

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

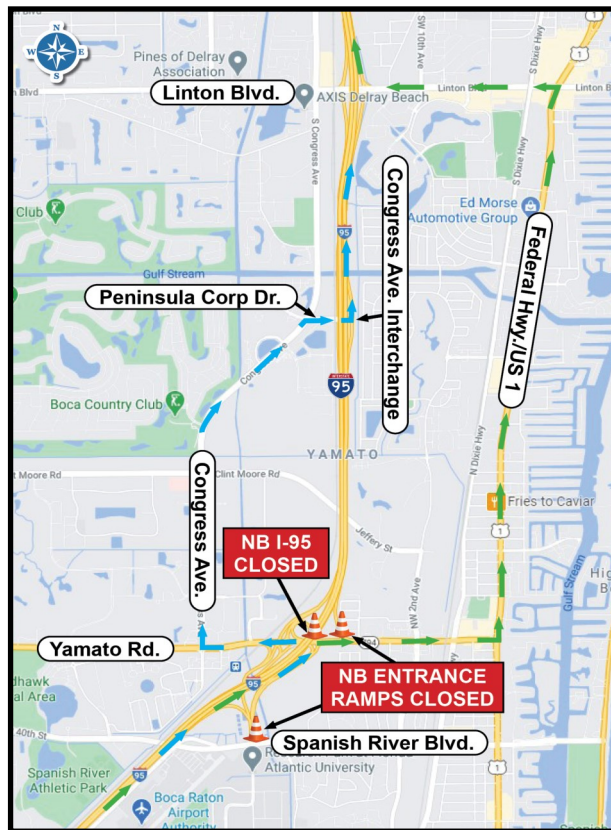

95 EXPRESS LANES PHASE 3B-2 PROJECT

I-95 from south of Glades Road to Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive, Palm Beach County, Florida
Financial Project ID Numbers: 433109-5-52-01, 02/412420-4-52-01 & 435384-1-52-01

FDOT District 4 Website: www.d4fdot.com

I-95 NORTHBOUND AT YAMATO ROAD TO UNDERGO FULL NIGHTLY CLOSURE APRIL 19 & 21

I-95 northbound lanes at Yamato Road will be closed to traffic overnight Monday, April 19 and Wednesday, April 21 so that crews can safely demolish the existing Clint Moore Road bridge over I-95 northbound. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and all lanes will be closed by 10 p.m., reopening by 5:30 a.m. each morning. Traffic will be detoured via the I-95 northbound exit ramp to Yamato Road, Congress Avenue, Peninsula Corp. Drive and the I-95/ Congress Avenue interchange. The I-95 northbound entrance ramps from Yamato Road and Spanish River Boulevard will also be closed to traffic during this time. FHP will be on site to assist motorists.

95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction; the number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI).
