Virtual Public Meeting Orientation

Moderator & Presenter

Melissa Reading
Community Outreach Specialist
The Corradino Group

Meeting Format

Presentation, Q&A Session

- 5 p.m. to 5:30 p.m.
- 5:30 p.m. to 6 p.m.

The Florida Department of Transportation is required to comply with various non-discrimination laws and regulations, including

Title VI of the Civil Rights Act of 1964.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

Persons wishing to express concerns about Title VI may do so by contacting either:

District Four

Florida Department of Transportation
District Four Title VI Coordinator

Sharon Singh Hagyan

(954) 777-4190

Sharon.SinghHagyan@dot.state.fl.us

Tallahassee Office

Florida Department of Transportation
State Title VI Coordinator

Stefan Kulakowski

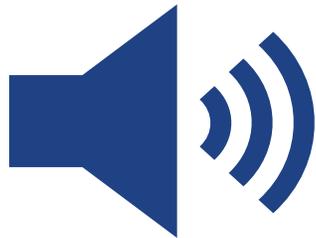

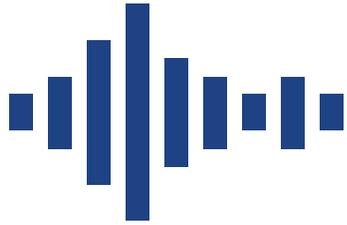

(850) 414-4742

Stefan.Kulakowski@dot.state.fl.us

All inquiries or concerns will be handled according to FDOT procedure and in a prompt and courteous manner.

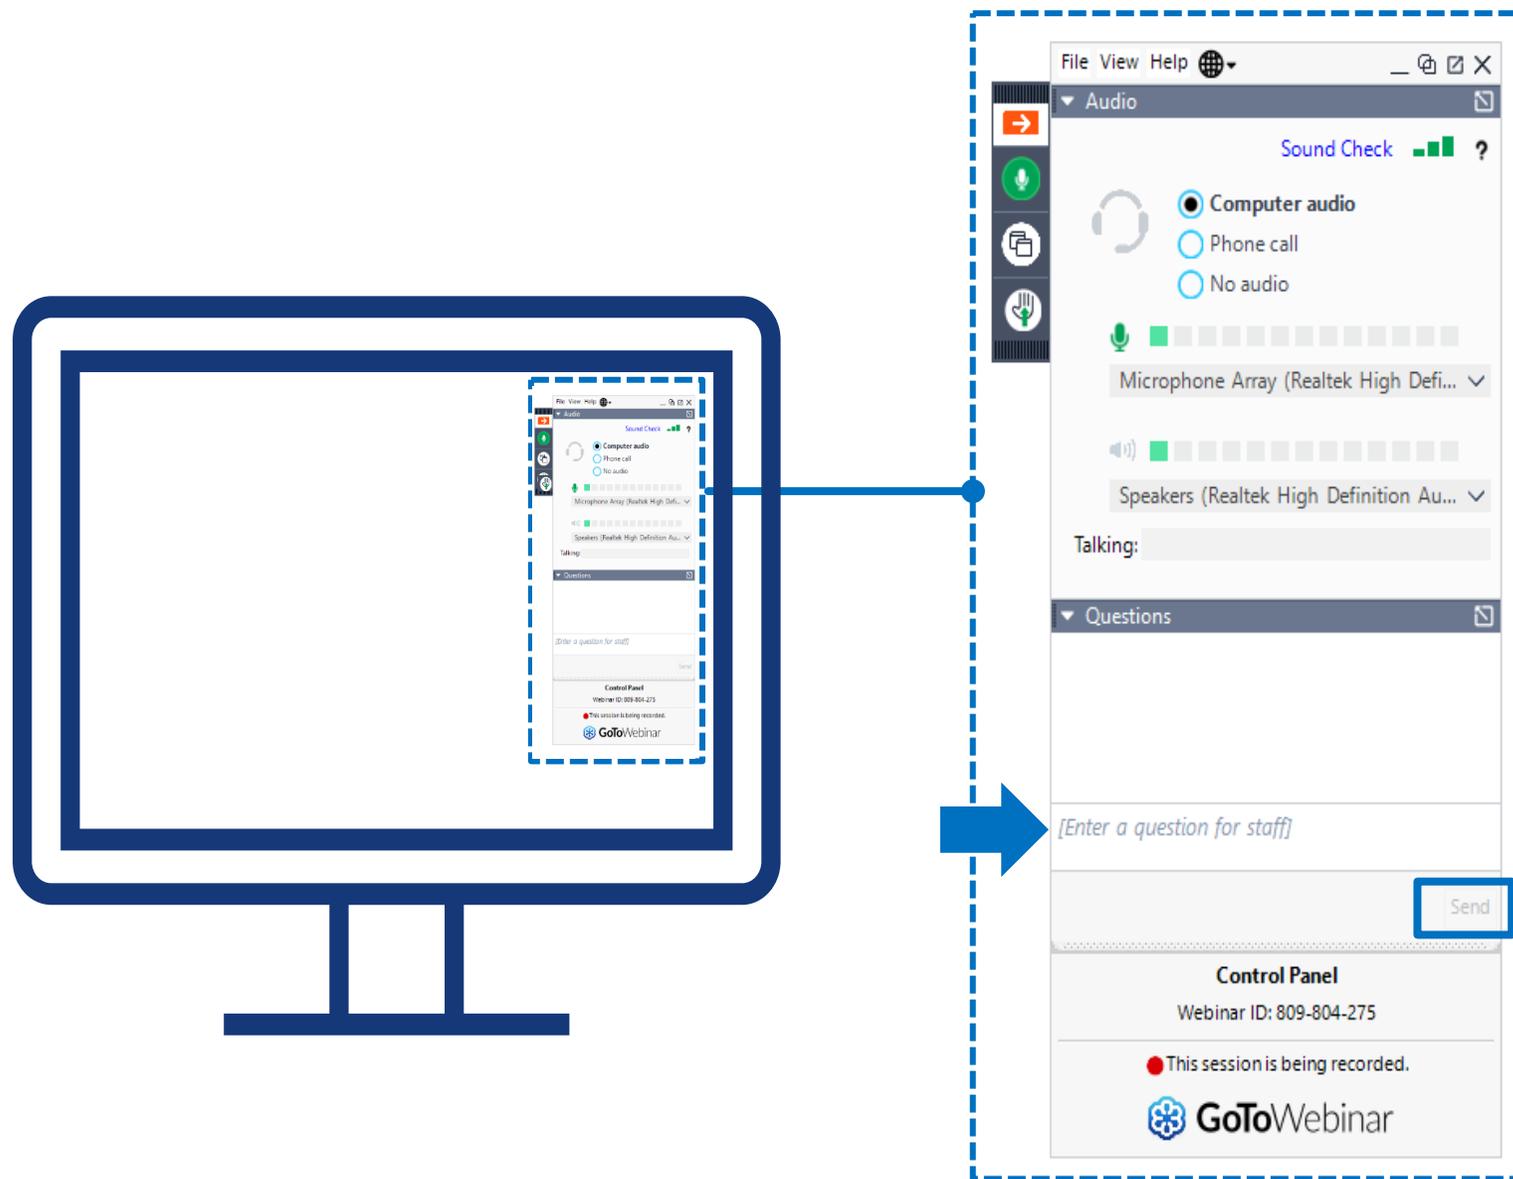

Virtual Public Meeting Orientation

- This Virtual Public Meeting is being recorded.
- All attendees **will remain muted** throughout the meeting.
- If you experience technical difficulties, please contact **GoToWebinar Support at +1(833) 851-8340**.
- At the end of the presentation attendees are also welcome to submit any questions/comments using the GoToWebinar Question Panel and a member of the team will respond during the question-and-answer portion. To request to speak, click the Raise Hand button on the Control Panel and unmute your microphone when your name is called.

Participating on GoToWebinar

- If you would like to ask a question verbally, please click on the hand icon to be recognized.
- This meeting is being recorded and will be posted to www.d4fdot.com.

Meet the Team

Jon Droge

Jasmani Riveron, P.E.
Engineer of Record
Ardurra Group, Inc.

Project Presentation

- Please enjoy the following slides which include information on the improvements to be completed and road and lane closure information.
- We will start the Question & Answer session after we have reviewed the project.

Project Limits

Project Overview

Purpose: The intent of the project is to extend the life of the existing pavement through milling and resurfacing and to widen both eastbound and westbound approaches of Indiantown Road to improve traffic flow, re-align the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection to accommodate increasing traffic near the interchange.

Length: 1.446 Miles

Contractor: MasTec Civil, LLC

Construction Start: October 30, 2023

Estimated Contract Cost: \$17.98 Million

Contract Time: 548 calendar days
(not including weather and holidays)

Estimated Completion: Spring 2025

Eastbound SR 706/Indiantown Road
(Pre-Construction)

Scope of Work - SR 9/I-95 Exit and Entrance Ramp Improvements

Ramp Improvements

- Re-align the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection
- Widen the SR 9/I-95 northbound and southbound on-ramp acceleration lanes
- Upgrade Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps

SR 9/I-95 northbound to SR 706/Indiantown Road
eastbound off-ramp
(Pre-Construction)

Roadway Improvements

- Mill and resurface the existing travel lanes
- Lengthen the eastbound SR 706/Indiantown Road left turn lane to northbound SR 9/I-95
- Widen eastbound SR 706/Indiantown Road to provide an additional through lane and a buffered bike lane in various locations from the Florida Turnpike entrance to Central Boulevard

Eastbound SR 706/Indiantown Road
(Pre-Construction)

Roadway Improvements & Upgrades

- Widen westbound SR 706/Indiantown Road to provide an additional through lane and a bike lane from 67th Road North to SR 9/I-95
- Widen the SR 706/Indiantown Road Bridge over the C-18 canal in both directions to provide an additional through lane
- Upgrade drainage, signage, lighting, signalization, and pavement markings

Westbound SR 706/Indiantown Road
at 67th Road North
(Pre-Construction)

Scope of Work – Roadway & Safety Improvements

Roadway & Safety Improvements

- Upgrade the bridge concrete barrier wall over the C-18 Canal
- Upgrade Dynamic Message Sign (DMS) structures on westbound SR 706/Indiantown Road between Island Way and 67th Road North
- Upgrade the Intelligent Transportation System (ITS) throughout the project corridor

Eastbound SR 706/Indiantown Road at C-18 Canal
(Pre-Construction)

Pedestrian Improvements

- Install sidewalk along eastbound SR 706/Indiantown Road from the Florida Turnpike entrance to Island Way
- Upgrade curb ramps to meet Americans with Disability Act (ADA) standards
- Install patterned pavement crosswalks at Island Way and 67th Road North

Existing Crosswalk at SR 706/Indiantown Road and Island Way
(Pre-Construction)

LEGEND

 Buffered Bike Lanes

Proposed Lighting Improvements

SR 706/Indiantown Road
From the Turnpike Entrance to Central Boulevard

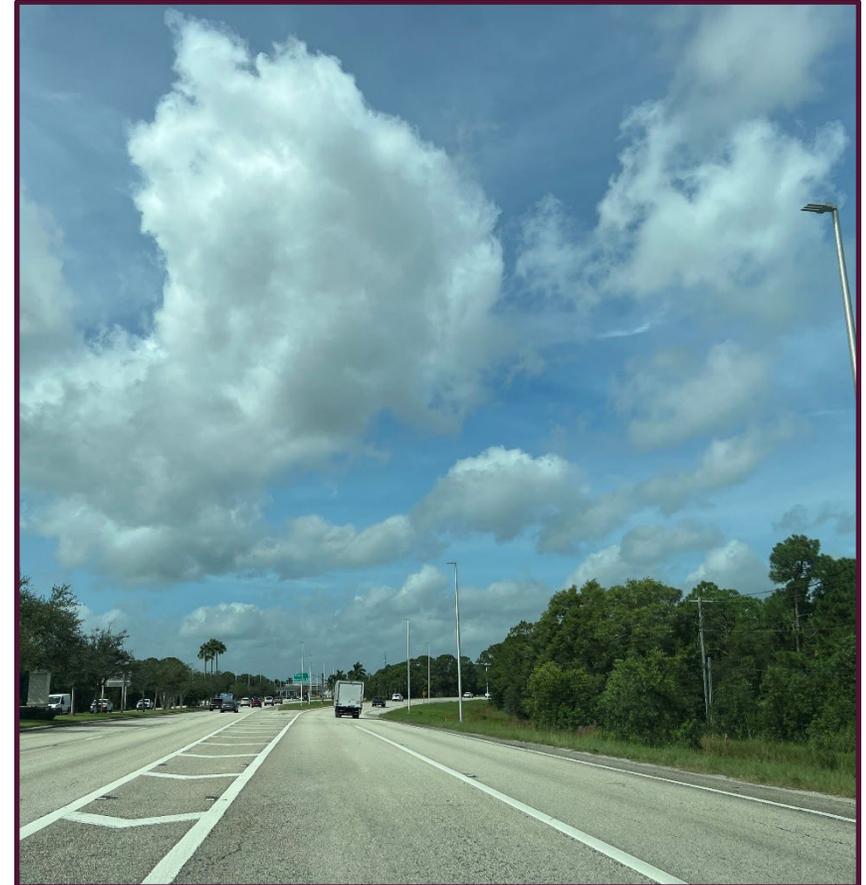

LEGEND

-  New Lighting
-  New Bridge Mounted Lighting
-  Retrofit Existing Lighting

Phase 1

- Widen SR 706/Indiantown Road outside lanes and shoulders in both directions
- Widen the bridge over the C-18 Canal

SR 9/I-95 Southbound On-Ramp
(Pre-Construction)

Phase 1 Continued

- Replace the overhead sign at SR 9/I-95 SB On-Ramp
- Construct raised median along EB SR 706/Indiantown Road and the SR 9/I-95 SB On-Ramp

SR 9/I-95 Southbound On-Ramp Overhead Sign
(Pre-Construction)

Construction Phases

Phase 2

- Construct inside widening along SR 706/Indiantown Road in both directions

Phase 3

- Mill and resurface SR 706/Indiantown Road in both directions
- Install final striping and raised pavement markers

Eastbound SR 706/Indiantown Road
(Pre-Construction)

Maintenance of Traffic

- Single-lane closures on SR 706/Indiantown Road are permitted nightly, 9 p.m. until 6:30 a.m., Sunday through Friday, and double-lane closures are permitted nightly, 10 p.m. until 6 a.m., Sunday through Friday
- Single-lane closures on Island Way are permitted nightly, 10 p.m. until 6 a.m., Sunday through Friday
- Ramp closures will take place as needed, nightly, 10 p.m. until 6 a.m., Sunday through Thursday. Notice of detours will be provided in advance. Closures of SR 9/I-95 off and on ramps will not occur simultaneously
- To minimize impact to the public, work will be performed in phases. Access to business, driveways and pedestrians will be maintained at all times

Safety and Local Coordination

- **Public Safety is our Top Priority!**
 - **Work Zone Signage & Maintenance of Traffic**
 - Advanced warning and project signage will be placed throughout the construction corridor to alert the traveling public
 - **Local Agency & Stakeholder Coordination**
 - The project team will continue working closely with local stakeholders including local municipalities, schools, neighborhoods and other local agencies to ensure safety standards are met and impacts to the public are minimized in any way possible
 - **Emergency vehicles will be provided access at all times**

Lighted Message Board

Community Outreach

- To receive project specific updates please email mreading@corrado.com to be added to the distribution list
- A weekly press release will be distributed every Friday
- Additional project specific information can be found on the website

****All project updates will be posted to the District Four website.****

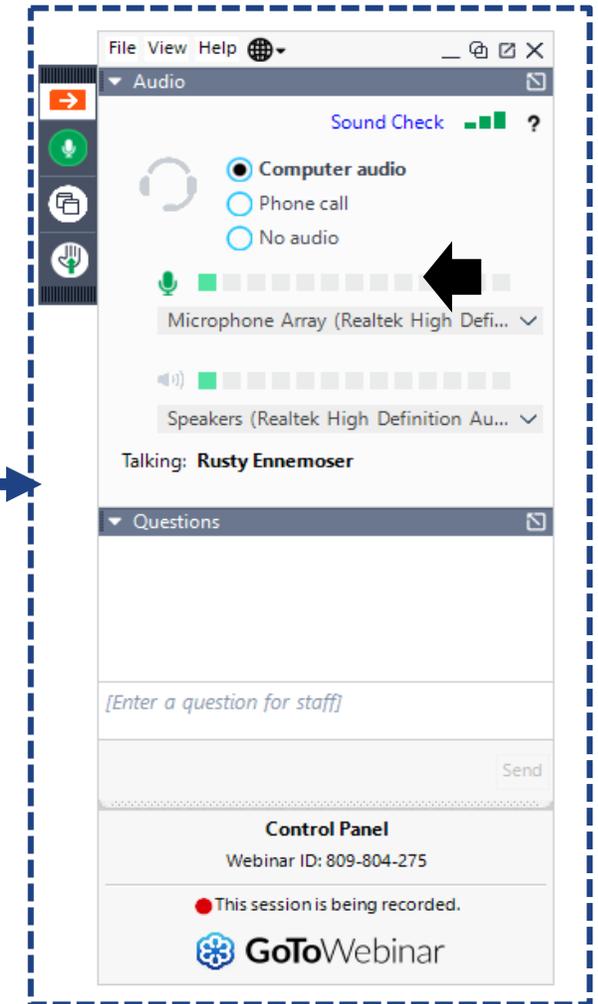

Scan this QR code to go to the District Four Website Project Page.
