FDOT Treasure Coast Traffic Report

Aug. 26 through Sept. 2

MARTIN, ST. LUCIE & INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewalls Point)

1. State Road 714/SW Martin Highway Widening Project

Description: This 1.127-mile widening project began on Aug. 6, 2021. Project improvements include widening SR 714/SW Martin Highway from a two-lane undivided rural roadway to a four-lane divided urban roadway, widening the bridge over Florida's Turnpike, constructing seven-foot buffered bike lanes and six-foot sidewalks on both sides of the roadway, and installing signing, signalization, and lighting upgrades.

Cost/Completion: \$21.3 million. Completion is expected in fall 2024.

Traffic Impact:

- The westbound bike lanes on SR 714/SW Martin Highway are closed. Cyclists and motorists should share the road. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

2. State Road 5/U.S. Highway 1 Resurfacing Project

Description: This 1.426-mile resurfacing project from SR [732/NW Jensen Beach Boulevard](#) to the Martin County/St. Lucie County line began on Monday, May 2, 2022. Project improvements include milling and resurfacing the existing roadway; adding bicycle lanes within the project limits: 5-foot wide from SR 732/NW Jensen Beach Boulevard to NW Sunset Boulevard and 7-foot wide from NW Sunset Boulevard to the Martin County/St. Lucie County Line; upgrading curb ramps to meet American with Disabilities Act (ADA) standards; and upgrading pedestrian signals, intersection lighting, pavement markings, and signing to current standards.

Cost/Completion: \$3,071,783.35. Completion is expected spring 2023.

Traffic Impact:

- One lane in each direction on U.S. 1 from NW Jensen Beach Boulevard to the Martin County/St. Lucie County line will be closed Monday, Aug. 29 through Thursday, Sept. 1 from 9 a.m. to 4 p.m. for lighting/signal boring work and utility adjustments. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

3. State Road 76/Kanner Highway Resurfacing Project

Description: This 1.4-mile resurfacing project from north of Cabana Point Circle to SR 5/US 1 in the City of Stuart will began on Monday, July 25, 2022. Project improvements include milling and resurfacing the existing roadway; some minor widening will occur along northbound and southbound SR 76/Kanner Highway; upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards; installing sidewalks, signage and pavement markings; upgrading pedestrian lighting at two signalized intersections at SR 714/Monterey Road and SR 5/US 1; and, upgrading or restoring drainage pipes and replacing sections of the City of Stuart's watermain at various locations.

Cost/Completion: \$5,064,094.62. Completion is expected summer 2023.

Traffic Impact:

- Two northbound lanes of SR 76/Kanner Highway from SE Trafalgar Terrace to U.S. 1 may be closed nightly Monday, Aug. 29 through Thursday, Sept. 1, from 8 p.m. to 6:30 a.m., for drainage

work, sidewalk demolition, concrete pours, and lighting work.

- Two southbound lanes of SR 76/Kanner Highway from SE Trafalgar Terrace to U.S. 1 may be closed nightly Monday, Aug. 29 through Thursday, Sept. 1, from 8 p.m. to 6:30 a.m., for drainage work, sidewalk demolition, concrete pours, and lighting work.
- One southbound lane of SR 76/Kanner Highway between SE Trafalgar Terrace and U.S. 1 may be closed Monday, Aug. 29 through Thursday, Sept. 1 from 8 a.m. to 4 p.m., for drainage work, sidewalk demolition, concrete pours, and lighting work.
- One northbound lane of SR 76/Kanner Highway between SE Trafalgar Terrace and U.S. 1 may be closed Monday, Aug. 29 through Thursday, Sept. 1, from 8 a.m. to 4 p.m., for drainage work, sidewalk demolition, concrete pours, and lighting work.
- One westbound lane on SR 714/SW Monterey Road from the Monterey Shopping Plaza driveway to the European Kitchen and Bath driveway may be closed Monday through Friday beginning Tuesday, Sept. 6 through Tuesday, Sept. 20 from 8 a.m. to 4 p.m. for lighting foundation installation.
- One eastbound lane of SR 714/Monterey Road between Riverwatch Marina and SR 76/S Kanner Highway may be closed Monday through Friday beginning Tuesday, Sept. 6 through Tuesday, Sept. 20 from 8 a.m. to 4 p.m. for lighting foundation installation. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

4. State Road 9/I-95 Weigh In Motion (WIM) Stations Highway Lighting Improvements Project

Description: This 1-mile (0.5 mile for each WIM station) on SR 9/I-95 from just south of SW Becker Road to just north of SR 706/Indiantown Road in Martin County is anticipated to begin August 29, 2022. Project improvements consist of removing the existing highway lighting features and installing new highway lighting, electrical, and other incidental construction.

Cost/Completion: \$1,074,789. Completion is expected spring 2023.

Traffic Impact:

- The southbound WIM station located just south of the Becker Road interchange is open.
- **Advanced Notice:** Beginning at 12 a.m., Monday, Aug. 29, the northbound WIM station located just north of Indiantown Road will be closed around-the clock through Tuesday, Dec. 27, for removal of the existing highway lighting features and installation of new highway lighting. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

5. Kings Highway Widening Project, from South of State Road 70 to North of the I-95 Overpass

Description: Kings Highway / State Road 713 is being widened from south of State Road 70 to north of the I-95 overpass in the City of Ft. Pierce and unincorporated St. Lucie County. The improvements on this 3.417-mile project include: reconstructing the existing two-lane undivided Kings Highway with a newly constructed four lane divided roadway, relocating Canal No. 40 and Canal No. 32E to accommodate widening to the west, realigning Kings Highway at the intersection with Okeechobee Road which will improve the existing connection with the Turnpike, replacing existing culverts/swales and installing a closed drainage system and retention ponds, installing a new highway lighting system, and upgrading signalization with vehicle detection devices and ITS cameras.

Cost/Completion: \$45.2 million. Completion is expected in winter 2022.

Traffic Impact:

- The speed limit on Kings Highway from south of Okeechobee Road / State Road 70 to north of the I-95 overpass has been temporarily reduced from 50 MPH to 40 MPH. This speed limit reduction will be in place through the end of the project.
- One lane in either direction of Kings Highway may be intermittently closed Monday through Thursday from 9 a.m. to 4 p.m. through fall 2022 for roadway work. Two-way traffic will be maintained by a flag crew. During this time, intermittent side street closures may occur, maintaining two-way traffic at all times.
- Southbound and northbound Kings Highway at the Orange Avenue intersection is reduced to one lane in each direction through summer 2022, temporarily removing the designated turning lanes, to facilitate roadway reconstruction.
- Eastbound Orange Avenue just west of Kings Highway is reduced to one through lane through summer 2022 to facilitate roadway reconstruction.
- Northbound and southbound traffic on Kings Highway from just north of Crossroads Parkway to south of Orange Avenue is shifted to the east on the newly constructed road to facilitate reconstruction of Kings Highway.
- Traffic on Kings Highway between the State Road 70/Okeechobee Road intersection and Pruitt Research Center Road was shifted to the newly constructed southbound lanes, to allow for widening operations and new northbound lane construction through early summer 2022. One lane of traffic will remain open in each direction, separated by double yellow lines (no passing zone).
- Northbound and southbound traffic on Kings Highway between north of Picos Road and Orange Avenue was shifted to the new northbound pavement, to allow for widening operations and southbound lane construction through fall 2022. One lane of traffic will be open in each direction separated by double yellow lines (no passing zone).
- Northbound and southbound traffic on Kings Highway just south of Orange Avenue was shifted to the new southbound pavement until Access Road, where northbound traffic will shift back onto the existing northbound pavement to allow for widening operations and lane construction through fall 2022. One lane of traffic will remain open in each direction, separated by double yellow lines (no passing zone).
- One lane in either direction of Kings Highway from Okeechobee Road to north of the I-95 bridge will be closed intermittently Monday, Aug. 29 through Thursday, Sept. 1 from 6 a.m. to 4 p.m. for roadway work. Traffic will be maintained by a flag crew.
- One lane in either direction of Kings Highway from Okeechobee Road to north of the I-95 bridge will be closed Sunday, Aug. 28 through Thursday, Sept. 1 from 8 p.m. to 6 a.m. for maintenance of traffic control work.

- One lane in either direction of Orange Avenue from just west of Kings Highway to just east of Kings Highway will be closed Sunday, Aug. 28 through Thursday, Sept. 1 from 8 p.m. to 6 a.m. for drainage work. Traffic will be maintained by a flag crew. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

6. **SW Port St. Lucie Boulevard Widening Project, from South of SW Alcantarra Boulevard to South of SW Darwin Boulevard**

Description: Construction on this 0.713-mile widening project began on Thursday, Jan. 27, 2022, in the City of Port St. Lucie. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 18-R42. Project improvements include widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, installing three new signalized intersections with mast arms at SW Alcantarra Boulevard, SW Tulip Boulevard, and SW Tunis Boulevard, adding a right turn lane on SW Port St. Lucie Boulevard's north approach to SW Alcantarra Boulevard, constructing an 18' wide raised median with curb and gutter, upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards, constructing 8'-10' wide sidewalks on both sides of SW Port St. Lucie Boulevard for pedestrian and bicycle use, and 6' wide sidewalks on side streets, installing a new closed drainage system, signing, pavement markings, signalization, and lighting upgrades, and landscaping for the median including trees, irrigation and stamped concrete.

Cost/Completion: \$11,570,179. Completion is expected summer 2024.

Traffic Impact:

- One lane in each direction on SW Port St. Lucie Boulevard between SW Squirrel Avenue and SW Darwin Boulevard will be closed Monday, Aug. 29 through Thursday, Sept. 1, from 8 a.m. to 3 p.m. to install line stops and connections, and chlorination and pressure testing. Flagging operations will be in place to direct traffic. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

City of Port St. Lucie project/adjacent to project corridor:

The Port St. Lucie Boulevard South Project Segment 3, managed by the City of Port St. Lucie, is reconstructing approximately 0.7 miles of the existing four-lane roadway from SW Gatlin Boulevard to SW Darwin Boulevard and a portion of SW Darwin Boulevard through Winter 2023.

Traffic Impact:

- Speed limit lowered to 30 mph for the duration of the construction project.
- Closure of existing median openings at both SW Yale Street and SW Cairo Avenue.
- One northbound through lane will be eliminated on SW Port St. Lucie Boulevard north of SW Aurelia Avenue to Gatlin Boulevard, leaving one through lane and one dedicated left turn lane onto westbound Gatlin Boulevard. For more information about the City of Port St. Lucie's Segment 3 Project, please contact Beth Zsoka, Project Public Information Specialist at 772-871-5176.

7. St. Lucie West Boulevard Widening Project, from Commerce Center Drive to Peacock Boulevard

Description: This 1.814-mile widening project began on Monday, January 24, 2022, in the City of Port St. Lucie. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 20-R75. Project improvements include constructing a new 3-lane eastbound bridge over I-95, separated 10-feet from the existing bridge; widening St. Lucie West Boulevard to accommodate two (2) eastbound and westbound travel lanes, with a third eastbound lane between the I-95 southbound and northbound ramps, two (2) eastbound left turn lanes at the I-95 northbound on ramp, two (2) westbound right turn lanes at the I-95 northbound on ramp; reconstructing/widening the I-95 ramps; connecting the existing St. Lucie West Boulevard roadway to the new eastbound bridge from the east and west directions; constructing 7-foot buffered bike lanes/paved shoulder and 5-foot to 6-foot wide sidewalks on both sides of the roadway; constructing a 22-foot to 40-foot lane-line to lane-line curbed median with curb and gutter; installing fencing retrofits on the north side of the existing bridge, and new railing on the eastbound bridge; and, installing new traffic signals with enhanced synchronization and timing at I-95 ramps.

Cost/Completion: \$15,518,729. Completion is expected summer 2023.

Traffic Impact:

- Eastbound St. Lucie West Boulevard to southbound I-95 traffic is shifted to the newly paved temporary on-ramp.
- Eastbound and westbound traffic on St. Lucie West Boulevard just west of I-95 near the southbound on and off-ramps is shifted to the north through Aug. 2022.
- The eastbound lane of St. Lucie West Boulevard just west of the I-95 northbound on and off-ramps will be shifted to the south through Sept. 2022.
- The bike lane and shoulder along eastbound St. Lucie West Boulevard are closed through Sept. 2022. The asphalt pathway along westbound St. Lucie West Boulevard will be open and can be used by bicycles.
- Traffic on the northbound I-95 on-ramp is shifted to the outside (right) lane through February 2023 to facilitate roadway construction operations.
- Traffic on the northbound I-95 off-ramp is shifted to the inside (left) lane to facilitate roadway construction operations through November 2022. The dedicated right turn lane is still in place and operational.
- Intermittent shoulder closures may occur Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 7 a.m. to 5 p.m. for road work at the following locations:
 - Northbound and southbound I-95 mainline from just north and south of the St. Lucie West Boulevard overpass
 - All I-95 on and off-ramps at St. Lucie West Boulevard
 - Eastbound and westbound St. Lucie West Boulevard from Champions Way to SW Peacock Boulevard
- One lane in either direction of St. Lucie West Boulevard between Champions Way and SW Peacock Boulevard may be intermittently closed Monday, Aug. 29 through Thursday, Sept. 1,

and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 10 p.m. to 6 a.m. for roadway work. A flagging operation will be in place to help direct traffic.

- One northbound and southbound lane of I-95 may be intermittently closed from just north and south of the St. Lucie West Boulevard overpass Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 7 a.m. to 5 p.m. for bridge work.
- One northbound and southbound lane of I-95 may be intermittently closed from just north and south of the St. Lucie West Boulevard overpass Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 8 p.m. to 6 a.m. for bridge work and material deliveries. No more than one lane will be closed at a time in either direction of I-95.
- Two southbound and northbound lanes of I-95 from one mile south to one mile north of the St. Lucie West Boulevard overpass may be intermittently closed Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 11 p.m. to 5 a.m. for bridge work.
- **Advanced Notice:** Beginning, Tuesday, Sept. 6, traffic on the southbound I-95 off-ramp may be shifted to the inside (left) lane eliminating the dedicated right turn lane onto westbound St. Lucie West Boulevard to facilitate roadway construction operations through Nov. 2022. The traffic shift is expected to be completed by Friday, Sept. 9, pending weather and unforeseen circumstances.
- **Advanced Notice:** Beginning, Tuesday, Sept. 6, traffic on the eastbound St. Lucie West Boulevard to the southbound I-95 on-ramp may be shifted to the new temporary on-ramp just east of the existing on-ramp to facilitate roadway construction operations through Nov. 2022. The traffic shift is expected to be completed by Friday, Sept. 9, pending weather and unforeseen circumstances. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

8. State Road 716/Port St. Lucie Boulevard Over Long Creek & N. Fork of the St. Lucie River Bridge Rehabilitation Project

Description: This 0.3-mile bridge rehabilitation project began on Saturday, March 19, 2022, in the City of Port St. Lucie. Project improvements include removing the existing deteriorated east and west seawalls (concrete caps and steel sheet piles) and replacing with rubble riprap slope protection, and repairing the existing spalls in the concrete piles and concrete beams at various locations.

Cost/Completion: \$1,436,682. Completion is expected fall 2022.

Traffic Impact:

- One westbound lane on SR 716/Port St. Lucie Boulevard from SE Veterans Memorial Parkway and SE Floresta Drive may be closed from 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, for material removal.
- Two westbound lanes on SR 716/Port St. Lucie Boulevard from Shelter Drive to SE Floresta Drive may be closed nightly from 8 p.m. to 7 a.m., Friday, Aug. 26 through Thursday night, Sept. 1, for material removal and rock placement. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

9. State Road A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This bridge replacement project is anticipated to begin in fall 2022, in the City of Fort Pierce. Project improvements include constructing a new high-level fixed bridge connected directly to U.S. 1 over the FEC Railroad, Old Dixie Highway, and the ICWW featuring: one (1) 12-foot travel lane in each direction and navigational clearances of 85-foot vertical and 125-foot horizontal at the waterway channel; installing a barrier protected sidewalk on the south side of the bridge and a barrier protected, buffered shared-use path on the north side of the bridge; building an Observation Deck beneath the west side of the new bridge structure; installing 7-foot buffered bicycle lanes within shoulders on either side of SR A1A; constructing a shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway; constructing a new access road under the bridge to businesses east of the FEC Railroad; extending Juanita Avenue from U.S. 1 to Old Dixie Highway; and, connecting U.S. 1 and Old Dixie Highway along Sunny Lane.

Cost/Completion: \$111,595,617. Completion is expected summer 2026.

Traffic Impact:

- All lanes are open. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

10. State Road 9/I-95 Northbound and Southbound Off-Ramps at Gatlin Boulevard Roadway Improvements Project

Description: This 1.4-mile roadway improvements project began on Friday, June 10, 2022. Project improvements include widening southbound I-95 to provide a 12-foot auxiliary lane and a 12-foot shoulder (10-foot paved); widening I-95 southbound Gatlin Boulevard off-ramp for the addition of a right-turn lane and a left-turn lane; widening the inside of the I-95 northbound Gatlin Boulevard off-ramp to provide three (3) left-turn lanes; widening eastbound and westbound Gatlin Boulevard to provide three 15-foot left-turn lanes; modifying drainage to an open system with dry ponds; installing one cantilever sign structure at the southbound I-95 off-ramp; and adding new signing and pavement markings.

Cost/Completion: \$4,627,785.77. Completion is anticipated fall 2023.

Traffic Impact:

- The outside or inside ramp lane of the northbound I-95 to eastbound and westbound Gatlin Boulevard exit ramp may be closed Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday, Sept. 30, from 9 a.m. to 4 p.m. for roadway work.
- One lane in each direction of Gatlin Boulevard from just east and west of the northbound and southbound I-95 off-ramps at Gatlin Boulevard may be closed Monday, Aug. 29 through Thursday, Sept. 1, and Monday through Friday, beginning Tuesday, Sept. 6 through Friday Sept. 30, from 7 a.m. to 5 p.m. for drilled shaft work. During this time, sections of the sidewalks will be closed, and pedestrian detours will be in place.
- **Advanced Notice:** The northbound I-95 to eastbound and westbound Gatlin Boulevard off-ramp will be closed Wednesday night, Sept. 7, from 9 p.m. to 6 a.m., weather permitting, for removal

of the existing striping and to install new striping. If needed, this ramp closure may also occur nightly Sunday, Sept. 11, Tuesday, Sept. 13, and Thursday, Sept. 15, from 9 p.m. to 6 a.m. Motorists heading north on I-95 to eastbound and westbound Gatlin Boulevard should take the Becker Road exit ramp (Exit 114), then turn right onto Becker Road, turn left onto SW Port St. Lucie Boulevard to Gatlin Boulevard.

- **Advanced Notice:** The southbound I-95 to eastbound and westbound Gatlin Boulevard off-ramp will be closed nightly, Tuesday, Sept. 6 and Thursday, Sept. 8, from 9 p.m. to 6 a.m., weather permitting, to install a barrier wall and restripe the roadway. If needed, this ramp closure may also occur nightly, Monday, Sept. 12 and Wednesday, Sept. 14, from 9 p.m. to 6 a.m. Motorists heading south on I-95 to eastbound and westbound Gatlin Boulevard should take the Crosstown Parkway exit ramp (Exit 120), turn right onto Crosstown Parkway, turn left onto SW Village Parkway to Gatlin Boulevard. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)

11. SR A1A and SR 5/US 1 Roadway Improvements Project

Description: This roadway improvements project is anticipated began August 26, 2022. The SR A1A from south of Jasmine Lane to north of SR 60/Beachland Boulevard project improvements consist of repaving and restriping the existing asphalt pavement; widening the roadway to accommodate a 7-foot buffered bicycle lane; constructing a 6-foot sidewalk on the east side (northbound direction); upgrading drainage, signage and pavement markings; upgrading existing curb ramps to meet Americans with Disabilities Act (ADA) standards; adding two signalized pedestrian mid-block crossings at Iris Lane and Dahlia Lane; and, upgrading pedestrian signal and lighting at the intersection of SR A1A and SR 60/Beachland Boulevard. SR A1A and SR 5/US 1 turn lanes project improvements consist of constructing a southbound right turn lane at the intersection of SR 5/US 1 and 8th Street; extending the southbound right turn lane at the intersections of SR A1A and the 17th Street Causeway and SR A1A and SR 60/Beachland Boulevard; and upgrading existing drainage.

Cost/Completion: \$5.6 million. Completion is anticipated fall 2023.

Traffic Impact:

- One northbound lane of SR A1A between Jasmine Lane and Banyan Road will be closed from 9 a.m. to 3:30 p.m., Monday, Aug. 29 through Thursday, Sept. 1, and Tuesday, Sept. 6 through Wednesday, Sept. 7, for low profile barrier wall installation. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewalls Point)

HOBE SOUND:

Northbound I-95 at Bridge Road, in Hobe Sound, around-the-clock, Monday, Aug. 22 through Wednesday, Aug. 31, 1 outside lane of 3 lanes closed, for repair work to the outermost beam beneath the bridge. Two inside lanes of I-95 northbound will remain open during the repair as well as all three southbound lanes. For more information, please contact Guillermo Canedo, Communications Manager, FDOT District Four at 954-777-4302.

Eastbound and westbound SE Bridge Road between SW Pratt Whitney Road and SE Federal Highway, in Hobe Sound, 9 p.m. to 5 a.m., Sunday, Aug. 21 through Friday, Sept. 16, 1 of 2 lanes intermittently closed, for installation of traffic safety measures and pavement markings. Motorists are encouraged to follow detours, exercise caution, and expect delays. For more information, please contact Tom Linsely, Martin County Public Works Department at 772-201-9683.

Southbound U.S. 1 between SE Split Oak Trail and SE Heritage Boulevard, in Hobe Sound, 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, 1 of 2 lanes may be closed, for FP&L utility pole installation and wiring operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound and southbound U.S. 1 between Poinciana Lane and Woodmill Pond Lane, in Hobe Sound, 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, 1 of 2 lanes may be closed, for FP&L utility pole installation and wiring operations. For more information, please contact Rafael Ureña at 772-882-5084.

JENSEN BEACH:

Eastbound and westbound Jensen Beach Boulevard at the intersection of Goldenrod Road, in Jensen Beach, 9 a.m. to 4 p.m., Tuesday, Aug. 16 through Friday, Sept. 2, 1 of 6 lanes intermittently closed, for overhead maintenance work on traffic signals. Motorists, pedestrians, and cyclists are encouraged to find detours, exercise caution, and expect delays. For more information, please contact Luis Pille, Martin County Public Works Department at 772-463-2867.

Northbound and southbound Goldenrod Road at the intersection of Jensen Beach Boulevard, in Jensen Beach, 9 a.m. to 4 p.m., Tuesday, Aug. 16 through Friday, Sept. 2, 1 of 5 lanes intermittently closed, for overhead maintenance work on traffic signals. Motorists, pedestrians, and cyclists are encouraged to find detours, exercise caution, and expect delays. For more information, please contact Luis Pille, Martin County Public Works Department at 772-463-2867.

Northbound U.S. 1 between NW Sunset Boulevard and NW Goldenrod Road, in Jensen Beach, 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, 1 of 3 lanes closed, for FP&L pole removal and installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

PALM CITY:

Northbound and southbound SW Matheson Avenue between SW Martin Downs Boulevard and SW Murphy Road, in Palm City, 8:30 a.m. to 4 p.m., through Wednesday, Aug. 31, 1 of 2 lanes intermittently closed, for overhead utility work. Sections of the sidewalk will be closed. Motorists are encouraged to follow detours, exercise caution, and expect delays. For more information, please contact Carol Higgins at 772-288-5462.

PORT MAYACA:

Northbound SR 441 between 1.5 miles south of Kanner Highway and .5 miles south of Morning Start Farms Road, in Port Mayaca, 9 a.m. to 4 p.m., Thursday, Sept. 1 through Wednesday, Oct. 12, 1 of 2 lanes closed, for power pole replacement operations. For more information, please contact James Edwards at 772-321-7926.

STUART:

Northbound and southbound U.S. 1 between SE Monterey Road and Washington Street, in Stuart, 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, 1 of 3 lanes closed, for FP&L pole installation operations and transferring of existing utilities. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between SE Salerno Road and SE Dominica Terrace, in Stuart, 9 a.m. to 4 p.m., Friday, Aug. 26 through Thursday, Sept. 1, 1 of 3 lanes may be closed, for FP&L pole installation operations and transferring of existing utilities. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound S Kanner Highway between SE Green Lane to just 700-feet west of SE Green Lane, in Stuart, 9 a.m. until 4 p.m., Monday through Friday, extended through Monday, Oct. 31, 1 of 3 lanes closed, for turn lane, curb and sidewalk reconstruction. For more information, please contact Victoria Perez 561-777-0723.

Northbound S Kanner Highway between Southwest Appaloosa Street and Southeast Green Lane, in Stuart, 9 a.m. until 4 p.m., Monday through Friday, extended through Monday, Oct. 31, 1 of 3 lanes closed, for new left turn lane installation. For more information, please contact Victoria Perez 561-777-0723.
