FDOT Palm Beach County Traffic Report

July 16 through July 23, 2021

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

-

INTERSTATE 95

1. I-95 from south of SW 10th Street in the City of Deerfield Beach to south of Glades Road in the City of Boca Raton (95 Express Phase 3B-1)

Description: Work on this 4.8-mile 95 Express project includes widening and converting the existing I-95 HOV Lanes to Managed Lanes which will result in two tolled Express Lanes in each direction; the number of General Use lanes will remain the same. Other project improvements include bridge widenings at Palmetto Park Road and Camino Real, complete bridge replacement at the Hillsboro Canal, noise wall construction, portable traffic monitoring sites, toll gantry installation, Intelligent

Transportation System (ITS) installation, ramp signaling at the I-95 entrance ramps from Palmetto Park Road, Express Lane markers and landscape relocation. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$102 million / Completion is expected in fall 2021.

Traffic Impact:

- I-95 will have three lanes closed in each direction nightly, as needed, Sunday through Thursday nights, with the first lane closing at 9:30 p.m., the second lane closing at 10:30 p.m., and the third lane closing at 11:30 p.m. until 5:30 a.m.
- **I-95 northbound Express Lanes at Sample Road will be closed nightly, as needed, 9 p.m. until 5:30 a.m., Sunday through Thursday.**
- **I-95 southbound Express Lanes at Palmetto Park Road will be closed nightly, as needed, 9 p.m. until 5:30 a.m., Sunday through Thursday.**

Arterial Road Traffic Impact:

- Palmetto Park Road at I-95 will have two lanes closed in each direction nightly, as needed, Sunday through Thursday. The first lane will close at 9 p.m., and the second lane will close at 10:30 p.m. All lanes will be opened by 5:30 a.m.
- Palmetto Park Road at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 3:30 p.m., Monday through Friday.
- Camino Real at I-95 will have one lane closed in each direction daily, as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

Ramp Impact:

- The I-95 southbound exit ramp to Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via I-95 southbound, Hillsboro Boulevard, Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and Hillsboro Boulevard. FHP will be on site to assist motorists.
- The northbound entrance ramp from eastbound and westbound Palmetto Park Road will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 southbound to Hillsboro Boulevard to I-95 northbound.
- The I-95 northbound entrance ramp from westbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m. Sunday through Thursday. Motorists will be detoured via Hillsboro Boulevard, Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m. Sunday through Thursday. Motorists will be detoured via Military Trail and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m. Sunday through Thursday. Motorists will be detoured via Hillsboro Blvd, Military Trail and SW 10th Street. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Hillsboro Boulevard will be closed nightly, 11 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via Military Trail and SW 10th Street. FHP will be on site to assist motorists.
- Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.

2. **I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)**

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly as needed for paving, 9 p.m. until 6 a.m. Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 10 p.m.
- I-95 Southbound from Spanish River to Glades Rd will be in a new traffic pattern with traffic shifted to the outside to allow for median construction. This configuration is anticipated to be in place through summer 2021.
- I-95 northbound from Yamato Road to Linton Boulevard is in a new traffic pattern with traffic shifted to the outside to allow for median construction. This configuration is anticipated to be in place through summer 2021.

Glades Road Impact:

- Westbound Glades Road, between NW 22nd Way and West University Drive, is in a new traffic pattern with traffic shifted inside towards the median to allow for outside widening.
- Westbound Glades Road, between NW 22nd Way and West University Drive, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 6 a.m. until 9 p.m., Tuesday and Sunday. Westbound Glades Road, between NW 22nd Way and West University Drive, will have one lane closed nightly at 9 p.m. and two lanes closed at 10 p.m., until 6 a.m., Monday through Saturday.
- **Glades Road westbound and eastbound, between Butts Road and I-95, will be shifted inside towards the median to allow for outside widening and drainage activities beginning Monday, July 19; please see activity flyer attached.**

Clint Moore Road Impact:

- **The Clint Moore Road bridge over I-95 is closed completely for reconstruction through summer 2022. Westbound traffic is being detoured via NW 2nd Avenue, Yamato Road and Congress Avenue. Eastbound traffic is being detoured via Park of Commerce Boulevard, Congress**

Avenue, Yamato Road and NW 2nd Avenue. Local neighborhood access is maintained; only the approaches and bridge over I-95 are closed.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed for paving, 10 p.m. until 5 a.m., Sunday through Friday. Traffic will be detoured via Powerline Road and Jog Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed for paving, 10 p.m. until 5 a.m., Sunday through Friday. Traffic will be detoured via I-95 north, Yamato Road east, US-1 and Spanish River Boulevard. FHP will be onsite to assist motorists.
- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed for paving, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road east, N. Federal Highway and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue, Peninsula Corp Drive, Congress Avenue and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Glades Road west, Powerline Road and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road/Spanish River Boulevard will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Yamato Road east, Federal Highway/U.S. 1 south and Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 10 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists. Consecutive ramps will not be closed at the same time.

3. I-95 Milling and Resurfacing from North of Gateway Boulevard to Lantana Road in the City of Boynton Beach and Town of Lantana

Description: This 2.35-mile project includes milling and resurfacing I-95 in both directions as well as the entrance and exit ramps at Hypoluxo Road and Lantana Road. This project also includes median lighting upgrades. For more information, please contact Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/ Completion: \$11.9 million. Completion is expected in spring 2022.

I-95 Traffic Impact:

- I-95 in each direction will have intermittent shoulder closures, daily and nightly, as needed, Sunday through Thursday.
- I-95 southbound may have up to four lanes closed nightly 9:30 p.m. until 6 a.m. Sunday through Thursday. Two lanes of I-95 will be closed at 9:30 p.m., three lanes will be closed at 11 p.m., and four lanes will be closed at 1 a.m. until 5 a.m. All lanes will reopen by 6 a.m.

Ramp Impact:

- **Advanced Notice:** The I-95 southbound exit ramp to Gateway Boulevard will be closed to traffic nightly as needed, Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Traffic will be detoured via the I-95 southbound exit ramp to Hypoluxo Road. Motorists can access Gateway Boulevard by traveling eastbound to US-1/Federal Highway or westbound via Congress Avenue then south to Gateway Boulevard. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 southbound entrance ramp from Hypoluxo Road will be closed to traffic nightly, as needed, 9:30 until 5 a.m., Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Westbound Hypoluxo Road traffic will be detoured via Congress Avenue and the I-95 southbound entrance ramp from Gateway Boulevard. Eastbound Hypoluxo Road traffic will be detoured via Federal Highway/US-1 and the I-95 southbound entrance ramp from Gateway Boulevard. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 southbound exit ramp to Hypoluxo Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Traffic will be detoured via the I-95 southbound exit ramp to Gateway Boulevard. Motorists can then access Hypoluxo Road by traveling eastbound to US-1/Federal Highway or westbound to Congress Avenue and north to Hypoluxo Road. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 southbound entrance ramp to Lantana Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m. Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Westbound Lantana Road traffic will be detoured via Congress Avenue and the I-95 southbound entrance ramp from Hypoluxo Road. Eastbound Lantana Road traffic will be detoured via Federal Highway/US-1 and the I-95 southbound entrance ramp from Hypoluxo Road. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 northbound entrance ramp from Gateway Boulevard will be closed to traffic nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Motorists traveling westbound on Gateway Boulevard will be detoured via Congress Avenue and the I-95 northbound entrance ramp from Hypoluxo Road. Eastbound Gateway Boulevard traffic will be detoured via US-1/Federal Highway and the I-95 northbound entrance ramp from Hypoluxo Road. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 northbound entrance ramp from Hypoluxo Road will be closed to traffic nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Westbound Hypoluxo Road traffic will be detoured via Congress Avenue and the I-95 northbound entrance ramp from Lantana Road. Eastbound Hypoluxo Road traffic will be detoured via Federal Highway/US-1 and the I-95 northbound entrance ramp from Lantana Road. FHP will be onsite to assist motorists.
- **Advanced Notice:** The I-95 northbound exit ramp to Lantana Road will be closed nightly, as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday night, August 1 for milling and resurfacing operations. Traffic will be detoured via the I-95 northbound exit ramp to Hypoluxo Road. Motorists can then access Lantana Road by traveling eastbound to US-1/Federal Highway or westbound to Congress Avenue and north to Lantana Road. FHP will be onsite to assist motorists.
- Please note that ramp closures will be closed as needed per paving production; consecutive ramps will not be closed at the same time. Detour signage will be in place and FHP will be on site to assist motorists.

4. SR 704/Okeechobee Boulevard Eastbound to I-95 Southbound Ramp Improvements Project

Description: This 0.164-mile project includes widening eastbound SR 704/Okeechobee Boulevard to provide an exclusive turn lane to the I-95 southbound entrance ramp. For more information, please contact Community Outreach Specialist Daniela Silva at (786) 441-3088 or msilva@corradino.com.

Cost/Completion: \$635,418. Completion is expected in Spring 2022.

Traffic Impact: No traffic impacts.

5. I-95 Lighting and Roadway Improvements Project from south of State Road 706/Indiantown Road to County Road 708/SE Bridge Road

Description: This 11.59-mile I-95 improvements project started September 9, 2020 in Jupiter and Hobe Sound. Work includes installing new roadway lighting with LED luminaires, replacing the high mast lighting system with a conventional LED roadway lighting system, extending the northbound I-95 merge lane just north of Indiantown Road, extending the deceleration distances for the I-95 northbound to westbound Indiantown Road exit ramp and the I-95 southbound to eastbound Indiantown Road exit ramp, and installing wrong way vehicle detection systems at the Indiantown Road and SE Bridge Road I-95 interchanges and new advanced warning signage.

Cost/Completion: \$12.3 million. Completion is expected in spring 2022.

Traffic Impact:

- The shoulder in both directions of I-95 will be intermittently closed Monday through Friday from 6:30 a.m. to 6 p.m. through Aug. 2021 for temporary asphalt placement, landscaping relocation efforts, and conduit and light pole foundation installations.
- One lane in either direction of I-95 at the Indiantown Road interchange may be closed Sunday through Thursday night from 10 p.m. to 6 a.m. for roadway work.
- The outside ramp lane of the northbound I-95 to eastbound Indiantown Road exit ramp will be closed Monday through Friday from 10 a.m. to 3 p.m. to install light pole foundations. During this time the exit ramp will still be open as motorists can use the inside left lane.
- One lane in each direction of Indiantown Road from the Turnpike entrance/exit to Island Way will be closed Monday through Friday from 10 a.m. to 3 p.m. to install light pole foundations. During this time, shoulder closures along I-95 ramps to and from Indiantown Road may occur.
- **Full Closure:** The eastbound Indiantown Road to southbound I-95 on ramp will be intermittently closed Monday through Friday from 10 a.m. to 3 p.m. through Aug. 13, 2021 for concrete pours. Advance notice and detour signage will be in place. Motorists heading east on Indiantown Road to southbound I-95 should continue east on Indiantown Road to Island Way, make a U-turn at Island Way, and head west on Indiantown Road to merge onto the westbound Indiantown Road to southbound I-95 on ramp. For more information, please contact Community Outreach Specialist Kathleen Dempsey at 772-359-5118 or kdempsey@corradino.com.

SOUTHERN PALM BEACH COUNTY PROJECTS

6. NE 5th Avenue Sidewalk Improvements on behalf of the City of Boca Raton

Description: This 1.1-mile sidewalk improvements project began Monday, January 11, 2021, in the City of Boca Raton. As the Project Sponsor, the City of Boca Raton requested through application to the Palm Beach Transportation Planning Agency, and City Resolution 146-2017, that FDOT District Four design and construct this sidewalk improvement project as part of the Pedestrian Network contained in the City's Comprehensive Plan. Work includes concrete sidewalk installation on the west

side of NE 5th Avenue, driveway and curb & gutter replacement to align with new sidewalk installation, minor signage and pavement marking upgrades, and minor landscaping relocation and irrigation repairs.

Cost/Completion: \$432,943.86. Completion is expected in fall 2021.

Traffic Impact:

- The southbound lane may be closed, intermittently, 9 a.m. until 4 p.m., Monday through Friday, for project restoration. During this time, a flagging operation may be used as needed to direct traffic northbound and southbound. If the sidewalk needs to be closed within a block for these activities, a pedestrian detour will be in place with signage.
- Please note, the project inspector will be going door-to-door (as needed) testing irrigation prior to project completion. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or mcruz@corradino.com.

7. Brant Drive Bridge Replacement Project

Description This 0.1-mile project in the cities of Boca Raton and Delray Beach will begin Aug. 2. It consists of replacing the two-lane Brant Drive Bridge (Bridge No. 935501) over the C-15 Canal with a new bridge consisting of two travel lanes and 10-foot shared-use paths in each direction. Improvements also include constructing 10-foot shared-use paths in each direction north of the bridge, reconstructing sidewalks south of the bridge, adding decorative lighting and drainage, upgrading signage and pavement markings, reconstructing roadway approaches and milling and resurfacing.

Cost/Completion: \$2.47 million/Late 2022

Traffic Impact: All lanes are open.

- **Advance Notice:** Brant Drive will be closed from Oregon Lane to Avocet Road beginning Monday, Aug. 2, and will be closed for the duration of construction. Traffic will be detoured as follows:
 - Northbound traffic should go south on Brant Drive to East Country Club Boulevard, go south on East Country Club Boulevard to West Hidden Valley Boulevard, go east on West Hidden Valley Boulevard to North Dixie Highway, go north on North Dixie Highway to Lindell Boulevard, go west on Lindell Boulevard to Carl Bolter Drive, go south on Carl Bolter Drive to Brant Drive.
 - Southbound traffic should go north on Brant Drive to Carl Bolter Drive, go north on Carl Bolter Drive to Lindell Boulevard, go east on Lindell Boulevard to North Dixie Highway, go south on North Dixie Highway to West Hidden Valley Boulevard, go west on West Hidden Valley Boulevard to East Country Club Boulevard, go north on East Country Club Boulevard to Brant Drive.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

8. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, will begin Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and

construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk and driveway replacement including curb and gutter improvements, signing and pavement marking upgrades including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or mcruz@corradino.com.

9. **State Road 7 Resurfacing Improvements Project from Atlantic Avenue to Boynton Beach Boulevard**

Description: This 5.09-mile roadway improvements project began Monday, June 24, 2019, in Delray Beach and Boynton Beach. Work includes milling and resurfacing with minor shoulder widening, drainage improvements and lighting upgrades, installation of gravity wall, guardrail, signing and pavement markings, and intersection improvements at Atlantic Avenue and Boynton Beach Boulevard, including traffic monitoring systems and pedestrian detection/signals.

Cost/Completion: \$7.9 million. Completion is expected in summer 2021.

Traffic Impact:

- One lane may be closed in each direction as needed, daily, 7 a.m. until 4 p.m., and nightly, 6 p.m. until 6 a.m., Sunday night through Saturday. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or mcruz@corradino.com.

CENTRAL PALM BEACH COUNTY PROJECTS

10. **Forest Hill Boulevard Improvements Project**

Description: This 2.9-mile roadway improvements project began Tuesday, July 6, 2021, in Wellington, West Palm Beach, and Greenacres. Work includes milling and resurfacing, guardrail installation, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, improvements to intersection street lighting, pedestrian signalization, and signage and pavement markings.

Cost/Completion: \$3.5 million. Completion is expected in summer 2022.

Traffic Impact:

- One outside lane may be closed in each direction at the Pinehurst Drive and Eshleman Trail intersections, 9 a.m. until 4:30 p.m., Monday through Friday.
- One outside lane may be closed in each direction at the Palm Beach Central High School and Lyons Road intersections, 9 a.m. until 4 p.m., Monday through Friday. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or ormcruz@corradino.com.

11. **Southern Boulevard (SR 80) Bridges Replacement Project**

Description This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Cost/Completion: \$95 million. Completion is anticipated in fall 2021.

Traffic Impact:

- **Flagler Drive from Southern Boulevard to Worth Court North is closed as the roadway is reconstructed. Sidewalks also are closed. Access will be maintained for local traffic only. Traffic will be detoured as follows:**
 - **Traffic going north on Flagler Drive should: Go west on Worth Court North to Washington Road; go north on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.**
 - **Traffic going south on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go south on Washington Road to Worth Court North; go east on Worth Court North to Flagler Drive.**

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half channel navigation. Full channel openings will not occur. During half-channel closures, the horizontal clearance through the bridge is 45 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

WESTERN PALM BEACH COUNTY PROJECTS

12. **State Road 25 Resurfacing Project from the Broward/Palm Beach County Line to Milepost 12.626**

Description: Construction on this 12.626-mile resurfacing project began Wednesday, May 13, 2020, in Palm Beach County. Work includes milling and resurfacing the existing travel lanes and shoulders, including shoulder widening, concrete barrier wall installation, guardrail removal and replacement, and signage, pavement marking, and rumble strip installation.

Cost/Completion: \$21.8 million. Completion is expected in fall 2021.

Traffic Impact:

- One lane is closed around-the-clock in each direction from the Broward/Palm Beach County Line to Milepost 12.626. The speed limit is also reduced to 45 mph in the construction zone. Please note, there may be traffic shifts required throughout the project corridor. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or ormcruz@corradino.com.

13. **State Road 80/Southern Boulevard, from west of Lion Country Safari Road to Forest Hill Boulevard/Crestwood Boulevard**

Description: Construction on this 7.2-mile widening project began Tuesday, July 31, 2018, in the Village of Royal Palm Beach, Village of Wellington and the Town of Loxahatchee Groves. Work includes widening the existing roadway from four to six lanes, adding a 12-foot shared-use pathway on the north side of the roadway, adding bike lanes, milling and resurfacing, drainage improvements, adding lighting and signalization, installing curb and gutter, guardrails, minor median modifications and signage and pavement markings.

Cost/Completion: \$34 million. Completion is expected in fall 2021.

Traffic Impact:

- Southern Boulevard's eastbound inside lane between B Road/Binks Forest Drive and Palms West Parkway may be closed 9 a.m. to 3:30 p.m. Sunday through Saturday for work on manholes.
- Southern Boulevard's westbound inside or outside lane between B Road/Binks Forest Drive and Cane Field Trace may be closed 9 a.m. to 3:30 p.m. Sunday through Saturday for work on the shoulder.
- One lane may be closed in each direction at Southern Boulevard's intersection with B Road/Binks Forest Drive, Seminole Pratt Whitney Road and Lion Country Safari Road from 8:30 p.m. to 6:30 a.m. Sunday through Saturday for removal of traffic signal poles and signalization work.
- One lane may be closed in each direction at Southern Boulevard's intersection with Palms West Parkway, F Road/Big Blue Trace and D Road from 8:30 p.m. to 6:30 a.m. Sunday through Saturday for paving.
- One lane in each direction at Southern Boulevard intersections between Cane Field Trace and west of Palms West Parkway may be closed periodically from 9 a.m. to 3:30 p.m. Sunday through Saturday for sidewalk reconstruction.
- One lane may be closed periodically in each direction of Southern Boulevard from Palms West Parkway to Cane Field Trace from 9 a.m. to 3:30 p.m. Monday through Saturday. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at (561) 886-8773 or angel@valerin-group.com.

14. **State Road 700 Hurricane Irma Repairs Project**

Description: Construction on this 6.3-mile repairs and safety improvements project began Friday, June 11, 2021, in western Palm Beach County. Work includes embankment repairs on State Road 700 adjacent to the L-10 Canal, including bank stabilization and revetments, replacing the existing span wire signals with mast arms at the intersections of State Road 700 & Muck City Road and State Road 700 & Hatton Highway, new guardrail installation, and replacing/adding traffic signs at various locations.

Cost/Completion: \$8.2 million. Completion is expected in fall 2022.

Traffic Impact: State Road 700 is closed from West Main Street to Muck City Road for canal slope restoration and protection activities through September 30, 2021. Motorists may detour via State Road 15, State Road 80, and Hatton Highway. Emergency vehicles will be provided access at all times. For more information, please contact Community Outreach Specialist Meredith Cruz at 561-641-6440 or ormcruz@corradino.com.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
