FDOT Treasure Coast Traffic Report *October 2 through October 9, 2020*

Martin, St. Lucie & Indian River Counties, Fla. – Construction, maintenance and permit-related lane closures on state highways in Martin, St. Lucie and Indian River counties are expected during October 2 through October 9, 2020. Weather permitting, work will be done at the following locations throughout the Treasure Coast.

For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

Please note, any full road, ramp or bridge closures have been highlighted below.

CONSTRUCTION PROJECTS

MARTIN COUNTY

1. Kanner Highway / State Road 76, from south of Pratt Whitney Road (County Road 711) to SW Jack James Drive

Description: Kanner Highway is being widened from south of Pratt Whitney Road to SW Jack James Drive. Work on this 1.94-mile project includes: reconstructing Kanner Highway from CR 711 to Locks Road from a two-lane undivided highway to a four-lane divided highway with a raised median and curb & gutter; adding seven-foot-wide bicycle lanes from CR 711 to Locks Road; adding a 12-foot-wide shared use path on the east side of Kanner Highway from CR 711 to Locks Road; adding a six-foot-wide sidewalk on the west side of Kanner Highway from CR 711 to Locks Road; installing drainage features that will improve drainage; and resurfacing Kanner Highway from Locks Road to SW Jack James Drive. Access points and turn lanes will be provided throughout the corridor at the following locations: there will be turn lanes at the two signalized intersections CR 711 and Locks Road; full median openings will be at Mary Drive, Tropical Avenue, and SW Old Royal Drive; and a left-turn-only median opening will be located at Beverly Terrace.

Cost/Completion: \$12.9 million. Completion is expected in summer 2021.

Traffic Impact:

- The speed limit on Kanner Highway from south of Pratt Whitney Road to SW Jack James Drive has been temporarily reduced from 50 MPH to 45 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kanner Highway from Pratt Whitney Road to SW Jack James Drive will be closed intermittently Monday through Friday from 7 a.m. to 7 p.m. for roadway work. For lane closures on Kanner Highway where there is only one existing lane in each direction, two-way traffic will be maintained by a flag crew.
- One lane in either direction of Pratt Whitney Road at the Kanner Highway intersection will be closed intermittently Monday through Friday from 7 a.m. to 7 p.m. for roadway work. Two-way traffic will be maintained by a flag crew.
- The sidewalk on the west side of Kanner Highway is closed through January 2021. Pedestrians should use the newly constructed shared use path on the east side of Kanner Highway. Please note, due to current roadway conditions the shared use path terminates prior to Locks Road and Pratt Whitney Road/SW96th Street for pedestrian safety. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

2. **U.S. 1 Shoulder Widening and Resurfacing Project, from South of SE Heritage Boulevard to North of SE Salerno Road**

Description: U.S. 1 is undergoing a shoulder widening and resurfacing project from south of SE Heritage Boulevard to north of SE Salerno Road. The improvements include: milling and resurfacing of all travel lanes, turn lanes, and shoulders; widening the shoulders to accommodate 7-foot buffered bicycle lanes; addressing pavement failures at Cove Road and Salerno Road; upgrading sidewalk and pedestrian ramps to meet American with Disabilities Act (ADA) standards; upgrading signing and pavement markings; installing new pedestrian countdown signal heads at multiple signalized intersections; upgrading traffic controller cabinets at all signalized intersections; and installing lighting improvements at Salerno Road and Cove Road intersections.

Cost/Completion: \$8.4 million. Completion is expected in spring 2021.

Traffic Impact:

- Intermittent lane closures will occur at the U.S. 1/Cove Road intersection Monday through Friday from 8 a.m. to 5 p.m. for roadway work. During this time, turning lanes may be closed but traffic will still be able to make turns utilizing the through travel lane.
- The southbound inside lane of U.S. 1 at the Cove Road intersection is closed around-the-clock for roadway work.
- The northbound inside lane of U.S. 1 at Cove Road may be closed Monday through Wednesday from 8 a.m. to 5 p.m. for roadway reconstruction.
- **Full Closure:** Both northbound U.S. 1 to westbound Cove Road turn lanes will be closed Monday through Wednesday from 8 a.m. to 5 p.m. for roadway reconstruction. During this time, traffic should detour via Salerno Road to Willoughby Boulevard. Tractor trailers should detour via Salerno Road to Kanner Highway.
- One lane in either direction of U.S. 1 from Heritage Boulevard to Salerno Road may be closed Monday through Friday from 7 p.m. to 6 a.m. for paving.
- Intermittent sidewalk closures will occur on either side of U.S. 1. Pedestrians should cross at the nearest signalized intersections and follow the detour signage in place. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

3. **State Road 714/Martin Downs Boulevard/Palm City Bridge Fender System Replacement Project Over the South Fork of the St. Lucie River**

Description: The State Road 714/Palm City Bridge fender system replacement project over the South Fork of the St. Lucie River started July 7, 2020. The improvements on this project include removing and replacing the fender system on the south side of the Palm City Bridge.

Cost/Completion: \$888,985. Completion is expected in fall 2020.

Traffic Impact:

- All lanes are open through Oct. 9. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

4. **I-95 Lighting and Roadway Improvements Project from South of the State Road 706 / Indiantown Road Interchange to the County Road 708 / SE Bridge Road Interchange**

Description: This 11.59-mile I-95 improvements project started September 9, 2020 in Jupiter and Hobe Sound. Work includes installing new roadway lighting with LED luminaires, replacing the high mast lighting system with a conventional LED roadway lighting system, extending the northbound I-95 merge lane just north of Indiantown Road, extending the deceleration distances for the I-95 northbound to westbound Indiantown Road exit ramp and the I-95 southbound to eastbound Indiantown Road exit ramp, and installing wrong way vehicle detection systems at the Indiantown Road and SE Bridge Road I-95 interchanges and new advanced warning signage.

Cost/Completion: \$12.3 million. Completion is expected in spring 2022.

Traffic Impact:

- The shoulder in both directions of I-95 will be intermittently closed Monday through Friday from 6:30 a.m. to 6 p.m. through May 2021 for temporary asphalt placement, landscaping relocation efforts, and conduit and light pole foundation installations.
- Two lanes in each direction of I-95 at the Indiantown Road interchange will be closed Sunday through Thursday night from 10 p.m. to 6 a.m. to facilitate the construction of a minor traffic diversion. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

5. **Roosevelt Bridge Repair Project**

Description: The Roosevelt Bridge repair project that started on August 14, 2020 will restore six (6) lanes of traffic on the Roosevelt Bridge. The project consists of work to repair one span of the southbound bridge, minor work inside both bridges, restoration of the medians on U.S. 1 at each end of the bridge, and restoring Dixie Highway to its original condition.

Cost/Completion: \$9.3 million. Completion is expected in December 2020, with the bridge returning to three (3) lanes in each direction by November 2020, weather permitting.

Traffic Impact:

- Southbound Roosevelt Bridge is closed to traffic. Northbound Roosevelt Bridge is open to 4 lanes of traffic (2 in each direction) and is load posted for 5 tons.
- **Full Closure:** Dixie Highway under Roosevelt Bridge in Stuart will be closed from 9 p.m. to 5 a.m., Tuesday night, Oct. 6 and Wednesday night, Oct. 7 to facilitate ongoing repair work. Vehicle traffic should detour using U.S. 1/Roosevelt Bridge, which has a 5-ton vehicle weight restriction. Vehicles weighing more than 5 tons should detour using I-95, Florida's Turnpike or S.R. A1A. Tolls remain suspended on Florida's Turnpike for large vehicles with three or more axles between milepost 133 (Monterey Rd) and milepost 142 (Port St. Lucie Blvd). Detour routes can be found on the project website at fdot.gov/Roosevelt.
- Intermittent off-peak lane closures on Dixie Highway and U.S. 1 will be needed while work is ongoing at the bridge. For regular updates, please register at www.fdot.gov/roosevelt and follow our social media. For more information, please contact District Four Communications Manager Guillermo Canedo at (954) 777-4090.

6. Kanner Highway from I-95 to Gaines Avenue in Stuart

Traffic Impact:

- One northbound lane of Kanner Highway will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

7. Kanner Highway from Salerno Road to Southwood Trail in Stuart

Traffic Impact:

- One northbound lane of Kanner Highway will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

8. State Road 714 / Monterey Road from Mapp Road to Kanner Highway

Traffic Impact:

- One eastbound lane of State Road 714 will be closed Monday through Friday from 9 a.m. to 4 p.m. for sidewalk repairs. For more information, please contact Liz Companioni at 786-573-1872.

9. U.S. 1 from Wright Boulevard to Britt Road in Stuart

Traffic Impact:

- One northbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

10. State Road A1A from NE Rose Walk Terrace to NE Causeway Boulevard in Stuart & Jensen Beach

Traffic Impact:

- One lane in either direction of State Road A1A will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. Two-way traffic will be maintained by a flag crew. For more information, please contact Steve Jungjohan at 772-882-5084.

11. **U.S. 1 at SE Dixie Highway in Hobe Sound**

Traffic Impact:

- One southbound lane of U.S. 1 will be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. to extend the southbound left turn lane. For more information, please contact Ronnie Ward at 772-584-1980.

12. **Warfield Boulevard/State Road 710 Approximately 4.5 Miles North of SW Fox Brown Road in Indiantown**

Traffic Impact:

- The northbound lane of Warfield Boulevard will be closed Monday through Friday from 9 a.m. to 3 p.m. through Oct. 26 for utility work. Two-way traffic will be maintained by a flag crew. For more information, please contact Tim Barry at 315-708-9577.

13. **Warfield Boulevard/State Road 710 from SW Citrus Boulevard to Farm Dairy Road in Indiantown Road**

Traffic Impact:

- The shoulder in both directions of State Road 710 will be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. for signage and beacon installation. For more information, please contact Ronnie Ward at 772-584-1980.

14. **Northbound Florida's Turnpike/State Road 91 between Indiantown Road/State Road 706 (Exit 116) and Martin Highway/Stuart/State Road 714 (Exit 133)**

Traffic Impact:

- **Full Closure:** Northbound Florida's Turnpike/State Road 91 between Indiantown Road/State Road 706 (Exit 116) and Martin Highway/Stuart/State Road 714 (Exit 133) will undergo an overnight full road closure 11 p.m. Wednesday, October 7, to 5 a.m. Thursday, October 8. If necessary, this closure may also occur from 11p.m. Thursday, October 8, to 5 a.m. Friday, October 9. Detour information is as follows:
 - Northbound Florida's Turnpike/SR 91 traffic wishing to continue north will be directed to exit at Indiantown Road/SR 706 (Exit 116), travel east on Indiantown Road to I-95, travel north on I-95 to exit at High Meadow Avenue/CR 713 (Exit 102), travel north on High Meadow Avenue to SW Martin Highway and travel west on SW Martin Highway to access northbound Florida's Turnpike. For more information, please contact Yasir Mercado at 305-964-4861.

ST. LUCIE COUNTY

15. **Midway Road Widening Project, from S. 25th Street to U.S. 1**

Description: This 1.8-mile project includes: reconstructing the existing two-lane Midway Road to a four-lane, divided highway with a raised median; installing a new signal at Sunrise Boulevard; constructing a new bridge over the North Fork St. Lucie River; constructing a 6-foot sidewalk on the north side and a 12-foot multi-purpose trail on the south side Midway Road; constructing 4-foot bike lanes on both sides of the roadway; reconstruction of S. 25th Street approximately 1000' to the south & north of Midway Road; reconstruction of Sunrise Boulevard from W. 1st Street to Charlotta Street; reconstruction of Oleander Avenue from W. 2nd Street to Merritt's Ditch; drainage improvements, including constructing 6 retention ponds at 5 locations; and signage, signalization, and lighting improvements.

Cost/Completion: \$26.8 million. Completion is expected in fall 2021.

Traffic Impact:

- One lane in either direction of Midway Road between 25th Street and U.S. 1 may be closed Monday through Friday except from 6:30 a.m. to 9 a.m. & 4 p.m. to 8:30 p.m. for drainage activities, signalization, bridge work, and embankment/excavation. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Oleander Avenue between West 1st Street and just north of Midway Road by Merritt's Ditch may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage activities and signalization. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Sunrise Boulevard between West 1st Street and Augusta Street may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage activities, embankment, and signalization. Two-way traffic will be maintained with a flag crew.
- One lane in each direction of 25th St. from 1,200' north to 500' south of Midway Road may have daytime and nighttime lane closures Monday through Friday except for between the hours of 3 p.m. and 7 p.m. for drainage work.
- One lane in either direction of Melville Road just south of Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for drainage. A flag crew will maintain two-way traffic.
- One lane in either direction of U.S. 1 at Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. for signalization and lighting.
- Eastbound and westbound traffic on Midway Road from 25th Street to just east of the bridge over the North Fork St. Lucie River is shifted to the north on the newly constructed roadway to facilitate roadway construction to the south.
- Northbound and southbound traffic on Oleander Avenue from 2nd Street to Merritt's Ditch is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- Northbound and southbound traffic on Sunrise Boulevard from 1st Street to Charlotta Street is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- Northbound and southbound traffic on 25th Street from Canoe Creek Lane to approximately 1,000 feet north of Midway Road is shifted to the east to facilitate roadway construction to the west.

16. **Kings Highway Widening Project, from South of State Road 70 to North of the I-95 Overpass**

Description: Kings Highway / State Road 713 is being widened from south of State Road 70 to north of the I-95 overpass in the City of Ft. Pierce and unincorporated St. Lucie County. The improvements on this 3.417-mile project include: reconstructing the existing two-lane undivided Kings Highway with a newly constructed four-lane divided roadway, relocating Canal No. 40 and Canal No. 32E to accommodate widening to the west,

realigning Kings Highway at the intersection with Okeechobee Road which will improve the existing connection with the Turnpike, replacing existing culverts/swales and installing a closed drainage system and retention ponds, installing a new highway lighting system, and upgrading signalization with vehicle detection devices and ITS cameras.

Cost/Completion: \$45.2 million. Completion is expected in fall 2022.

Traffic Impact:

- The speed limit on Kings Highway from south of Okeechobee Road / State Road 70 to north of the I-95 overpass has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kings Highway may be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. through fall 2022 for roadway work. Two-way traffic will be maintained by a flag crew. During this time, intermittent side street closures may occur, maintaining two-way traffic at all times.
- Southbound Kings Highway just north of Okeechobee Road is shifted to the east through spring 2021 to facilitate roadway reconstruction. During this time, the southbound to eastbound turning lanes is reduced to one lane.
- Southbound and northbound Kings Highway at the Orange Avenue intersection is reduced to one lane in each direction through spring 2021, temporarily removing the designated turning lanes, to facilitate roadway reconstruction.
- **Full Closure:** Crossroads Parkway just east of Kings Highway is closed for reconstruction of Crossroads Parkway. This full closure is anticipated to be in place through October 2020, weather permitting. During this time, motorists heading north on Kings Highway should detour via Graham Road to South Jenkins Road to Okeechobee Road. Motorists heading southbound on Kings Highway should detour via Okeechobee Road. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

17. **“Jobs Express Terminal” Gatlin Boulevard Park and Ride Lot Project**

Description: The “Jobs Express Terminal” Gatlin Boulevard park and ride lot project started August 23, 2020. The future location of this park and ride lot is just east of the I-95 interchange, between Brescia Street and Edgarcie Street. The purpose of the project is to support regional commuter trips to and from the greater St. Lucie County area by constructing a park and ride lot with the capacity to hold 162 vehicles and installing bus shelters for drop-off or pick-up.

Cost/Completion: \$2 million. Completion is expected in spring 2021.

Traffic Impact:

- One eastbound lane of Gatlin Boulevard from Brescia Street and Edgarcie Street will be closed Monday through Friday from 9 a.m. to 4 p.m. through Dec. 2020 for construction of a permanent driveway. The eastbound sidewalk at this location will be closed around-the-clock and pedestrians should cross Gatlin Boulevard at Brescia Street and Savage Boulevard / Fondura Road.
- One northbound lane of Brescia Street just south of Gatlin Boulevard will be closed Sunday through Thursday from 11 p.m. to 6 a.m. through Oct. 2020 for driveway turnout construction. During this time, pedestrian traffic may be detoured to the other side of Brescia Street.
- The westbound lane of Hayworth Avenue between The Home Depot and Edgarcie Street will be closed Monday through Friday from 9 a.m. to 4 p.m. through Oct. 2020 for driveway turnout construction. Two-way traffic will be maintained by a flag crew. For

more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

18. **US 1/State Road 5 and State Road 70 Advanced Transportation Management Center (ATMS) Improvements Design-Build Project**

Description: Construction on the U.S. 1/State Road (SR) 5 and SR 70 (Okeechobee Road/Virginia Avenue) ATMS improvements design-build project started September 29, 2020. The improvements to this project include installing closed circuit television (CCTV) cameras and Bluetooth detection devices that will transmit to the Traffic Management Center at the following locations: U.S. 1 from Savanna Club Boulevard to Kings Highway/SR 713, and SR 70 from Kings Highway/SR 713 to U.S. 1.

Cost/Completion: \$6.4 million. Completion is expected in fall 2021.

Traffic Impact:

- The northbound shoulder of U.S. 1 from North 3rd Street to Kings Highway will be intermittently closed Monday through Friday from 7 a.m. to 5 p.m. through Oct. 30 for utility work. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

19. **Okeechobee Road/State Road 70 and Midway Road/County Road 712 Intersection Lighting Improvements Project**

Description: Construction on the Okeechobee Road/State Road 70 and Midway Road/County Road 712 intersection lighting improvements project will begin on **Monday, October 5, 2020**. The improvements under this contract consist of installing highway lighting at the Okeechobee Road/SR 70 and Midway Road/CR 712 intersection.

Cost/Completion: \$255,430. Completion is expected in spring 2021.

Traffic Impact:

- All lanes are open through Oct. 9. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

20. **Orange Avenue from I-95 to Jenkins Road in Ft. Pierce**

Traffic Impact:

- One westbound lane of Orange Avenue will be closed Monday through Friday from 9 a.m. to 4 p.m. and Sunday through Thursday night from 9 p.m. to 6 a.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

21. **U.S. 1 from Easy Street to Weatherbee Road in Ft. Pierce**

Traffic Impact:

- One northbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

22. I-95 at Midway Road (Exit 126) in Ft. Pierce

Traffic Impact:

- Two northbound lanes of I-95 at Midway Road will be closed Tuesday through Thursday night from 9 p.m. to 5 a.m. to install a high mast pole. For more information, please contact Diego Marentes at 772-215-9338.

23. 25th Street from Avenue Q to Avenue T in Ft. Pierce

Traffic Impact:

- One northbound lane of 25th Street will be closed Sunday through Thursday night from 9 p.m. to 5 a.m. through Nov. 15 for pipe cleaning and inspections. For more information, please contact Michael Botemps at 954-928-7252.

INDIAN RIVER COUNTY

24. State Road A1A Hurricane Matthew Restoration Project

Description: The State Road A1A Hurricane Matthew restoration project runs from approximately 2.3 miles south of the Sebastian Inlet northerly 1 mile on State Road A1A. Work on this 1.035-mile project includes constructing a sheet pile wall system on the west side of SR A1A with reinforced concrete caps and placing rip rap with ditch lining to protect the shoreline against the storm surge and wave action from the Intracoastal Waterway during severe storm events; repairing the failed pavement areas within the southbound travel lane; and installing a new southbound 8-foot concrete sidewalk.

Cost/Completion: \$5.4 million. Completion is expected in fall 2020.

Traffic Impact:

- The speed limit from approximately 2.3 miles south of the Sebastian Inlet northerly 1 mile on State Road A1A has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- The southbound lane of State Road A1A will be closed intermittently Monday through Friday from 7 a.m. to 7 p.m. through Nov. 2020 for clearing and grubbing, sidewalk work and seawall construction. Two-way traffic will be maintained by temporary traffic signals.
- The sidewalk on the west side of State Road A1A is closed through Oct. 2020 to facilitate installation of the sheet pile wall. Pedestrians should use the temporary path installed on the east side of State Road A1A, crossing at the temporary crosswalks. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

25. 17th Street Bridge Hurricane Irma Lighting Repair Project

Description: The 17th Street Bridge Hurricane Irma lighting repair project from Indian River Boulevard to State Road A1A started May 4, 2020. Work on this project includes replacing all 35 light poles along the 17th Street Bridge and replacing concrete traffic railing along the median at the light pole locations.

Cost/Completion: \$1.1 million. Completion is expected in spring 2021.

Traffic Impact:

- One inside lane in each direction of the 17th Street Bridge will be closed Monday through Friday from 8 a.m. to 4 p.m. for median wall removal and light pole replacement work. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

26. **State Road A1A Shoulder Widening and Resurfacing Project**

Description: The State Road (SR) A1A shoulder widening and resurfacing project from north of Tides Road to south of Coco Plum Lane started June 22, 2020. The improvements on this project include: resurfacing SR A1A from just north of Tides Road to just south of Coco Plum Lane; widening SR A1A to provide 7-foot shoulders in each direction to accommodate new buffered bikes lanes; installing signalization improvements; upgrading pedestrian signal features at the SR A1A / John's Island Drive and SR A1A / Wabasso Beach Road intersections with LED countdowns; constructing drainage improvements; installing new signs and pavement markings; reconstructing pedestrian ramps to meet current Americans with Disabilities Act (ADA) requirements; installing Rapid Flashing Beacons at two (2) beach access pedestrian crossing locations; and making sidewalk repairs at various locations throughout the project limits.

Cost/Completion: \$6.7 million. Completion is expected in fall 2021.

Traffic Impact:

- Along State Road A1A from north of 46th Place to south of Coco Plum Lane the speed limit has been permanently reduced from 50 MPH to 45 MPH. During construction, the speed limit is temporarily reduced from 45 MPH to 35 MPH.
- The northbound lane of State Road A1A from 46th Place to Pebble Path will be intermittently Monday through Friday from 8:30 a.m. to 4:30 p.m. for asphalt overbuild and paving. Two-way traffic will be maintained by a flag crew.
- The northbound lane of State Road A1A from 46th Place to Pebble Path may be closed Sunday through Thursday night from 8 p.m. to 6 a.m. for paving. Two-way traffic will be maintained by a flag crew.
- The southbound bike lane is closed to facilitate shoulder widening construction. During this time, cyclists & motorists should share the road. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

27. **State Road 60 from 46th Avenue to 37th Avenue in Vero Beach**

Traffic Impact:

- Two eastbound lanes of State Road 60 will be closed Sunday through Thursday night from 9 p.m. to 6 a.m. for utility work. For more information, please contact Steve Jungjohan at 772-882-5084.

28. **State Road A1A at Greytwig Road in Vero Beach**

Traffic Impact:

- The lane in either direction of State Road A1A will be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. to install a pedestrian crosswalk. Two-way traffic will be maintained by a flag crew. For more information, please contact Ronnie Ward at 772-584-1980.

29. **US. 1 at Antilles Lane in Vero Beach**

Traffic Impact:

- **Advance Notice / Full Closure:** The northbound and southbound U.S. 1 to eastbound Antilles Lane turn lanes will be closed Monday, Oct. 19 from 9 a.m. to 5 p.m. to facilitate utility work. Motorists trying to access Antilles Lane from U.S. 1 should detour to 63rd Street. For more information, please contact Terri Gorman at (772) 461-3020, ext. 104.
