FDOT Palm Beach County Traffic Report

November 25 – December 2, 2022

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note, that any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

-

INTERSTATE 95

1. **I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)**

DESCRIPTION: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added,

and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Spanish River Boulevard and between Yamato Road and Linton Boulevard. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings, and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Specialist Andrea Pacini at (561) 214-3358 or apacini@corrado.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

I-95 Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly, 9 p.m. until 5:30 a.m., Monday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 11 p.m.
- I-95 southbound from Spanish River to Glades Rd is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through December 2022.
- I-95 northbound from Yamato Road to Linton Boulevard is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through December 2022.
- I-95 northbound lanes, from Glades Road to Yamato Road, are shifted to the outside to allow for median construction, through December 2022.
- **I-95 Southbound Full Closure Notice:** All I-95 southbound lanes at Congress Avenue will be closed to traffic overnight, Wednesday night, Nov. 30 for overhead sign structure installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Peninsula Corp Drive/Congress Avenue, and SR-794/Yamato Road to the I-95 southbound entrance ramp. FHP will be onsite to assist motorists. Thursday, Dec. 1 will be used as a contingency night if needed. Please see the detour flyer attached.
- **I-95 Southbound Full Closure Advanced Notice:** All I-95 southbound lanes at Linton Boulevard will be closed to traffic overnight, Wednesday, Dec. 7 for overhead sign structure installation. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Linton Boulevard, Congress Avenue and Peninsula Corp. Drive to the I-95 southbound entrance ramp. FHP will be onsite to assist motorists. Thursday, Dec. 8 will be used as a contingency night if needed. Please see detour flyer attached.

Glades Road Impact:

- **Eastbound Glades Road Full Nighttime Closure Notice:** Eastbound Glades Road at I-95 will be closed to traffic overnight, 11 p.m. until 5 a.m., Monday, Nov. 28 and Tuesday, Nov. 29 for new

overhead sign installation. Eastbound traffic will be detoured via Butts Road, Town Center Road, Military Trail, Palmetto Park Road, and N. Federal Highway.

- **Westbound Glades Road Full Nighttime Closure Notice:** Westbound Glades Road at I-95 will be closed to traffic overnight, 11 p.m. until 5 a.m., Wednesday, Nov. 30 and Thursday, Dec. 1 for overhead sign installation. Westbound traffic will be detoured via Airport Road, Spanish River Boulevard, Military Trail and Butts Road.
- Westbound Glades Road, between St Andrews Blvd and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday.
- Eastbound Glades Road, between Jog Road and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Monday through Thursday.
- Glades Road westbound and eastbound, between Butts Road and I-95, is shifted inside towards the median to allow for outside widening and drainage activities.
- To ensure pedestrian safety during bridge construction activities, the north sidewalk of Glades Road from W. University Drive to Executive Center Drive is closed through January 2023. to facilitate the widening of the Glades Road bridges over I-95 and Military Trail. Pedestrian traffic is being detoured to the south sidewalk during this phase of construction.

Military Trail Impact:

- Military Trail northbound at NW 19th Street will undergo a full nightly closure, as needed, 10 p.m. until 5 a.m., Monday through Thursday for bridge construction.
- Military Trail southbound at Butts Road will undergo a full nightly closure, as needed, 10 p.m. until 5 a.m., Monday through Tuesday for bridge construction.
- Military Trail northbound and southbound at Glades Road will have one outside lane closed as needed, 9 a.m. until 3 p.m., Monday through Friday.
- Military Trail at Glades Road has one northbound and one southbound lane closed through mid-December 2022 to facilitate Glades Road bridge widening operations. During this activity, two northbound and two southbound lanes will remain open.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via westbound Glades Road, Jog Road, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via I-95 north, Yamato Road east, US-1, and Spanish River Boulevard. FHP will be onsite to assist motorists.
- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via southbound I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.

- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via Glades Road east, N. Federal Highway, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via Congress Avenue/Peninsula Corp Drive, Congress Avenue, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Yamato Road/Spanish River Blvd will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via Peninsula Corp Dr, Congress Ave. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via eastbound Yamato Road, US-1/Federal Highway south, westbound Glades Road, and the I-95 southbound entrance ramp from Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via westbound Yamato Road, Congress Ave, Peninsula Corp Drive, and the I-95 southbound entrance ramp from Peninsula Corp Drive. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via [westbound](#) Glades Road, Powerline Road, and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Monday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists.

Clint Moore Road Impact:

- One inside lane in each direction is open to vehicular traffic. The outside lane in each direction will remain closed through mid-December to facilitate the remaining drainage, fence, and paving work. To ensure public safety, the bridge will not be open for cyclist or pedestrian use while the outside lanes are closed for construction operations.

Yamato Road Impact:

- Eastbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.
- Westbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

2. I-95 from south of 10th Avenue N. to North of SR 882/Forest Hill Boulevard Safety Improvements Project

Description: This 2.75-mile project located in West Palm Beach and Lake Worth Beach began on August 10, 2022. Improvements include milling and resurfacing segments of I-95 in both directions, installing new signage, including an overhead Dynamic Message Sign on I-95 northbound just south of 10th Avenue North, upgrading existing lighting with LED luminaires and installing a new Road Weather

Information System (RWIS).

Cost/Completion: \$3.4 million/Fall 2023

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

3. SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project

Description: This 0.65-mile project in Palm Beach Gardens began on November 9. Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded.

Cost/Completion: \$9,977,382/Spring 2024

Traffic Impact:

- Two I-95 southbound inside lanes between PGA Boulevard and Burns Road may be closed nightly from 9 p.m. to 5 a.m. between Tuesday, November 29, and Friday, December 2, for paving. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

SOUTHERN PALM BEACH COUNTY PROJECTS (Boca Raton, Delray Beach)

4. Brant Drive Bridge Replacement Project

Description: This 0.1-mile project in the cities of Boca Raton and Delray Beach consists of replacing the two-lane Brant Drive Bridge (Bridge No. 935501) over the C-15 Canal with a new bridge consisting of two travel lanes and 10-foot shared-use paths in each direction. Improvements also include constructing 10-foot shared-use paths in each direction north of the bridge, reconstructing sidewalks south of the bridge, adding decorative lighting and drainage, upgrading signage and pavement markings, reconstructing roadway approaches, and milling and resurfacing.

Cost/Completion: \$2.47 million/Fall 2022

Traffic Impact:

- Brant Drive is closed from Oregon Lane to Avocet Road for the duration of construction. Traffic will be detoured as follows:

- Northbound traffic should go south on Brant Drive to East Country Club Boulevard, go south on East Country Club Boulevard to West Hidden Valley Boulevard, go east on West Hidden Valley Boulevard to North Dixie Highway, go north on North Dixie Highway to Lindell Boulevard, go west on Lindell Boulevard to Carl Bolter Drive, go south on Carl Bolter Drive to Brant Drive.
- Southbound traffic should go north on Brant Drive to Carl Bolter Drive, go north on Carl Bolter Drive to Lindell Boulevard, go east on Lindell Boulevard to North Dixie Highway, go south on North Dixie Highway to West Hidden Valley Boulevard, go west on West Hidden Valley Boulevard to East Country Club Boulevard, go north on East Country Club Boulevard to Brant Drive.

For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

5. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, began Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk and driveway replacement including curb and gutter improvements, signing and pavement marking upgrades including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of George Bush Boulevard from just east of the George Bush Blvd ICW Drawbridge to SR A1A will be closed Monday through Friday, 7 a.m. to 6 p.m., for curb and gutter and sidewalk work. During this time, a flagging operation will be used to direct traffic eastbound and westbound as needed. Emergency vehicles, local driveway, and pedestrian access will be provided at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

6. Homewood Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project from Old Germantown Road to Lawson Boulevard in the City of Delray Beach began Friday, November 12, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT) District Four design and construct the Homewood Boulevard Improvements Project through application to the Palm Beach Transportation Planning Agency, Palm Beach County Resolution 2021-0169, and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing the roadway with minor widening; concrete sidewalk and driveway replacement, including curb and gutter improvements; signing and pavement marking upgrades, including bike lane and detectable warning surfaces; installation of four (4) new signal mast arms at Linton Blvd. to meet current standards; and drainage and utility improvements.

Cost/Completion: \$2.5 million. Completion is expected in early 2023.

Traffic Impact:

- The outside lane in each direction of Linton Boulevard, at the intersection of Homewood Boulevard, is closed for intersection improvements. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lantana, Lake Worth Beach, The Acreage, West Palm Beach, Palm Beach)

7. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth, began on Monday, November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting.

Cost/Completion: \$14 million. Completion is expected in winter 2024.

Virtual Public Meeting/In-Person Open House:

- **The Virtual Public Meeting** is rescheduled for Tuesday, November 29, 2022, from 5:00 p.m. – 6:00 p.m. Please use the following link to register: <https://bit.ly/LakeWorthNov> or (562) 247-8422; Access Code: 764-768-894. A brief presentation followed by questions and comments will be held from 5:00 p.m. to 5:30 p.m., and again from 5:30 p.m. to 6:00 p.m. Please note that questions and comments may be submitted via online chat or through the raised hand feature for the project team to address directly.
- **The In-person Construction Open House** is rescheduled for Tuesday, November 29, 2022, from 6:00 p.m. – 7:00 p.m. at the **Palm Beach State College Natural Science Building Room NS 129**, located at **4200 South Congress Avenue, Lake Worth, FL 33461**. This meeting will have an informal open house format, with project representatives available to answer questions and address comments at any time during the meeting. Please see attached flyer.

Traffic Impacts:

- One eastbound lane on Lake Worth Road from Foss Road to Coconut Road may be closed, 7:00 a.m. to 3:30 p.m., Monday through Friday for turn lane construction.
- The eastbound inside lane on Lake Worth Road from Empire Way Road to Military Trail will be closed continuously beginning at 7:00 a.m. on Monday, Nov. 28 for force main pipe replacement.
- One eastbound left turn lane on Lake Worth Road at Military Trail will be closed continuously beginning at 7:00 a.m. on Monday, Nov. 28 for force main pipe replacement.

- One northbound left turn lane on Military Trail at Lake Worth Road will be closed continuously beginning at 7:00 a.m. on Monday, Nov. 28 for force main pipe replacement.
- The westbound inside lane on Lake Worth Road from S. Price Street to Raulerson Drive will be closed continuously beginning at 7:00 a.m. on Monday, Nov. 28 for force main pipe replacement. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803.

8. US-1/SR-805 Lighting and Signalization Improvements Project

Description: This 0.400-mile project began on Thursday, August 11, 2022. Work includes installing new steel mast arms at the intersections of US-1/Lake Avenue and US-1/Lucerne Avenue, installing new light poles with LED Luminaires, replacing concrete sidewalk, driveways, and curb and gutter impacted by LED light pole installation, signing, and pavement marking upgrades, including detectable warning surfaces, improving intersection street lighting and pedestrian signalization.

Cost/Completion: \$1 million. Completion is expected in Spring 2023.

Traffic Impact:

- The right lane of southbound Dixie Highway and the right lane of northbound Dixie Highway may be closed, 9 a.m. to 3:30 p.m., Monday, Nov. 28 to install mast arm uprights
- The right lane of southbound Dixie Highway and the right lane of northbound Dixie Highway may be closed, 9 p.m. to 5:00 a.m., Monday night, Nov. 28 to install mast arms
- The left lane of westbound Lucerne Avenue may be closed, 9 p.m. to 5 a.m., Monday night, Nov. 28 to install mast arms
- The right lane of northbound Dixie Highway and the left lane of eastbound Lake Avenue may be closed, 9 a.m. to 3:30 p.m., Tuesday, Nov. 29 to work on mast arms and signals
- The right lane of southbound Dixie Highway and the right lane of eastbound Lake Avenue may be closed, 9 a.m. to 12:00 p.m., Wednesday, Nov. 30 to work on mast arms and signals
- The right lane of northbound Dixie Highway and the right lane of eastbound Lake Avenue may be closed, 12 p.m. to 3:30 p.m., Wednesday, Nov. 30 to work on mast arms and signals
- The right lane of northbound Dixie Highway and the left lane of eastbound Lake Avenue may be closed, 9 a.m. to 3:30 p.m., Thursday, Dec. 1 to work on mast arms and signals. For more information, please contact Community Outreach Specialist, Melissa Readling at (772) 577-8803 or mreadling@corradino.com.

9. Southern Boulevard (SR 80) Bridges Replacement Project

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included. A temporary bridge has been built north of the existing bridge to maintain traffic while the replacement bascule bridge is under construction.

Cost/Completion: \$97 million. Completion is anticipated in early 2023.

Traffic Impact:

Flagler Drive from Southern Boulevard to Monroe Drive is closed through the end of 2022 as it is reconstructed. Access will be maintained for local traffic only. Traffic will be detoured as follows:

- Traffic going north on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go north on Washington Road to Monroe Drive; go east on Monroe Drive to Flagler Drive.
- Traffic going south on Flagler Drive should: Go west on Monroe Drive to Washington Road; go south on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half-channel navigation. During half-channel closures, the horizontal clearance through the bridge is 40 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

10. Indian Trail Improvement District Traffic Calming Improvements Project

Description: This 2.94-mile project in The Acreage began on October 10. Improvements consist of constructing a raised median at the intersection of Hall Boulevard and Temple Boulevard, constructing two speed tables on Temple Boulevard, and installing six mid-block raised islands along Hall Boulevard and 140th Avenue North. Additional improvements include constructing asphalt sidewalks in select locations and upgrading pavement markings, signage and rumble strips.

Cost/Completion: \$928,650/Spring 2023

Traffic Impact:

- One lane in either direction on Hall Boulevard between 77th Place North and 72nd Court North may be closed from 9 a.m. to 4 p.m. Monday, November 28, through Friday, December 2, to install mid-block islands. Traffic personnel will direct northbound and southbound traffic.
- One lane eastbound, westbound, southbound and northbound may be closed at the intersection of Hall Boulevard and Temple Boulevard from 9 a.m. to 4 p.m. Monday, November 28, through Friday, December 2. Traffic personnel will direct traffic at the intersection. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

11. SR 80/Southern Boulevard at Australian Avenue EB to NB Off-Ramp

Description: This 0.531-mile improvement project on State Road 80/Southern Boulevard eastbound to the northbound off-ramp at Australian Avenue in Palm Beach County began July 24, 2022. Work includes widening eastbound SR 80/Southern Boulevard to include an additional 12-foot travel lane to northbound Australian Avenue, widening the SR 80/Southern Boulevard exit ramp to northbound Australian Avenue to include a 6-foot shoulder and two 12-foot travel lanes, upgrading existing lighting along the exit ramp with LED luminaries, adding new signage, improving the 500-foot retaining wall along the exit ramp, and milling and resurfacing the road with curb and gutter improvements.

Cost/Completion: \$1.5 million. Completion is expected in early 2023.

Traffic Impact:

- Two inside eastbound lanes on Southern Boulevard between Kirk Road and Australian Avenue are closed continuously for widening operations. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valeringroup.com.

12. SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings.

Cost/Completion: \$7 million. Completion is expected in winter 2024.

Traffic Impact:

- One southbound lane on Military Trail from Summit Boulevard to Forest Hill Boulevard may be closed, 9:00 a.m. to 3:00 p.m., Monday through Friday for directional bore and conduit tie-ins. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

13. Australian Avenue Lighting Improvements Project

Description: This 1.13-mile lighting improvements project, from West 1st Street to State Road 708/Blue Heron Boulevard in Palm Beach County began on Monday, November 22, 2021. The City of

Riviera Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four, design and construct the Australian Avenue Lighting Improvements Project, through application to the Palm Beach Transportation Planning Agency and City of Riviera Beach Resolution 2020-0987

Work includes installing a continuous decorative LED lighting system, replacing concrete sidewalk and driveways impacted by LED light pole installations and curb and gutter improvements, and upgrading pedestrian curb ramps and pavement markings to meet current Americans with Disabilities Act (ADA) Requirements.

Cost/Completion: \$3 million. Completion is expected in spring 2023.

Traffic Impact:

- One lane in each direction of Australian Avenue from West 1st Street to Blue Heron Boulevard may be closed daily, 9 a.m. to 3 p.m., Monday through Friday, and nightly, 7 p.m. to 6 a.m., Monday through Thursday for ADA ramp updates, light pole installation, curb improvements, and crosswalk striping.

Pedestrian Impact:

- Australian Avenue, between W. 1st Street and Blue Heron Boulevard has sidewalk closures for ADA ramp updates, light pole installation, curb improvements, and crosswalk striping through spring 2023. Pedestrian closures & detours are as follows:
 - **Southbound sidewalk closures & detour information:**
 - W. 13th Street to Martin Luther King, Jr. Boulevard will have the southbound sidewalk closed (west side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the W. 13th Street and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the east side of the roadway.
 - **Northbound sidewalk closures & detour information:**
 - W 1st. Street to Martin Luther King, Jr. Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the Hill Avenue and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the west side of the roadway.
 - W. 13th Street to Blue Heron Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2023. DETOUR: Pedestrians may cross at W. 13th Street and Blue Heron Boulevard intersections to access the sidewalk on the west side of the roadway. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corrado.com.

14. State Road (SR) A1A Gravity Wall Replacement Project

Description: This 0.171-mile gravity wall replacement project on State Road (SR) A1A adjacent to John D. MacArthur Beach State Park in North Palm Beach began on July 28, 2022. This project

includes replacing the existing gravity wall with a sheet pile wall, replacing sidewalk, curb and gutter, and fencing; milling and resurfacing the roadway; upgrading pavement markings, and signing to the latest standards.

Cost/Completion: 2.3 million/Early 2023

Traffic Impact:

- The northbound lane just north of John D. MacArthur State Park will be closed daily, 7 a.m. to 7 p.m., Monday through Friday, for sheet pile wall work. Two-way traffic will be maintained by a flagging operation. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

15. US 1 Bridge Replacement Project

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway.

Cost/Completion: \$122 million/2026

Traffic Impact:

- One southbound lane on US 1 between Jupiter Cove Drive and CR A1A/Ocean Boulevard may be closed from 9:30 a.m. to 3:30 p.m. Monday, November 28, through Saturday, December 3, for concrete pours at the bascule piers.
- The right-turn lane from northbound US 1 to eastbound Beach Road will be closed from 9:30 a.m. to 3:30 p.m. on Wednesday, November 30, to install Intelligent Transportation System Infrastructure.
- One left-turn lane from northbound US 1 to westbound Indiantown Road will be closed from 9:30 a.m. to 3:30 p.m. Monday, November 28, through Saturday, December 3, for work in the median.
- One southbound lane on US 1 between Breakwater Court and South Coastal Way will be closed from 9:30 a.m. to 3:30 p.m. Monday, November 28, through Saturday, December 3, for work in the median.
- One westbound lane on Indiantown Road east and west of US 1 will be closed from 9:30 a.m. to 3:30 p.m. Wednesday, November 30, through Saturday, December 3, for work in the median.
- The right-turn lane from southbound US 1 to westbound Indiantown Road will be closed from 9:30 a.m. to 3:30 p.m. Wednesday, November 30, through Saturday, December 3, for work in the median.
- The left-turn lane from southbound Alternate A1A to eastbound Indiantown Road will be closed overnight from 9 p.m. to 6 a.m. Monday, November 28, through Thursday, December 1, for work

in the median.

- Alternate A1A's northbound inside lane between the Shoppes of Jonathon's Landing and south of Old Jupiter Beach Road will be closed from 9 p.m. to 6 a.m. Monday, November 28, through Thursday, December 1, for work in the median.
- The outside lane on northbound Alternate A1A north of Riverside Drive and the right-turn lane from Alternate A1A to southbound US 1 is closed continuously through December 16 for intersection improvements at Alternate A1A and Old Dixie Highway.
- Lane closures may occur from 9 p.m. to 6 a.m. Sunday through Saturday on US 1, Indiantown Road, Alternate A1A and Old Dixie Highway.
- Intermittent daytime lane closures may occur on Alternate A1A, Indiantown Road and US 1 from 9 a.m. to 4 p.m. For more information, please contact Community Outreach Specialist Angel Streeter Gardner at 561-886-8773 or angel@valerin-group.com.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee)

16. State Road 700 Hurricane Irma Repairs Project

Description: Construction on this 6.3-mile repairs and safety improvements project began Friday, June 11, 2021, in western Palm Beach County. Work includes embankment repairs on State Road 700 adjacent to the L-10 Canal, including bank stabilization and revetments, replacing the existing span wire signals with mast arms at the intersections of State Road 700 & Muck City Road and State Road 700 & Hatton Highway, new guardrail installation, and replacing/adding traffic signs at various locations.

Cost/Completion: \$8.2 million. Completion is expected in fall 2022.

Traffic Impact:

- One lane in each direction of State Road 700 from Muck City Road to West Main Street may be closed daily, from 6:30 a.m. to 6:30 p.m., Monday through Friday, for road construction activities through November. During this time, a flagging operation will be used to direct traffic northbound and southbound as needed. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

17. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- Northbound and southbound SR 25/US 27 posted speed limits are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project.
- One southbound lane and shoulder from milepost 62 to milepost 65 is closed through December 2022 and one northbound lane and shoulder from milepost 60 to milepost 63 is closed through February 2023 for shoulder widening. Please note continuous lane closures will not exceed 3 miles in each direction. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corradino.com.

18. State Road 25/US 27 Resurfacing and Restoration Project

Description: Construction on this 13-mile resurfacing and restoration project from the Hendry County Line to SR 80/East Palm Beach Road began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings

Cost/Completion: \$18 million. Completion is expected early 2024.

Traffic Impact:

- One southbound lane and shoulder of SR 25/US 27 may be closed intermittently from mile marker 86 to mile marker 75 for shoulder widening. Please note continuous lane closures will not exceed 3 miles. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corradino.com.

19. State Road 15/US 441 Improvements Project

Description: Construction on this 1.90-mile improvements project began on July 29, 2022, in Western Palm Beach County. Work includes milling and resurfacing SR 15 in both directions, upgrading pedestrian lighting with LED luminaires along SE Barack Obama Boulevard at SR 15, installing new sidewalks, crosswalks, and curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signage and pavement markings, and replacing existing guardrail.

Cost/Completion: \$4.5 million. Completion is expected in summer 2023.

Traffic Impacts:

- The southbound lane of State Road 15 from McClure Road to just north of State Market Road will be closed Monday through Saturday, 7 a.m. to 5 p.m., for clearing and grubbing, embankment, and sidewalk work. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreading@corradino.com
