FDOT Palm Beach County Traffic Report

May 12 – May 17, 2023

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note, that any full road, ramp, or bridge closures have been highlighted below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on Twitter and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

INTERSTATE 95

1. **I-95 from south of Glades Road to south of Linton Boulevard and SR 808/Glades Road from NW 22nd Way to West University Drive in the Cities of Boca Raton and Delray Beach (95 Express Phase 3B-2)**

Description: 95 Express Lanes Phase 3B-2 will extend the existing Express Lanes north from just south of Glades Road to just south of Linton Boulevard in Palm Beach County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to

create two Express Lanes in each direction. The number of General Use lanes will remain the same. Access to the Express Lanes will be provided via two designated ingress and egress locations—between Glades Road and Congress Avenue. The scope of work includes reconfiguration of the SR 808/Glades Road Interchange to a Diverging Diamond Interchange (DDI). Additional project improvements include overhead sign structure installation, Intelligent Transportation System (ITS) and Express Lane markers, new signalization, lighting, signing and pavement markings, and ramp signalization at five interchanges from Glades Road to Linton Boulevard. Shoulder-mounted sound barrier walls will be constructed along I-95 northbound between Clint Moore Road and Linton Boulevard, ground-mounted sound walls will be installed on the south side of Yamato Road east of I-95 adjacent to the University Heights Community and along I-95 northbound south of Linton Boulevard adjacent to the Tierra Verde Community. The Clint Moore Road Bridge over I-95 will be fully reconstructed and the Glades Road bridge over the South Florida Regional Transportation Authority (SFRTA) railroad tracks and Military Trail and the I-95 bridge over the C-15 Canal (between Peninsula Drive and Linton Boulevard) will be widened. For more information, please contact I-95 Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

Cost/Completion: \$148 million. Completion is expected in late 2023.

I-95 Traffic Impact:

- I-95 will have up to four lanes closed in each direction nightly, 9 p.m. until 5:30 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 11 p.m.
- I-95 southbound from Spanish River [Boulevard](#) to Glades Road is in a new traffic pattern with traffic shifted to the outside to allow for median construction, through [May 2023](#).
- **Advanced Notice:** The southbound express lanes at the Congress Avenue entry point will be closed to traffic, 10 p.m., Friday night, May 19 until 11 p.m., Saturday, May 20 for final paving, striping and tubular marker installation.
- **Advanced Notice:** I-95 southbound between Yamato Road and just north of Glades Road will have the express lanes and two inside general use lanes closed for final paving, striping and tubular marker installation, 11 p.m. Friday night, May 19 until 9 a.m. Saturday, May 20. One general use lane and auxiliary lane will remain open during this operation.
- **Advanced Notice:** I-95 southbound between Yamato Road and just north of Glades Road will have the express lanes and one inside general use lane closed for final paving, striping and tubular marker installation, 9 a.m. until 11 p.m., Saturday May 20. Two general use lanes and auxiliary lane will remain open during this operation.
- **I-95 Southbound Full Closure Notice:** All I-95 southbound lanes at Linton Boulevard will be closed to traffic overnight, 11 p.m. until 5 a.m., Monday, May 15 for overhead sign structure operations. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Linton Boulevard, Congress Avenue and Peninsula Corp. Drive to the I-95 southbound entrance ramp. FHP will be onsite to assist motorists. Tuesday, May 16 will be used as a contingency night if needed. Please see detour flyer attached.

- **I-95 Southbound Full Closure Notice:** All I-95 southbound lanes at Congress Avenue will be closed to traffic overnight, 11 p.m. until 5 a.m., Wednesday, May 17 for overhead sign structure operations. The first lane will close at 9 p.m., the second lane will close at 10 p.m., and all lanes will be closed by 11 p.m., reopening by 5 a.m. Traffic will be detoured via the I-95 southbound exit ramp to Congress Avenue, Congress Avenue and SR-794/Yamato Road. FHP will be onsite to assist motorists. Thursday, May 18 will be used as a contingency night if needed. Please see detour flyer attached.

Glades Road Impact:

- The SR-808/Glades Road and I-95 interchange is in a new Diverging Diamond configuration. Please use caution as you approach the interchange – the posted speed is 35 MPH. Keep the crossover intersections clear like you would on any other roadway.
- One eastbound and westbound lane of the DDI will be closed, as needed, 9:30 a.m. until 4 p.m., Monday through Friday, for grading and sod placement.
- Westbound Glades Road, between St. Andrews Blvd and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday.
- Eastbound Glades Road, between St. Andrews Boulevard and University Drive/FAU Blvd, will have one lane closed daily, 9:30 a.m. until 4 p.m., Monday through Friday and from 9 p.m. until 6 a.m., Sunday through Thursday.

Military Trail Impact:

- No impacts anticipated.

Ramp Impact:

- The I-95 northbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Glades Road, Jog Road, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound entrance ramp from eastbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound Glades Road, N Federal Highway, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Glades Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Glades Road, Powerline Road, and Palmetto Park Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance from eastbound Glades Road will be closed as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound [Glades Road](#), [US-1](#)/Federal Highway and Palmetto Park Road.
- The I-95 northbound exit ramp to Spanish River Boulevard will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 north, Yamato Road east, N Federal Highway, and Spanish River Boulevard. FHP will be onsite to assist motorists.

- The I-95 northbound entrance ramp from Congress Avenue and Peninsula Corp. Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via southbound I-95 and Yamato Road. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Congress Avenue will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via I-95 and Linton Boulevard. FHP will be on site to assist motorists.
- The I-95 northbound exit ramp to Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue/Peninsula Corp Drive, Congress Avenue, and Yamato Road. FHP will be on site to assist motorists.
- The I-95 southbound exit ramp to Yamato Road/Spanish River Blvd will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Peninsula Corp Dr, Congress Ave. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from eastbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via eastbound Yamato Road, US-1/Federal Highway south, westbound Glades Road, and the I-95 southbound entrance ramp from Glades Road. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from westbound Yamato Road will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via westbound Yamato Road, Congress Ave, Peninsula Corp Drive, and the I-95 southbound entrance ramp from Peninsula Corp Drive. FHP will be on site to assist motorists.
- The I-95 southbound entrance ramp from Peninsula Corp Drive will be closed nightly as needed, 11 p.m. until 5 a.m., Sunday through Thursday. Traffic will be detoured via Congress Avenue and Yamato Road. FHP will be on site to assist motorists.

Clint Moore Road Impact:

- One inside lane in each direction and the westbound outside lane are open to vehicular traffic. To ensure public safety, the eastbound outside lane remains closed during drainage installation operations.
- To ensure public safety while performing drainage operations, the eastbound lanes of Clint Moore Road over I-95 will be closed nightly, 10 p.m. until 5:30 a.m., Sunday through Thursday, through May 18. Eastbound traffic will be detoured via Congress Avenue or Park of Commerce Boulevard, Yamato Road and NW 2nd Avenue. First responder access will be maintained.
- To ensure pedestrian safety during drainage activities, the south sidewalk of Clint Moore Road from Congress Avenue to NW 2nd Avenue is closed through May 31, 2023. Pedestrian traffic is being detoured to the north sidewalk during this phase of construction.
- **Advanced Notice:** To complete drainage installation across eastbound and westbound lanes of Clint Moore Road over I-95, all lanes of Clint Moore Road approaching I-95 will be closed to traffic, 6 a.m., Sunday morning, May 21 through 5 a.m., Monday morning, May 22. Eastbound traffic will be detoured via Congress Avenue or Park of

Commerce Boulevard, Yamato Road and NW 2nd Avenue. Westbound traffic will be detoured via NW 2nd Avenue, Yamato Road and Park of Commerce Boulevard.

Yamato Road Impact:

- Eastbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.
- Westbound Yamato Road at I-95 will have one outside lane closed as needed, 9:30 a.m. until 4 p.m., Monday through Friday.

2. I-95 from south of 10th Avenue North to north of SR 882/Forest Hill Boulevard Safety Improvements Project

Description: This 2.75-mile project located in West Palm Beach and Lake Worth Beach began on August 10, 2022. Improvements include milling and resurfacing segments of I-95 in both directions, installing new signage, including an overhead Dynamic Message Sign on I-95 northbound just south of 10th Avenue North, upgrading existing lighting with LED luminaires and installing a new Road Weather Information System (RWIS).

Cost/Completion: \$3.4 million/Fall 2023

Traffic Impact:

- I-95 at 10th Avenue North may have one lane in both directions closed nightly from 10 p.m. to 5:30 a.m. Sunday, May 14, through Thursday, May 18, to install underdeck lighting.
- I-95 between Forest Hill Boulevard and 10th Avenue North may have one outside lane in either direction closed nightly from 10 p.m. to 5:30 a.m. Sunday, May 14, through Thursday, May 18, to install Intelligent Transportation System infrastructure.
- Forest Hill Boulevard under I-95 may have one lane in either direction closed nightly from 10 p.m. to 5:30 a.m. Sunday, May 14, through Thursday, May 18, to install underdeck lighting.
- 17th Avenue North under I-95 will have one lane in either direction closed nightly from 10 p.m. to 5:30 a.m. Sunday, May 14, through Thursday, May 18, to install underdeck lighting. For more information, please contact I-95 Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

3. SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project

Description: This 0.65-mile project in Palm Beach Gardens began on November 9, 2022. Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded.

Cost/Completion: \$9,977,382/Spring 2024

Advanced Notice: Full closure the southbound I-95 entrance ramp from westbound PGA Boulevard, will be closed to overnight traffic, from 9 p.m. until 5 a.m., Tuesday, May 30 through Monday, June 5, for milling, resurfacing, and temporary striping work.

Traffic will be detoured to Northlake Boulevard's I-95 entrance ramp via SR 809/Military Trail.

Traffic Impact: All lanes are open. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

-

SOUTHERN PALM BEACH COUNTY PROJECTS (Boca Raton, Delray Beach)

4. George Bush Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project, from NE 2nd Avenue to State Road A1A in the City of Delray Beach, began Monday, July 19, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four design and construct this project through application to the Palm Beach Transportation Planning Agency and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing with minor widening, concrete sidewalk, and driveway replacement, including curb and gutter improvements, signing and pavement marking upgrades, including bike lane and detectable warning surfaces, and drainage and utility improvements.

Cost/Completion: \$2 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of George Bush Boulevard from A1A to NE 2nd may be closed nightly, Sunday through Thursday, from 10 p.m. until 7 a.m. for paving activities.
- One lane in each direction of George Bush Boulevard from NE 2nd Avenue to State Road A1A/N Ocean Boulevard may be closed daily, Monday through Friday, 7 a.m. to 6 p.m., for grading and sod installation. A flagging operation will direct eastbound and westbound traffic as needed. Emergency vehicles, local driveway, and pedestrian access will be provided at all times. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

5. Homewood Boulevard Improvements Project

Description: This 0.8-mile roadway improvements project from Old Germantown Road to Lawson Boulevard in the City of Delray Beach began Friday, November 12, 2021. The City of Delray Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT) District Four design and construct the Homewood Boulevard Improvements Project through application to the Palm Beach Transportation Planning

Agency, Palm Beach County Resolution 2021-0169, and City of Delray Beach Resolution 06-18. Work includes milling and resurfacing the roadway with minor widening; concrete sidewalk and driveway replacement, including curb and gutter improvements; signing and pavement marking upgrades, including bike lane and detectable warning surfaces; installation of four (4) new signal mast arms at Linton Blvd. to meet current standards; and drainage and utility improvements.

Cost/Completion: \$2.5 million. Completion is expected in early 2023.

Traffic Impact:

- All lanes open. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lantana, Lake Worth Beach, The Acreage, West Palm Beach, Palm Beach)

6. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on Monday, November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting.

Cost/Completion: \$14 million. Completion is expected in winter 2024.

Traffic Impacts:

- The inside eastbound lane on Lake Worth Road from Kirk Road to Davis Road is closed for force main construction.
- The inside westbound lane on Lake Worth Road from Davis Road to Kirk Road may be closed daily from 7 a.m. until 3:30 p.m. for force main construction.
- The middle eastbound lane on Lake Worth Road from Kirk Road to Davis Road may be closed daily from 7 a.m. until 3:30 p.m. for force main construction.
- The middle westbound lane on Lake Worth Road from Davis Road to Kirk Road may be closed daily from 7 a.m. until 3:30 p.m. for force main construction. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

7. US-1/SR-805 Lighting and Signalization Improvements Project

Description: This 0.400-mile project began on Thursday, August 11, 2022. Work includes installing new steel mast arms at the intersections of US-1/Lake Avenue and US-1/Lucerne Avenue, installing new light poles with LED Luminaires, replacing concrete sidewalk, driveways, and curb and gutter impacted by LED light pole installation, signing, and pavement marking upgrades, including detectable warning surfaces, improving intersection street lighting and pedestrian signalization.

Cost/Completion: \$1 million/This project was completed on May 11, 2023

Traffic Impact: All lanes are open. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

8. Southern Boulevard (SR 80) Bridges Replacement Project

Description: This 0.76-mile project includes replacing the existing bascule (draw) bridge and tide relief bridge over the Intracoastal Waterway (ICWW) and Lake Worth Lagoon between the Town of Palm Beach and the City of West Palm Beach. The project limits are between Washington Road in West Palm Beach and State Road A1A/South Ocean Boulevard in Palm Beach. New decorative lighting, pedestrian features, traffic signals, signage and drainage are included.

Cost/Completion: \$97 million. Completion is anticipated in summer 2023.

Traffic Impact:

- Flagler Drive from Southern Boulevard to Monroe Drive is closed through summer 2023 as it is reconstructed. Access will be maintained for local traffic only. Traffic will be detoured as follows:
 - Traffic going north on Flagler Drive should: Go west on Southern Boulevard to Washington Road; go north on Washington Road to Monroe Drive; go east on Monroe Drive to Flagler Drive.
 - Traffic going south on Flagler Drive should: Go west on Monroe Drive to Washington Road; go south on Washington Road to Southern Boulevard; go east on Southern Boulevard to Flagler Drive.

Marine Impact:

- The navigable waterway through the Southern Boulevard Bridge is restricted to half-channel navigation. During half-channel closures, the horizontal clearance through the bridge is 40 feet.
- The schedule of channel restrictions is published in the U.S. Coast Guard's Local Notice to Mariners at www.navcen.uscg.gov.
- The Southern Boulevard Bridge opens for marine traffic twice per hour at 15 minutes and 45 minutes past the hour. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

9. Indian Trail Improvement District Traffic Calming Improvements Project

Description: This 2.94-mile project in The Acreage began on October 10, 2022. Improvements consist of constructing a raised median at the intersection of Hall Boulevard and Temple Boulevard, constructing two speed tables on Temple Boulevard, and installing six mid-block raised islands along Hall Boulevard and 140th Avenue North. Additional improvements include constructing asphalt sidewalks in select locations and upgrading pavement markings, signage and rumble strips.

Cost/Completion: \$928,650/This project was completed on May 2, 2023.

Traffic Impact: All lanes are open. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

10. **SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project**

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings.

Cost/Completion: \$7 million. Completion is expected in winter 2024.

Traffic Impact:

- All lanes open. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

11. **SR 710/Beeline Highway Resurfacing and Restoration Project**

Description: This 1.291 miles resurfacing and restoration project, from east of the Pratt & Whitney Main Entrance to east of the CSX Railroad Tracks in Palm Beach County is anticipated to begin on Monday, February 6, 2023. Project improvements include milling and resurfacing existing travel lanes and shoulders, upgrading pavement markings and signing to current standards, installing internally illuminated street name signs at signalized intersections, and upgrading existing street lighting to Light Emitting Diode (LED) luminaires.

Cost/Completion: \$3.2 million/Summer 2023

Traffic Impact:

- One lane in each direction of SR-710/Beeline Highway between Park of Commerce Boulevard and Pratt Whitney main entrance is closed for milling and resurfacing.

- One lane in each direction of Innovation Drive and Pratt Whitney Road may be closed Monday through Friday, from 9 a.m. until 3 p.m., for milling and resurfacing activities. Eastbound and westbound motorists will be shifted to the right-turn lane to continue through or to make right-turns. For more information, please contact Melissa Reading at (772) 577-8803 or mreading@corrado.com.

12. **SR 80/Southern Boulevard Resurfacing and Bridge Rehabilitation Project**

Description: This 0.73-mile project in West Palm Beach will begin June 5, 2023. Improvements on Southern Boulevard between east of Parker Avenue and west of Washington Road consist of repaving the roadway and replacing damaged sidewalk. Improvements also include adding new pavement markings and upgrading pedestrian signals, lighting and signage. The bridge rehabilitation includes replacing the bridge deck joints, repairing the concrete traffic railing, and rehabilitating and painting the steel beams over Georgia Avenue.

Cost/Completion: \$3.8 million/Fall 2023

Traffic Impact: All lanes are open. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrado.com.

13. **State Road (SR) 704/Royal Park Bridge Painting Project**

Description: This 0.221-mile project in the City of West Palm Beach and Town of Palm Beach will begin on May 8. It consists of repainting the steel and concrete portions of the Royal Park Bridge over the Intracoastal Waterway.

Cost/Completion: \$2,335,538/Spring 2024

Traffic Impact:

- The outside westbound lane on the Royal Park Bridge between Flagler Drive and South Lake Drive will be closed continuously through June 30 for staging of equipment.
- The Okeechobee Boulevard/Royal Park Bridge north sidewalk, from Flagler Drive to South Lake Drive, is closed during construction. Pedestrian access will be maintained at all times via the south sidewalk accessible at Flagler Drive and Coconut Row. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corrado.com.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

14. **SR A1A/Blue Heron Boulevard Bridge Rehabilitation Project**

Description: This 0.37-mile project in Riviera Beach began on March 20. Improvements consist of replacing portions of the bridge deck in the outside westbound lane, repairing concrete on the bridge foundations, and cleaning and painting the concrete portions of the bridge. Improvements also include milling and resurfacing the roadway at each end of the bridge and adding new pavement markings.

Cost/Completion: \$4,444,623/Late 2023

Traffic Impact:

- Blue Heron Boulevard's westbound lanes and sidewalk between Lake Shore Drive and west of Lake Drive are closed through August 2023 for deck replacement in the outside westbound lane. Traffic is being diverted to the eastbound lanes with one lane of traffic in each direction. For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

15. Australian Avenue Lighting Improvements Project

Description: This 1.13-mile lighting improvements project, from West 1st Street to State Road 708/Blue Heron Boulevard in Palm Beach County began on Monday, November 22, 2021. The City of Riviera Beach, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four, design and construct the Australian Avenue Lighting Improvements Project, through application to the Palm Beach Transportation Planning Agency and City of Riviera Beach Resolution 2020-0987 Work includes installing a continuous decorative LED lighting system, replacing concrete sidewalk and driveways impacted by LED light pole installations and curb and gutter improvements, and upgrading pedestrian curb ramps and pavement markings to meet current Americans with Disabilities Act (ADA) Requirements.

Cost/Completion: \$3 million. Completion is expected in summer 2023.

Traffic Impact:

- One lane in each direction of Australian Avenue from West 1st Street to Blue Heron Boulevard may be closed daily, 9 a.m. until 3 p.m., Monday through Friday, and nightly, 7 p.m. until 6 a.m., Monday through Thursday for light pole foundations, light pole installations, and directional bores.

Pedestrian Impact:

- Australian Avenue, between W. 1st Street and Blue Heron Boulevard has sidewalk closures for ADA ramp updates, light pole installation, curb improvements, and crosswalk striping through spring 2023. Pedestrian closures & detours are as follows:
 - **Southbound sidewalk closures & detour information:**
 - W. 13th Street to Martin Luther King, Jr. Boulevard will have the southbound sidewalk closed (west side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the W. 13th Street and Martin Luther King, Jr.

Boulevard intersections to access the sidewalk on the east side of the roadway.

○ **Northbound sidewalk closures & detour information:**

- W 1st. Street to Martin Luther King, Jr. Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2022. DETOUR: Pedestrians may cross at the Hill Avenue and Martin Luther King, Jr. Boulevard intersections to access the sidewalk on the west side of the roadway.
- W. 13th Street to Blue Heron Boulevard will have the northbound sidewalk closed (east side of roadway) through spring 2023. DETOUR: Pedestrians may cross at W. 13th Street and Blue Heron Boulevard intersections to access the sidewalk on the west side of the roadway. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

16. **US 1 Bridge Replacement Project**

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway.

Cost/Completion: \$122 million/2026

Traffic Impact:

- The US 1 bridge between CR A1A and Jupiter Cove Drive will be closed through fall 2024. Traffic is being detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.
- For more information, please contact Community Outreach Manager Andrea Pacini at (561) 214-3358 or apacini@corradino.com.

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee)

17. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection.

Cost/Completion: \$18 million. Completion is expected summer 2024.

Traffic Impact:

- Northbound and southbound SR 25/US 27 posted speed limits are reduced from 65 mph to 55 mph from just north of Mile Marker 71 to just south of Mile Marker 60 through the duration of the project.
- The outside southbound lane and shoulder from mile marker 73 to mile marker 70 and mile marker 63 to mile marker 60 are closed, and the northbound outside lane and shoulder from mile marker 68 to mile marker 68.5 and mile marker 71.5 to mile marker 72.5 are closed through August 2023 for shoulder widening. Continuous lane closures will not exceed 3 miles in each direction. Please note that continuous lane closures will not exceed 3 miles in each direction. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

18. State Road 25/US 27 Resurfacing and Restoration Project

Description: Construction on this 13-mile resurfacing and restoration project from the Hendry County Line to SR 80/East Palm Beach Road began on Thursday, May 5, 2022, in Western Palm Beach County. Work includes milling and resurfacing existing travel lanes and shoulders, shoulder widening, replacing or resetting guardrails along the roadway, restoring sidewalks at various locations, upgrading curb ramps to meet Americans with Disabilities Act (ADA) standards, adding pedestrian gates at the FEC Railroad crossing, improving lighting and replacing the signals at SR 80/East Palm Beach Road, upgrading pedestrian signals, pavement markings, and signing to current standards, installing rumble strips and internally illuminated retroreflective pavement markings

Cost/Completion: \$18 million. Completion is expected early 2024.

Traffic Impact:

- One northbound and southbound outside lane and shoulder of SR 25/US 27 from the Hendry County Line to SR 80/East Palm Beach Road is closed for guardrail, shoulder widening, and sod installation. Continuous lane closures in either direction will not exceed 3 miles. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

19. State Road 15/US 441 Improvements Project

Description: Construction on this 1.90-mile improvements project began on July 29, 2022, in Western Palm Beach County. Work includes milling and resurfacing SR 15 in both directions, upgrading pedestrian lighting with LED luminaires along SE Barack Obama Boulevard at SR 15, installing new sidewalks, crosswalks, and curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signage and pavement markings, and replacing existing guardrail.

Cost/Completion: \$4.5 million. Completion is expected in summer 2023.

Traffic Impacts:

- One lane in each direction of State Road 15 from Barack Obama Blvd to Shirley Dive may be closed from 7 a.m. until 5 p.m. to address any remaining work. Flaggers will be in place to direct northbound and southbound traffic as needed. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

TURNPIKE:

Eastbound and westbound Hypoluxo Road over Florida's Turnpike/SR 91

Extended single lane closures through early 2025. One lane in each direction will remain open to traffic. For additional information, please contact Community Outreach Specialist Yasir Mercado at 954-934-1138 or Yasir.Mercado@dot.state.fl.us.
