

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR RESURFACING, RESTORATION, AND REHABILITATION (RRR) PROJECT

State Road (SR) 9/I-95 north of Glades Cut-Off Road to north of SR 91/Florida's Turnpike
St. Lucie County, Florida
Financial Project ID: 449163-1-52-01
Federal Aid Number: D425-058-B

The Florida Department of Transportation (FDOT), is pleased to provide information regarding the Resurfacing, Restoration, and Rehabilitation (RRR) Project at SR 9/I-95 north of Glades Cut-Off Road to north of SR 91/Florida's Turnpike, within St. Lucie County. No public meeting is scheduled for this project. Questions and comments may be submitted by contacting the Project Manager, Ms. Claudia Vinitskiy-Calvo, P.E., (contact information below). Project information is posted at: <https://tinyurl.com/449163-1-I95>.

PROJECT PURPOSE

- Repave and restripe the pavement along northbound and southbound SR 9/I-95 to extend the service life and enhance safety.

PROJECT IMPROVEMENTS

- Mill and resurface the existing pavement along northbound and southbound SR 9/I-95 and the on-off ramps at the Midway Road interchange.
- Upgrade the signing and pavement markings along northbound and southbound lanes of SR 9/I-95 and along the entrance and exit ramps.
- Install two new cantilever overhead sign structures at the Midway Road exit ramps.
- Adding three new Intelligent Transportation System (ITS) camera poles to address blind spots along curves to enhance safety.
- Replace vehicle detection loops and sensors for one Traffic Monitoring Site (TMS).

Scan the QR code for more project information.

CONSTRUCTION IMPACTS

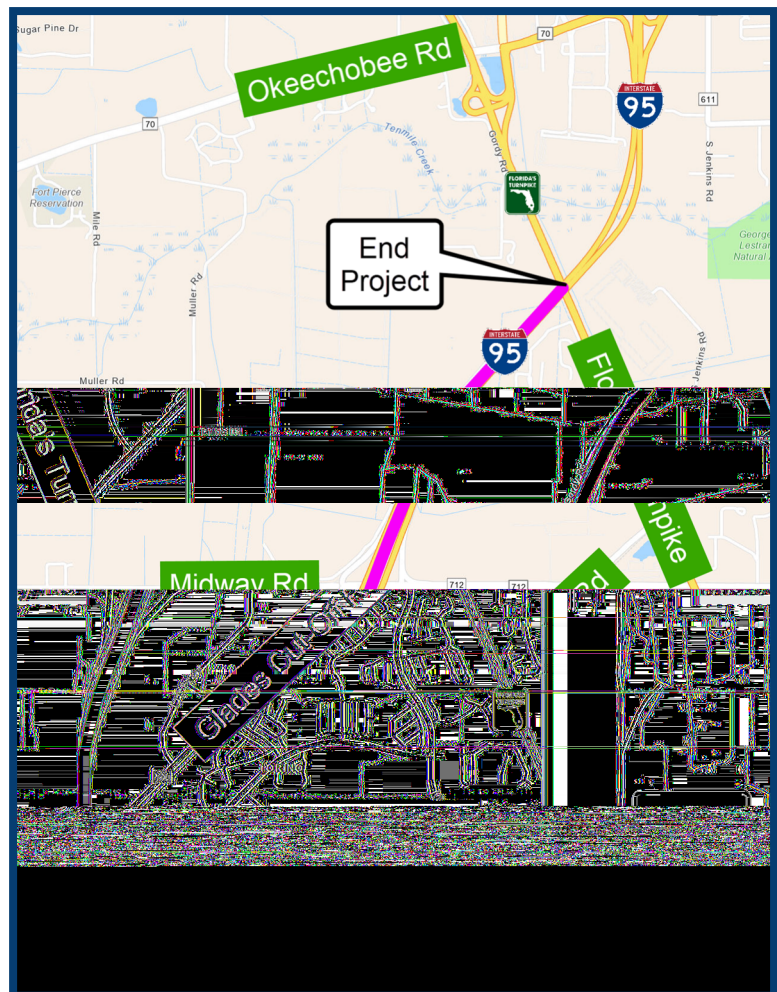

- At least one through lane will remain open in all directions at all times.
- All work will be done in phases to reduce impacts of construction on the community.
- The work zone speed shall match the existing posted speed for SR 9/I-95 and ramps at the Midway Road Interchange.
- Single lane SR 9/I-95 and ramp closures will be limited to the hours of Sunday thru Thursday, 7:00 pm to 7:00 am.
- Double lane northbound SR 9/I-95 and ramp closure will be limited to the hours of Sunday thru Thursday from 8:00 pm to 6:00 am.
- Double lane southbound SR 9/I-95 and ramp closures will be limited to the hours of Sunday thru Thursday from 8:30 pm to 6:30 am.
- Detours will only occur at one ramp at a time during the lane closures.

CONSTRUCTION INFORMATION

- Anticipated Construction Start : **Spring 2026**
- Anticipated Construction End : **Fall 2026**
- Estimated Construction Cost: **\$8.2 Million**

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Public participation is solicited without regard to race, color, national origin, age, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Ms. Claudia Vinitskiy-Calvo, P.E., FDOT Project Manager.

ROAD DESIGN IN PROGRESS

RESURFACING, RESTORATION, AND REHABILITATION (RRR) PROJECT

State Road (SR) 9/I-95 north of Glades Cut-Off Road to north of SR 91/Florida's Turnpike
St. Lucie County, Florida
Financial Project ID: 449163-1-52-01
Federal Aid Number: D425-058-B

Community feedback is at the core of all we do. FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
