

FLORIDA DEPARTMENT OF TRANSPORTATION INVITES YOU TO A PUBLIC MEETING

RESURFACING, RESTORATION, AND REHABILITATION (RRR) PROJECT

State Road (SR) 5/US 1/Federal Highway
from north of 87 Street to south Sebastian Boulevard
Indian River County, Florida
Financial Project ID: 449812-1-52-01

The Florida Department of Transportation (FDOT) will conduct a public meeting for the above referenced project within Indian River County. This public meeting will be offered in-person and virtually simultaneously. The public meeting will have representatives available to answer questions. Project information will be available for public viewing. Questions and comments may be submitted prior to the meeting by contacting the Project Manager, Maria Formoso, P.E., P.M.P. The presentation will start at 6:00 p.m. followed by a question-and-answer session. Project information is posted at: <https://tinyurl.com/449812-1-SR5-US1-RRRProject>.

PURPOSE OF PROJECT: Repave and restripe the existing roadway to extend the service life of the pavement, enhance safety for motorists, pedestrians and bicyclists while updating crosswalks, ramps and pedestrian signals to comply with the American with Disabilities Act (ADA) standards.

PROPOSED IMPROVEMENTS

- Repave the existing roadway to improve the resiliency of our infrastructure.
- Restripe the road to provide 6-foot wide bike lanes with a painted buffer to enhance safety for bicyclists who wish to use the roadway.
- Reduce the posted speed to 45 miles per hour (mph).
- Replace and upgrade signs and pavement markings to meet current standards and increase reflectivity.
- Increase the lighting at pedestrian crosswalks at signalized intersections to make pedestrians more visible to drivers, improving safety.
- Modify curb ramps and pedestrian detectors (button) to comply with the ADA to facilitate improved access for users with disabilities.

CONSTRUCTION IMPACTS

- Work will be done in phases to reduce the effects of construction on the community.
- Temporary lane closures will be required during construction.
- Repaving and restriping will be performed at night.
- Access to businesses and residences will be maintained during construction and pedestrian traffic will be maintained at all times.

CONSTRUCTION INFORMATION

- Anticipated Construction Start: **Spring 2027**
- Anticipated Construction End: **Summer 2028**
- Estimated Construction Cost: **\$9.2 Million**

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Maria Formoso, P.E., P.M.P., Project Manager, at least seven (7) days prior to the Public Meeting.

ROAD DESIGN IN PROGRESS

RESURFACING, RESTORATION, AND REHABILITATION (RRR) PROJECT
State Road (SR) 5/US 1/Federal Highway from north of 87 Street to south Sebastian Boulevard

Community feedback is at the core of all we do. FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our project to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
