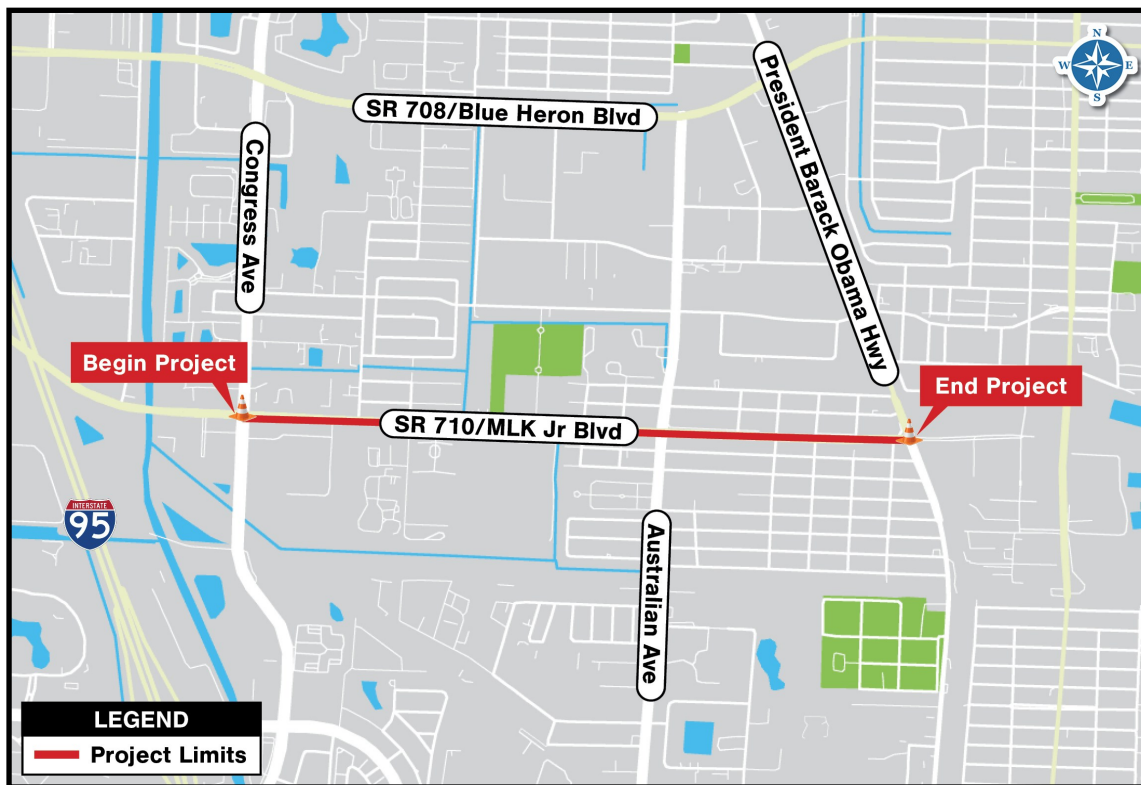

#### PROJECT IMPROVEMENTS

- Installing solar-powered traffic signs equipped with modern technology that detects bicyclists and activates flashing signals to warn drivers, improving safety for cyclists
- Installing Closed-Circuit Television (CCTV) cameras to enhance real-time traffic monitoring and improve motorist safety
- Upgrading the Advanced Transportation Management ATMS technology to enhance coordination with the Regional Traffic Management Center (RTMC), improving traffic flow and enabling faster incident response.
- Installing new traffic loops to optimize signal changes, enhancing safety and efficiency of the infrastructure

#### TRAFFIC IMPACTS

- Work will occur in phases to minimize impacts to the public
- Single lane closures are permitted nightly from 10:00 p.m. to 6:00 a.m., Sunday through Thursday
- Nighttime intersection detours are permitted nightly for signalization activities on SR 710/MLK Jr Boulevard; advance notice will be provided with motorist and pedestrian detours clearly marked.
- Additional information about lane closures, detours, and pedestrian impacts will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link:
