FDOT Treasure Coast Traffic Report

February 26 through March 5, 2021

MARTIN, ST. LUCIE & INDIAN RIVER COUNTIES, Fla. – Construction, maintenance and permit-related lane closures on state highways in Martin, St. Lucie and Indian River counties are expected during February 26 through March 5, 2021. Weather permitting, work will be done at the following locations throughout the Treasure Coast.

For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

Please note, any full road, ramp or bridge closures have been **highlighted** below.

CONSTRUCTION PROJECTS

MARTIN COUNTY

1. **Kanner Highway / State Road 76, from south of Pratt Whitney Road (County Road 711) to SW Jack James Drive**

Description: Kanner Highway is being widened from south of Pratt Whitney Road to SW Jack James Drive. Work on this 1.94-mile project includes: reconstructing Kanner Highway from CR 711 to Locks Road from a two-lane undivided highway to a four-lane divided highway with a raised median and curb & gutter; adding seven-foot-wide bicycle lanes from CR 711 to Locks Road; adding a 12-foot-wide shared use path on the east side of Kanner Highway from CR 711 to Locks Road; adding a six-foot-wide sidewalk on the west side of Kanner Highway from CR 711 to Locks Road; installing drainage features that will improve drainage; and resurfacing Kanner Highway from Locks Road to SW Jack James Drive. Access points and turn lanes will be provided throughout the corridor at the following locations: there will be turn lanes at the two signalized intersections CR 711 and Locks Road; full median openings will be at Mary Drive, Tropical Avenue, and SW Old Royal Drive; and a left-turn-only median opening will be located at Beverly Terrace.

Cost/Completion: \$12.9 million. Completion is expected in summer 2021.

Traffic Impact:

- The speed limit on Kanner Highway from south of Pratt Whitney Road to SW Jack James Drive has been temporarily reduced from 50 MPH to 45 MPH. This speed limit reduction will be in place through the end of the project.

- One lane in either direction of Kanner Highway from Pratt Whitney Road to SW Jack James Drive will be closed intermittently Saturday and Monday through Friday from 7 a.m. to 5 p.m. for roadway work. For lane closures on Kanner Highway where there is only one existing lane in each direction, two-way traffic will be maintained by a flag crew.
- One lane in either direction of Pratt Whitney Road at the Kanner Highway intersection will be closed Saturday and Monday through Friday from 7 a.m. to 5 p.m. for roadway work. Two-way traffic will be maintained by a flag crew.
- Southbound traffic along Kanner Highway is shifted to the newly constructed southbound lanes, placing traffic on their permanent side of the concrete median. There is no change to northbound traffic. Traffic will remain one lane in each direction to allow the contractor to complete the remaining median work and prepare the corridor for placement of the final lift of friction course asphalt. Access points and turn lanes are provided throughout the corridor at the following locations:
 - Turn lanes at the two signalized intersections CR 711 and Locks Road
 - Full median openings at SW Mary Drive, SW Tropical Avenue, and SW Old Royal Drive
 - A left-turn-only median opening at SW Beverly Terrace

Please note, if motorists want to make a left onto Kanner Highway and a median opening is not available, they must make a right-turn only onto Kanner Highway followed by a U-turn at the next access point.

- The sidewalk on the west side of Kanner Highway is closed. Pedestrians should use the newly constructed shared use path on the east side of Kanner Highway. Please note, due to current roadway conditions the shared use path terminates prior to Locks Road and Pratt Whitney Road/SW96th Street for pedestrian safety. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

2. U.S. 1 Shoulder Widening and Resurfacing Project, from South of SE Heritage Boulevard to North of SE Salerno Road

Description: U.S. 1 is undergoing a shoulder widening and resurfacing project from south of SE Heritage Boulevard to north of SE Salerno Road. The improvements include: milling and resurfacing of all travel lanes, turn lanes, and shoulders; widening the shoulders to accommodate 7-foot buffered bicycle lanes; addressing pavement failures at Cove Road and Salerno Road; upgrading sidewalk and pedestrian ramps to meet American with Disabilities Act (ADA) standards; upgrading signing and pavement markings; installing new pedestrian countdown signal heads at multiple signalized intersections; upgrading traffic controller cabinets at all signalized intersections; and installing lighting improvements at Salerno Road and Cove Road intersections.

Cost/Completion: \$8.4 million. Completion is expected in spring 2021.

Traffic Impact:

- One lane in either direction of U.S. 1 from Heritage Boulevard to Salerno Road will be closed Sunday through Thursday night from 6 p.m. to 6 a.m. for paving. This lane closure may also occur Monday through Friday from 8 a.m. to 5 p.m. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

3. I-95 Lighting and Roadway Improvements Project from South of the State Road 706 / Indiantown Road Interchange to the County Road 708 / SE Bridge Road Interchange

Description: This 11.59-mile I-95 improvements project started September 9, 2020 in Jupiter and Hobe Sound. Work includes installing new roadway lighting with LED luminaires, replacing the high mast lighting system with a conventional LED roadway lighting system, extending the northbound I-95 merge lane just north of Indiantown Road, extending the deceleration distances for the I-95 northbound to westbound Indiantown Road exit ramp and the I-95 southbound to eastbound Indiantown Road exit ramp, and installing wrong way vehicle detection systems at the Indiantown Road and SE Bridge Road I-95 interchanges and new advanced warning signage.

Cost/Completion: \$12.3 million. Completion is expected in spring 2022.

Traffic Impact:

- The shoulder in both directions of I-95 will be intermittently closed Monday through Friday from 6:30 a.m. to 6 p.m. through Aug. 2021 for temporary asphalt placement, landscaping relocation efforts, and conduit and light pole foundation installations.
- One lane in either direction of I-95 at the Indiantown Road interchange may be closed Sunday through Thursday night from 10 p.m. to 6 a.m. to facilitate the construction of a minor traffic diversion. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

4. Roosevelt Bridge Repair Project

Description: The Roosevelt Bridge repair project that started on August 14, 2020 will restore six (6) lanes of traffic on the Roosevelt Bridge. The project consists of work to repair one span of the southbound bridge, minor work inside both bridges, restoration of the medians on U.S. 1 at each end of the bridge, and restoring Dixie Highway to its original condition.

Cost/Completion: \$9.3 million. Completion is expected in early 2021.

Traffic Impact:

- Intermittent off-peak lane closures on Dixie Highway and U.S. 1 will be needed while work is ongoing.
- Intermittent sidewalk closures will occur on Dixie Highway. Pedestrian detour signage will be in place. For regular updates, please register at www.fdot.gov/roosevelt and follow our social media. For more information, please contact District Four Communications Manager Guillermo Canedo at 954-777-4090.

5. US 1 Improvements Project from North of Britt Road to South of Jensen Beach Boulevard/State Road 732

Description: On **March 4, 2021**, construction will begin on US 1 from north of Britt Road to south of Jensen Beach Boulevard. The purpose of this project is to provide a fourth continuous northbound thru/shared right-turn lane between Britt Road and Jensen Beach Boulevard. Work at the US 1/SR 5 and Treasure Coast Square Mall south entrance intersection includes: reconstructing curb ramp and sidewalk at the northeast corner; widening the roadway at the northeast corner; and removing the existing double mast arm signal pole at the northeast corner, and replacing it with new signal mast arms at the northeast and southeast corners. Additional work on this project includes restriping northbound US 1 lanes to provide a continuous thru/shared right-turn

lane and bike lane, and milling and resurfacing the existing two outside northbound lanes to accommodate restriping.

Cost/Completion: \$547,644. Completion is expected in summer 2021.

Traffic Impact:

- All lanes are open through Mar. 5. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

6. Kanner Highway at Gaines Avenue in Stuart

Traffic Impact:

- One northbound lane of Kanner Highway will be closed Monday through Friday from 9 a.m. to 4 p.m. through Mar. 12 for maintenance work. For more information, please contact Douglas Ipolito at 561-644-5877.

7. U.S. 1 from Wright Boulevard to Britt Road in Stuart

Traffic Impact:

- One northbound lane of U.S. 1 from Wright Boulevard to Britt Road will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

8. State Road A1A from NE Rose Walk Terrace to NE Causeway Boulevard in Stuart & Jensen Beach

Traffic Impact:

- One lane in either direction of State Road A1A will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. Two-way traffic will be maintained by a flag crew. For more information, please contact Gus Sikaffy at 954-995-2760.

9. U.S. 1 from Goldenrod Road to Westmoreland Boulevard in Jensen Beach

Traffic Impact:

- Two northbound lanes of U.S. 1 will be closed Sunday through Thursday night from 9 p.m. to 6 a.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

10. U.S. 1 from Dharlys Street to Constitution Boulevard in Hobe Sound

Traffic Impact:

- One northbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

11. U.S. 1 from Bridge Road to Algozzini Place in Hobe Sound

Traffic Impact:

- One northbound lane of U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

ST. LUCIE COUNTY

12. Midway Road Widening Project, from S. 25th Street to U.S. 1

Description: This 1.8-mile project includes: reconstructing the existing two-lane Midway Road to a four-lane, divided highway with a raised median; installing a new signal at

Sunrise Boulevard; constructing a new bridge over the North Fork St. Lucie River; constructing a 6-foot sidewalk on the north side and a 12-foot multi-purpose trail on the south side Midway Road; constructing 4-foot bike lanes on both sides of the roadway; reconstruction of S. 25th Street approximately 1000' to the south & north of Midway Road; reconstruction of Sunrise Boulevard from W. 1st Street to Charlotta Street; reconstruction of Oleander Avenue from W. 2nd Street to Merritt's Ditch; drainage improvements, including constructing 6 retention ponds at 5 locations; and signage, signalization, and lighting improvements.

Cost/Completion: \$26.8 million. Completion is expected in fall 2021.

Traffic Impact:

- One lane in either direction of Midway Road between 25th Street and U.S. 1 may be closed Monday through Friday except from 6:30 a.m. to 9 a.m. & 4 p.m. to 8:30 p.m. for drainage activities, signalization, bridge work, and embankment/excavation. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Oleander Avenue between West 1st Street and just north of Midway Road by Merritt's Ditch may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. Two-way traffic will be maintained with a flag crew.
- One lane in either direction of Sunrise Boulevard between West 1st Street and Augusta Street may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. Two-way traffic will be maintained with a flag crew.
- One lane in each direction of 25th Street from 1,200' north to 500' south of Midway Road will have daytime and nighttime lane Monday through Friday except for between the hours of 3 p.m. and 7 p.m. for paving.
- One lane in either direction of Melville Road just south of Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m. A flag crew will maintain two-way traffic.
- One lane in either direction of U.S. 1 at Midway Road may be closed Monday through Friday except from 7 a.m. to 9 a.m. & 4 p.m. to 6 p.m.
- Eastbound traffic on Midway Road from 25th Street to east of the bridge is shifted to the south onto the newly constructed roadway. All traffic along the Midway Road project corridor is in their respective lanes. Traffic will remain one lane in each direction. Access points and turn lanes are provided throughout the corridor at the following locations:
 - Turn lanes at all four (4) signalized intersections: S. 25th Street, Oleander Avenue, U.S. 1, and the new signalized intersection at Sunrise Boulevard
 - Additional median openings are at the following locations along Midway Road: 800' east of S. 25th Street, White City Park Entrance, Magnolia Avenue, Cypress Avenue, Elm Avenue, 700' east of Oleander Avenue, Melville Road, and 600' east of Melville Road
- Northbound and southbound traffic on Oleander Avenue from 2nd Street to Merritt's Ditch is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- Northbound and southbound traffic on Sunrise Boulevard from 1st Street to Charlotta Street is shifted to the west on the newly constructed roadway to facilitate roadway construction to the east.
- **Southbound traffic on 25th Street to the north and south of Midway Road is shifted to the east onto the newly constructed roadway.** All traffic along 25th Street is in their respective lanes.

13. Kings Highway Widening Project, from South of State Road 70 to North of the I-95 Overpass

Description: Kings Highway / State Road 713 is being widened from south of State Road 70 to north of the I-95 overpass in the City of Ft. Pierce and unincorporated St. Lucie County. The improvements on this 3.417-mile project include: reconstructing the existing two-lane undivided Kings Highway with a newly constructed four-lane divided roadway, relocating Canal No. 40 and Canal No. 32E to accommodate widening to the west, realigning Kings Highway at the intersection with Okeechobee Road which will improve the existing connection with the Turnpike, replacing existing culverts/swales and installing a closed drainage system and retention ponds, installing a new highway lighting system, and upgrading signalization with vehicle detection devices and ITS cameras.

Cost/Completion: \$45.2 million. Completion is expected in fall 2022.

Traffic Impact:

- The speed limit on Kings Highway from south of Okeechobee Road / State Road 70 to north of the I-95 overpass has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kings Highway may be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. through fall 2022 for roadway work. Two-way traffic will be maintained by a flag crew. During this time, intermittent side street closures may occur, maintaining two-way traffic at all times.
- Southbound Kings Highway just north of Okeechobee Road is shifted to the east through spring 2021 to facilitate roadway reconstruction. During this time, the southbound to eastbound turning lanes is reduced to one lane.
- Southbound and northbound Kings Highway at the Orange Avenue intersection is reduced to one lane in each direction through spring 2021, temporarily removing the designated turning lanes, to facilitate roadway reconstruction.
- Eastbound Orange Avenue just west of Kings Highway is reduced to one through lane through spring 2021 to facilitate roadway reconstruction.
- Northbound and southbound traffic on Kings Highway from just north of Crossroads Parkway to south of Orange Avenue is shifted to the east on the newly constructed road to facilitate reconstruction of Kings Highway. **Please note, westbound traffic on Graham Road will not need to pull forward as far when coming to a complete stop before turning north or south onto Kings Highway.** Advance signage is in place. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

14. “Jobs Express Terminal” Gatlin Boulevard Park and Ride Lot Project

Description: The “Jobs Express Terminal” Gatlin Boulevard park and ride lot project started August 23, 2020. The future location of this park and ride lot is just east of the I-95 interchange, between Brescia Street and Edgarce Street. The purpose of the project is to support regional commuter trips to and from the greater St. Lucie County area by constructing a park and ride lot with the capacity to hold 162 vehicles and installing bus shelters for drop-off or pick-up.

Cost/Completion: \$2 million. Completion is expected in spring 2021.

Traffic Impact:

- One eastbound lane of Gatlin Boulevard from Brescia Street and Edgarce Street will be closed Monday through Friday from 9 a.m. to 4 p.m. through Apr. 2021 for construction of a permanent driveway.
- One northbound lane of Brescia Street just south of Gatlin Boulevard may be closed Sunday through Thursday night from 11 p.m. to 6 a.m. through Apr. 2021 for driveway turnout construction. During this time, pedestrian traffic may be detoured to the other side of Brescia Street.
- The westbound lane of Hayworth Avenue between The Home Depot and Edgarce Street may be closed Monday through Friday from 9 a.m. to 4 p.m. through Apr. 2021 for driveway turnout construction. Two-way traffic will be maintained by a flag crew. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

15. US 1/State Road 5 and State Road 70 Advanced Transportation Management Center (ATMS) Improvements Design-Build Project

Description: Construction on the U.S. 1/State Road (SR) 5 and SR 70 (Okeechobee Road/Virginia Avenue) ATMS improvements design-build project started September 29, 2020. The improvements to this project include installing closed circuit television (CCTV) cameras and Bluetooth detection devices that will transmit to the Traffic Management Center at the following locations: U.S. 1 from Savanna Club Boulevard to Kings Highway/SR 713, and SR 70 from Kings Highway/SR 713 to U.S. 1.

Cost/Completion: \$6.4 million. Completion is expected in fall 2021.

Traffic Impact:

- The northbound and southbound shoulders of U.S. 1 from North 3rd Street to Kings Highway will be intermittently closed Monday through Friday from 7 a.m. to 5 p.m. through Mar. 26 for utility work.
- The southbound shoulder of U.S. 1 from Savanna Club Boulevard to Rio Mar Drive will be closed intermittently Monday through Friday from 9 a.m. to 4 p.m. through Mar. 26 for conduit and pull box installation. During this time, intermittent sidewalk closures will occur, detouring pedestrians to the nearest signalized intersection.
- One northbound lane of U.S. 1 from Rio Mar Drive to Orange Avenue will be intermittently closed Monday through Friday from 9 a.m. to 4 p.m. through Mar. 26 for conduit and pull box installation. During this time, intermittent northbound turn lane and sidewalk closures will occur. Pedestrians will be detoured to the nearest signalized intersection.
- One eastbound lane of State Road 70 from South 41st Street to U.S. 1 will be closed Monday through Friday from 9 a.m. to 4 p.m. through Mar. 26 for conduit and pull box installation.
- One lane in each direction of State Road 70 from Kings Highway to South 41st Street will be closed Monday through Friday from 9 a.m. to 4 p.m. through Mar. 26 for conduit and pull box installation. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

16. Okeechobee Road/State Road 70 and Midway Road/County Road 712 Intersection Lighting Improvements Project

Description: Construction on the Okeechobee Road/State Road 70 and Midway Road/County Road 712 intersection lighting improvements project started October 5,

2020. The improvements under this contract consist of installing highway lighting at the Okeechobee Road/SR 70 and Midway Road/CR 712 intersection.

Cost/Completion: \$255,430. Completion is expected in spring 2021.

Traffic Impact:

- Shoulder closures in either direction at the Okeechobee Road and Midway Road intersection may occur Saturday and Monday through Friday from 8 a.m. to 5 p.m. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

17. U.S. 1/State Road (SR) 5 Improvement Projects

Description: Construction on the U.S. 1 improvement projects from south of Port St. Lucie Boulevard/SR 716 to Rio Mar Drive and at Virginia Avenue/SR 70 started November 19, 2020. The improvements under this contract consist of milling and resurfacing the existing roadway and restriping to provide 6-foot buffered bicycle lanes on U.S. 1 from south of SR 716 to Rio Mar Drive, and widening the existing roadway in the NW corner of the U.S. 1 and SR 70 intersection to accommodate a southbound right-turn lane.

Cost/Completion: \$7,223,963. Completion is expected in spring 2022.

Traffic Impact:

- One southbound lane of U.S. 1 from Port St. Lucie Boulevard to Rio Mar Drive will be intermittently closed daily, Saturday through Friday, from 9 a.m. to 4 p.m. for sidewalk repair work. During this time, sections of the sidewalk will be closed. Detour signage will be in place, directing pedestrians to the nearest signalized intersection. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

Utility Work Not Construction Related:

- One northbound lane of U.S. 1 from Village Drive to Veterans Memorial Parkway will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

18. Port St. Lucie Boulevard just East of Trenton Lane in Port St. Lucie

Traffic Impact:

- One eastbound lane of Port St. Lucie Boulevard will be closed Friday from 9 a.m. to 3 p.m. for utility work. For more information, please contact Philip Sommers at 772-532-5006.

19. I-95 at Becker Road (Exit 114) in Port St. Lucie

Traffic Impact:

- One southbound lane of I-95 at Becker Road (Exit 114) for about a mile north and south of the interchange will be closed Tuesday from 9 a.m. to 4 p.m. for soil restoration. For more information, please contact Jason Huffman at 863-559-4305.

20. Port St. Lucie Boulevard from Floresta Drive to Midport Road in Port St. Lucie

Traffic Impact:

- Two lanes in each direction of Port St. Lucie Boulevard will be closed Sunday through Wednesday night from 8:30 p.m. to 6 a.m. for paving. For more information, please contact John Whitford at 772-429-4817.

21. Port St. Lucie Boulevard at Delano Road in Port St. Lucie

Traffic Impact:

- One lane in each direction of Port St. Lucie Boulevard will be closed Monday through Friday from 9 a.m. to 3:30 p.m. through Apr. 21 for signal installation work. For more information, please contact Jake Ridinger at 772-201-1621.

22. North Bridge / State Road A1A over the Intracoastal Waterway in Ft. Pierce

Traffic Impact:

- One lane in either direction of North Bridge may be intermittently closed Wednesday and Thursday night from 7 p.m. to 6 a.m. for bridge deck work. Two-way traffic will be maintained by a flag crew. For more information, please contact Kathleen Dempsey at 772-359-5118.

23. State Road A1A from Jackson Way to Regal Road in Ft. Pierce

Traffic Impact:

- The northbound lane of State Road A1A will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. Two-way traffic will be maintained by a flag crew. For more information, please contact Gus Sikaffy at 954-995-2760.

24. State Road A1A / Seaway Drive just East of Harbour Isle in Ft. Pierce

Traffic Impact:

- The eastbound lane of State Road A1A / Seaway Drive just east of the Harbour Isle entrance will be closed Monday through Friday from 9 a.m. to 4 p.m. through Mar. 5 for curb and entrance installation. Two-way traffic will be maintained by a flag crew. For more information, please contact Ronald Buchmeyer at 772-370-9144.

25. Virginia Avenue from Hartman Road to S. 35th Street in Ft. Pierce

Traffic Impact:

- One eastbound lane of Virginia Avenue will be closed Wednesday and Thursday from 9 a.m. to 4 p.m. to construct a business entrance. For more information, please contact Brandon Paul at 321-577-4925.

26. 25th Street from Edwards Road to Cortez Boulevard in Ft. Pierce

Traffic Impact:

- One southbound lane of 25th Street will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

27. Indrio Road and Kings Highway Intersection in Ft. Pierce

Traffic Impact:

- One westbound lane of Indrio Road at the Kings Highway intersection will be closed Monday through Friday from 9 a.m. to 4 p.m. to install a business turn lane. During this time, there will be turning lane closures on Kings Highway. For more information, please contact Ron Buchmeyer at 772-201-5683.

28. I-95 at the Ten Mile Creek Overpass in Ft. Pierce

Traffic Impact:

- Two lanes in each direction of I-95 at the Ten Mile Creek overpass, just south of Okeechobee Road (Exit 129), will be closed Sunday night, Feb. 28 through Thursday night, Mar. 4 from 9 p.m. to 6 a.m. for bridge maintenance work. For more information, please contact Uriel Lombardo at 305-615-3272.

29. I-95 at the Glades Cut Off Road (County Road 709) & the FEC Railroad Overpass in Port St. Lucie

Traffic Impact:

- Two lanes in each direction of I-95 at the Glades Cut Off Road (County Road 709) & the FEC Railroad overpass, approximately one mile south of Midway Road (Exit 126), will be closed Sunday night, Feb. 28 through Thursday night, Mar. 4 from 9 p.m. to 6 a.m. for bridge maintenance work. For more information, please contact Uriel Lombardo at 305-615-3272.

30. Northbound Florida's Turnpike/SR 91 Exit Ramp to Becker Road (Exit 138)

Traffic Impact:

- **Full Closure:** Northbound Florida's Turnpike/SR 91 exit ramp to Becker Road (Exit 138) will undergo an overnight full ramp closure, 10 p.m. Sunday, February 28 to 5 a.m., Monday, March 1, and overnight full ramp closures, 9 p.m. to 5 a.m., Monday, March 1, and nightly through Friday, March 5. Detour information is as follows:
 - Northbound Florida's Turnpike/SR 91 traffic wishing to access Becker Road will be directed to SR 714 (Exit 133), travel west on SR 714 to Citrus Boulevard, and travel north on Citrus Boulevard to access Becker Road. For more information, please contact Fiorella Teodista at 954-663-0612.

31. Northbound Florida's Turnpike/SR 91 Entrance Ramp from Becker Road

Traffic Impact:

- **Full Closure:** Northbound Florida's Turnpike/SR 91 entrance ramp from Becker Road will undergo an overnight full ramp closure, 10 p.m. Sunday, February 28 to 5 a.m., Monday, March 1, and overnight full ramp closures, 9 p.m. to 5 a.m., Monday, March 1, and nightly through Friday, March 5. Detour information is as follows:
 - Becker Road traffic wishing to access northbound Florida's Turnpike/SR 91 will be directed to Port St. Lucie Boulevard, travel north on Port St. Lucie Boulevard to access northbound Florida's Turnpike. For more information, please contact Fiorella Teodista at 954-663-0612.

32. Southbound Florida's Turnpike/SR 91 Entrance Ramp from Okeechobee Road/SR 70

Traffic Impact:

- **Full Closure:** Southbound Florida's Turnpike/SR 91 entrance ramp from Okeechobee Road/SR 70 will undergo overnight full ramp closures, 9 p.m. to 6 a.m., Wednesday, March 3, and nightly through Friday, March 5. Detour information is as follows:
 - Okeechobee Road/SR 70 traffic wishing to access southbound Florida's Turnpike/SR 91 will be directed to I-95, travel south on I-95 to exit at Crosstown Parkway (Exit 120), travel east on Crosstown Parkway to Bayshore Boulevard and travel south on Bayshore Boulevard to access

southbound Florida's Turnpike. For more information, please contact Fiorella Teodista at 954-663-0612.

33. Northbound Florida's Turnpike/SR 91 between Okeechobee Road/Ft. Pierce/SR 70 (Exit 152) and Yeehaw Junction/SR 60 (Exit 193)

Traffic Impact:

- **Full Closure:** Northbound Florida's Turnpike/SR 91 between Okeechobee Road/Ft. Pierce/SR 70 (Exit 152) and Yeehaw Junction/SR 60 (Exit 193) will undergo an overnight full road closure, 11 p.m. Monday, March 1, to 5 a.m. Tuesday, March 2. If necessary, this closure may also occur from 11 p.m. Tuesday, March 2 to 5 a.m., Wednesday, March 3. Detour information is as follows:
 - Northbound Florida's Turnpike/SR 91 traffic wishing to continue north will be directed to exit at Okeechobee Road/Ft. Pierce/SR 70 (Exit 152), travel east on Okeechobee Road to I-95, travel north on I-95 to exit at Vero Beach/Lake Wales/SR 60 (Exit 147) and travel west on Yeehaw Junction to access northbound Florida's Turnpike.
 - Okeechobee Road/Ft. Pierce/SR 70 traffic wishing to access northbound Florida's Turnpike/SR 91 will be directed to I-95, travel north on I-95 to exit at Vero Beach/Lake Wales/SR 60 (Exit 147) and travel west on SR 60 to access northbound Florida's Turnpike. For more information, please contact Fiorella Teodista at 954-663-0612.

34. Southbound Florida's Turnpike/SR 91 between Yeehaw Junction/SR 60 (Exit 193) and Okeechobee Road/Ft. Pierce/SR 70 (Exit 152)

Traffic Impact:

- **Full Closure:** Southbound Florida's Turnpike/SR 91 between Yeehaw Junction/SR 60 (Exit 193) and Okeechobee Road/Ft. Pierce/SR 70 (Exit 152) will undergo an overnight full road closure, 11 p.m. Monday, March 1, to 5 a.m. Tuesday, March 2. If necessary, this closure may also occur from 11 p.m. Tuesday, March 2 to 5 a.m., Wednesday, March 3. Detour information is as follows:
 - Southbound Florida's Turnpike/SR 91 traffic wishing to continue south will be directed to exit at Yeehaw Junction/SR 60 (Exit 193), travel east on SR 60 to I-95, travel south on I-95 to exit at Okeechobee Road/Ft. Pierce/SR 70 (Exit 129) and travel west on Okeechobee Road to access southbound Florida's Turnpike.
 - SR 60 traffic wishing to access southbound Florida's Turnpike/SR 91 will be directed to I-95, travel south on I-95 to exit at Okeechobee Road/Ft. Pierce/SR 70 (Exit 129) and travel west on Okeechobee Road to access southbound Florida's Turnpike.
 - Ft. Drum Service Plaza traffic wishing to access southbound Florida's Turnpike/SR 91 will be directed to travel north on Florida's Turnpike to exit at Yeehaw Junction/SR 60 (Exit 193), travel east on SR 60 to I-95, travel south on I-95 to exit at Okeechobee Road/Ft. Pierce/SR 70 (Exit 129) and travel west on Okeechobee Road to access southbound Florida's Turnpike. For more information, please contact Fiorella Teodista at 954-663-0612.

35. 17th Street Bridge Project

Description: The 17th Street Bridge Hurricane Irma lighting repair project from Indian River Boulevard to State Road A1A started May 4, 2020. Work on this project includes replacing all 35 light poles along the 17th Street Bridge and replacing concrete traffic railing along the median at the light pole locations. Associated work remaining includes repairing spalls in the concrete beams in spans 58 and 59 of the 62-span bridge which began October 26, 2020.

Cost/Completion: \$1.1 million. Completion is expected in spring 2021.

Traffic Impact:

- Eastbound and westbound traffic on the 17th Street Bridge is down to one lane in each direction around the clock through spring 2021 for bridge beam repairs. Currently, westbound traffic on 17th Street Bridge is diverted to the eastbound travel lane through Mar. 2021. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

36. State Road A1A Shoulder Widening and Resurfacing Project

Description: The State Road (SR) A1A shoulder widening and resurfacing project from north of Tides Road to south of Coco Plum Lane started June 22, 2020. The improvements on this project include: resurfacing SR A1A from just north of Tides Road to just south of Coco Plum Lane; widening SR A1A to provide 7-foot shoulders in each direction to accommodate new buffered bikes lanes; installing signalization improvements; upgrading pedestrian signal features at the SR A1A / John's Island Drive and SR A1A / Wabasso Beach Road intersections with LED countdowns; constructing drainage improvements; installing new signs and pavement markings; reconstructing pedestrian ramps to meet current Americans with Disabilities Act (ADA) requirements; installing Rapid Flashing Beacons at two (2) beach access pedestrian crossing locations; and making sidewalk repairs at various locations throughout the project limits.

Cost/Completion: \$6.7 million. Completion is expected in spring 2021.

Traffic Impact:

- Along State Road A1A from north of 46th Place to south of Coco Plum Lane the speed limit has been permanently reduced from 50 MPH to 45 MPH. During construction, the speed limit is temporarily reduced from 45 MPH to 35 MPH.
- The northbound lane of State Road A1A from 46th Place to Pebble Path may be intermittently Sunday through Thursday night from 8 p.m. to 6 a.m. for paving. Two-way traffic will be maintained by a flag crew.
- The southbound and northbound bike lane is closed to facilitate shoulder widening construction. During this time, cyclists & motorists should share the road. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118.

37. State Road 60 from 12th Court to 14th Avenue in Vero Beach

Traffic Impact:

- One eastbound lane of State Road 60 will be closed Monday from 9 a.m. to 3 p.m. for utility work. For more information, please contact Philip Sommers at 772-532-5006.

38. State Road A1A from Gracewood Lane to Castaway Boulevard in Vero Beach

Traffic Impact:

- The northbound shoulder of State Road A1A will be closed Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

39. State Road A1A from 23rd Street SE to Gracewood Lane in Vero Beach

Traffic Impact:

- One lane in either direction State Road A1A will be shifted to the median turn lane Monday through Friday from 9 a.m. to 4 p.m. for utility work. For more information, please contact Gus Sikaffy at 954-995-2760.

40. State Road 60 from just West of 44th Avenue to 43rd Avenue in Vero Beach

Traffic Impact:

- One eastbound lane of State Road 60 from just west of 44th Avenue to 43rd Avenue is closed around the clock through Mar. 2021 for drainage work.
- One westbound lane of State Road 60 from just west of 44th Avenue to 43rd Avenue will be closed around the clock through Mar. 2021 for drainage work. For more information, please contact Matthew Kirkland at 813-716-6339.

Improve Safety, Enhance Mobility, Inspire Innovation
D4FDOT.com | @MyFDOT_SEFL | Facebook.com/MyFDOTSEFL

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
