## FDOT Treasure Coast Traffic Report

June 13, 2025 – June 20, 2025

**MARTIN, ST. LUCIE & INDIAN RIVER COUNTIES, Fla.** – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit [www.fl511.com](http://www.fl511.com). For updated lane closure information, please refer to [www.d4fdot.com](http://www.d4fdot.com). Follow us on X and Instagram @ MyFDOT\_SEFL and on Facebook @MyFDOTSEFL.

## CONSTRUCTION PROJECTS

### MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewall's Point)

#### 1. State Road (SR) 5/US 1 Resurfacing, Restoration, and Rehabilitation (RRR) Project

**Description:** This 1.724 mile project began on May 5, 2025. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, widening the bicycle lane by restriping it from 4 feet to 5 feet to increase safety, constructing 25 new light poles with LED fixtures at signalized intersections to boost nighttime visibility, reconstructing existing sidewalk curb ramps throughout the project limits to enhance safety and connectivity for pedestrians, upgrading existing pedestrian signals at signalized intersections to improve push button accessibility, and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations.

**Cost/Completion:** \$7.5 million / Summer 2026

- US 1 between SE Decker Avenue to SE Fischer Street will have one southbound lane closed, 9 p.m. to 6 a.m., Sunday, through Thursday, through Thursday, July 31, for curb reconstruction, sign installation and pedestrian signalization.

- US 1 between SE Decker Avenue and SE Fischer Street will have one northbound lane closed, Sunday through Thursday, through Thursday, July 31, for curb reconstruction, curb and gutter work, curb ramps, signing, and pedestrian signalization installation.

## **2. State Road (SR) 9/I-95 Resurfacing, Restoration, and Rehabilitation (RRR) Project**

**Description:** This 17.002-mile project on SR 9/I-95 from north of County Road (CR) 708/Bridge Road to the Martin/St. Lucie County line is anticipated to begin on June 22, 2025. The project improvements consist of milling and resurfacing the SR 9/I-95 mainline from north of CR 708/Bridge Road to the Martin/St. Lucie County line to enhance safety and long-term resiliency; widening the northbound SR 9/I-95 entrance ramp shoulder from SR 76/Kanner Highway to improve safety and traffic operations; constructing new lighting to increase nighttime visibility; installing Wrong Way Vehicle Detection Systems (WWVDS) on SR 76/Kanner Highway, SR 714/Martin Highway, and CR 713/High Meadow Avenue ramps to improve safety; and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$40.8 million/ Fall 2028

- **Advanced Notice:** SR 9/I-95 between Bridge 890109, south of SR 714/ SW Martin Highway, to Bridge 890111, will have two northbound lanes closed, 9 p.m. to 7 a.m., Sunday, June 22, through Wednesday, July 2, for milling and resurfacing the roadway.

### **ST. LUCIE COUNTY**

**(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)**

## **3. SW Port St. Lucie Boulevard Widening Project, from south of SW Alcantarra Boulevard to south of SW Darwin Boulevard**

**Description:** Construction on this 0.713-mile widening project began on Thursday, January 27, 2022. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four, design and construct this project through an application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 18-R42. Project improvements include widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, installing three new signalized intersections with mast arms at SW Alcantarra Boulevard, SW Tulip Boulevard, and SW Tunis Avenue, adding a right turn lane on SW Port St. Lucie Boulevard's north approach to SW Alcantarra Boulevard, constructing an 18' wide raised median with curb and gutter, upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards, constructing 8'-10' wide sidewalks on both sides of SW Port St. Lucie Boulevard for pedestrian and bicycle use, and 6' wide sidewalks on side streets, installing a new closed drainage system, signing, pavement markings, signalization, and lighting upgrades, and landscaping for the

median including trees, irrigation, and stamped concrete. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$11,570,179 / Late Summer 2025

**Traffic Impact:**

- Northbound and southbound traffic on SW Port St. Lucie Boulevard between Darwin Boulevard and south of Liberty Avenue was shifted to the west onto the newly constructed southbound travel lanes on Wednesday, Feb. 26 to facilitate roadway construction activities on the east side.
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, SW Trouville Avenue at SW Port St. Lucie Boulevard, will be closed around-the-clock beginning at 8 p.m., Saturday, June 7, through approximately 5 p.m., Friday, July 18, for roadway reconstruction. Signage will be in place to assist motorists. If weather or unforeseen circumstances arise, SW Trouville Avenue will reopen by Friday, July 25. Please [click here](#) to see the detour flyer for more information.
  - Northbound and southbound SW Port St. Lucie Boulevard to eastbound SW Trouville Avenue will be detoured to eastbound SW Tulip Boulevard to southbound SW Voyager Street to westbound SW Trouville Avenue
  - Westbound SW Trouville Avenue motorists will be detoured to northbound SW Voyager Street to westbound SW Tulip Boulevard to SW Port St. Lucie Boulevard
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, SW Rice Avenue at SW Port St. Lucie Boulevard, will be closed around-the-clock beginning at 8 p.m., Saturday, June 7, through approximately 5 p.m., Friday, July 18, for roadway reconstruction. Signage will be in place to assist motorists. If weather or unforeseen circumstances arise, SW Rice Avenue will reopen by Friday, July 25. Please [click here](#) to see the detour flyer for more information.
  - Northbound and southbound SW Port St. Lucie Boulevard to eastbound SW Rice Avenue motorists will be detoured via SW Tunis Avenue and SW Chartwell Street to SW Rice Avenue.
  - Westbound SW Rice Avenue motorists will be detoured via SW Tunis Avenue to SW Chartwell Street to SW Rice Avenue.
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, SW Thrift Avenue at SW Port St. Lucie Boulevard, is closed around-the-clock through approximately 5 p.m., Friday, July 18, for roadway reconstruction. This closure was implemented on Monday, March 31. If weather or unforeseen circumstances arise, SW Thrift Avenue will reopen by Friday, July 25. Please [click here](#) to see the detour flyer for more information.
  - Northbound and southbound SW Port St. Lucie Boulevard to eastbound SW Thrift Avenue motorists will be detoured via SW Tulip Boulevard and SW Voyager Street to SW Thrift Avenue.
  - Westbound SW Thrift Avenue motorists will be detoured via SW Voyager Street and SW Tulip Boulevard to SW Port St. Lucie Boulevard.

- SW Port St. Lucie Boulevard between SW Squirrel Avenue and SW Alexandria Avenue will have one northbound lane closed from 8 a.m. to 3 p.m., Monday through Friday, through Friday, June 20, for roadway and drainage construction.

**City of Port St. Lucie project/adjacent to the project corridor:**

The Port St. Lucie Boulevard South Project Segment 3, managed by the City of Port St. Lucie, is reconstructing approximately 0.7 miles of the existing four-lane roadway from SW Gatlin Boulevard to SW Darwin Boulevard and a portion of SW Darwin Boulevard. For more information about the City of Port St. Lucie's Segment 3 Project, please contact Beth Zsoka, Project Public Information Specialist at 772-871-5176.

**Traffic Impact:**

- The speed limit has been lowered to 30 mph for the duration of the construction project.
- Closure of existing median openings at both SW Yale Street and SW Cairo Avenue.
- One northbound through lane will be eliminated on SW Port St. Lucie Boulevard north of SW Aurelia Avenue to Gatlin Boulevard, leaving one through lane and one dedicated left turn lane onto westbound Gatlin Boulevard.

**4. State Road (SR) A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project**

**Description:** This project began on May 1, 2023. The SR A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement project improvements consist of constructing a new high-level fixed bridge connected directly to SR 5/US 1 going over the Florida East Coast (FEC) Railroad, Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring: one 12-foot travel lane in each direction, navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel, installing a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge, installing 7-foot buffered bicycle lanes within the shoulders on both sides of SR A1A, constructing a 12-foot shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway, building an observation deck beneath the west side of the new bridge structure, constructing a new access road under the bridge to businesses east of the FEC Railroad, extending Juanita Avenue from SR 5/US 1 to Old Dixie Highway, and connecting SR 5/US 1 and Old Dixie Highway along Sunny Lane. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$111.5 million/ Late 2027

**Channel Impacts:**

- **Partial Channel Closures:** Between dawn and dusk, Monday through Friday, through late 2026, in water work will continue directly adjacent to, and at times partially restrict, the navigable waterway with barge(s) in order to perform maintenance work on the bascules of the existing bridge and perform other associated construction activities. At least 45 ft. width of the channel shall remain open at all times. Vessels needing a full channel passage are required to provide the bridge tender with a 30-minute advance notice to allow for the barge to clear the channel. During the evening/overnight hours the channel will be unobstructed. All in-water equipment will be properly lighted. All mariners are

requested to use caution and transit the area at a slow speed. For waterways questions or drawbridge operating issues, please contact USCG Sector Miami Waterways Division at 305-535-4317 or [sectormiamiwaterways@uscg.mil](mailto:sectormiamiwaterways@uscg.mil).

#### **Traffic Impact:**

- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- As part of the North Causeway Bridge Replacement Project, crews will close the eastbound and westbound lanes on SR A1A between CR 605/Old Dixie Highway and SR 5/ US 1 through approximately late 2026 for roadway and bridge construction. Please [click here](#) to view the detour flyer for more information.

#### **Detour Information:**

- SR 5/ US 1 to eastbound SR A1A motorists will be detoured via Juanita Avenue and CR 605/Old Dixie Highway to SR A1A.
- Westbound SR A1A to SR 5/US 1 motorists will be detoured via CR 605/Old Dixie Highway and Juanita Avenue or Sunny Lane to SR 5/US 1.
- Access to residences and businesses will be maintained.
- Once the construction is complete, traffic will be shifted onto the new bridge and the eastbound and westbound lanes will be open on SR A1A between SR 5/US1 and CR 605/Old Dixie Highway.
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, the SR A1A and CR 605/Old Dixie Highway intersection was shifted slightly south on Monday, April 28, to facilitate the construction of the west end of the new North Causeway Bridge. Please note that the traffic lights at the SR A1A and CR 605/Old Dixie Highway intersection will be removed and replaced with a 2-way stop. Traffic will remain in the new configuration until the new bridge is opened to the public, which is anticipated for Late 2026. Please see the detour flyer attached for more information.
  - Westbound SR A1A to northbound and southbound SR 5/US 1 motorists will be detoured via north CR 605/Old Dixie Highway to westbound Juanita Avenue to SR 5/US 1
  - Motorists on Sunny Lane must turn right onto northbound SR 5/US 1
  - Access to residences and businesses will be maintained
- Juanita Avenue east of US 1 is open to motorists. The new traffic signal at the intersection of Juanita Avenue and US 1 is activated.
- Juanita Avenue west of US 1 will have the westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for installation of drainage catch basins. A Flagging operation will be in place to assist motorists.
- SR A1A between Old Dixie Highway to just west of the draw bridge will have one eastbound lane closed, 7 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for roadway reconstruction.
- Harbortown Drive will have one lane closed in either direction, 7 a.m. to 5 p.m. Monday through Friday, through Friday, Aug. 29, for roadway construction. A flagging operation will be in place to assist motorists.
- SR A1A between the North Causeway Island Park Entrance and Harbortown Drive will have one westbound lane closed, 9 a.m. to 5 p.m., Monday through

Friday, through Friday, Aug. 29, for bridge deck maintenance. A flagging operation will be in place to maintain local traffic.

- SR A1A from just west of Little Jim Bridge to the existing North Causeway Bridge will have one westbound lane closed, 9 a.m. to 4:30 p.m., Monday through Friday, through Friday, Aug. 29, for roadway work. A flagging operation will be in place to maintain local traffic.
- US 1 between NE 3<sup>rd</sup> Street and the US 1/SR A1A intersection will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for roadway construction and right turn lane extension.
- US 1 from 500 feet south of the US 1/SR A1A intersection to Juanita Ave will have one northbound right turn lane closed, 7 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for mast arm installation.
- Old Dixie Highway between Sunny Lane and SR A1A will have one lane in either direction closed, 7 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for roadway reconstruction. A flagging operation will be in place to maintain local traffic.
- Old Dixie Highway between SR A1A and 200 feet north of Juanita Avenue will have one lane intermittently closed, 7 a.m. to 5 p.m., Monday through Friday, through Friday, Aug. 29, for solar flashing stop sign installation and rumble strip installation. A flagging operation will be in place to maintain local traffic.
- Marina Access from Old Dixie Highway to the North Causeway Bridge will have one lane closed in either direction, Monday through Friday, through Friday, Aug. 29, for roadway construction.

#### **5. Savannas Preserve State Park SUN Trail Improvements Project, from Walton Road to Kitterman Road**

**Description:** This 6.8-mile project began on July 26, 2023. Project improvements consist of constructing approximately 6.8 miles of accessible multi-use trail featuring a 10-foot-wide multi-use trail with boardwalk sections. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$10.6 million/ Late 2025

**Traffic Impact:**

- All lanes are open.

#### **6. SUN Trail Improvements Project from Kitterman Road to the Savannas Recreation Area**

**Description:** This 4.2-mile project began on July 21, 2024. This segment of the Shared-Use Nonmotorized (SUN) Trail Network will be located within the Savannas Preserve State Park. The project improvements consist of constructing approximately 4.2 miles of 10-foot wide (8-foot where constrained) accessible multi-use trail. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$5.82 million / Late 2025

**Traffic Impact:**

- **Advanced Notice:** Beginning at 9 a.m. on Monday, June 30, southbound Silver Oaks Drive at CR 712/Midway Road will be closed daily through 4 p.m. on Friday, July 11, for drainage work. If weather or unforeseen circumstances arise,

Silver Oaks Drive will reopen by Friday, July 18. Signage will be posted to assist motorists.

- Northbound Silver Oaks Drive to CR 712/Midway Road motorists will be detoured via east on East Scott Street, north on Seagrape Drive to CR 712/Midway Road.
- Southbound Silver Oaks Drive motorists from CR 712/Midway Road will be detoured via south on Seagrape Drive, west on east Scott Street to south on Silver Oaks Drive.

## **7. County Road (CR) 712/Midway Road Widening Project from west of Jenkins Road to Selvitz Road**

**Description:** This 0.785-mile project began on April 1, 2024. The project improvements include widening CR 712/Midway Road from a two-lane undivided roadway to a four-lane divided roadway. The eastbound and westbound lanes of CR 712/Midway Road will be separated by a raised landscaped median. Additional improvements include constructing left turn lanes in the median to allow access to adjacent side streets, properties and businesses, constructing 7-foot buffered bicycle lanes on both sides of CR 712/Midway Road, constructing 6-foot sidewalk along the north side of CR 712/Midway Road, constructing a 12-foot bicycle/pedestrian path along the south side of the project, installing landscaping along the south side of the project, and upgrading drainage, signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$23.5 million/ Early 2027

### **Traffic Impact:**

- Westbound Midway Road traffic between Selvitz Road and east of the Turnpike is shifted to the north through December 2025, to facilitate roadway construction. The outside westbound travel lane on Midway Road east of the Selvitz Road intersection is now a right turn-only with the middle lane as a through lane to continue west on Midway Road.
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, NW Corporate Road at CR 712/Midway Road will be closed around-the-clock through 5 p.m., Friday, July 11, for roadway reconstruction. Signage will be in place to assist motorists. This closure was implemented on May 12. If weather or unforeseen circumstances arise, NW Corporate way will reopen by Friday, July 18. Please see the attached detour flyer for more information.
  - Eastbound NW Corporate Way motorists will be detoured via eastbound CR 712/ Midway Road, southbound NW Milner Drive to westbound NW Corporate Way.
  - Westbound NW Corporate Way motorists will be detoured via southbound NW Milner Drive to westbound NW Corporate Way.
  - Access to businesses and residences will be maintained.

## **8. State Road (SR) 68/Orange Avenue Resurfacing Project from North 32<sup>nd</sup> Street to west of SR 5/US 1**

**Description:** This project began on May 28, 2024. The project improvements consist of milling and resurfacing the existing roadway, installing bicycle shared-lane markings (sharrows) on travel lanes from east of 13<sup>th</sup> Street to SR 5/US 1, reconstructing pedestrian sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards, upgrading lighting at signalized intersections to improve pedestrian lighting at the crosswalks, upgrading pedestrian signalization at signalized intersections and installing a new pedestrian mid-block signal at South 8<sup>th</sup> Street, adding reflective border to existing traffic signal backplates for increased visibility of signal lights, upgrading vehicle detection at the signalized intersections of 5<sup>th</sup> Street and 7<sup>th</sup> Street, and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$5.4 million / Summer 2025

**Traffic Impact:**

- SR 68/ Orange Avenue between 13<sup>th</sup> Street and 32<sup>nd</sup> Street will have one lane closed in either direction, 6 p.m. to 6 a.m., Sunday through Thursday, through Thursday, June 26, for lighting upgrades, electrical upgrades, milling, and resurfacing.
- SR 68/ Orange Avenue between 13<sup>th</sup> Street and 33<sup>rd</sup> Street, will have one lane closed in either direction, 8 a.m. to 4 p.m., Monday through Friday, through Friday, June 27, for sidewalk work.
- SR 68/ Orange Avenue between 13<sup>th</sup> Street and US 1 will have one eastbound lane closed, 8 p.m. to 6 a.m., Sunday through Thursday, June 26, for sidewalk work, lighting and electrical upgrades, and milling and resurfacing the roadway.

**9. State Road (SR) 615/South 25th Street Resurfacing Project**

**Description:** This 1.024-mile project began on August 18, 2024. The project improvements consist of milling and resurfacing the existing roadway to ensure long-term resilience, replacing damaged sidewalks to improve accessibility and pedestrian safety, upgrading signage and pavement markings to enhance visibility, adding lighting for signalized crosswalks at County Road (CR) 611/Edwards Road, Cortez Boulevard, and SR 70/Virginia Avenue, upgrading pedestrian signals at the three signalized intersections of CR 611/Edwards Road, Cortez Boulevard, and SR 70/Virginia Avenue to enhance pedestrian safety and replacing signal mast arms at CR 611/Edwards Road through a Locally Funded Agreement with St. Lucie County. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$4.28 million/ Spring 2025

**Traffic Impact:**

- SR 615/South 25<sup>th</sup> Street between Edwards Road and Virginia Avenue will have one lane closed in each direction, 9 a.m. to 4 p.m., Monday through Friday, through Friday, June 20, for reconstruction of curb ramps, sidewalk, signalization and lighting work.
- SR 615/South 25<sup>th</sup> Street between Edwards Road and Virginia Avenue will have one lane closed in each direction, 9 p.m. to 6 a.m., Sunday through Thursday, through Sunday, June 22, for reconstruction of curb ramps, sidewalk, signalization and lighting, and striping work.

### **10. State Road (SR) 607/Emerson Avenue Resurfacing Project**

**Description:** This project began on January 24, 2025. Project improvements consist of milling and resurfacing the travel lanes to enhance safety and long-term resiliency, widening the existing 5-foot paved shoulder to 7-feet to enhance safety, constructing sidewalk (varying from 6 to 12 feet in width) along the east side of SR 607/Emerson Avenue from Hibiscus Road to North Road to enhance safety and connectivity for pedestrians, upgrading curb ramps along existing sidewalks to enhance safety and connectivity for pedestrians, installing concrete pads at two existing bus stops along northbound SR 607/Emerson Avenue, located approximately 300 feet south of Hibiscus Road and approximately 100 feet north of Belleair Avenue, to enhance safety, functionality, and long-term resiliency, and upgrading signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$6.4 million / Spring 2026

**Traffic Impact:**

- SR 607/Emerson Avenue from approximately 1,200 feet south of Waterstone Boulevard to the intersection of North Boulevard and Emerson Avenue will have one lane closed in each direction, 8 a.m. to 8 p.m., Monday through Friday, through Friday, August 29, for clearing and grubbing, roadway widening, sidewalk and ramp construction, and drainage work.
- **Advanced Notice:** Beginning at 8 a.m. on Monday, June 23, Deland Avenue at SR 607/Emerson Avenue will be intermittently closed, as needed, through 5 p.m., Monday, August 25, for demolition work. If weather or unforeseen circumstances arise, Deland Avenue will be closed by Tuesday, June 24. Please see the attached detour flyer for more information.
  - Northbound SR 607/Emerson Avenue to Deland Avenue motorists will be detoured via eastbound Lakeland Boulevard to south on Lilyan Parkway to Deland Avenue.
  - Southbound SR 607/Emerson Avenue to Deland Avenue motorists will be detoured via eastbound Hibiscus Road to northbound Lee Boulevard to Deland Avenue.
  - Access to local residences on Deland Avenue will be maintained.

### **11. State Road (SR) 716/Southeast Port St. Lucie Boulevard Bridge Rehabilitation Project**

**Description:** This project began on January 6, 2025. The project improvements consist of reconstructing the east and west seawalls to enhance resiliency and longevity of the structures and performing concrete repairs to the bridges at various locations to improve resiliency and longevity. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$2.6 million/ Late 2025

**Traffic Impact:**

- All lanes are open.

### **12. State Road (SR) 70/Okeechobee Road Resurfacing Project**

**Description:** The project began on March 24, 2025. The project improvements include milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency; constructing new acceleration lanes on SR 70/Okeechobee Road at select locations to accommodate safe U-Turn movements; widening median left turn lanes on SR 70/Okeechobee Road at South Header Canal Road and Shinn Road for improved traffic operations; converting the intersections of South Header Canal Road and Shinn Road to Restricted Crossing U-Turn (RCUT) Intersections to improve traffic flow and safety by eliminating direct left turns and through traffic movements from side streets; installing illuminated stop signs at Ideal Holding Road and South Header Canal Road to increase visibility and safety; reconstructing existing sidewalk curb ramps throughout the project limits and installing a new 6-foot concrete sidewalk from the Creekside Community to the SR 91/Florida's Turnpike entrance at SR 713/Kings Highway to enhance safety and connectivity for pedestrians; extending lighting from east of CR 712/Midway Road to east of Shinn Road to boost nighttime visibility; replacing drainage at various locations throughout the project limits to enhance functionality and long-term resiliency; upgrading signage and pavement markings to improve safety, functionality, and traffic operations; and installing rumble strips to enhance safety. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$16.9 Million / Spring 2027

**Traffic Impacts:**

- SR 70/Okeechobee Road between Ideal Holding Road and Kings Highway will have one eastbound lane closed around-the-clock beginning at 8 a.m. on Monday through Friday, through Thursday, July 31 for roadway, lighting, and drainage work.
- SR 70/Okeechobee Road between Ideal Holding Road and 0.25 miles east of Shinn Road will have one eastbound lane closed around-the-clock beginning at 7 p.m., Monday through Friday, through Friday, June 27, for roadway widening, milling and resurfacing, streetlight and drainage work.
- SR 70/Okeechobee Road between Gordy Road and Kings Highway will have one eastbound lane closed, Monday, June 16 through Friday, June 27, for tree relocation along the back of the curb.
- SR 70/Okeechobee Road from west of Ten-mile creek and east of Shinn Road will have one westbound lane closed around-the-clock beginning at 8 a.m., Monday, June 9 through Friday, June 27, for roadway, lighting, and drainage work.

**City of Fort Pierce project/adjacent to project corridor:**

The City of Fort Pierce is paving approximately 2,800 feet of the existing two-lane roadway on SR 70/Okeechobee Road, from just west of Gentile Road to approximately 2,300 feet east of 11 Mile Road. This work is unrelated to the project above. For more information about the adjacent project, please contact Scott Russell, Project Manager, at 561-801-9050.

**Traffic Impact:**

- The speed limit will be maintained at 55 mph for the duration of the construction project.

- SR 70/Okeechobee Road will have one inside lane closed in each direction, 9 a.m. to 4 p.m., Monday through Friday, through Friday, June 27, for paving work.
- One through lane will be open for motorists in each direction.

### **INDIAN RIVER COUNTY**

**(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)**

#### **13. State Road (SR) 656/17<sup>th</sup> Street East End of Bridge Rehabilitation and Improvements Project**

**Description:** This project began on August 28, 2023. The project improvements consist of the replacement of the eastern 400 feet of the existing bridge; sealing the full length of the existing bridge deck surface; and upgrading signing and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$22.3 million/ Summer 2028

**Traffic Impact:**

- SR 656/17<sup>th</sup> Street, between 4<sup>th</sup> Avenue and W Camino Del Rio will have one lane closed in either direction around-the-clock through 12 a.m., Monday, April 27, 2026, for bridge construction activities.
- SR 656/17<sup>th</sup> Street, between Indian River Boulevard and W Camino Del Rio may have one lane closed nightly in either direction, as needed, 9 p.m. to 7 a.m., Monday through Friday, through Monday, April 27, 2026, for routine maintenance. A flagging operation would be utilized to maintain eastbound and westbound traffic. For minor work, traffic pacing will be used.
- SR 656/ 17<sup>th</sup> Street, between Indian River Boulevard and Indian Bay Drive will have one lane closed in either direction, as needed, 9 p.m. to 7 a.m., Sunday through Thursday, through Sunday, July 6, for bridge construction activities.
- Indian River Boulevard to eastbound SR 656/17<sup>th</sup> Street has one southbound turn lane closed around-the-clock through 12 a.m. Monday, April 27, 2026, for bridge construction activities.

#### **14. State Road (SR) 9/I-95 at County Road (CR) 606/Oslo Road New Interchange and CR 606 Oslo Road Widening Project**

**Description:** This project began on August 14, 2023. In partnership with Indian River County, FDOT is pleased to announce the construction of the new interchange at SR 9/ I-95 and CR 606/Oslo Road and CR 606/Oslo Road improvements. Additionally, CR 606/ Oslo Road will have capacity improvements to four lanes from west of SR 9/ I-95 to 58<sup>th</sup> Avenue per Indian River County Resolution Nos. 2017-022 and 2017-023. Project improvements consist of constructing a new interchange with partial cloverleaf ramps at SR 9/I-95 and CR 606/Oslo Road, widening CR 606/Oslo Road from a two-lane to a four-lane divided roadway from west of SR 9 I-95 to SW 58<sup>th</sup> Avenue, installing interchange ramp lighting, replacing the existing CR 606/Oslo Road bridge over SR 9/ I-95, installing a new signalized intersection at CR 606/Oslo Road and 66<sup>th</sup> Avenue SW, installing intersection lighting at 74<sup>th</sup> Avenue, 66<sup>th</sup> Avenue, and 58<sup>th</sup> Avenue, realigning 82<sup>nd</sup> Avenue at CR 606/Oslo Road, eliminating the 86<sup>th</sup> Avenue connection to CR 606/

Oslo Road, constructing 13<sup>th</sup> Street SW to connect 86<sup>th</sup> Avenue SW and 90<sup>th</sup> Avenue, extending the south limit the existing noise wall on SR 9/ I-95, replacing Indian River County sanitary, water and raw water mains, upgrading signing, signalization, intersection lighting, bicycle lanes, and sidewalks, installing a closed drainage system and constructing three drainage ponds. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$95.78 million/ Summer 2028

**Traffic Impact:**

- As part of the SR 9/I-95 at County Road (CR) 606/Oslo Road New Interchange and CR 606/Oslo Road Widening Project, crews will implement a traffic shift by reducing the three-lane section of SR 9/I-95 in each direction to one lane between Indrio Road (Exit 138) and SR 60/20th Street (Exit 147). This lane reduction will occur nightly from Sunday through Thursday, 9 p.m. to 6 a.m., through Monday, June 30, to facilitate deck pours. One lane of traffic in each direction will be maintained via two constructed crossover lanes to facilitate the traffic shift. This reduction is necessary to safely perform roadway work and deck pours. If weather or unforeseen circumstances occur, the shifts will continue through Wednesday, July 3. Please [click here](#) to see the diversion flyer for more information.
  - Northbound motorists on SR 9/I-95 will be shifted to the southbound lanes at CR 606/Oslo Bridge via the newly constructed cross over lane when deck pours are being set over the northbound lanes.
  - Southbound motorists on SR 9/I-95 will be shifted to the northbound lanes at CR 606/Oslo Bridge via the newly constructed crossover lane when deck pours are being set over the southbound lanes.
  - To ensure motorist and crew safety, the speed limit will be reduced from 70 MPH to 35 MPH. The Florida Highway Patrol will be onsite, and signage will be in place to assist motorists.
- As part of the SR 9/I-95 at County Road (CR) 606/Oslo Road New Interchange and CR 606/Oslo Road Widening Project, crews will implement the full closure of 74<sup>th</sup> Avenue SW between CR 606/Oslo Road and 8<sup>th</sup> Street, 6 a.m. to 5 p.m., Monday through Friday, through Monday, June 30, for roadway work. This closure was implemented on Monday, Feb. 10. If weather or unforeseen circumstances arise, 74<sup>th</sup> Avenue SW will reopen by Wednesday, July 3. Please [click here](#) to see the detour flyer for more information.
  - Northbound motorists will be detoured via westbound CR 606/Oslo Road to northbound 82<sup>nd</sup> Avenue to westbound 8<sup>th</sup> Street to 74<sup>th</sup> Avenue SW, or eastbound CR 606/Oslo Road to northbound 66<sup>th</sup> Avenue SW to westbound 8<sup>th</sup> Street to 74<sup>th</sup> Avenue SW.
  - Southbound motorists will be detoured via westbound 8<sup>th</sup> Street to southbound 82<sup>nd</sup> Avenue to CR 606/Oslo Road, or eastbound 8<sup>th</sup> Street to southbound 66<sup>th</sup> Avenue SW to CR 606/Oslo Road to 74<sup>th</sup> Avenue SW.
- **Advanced Notice:** As part of the SR 9/I-95 at CR 606/Oslo Road New Interchange and CR 606/Oslo Road Widening Project, crews will permanently close 86<sup>th</sup> Avenue SW at CR 606/Oslo Road beginning at 5 a.m. on Friday, June 20, for the construction of a Cul-De-Sac. Signage will be in place to assist

motorists. The FPL access point will be maintained. Please see the attached detour flyer for more information.

- Eastbound CR 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at CR 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
- Westbound CR 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at CR 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
- Northbound 86th Avenue SW motorists will be detoured via west on 13th Street and north on 90th Avenue SW to CR 606/Oslo Road.
- SR 9/I-95 may have one lane in either direction closed nightly, from 9 p.m. to 6 a.m., through June 2025, for bridge work.

#### **15. State Road (SR) 60 Resurfacing Project from west of County Road (CR) 512 to west of 94<sup>th</sup> Drive**

**Description:** This project began on July 13, 2024. The project improvements consist of milling and resurfacing the existing roadway, upgrading curb ramps to meet current Americans with Disability Act (ADA) standards, upgrading signage and pavement markings, upgrading signalization and pedestrian detectors at 98<sup>th</sup> Avenue, and constructing minor drainage improvements at various locations throughout the project limits. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$11.19 million/ Summer 2025

**Traffic Impact:**

- SR 60 from west of CR 512 to west of 94<sup>th</sup> Drive will have one lane closed in either direction, 5 a.m. to 7 p.m., Monday, June 16, through Friday, June 20, for mobilization, erosion control, sod, and sign installation as needed.
- SR 60 from west of CR 512 to west of 94<sup>th</sup> Drive will have one lane closed in either direction, 4 p.m. to 5 a.m., Wednesday, June 18, through Thursday, June 19, for rumble strip installation.

#### **16. State Road (SR) 5/US 1 Resurfacing Project from Davis Street to the south end of the St. Sebastian River Bridge**

**Description:** This project began on September 25, 2024. The project improvements consist of milling and resurfacing the existing roadway, reconstructing existing sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards, installing sidewalks at the northern end of the project limits, upgrading lighting to better illuminate pedestrian crosswalks at signalized intersections, installing pedestrian countdown signal features at signalized intersections, and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$5.7 million / Summer 2025

**Traffic Impact:**

- US 1 between Davis Street and Bridge 700224/ the Brevard County line will have the northbound and southbound shoulders closed around-the-clock through approximately 7 p.m., Friday, June 20, for construction of sidewalk, and milling

and resurfacing operations. Shoulders may be left in milled condition; cyclists are encouraged to seek alternate route until paving is completed. Please note that no parking will be allowed along the shoulders north of Indian River Drive, as these will be utilized for equipment storage and will be an active construction zone.

- US 1 between Palm Avenue and Davis Street will have one southbound lane closed, as needed, nightly, through approximately 7 a.m., Friday, July 25, for milling, resurfacing and striping operations.
- US 1 between South of Davis St. to Bridge 700224/ the Brevard County Line will have one northbound lane closed, nightly, through approximately 7 a.m., Friday, July 25, for milling and resurfacing operations.
- US 1 between South of Davis St. to Bridge 700224/ the Brevard County Line will have one northbound lane closed, as needed, from 7 a.m. to 5 p.m., Monday through Friday, through Friday, July 25, for guardrail and drainage repair.

### **17. State Road (SR) 60/Indian River Boulevard Safety Improvements Project**

**Description:** This project began on January 6, 2025. The project improvements consist of signalizing and extending the SR 60/Merrill P. Barber Bridge northbound right-turn lane to increase capacity and enhance safety and long-term resiliency, adding a second left-turn lane onto SR 60/Merrill P. Barber Bridge to improve safety, functionality, and long-term resiliency, replacing traffic signal within the project limits to improve the vehicular, pedestrian and bicycle operation and safety at the intersection, upgrading pedestrian signals with newer technology at signalized intersections to improve push button accessibility and safety, and installing lighting at the pedestrian crosswalk at the intersection of SR 60/Indian River Boulevard and SR 60/Merrill P. Barber Bridge to improve safety and visibility. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$3,689,059.10 / Fall 2025

#### **Traffic Impact:**

- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- The right lane at the intersection of the Merrill P. Barber Bridge and Indian River Boulevard has become a right-turn-only lane, to help facilitate traffic. The left lane will be the thru lane for motorists heading northbound on Indian River Boulevard.
- Indian River Boulevard between Royal Palm Pointe and the base of the Merrill P. Barber Bridge will have the northbound right turn lane closed around-the-clock through Friday, June 27, for demolition of traffic island, signalization, lighting, striping, and barrier wall installation and turn lane lengthening.
- SR 60/Beachland Boulevard between Indian River Drive East and Indian River Drive will have one lane closed in each direction, 8:30 p.m. to 6:30 a.m., Monday, June 16 through Friday, June 20, for mast arm installation.
- Indian River Boulevard between Royal Palm Pointe and 37<sup>th</sup> Street will have on lane in either direction closed, Monday, June 16 through Friday, June 20, for mast arm installation.

### **18. State Road (SR) 5/US 1 Resurfacing Project from north of 12<sup>th</sup> Street to north of SR 60/ 20<sup>th</sup> Place**

**Description:** This project began on November 17, 2024. Project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, installing four-foot bicycle lanes, reconstructing existing sidewalk curb ramps to enhance safety and connectivity for pedestrians, upgrading pedestrian countdown signal features with newer technology at 15<sup>th</sup> Place, SR 60/ 20<sup>th</sup> Street, and SR 60/ 20<sup>th</sup> Place to enhance pedestrian safety and functionality, and upgrading signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$3,689,059 / Summer 2025

**Traffic Impact:**

- All lanes are open.

**19. State Road (SR) 5/US 1 Sidewalk Improvement Project**

**Description:** This project will begin in May 2025. The project improvements include installing a six-foot wide concrete sidewalk on the east side of SR 5/US 1 from CR 611/45<sup>th</sup> Street to south of 53<sup>rd</sup> Street to enhance safety and connectivity for pedestrians, constructing crosswalks at SR 5/US 1 and 4<sup>th</sup> Street to increase pedestrian safety, replacing drainage at various locations throughout the project limits to improve functionality and long-term resiliency, and upgrading signage and pavement markings to boost safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

**Cost/Completion:** \$5.7 million / Late 2025

**Traffic Impacts:**

- **Advanced Notice:** SR 5/US 1 from approximately 400 feet south of the Publix entrance to the Publix entrance will have one northbound right turn lane closed, 8 a.m. to 5 p.m., Monday, June 23 through Friday, July 11, to construct a segment of sidewalk and turn lane.

**MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS**

For additional maintenance, utility, permit, and agency closures not listed below, please click this link: [Lciv2](#)

**MARTIN COUNTY**

**(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewall's Point)**

**HOBE SOUND:**

**Northbound and southbound US 1** between SE Mars Street and SE Algozzini Place, in Hobe Sound, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes will be closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SW Kanner Highway** from just west of Pratt and Whitney Road to just west of Bridge Road, in Hobe Sound, 9 a.m. to 4 p.m., Monday through

Friday, through Friday, July 25, 2025, 1 of 2 lanes closed for shoulder widening, construction of a right turn lane, and new swale construction. For more information, please contact Michael Wonnell at 561-722-1424.

**Northbound US 1** between approximately 1,300 feet south of the SE Seaboard Boulevard intersection and the intersection of US 1 and SE Seaboard Boulevard, in Stuart, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 2 of 3 lanes may be closed as needed for roadway work. For more information, please contact Jay Rex at 772-260-7559.

**Northbound US 1** between SE Osprey Street and SE Constitution Boulevard, in Hobe Sound, 9 a.m. to 4 p.m., Monday, June 23 through Friday, June 27, 1 of 2 lanes may be closed for installation of new curb, sidewalk, and restoration at the SE Constitution Boulevard intersection. For more information, please contact Eddie Giles at 561-239-4553.

#### **INDIANTOWN:**

**Eastbound and westbound SW Kanner Highway** between SW Indiantown Avenue and SR 710/ SW Warfield Boulevard, in Indiantown, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound SR 710/SW Warfield Boulevard** between west Indiantown Road and SW Kanner Highway, in Indiantown, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SW Kanner Highway** between Dupuis Family Campground and SW Indiantown Avenue, in Indiantown, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed intermittently for FP&L Fiber Development. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SW Kanner Highway** between Port Mayaca Cemetery and King Ranch, in Indiantown, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed intermittently for FP&L Fiber Development. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SR 710/SW Warfield Boulevard** between SW Van Buren Avenue and Indianwood Drive, in Indiantown, 9 p.m. to 6 a.m., Sunday, June 15 through Thursday, June 19, 1 of 2 lanes closed for FP&L pole installation. For more information, please contact Rafael Ureña at 772-882-5084.

**Westbound SR 710/SW Warfield Boulevard** between SW Van Buren Avenue and Indianwood Drive, in Indiantown, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed as needed, for shoulder work. For more information, please contact Rafael Ureña at 772-882-5084.

## **JENSEN BEACH**

**Southbound US 1** between NW 14<sup>th</sup> Street and NW River Shores Boulevard, in Jensen Beach, 9 a.m. to 4p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes will be closed for curb work and driveway connection to US 1. For more information, please contact Ron Buchmeyer at 772-464-0594

## **STUART:**

**Northbound US 1** between SW Mary Drive and SW Heather Terrace, in Stuart, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound US 1** between US 1 between SE Gran Parkway and SW Springtree Place, in Stuart, 9 a.m. to 4 p.m. Monday June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Southbound SR 76/Kanner Highway** between SE Pomeroy Street and SE Salerno Road, in Stuart, 7 a.m. to 5 p.m., Monday, June 16 through Wednesday, July 2, 1 of 2 lanes may be closed for existing utility tie-in work. For more information, please contact Todd Pipes at 772-233-2114.

## **ST. LUCIE COUNTY**

**(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, St. Lucie West, Tradition, Jensen Beach)**

## **FORT PIERCE:**

**Eastbound and westbound Indrio Road** between I-95 and approximately 7,000 feet west of I-95, in Fort Pierce, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 lane in either direction may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound and southbound SR 713** between Grove Road and US 1, in Fort Pierce, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 lane in either direction may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound Orange Avenue** between Jenkins Road and LaJean Drive, in Fort Pierce, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 4 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound and southbound US 1** between Sunny Lane and Riverview Memorial Park, in Fort Pierce, 9 a.m. to 3:30 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed for AT&T manhole work. For more information, please contact Gene Horne at 904-860-0072.

**Northbound SR 9/I-95 at CR 709** and approximately 0.25 miles south of CR 712/Midway Road, in Fort Pierce, 9 p.m. to 4 a.m., Sunday, June 15, 2 of 3 lanes will be closed as needed for routine bridge maintenance on Bridge 940116. For more information, please contact Guillermo Canedo at 954-777-4090.

**Northbound SR 9/I-95 at Ten Mile Creek** and approximately 0.5 miles south of SR 70/Virginia Avenue, in Fort Pierce, 9 p.m. to 4 a.m., Monday, June 16, 2 of 3 lanes will be closed as needed for routine bridge maintenance on Bridge 940123. For more information, please contact Guillermo Canedo at 954-777-4090.

**Southbound SR 9/I-95 at Ten Mile Creek** and approximately 0.5 miles south of SR 70/Virginia Avenue, in Fort Pierce, 9 p.m. to 4 a.m., Tuesday, June 17, 2 of 3 lanes will be closed as needed for routine bridge maintenance on Bridge 940122. For more information, please contact Guillermo Canedo at 954-777-4090.

**Southbound SR 9/I-95 at Ten Mile Creek** and approximately 1.5 miles south of SR 70/Virginia Avenue, in Fort Pierce, 9 p.m. to 4 a.m., Wednesday, June 18, 2 of 3 lanes will be closed as needed for routine bridge maintenance on Bridge 940126. For more information, please contact Guillermo Canedo at 954-777-4090.

**Northbound SR 9/I-95 at Ten Mile Creek** and approximately 1.5 miles south of SR 70/Virginia Avenue, in Fort Pierce, 9 p.m. to 4 a.m., Thursday, June 19, 2 of 3 lanes will be closed as needed for routine bridge maintenance on Bridge 940127. For more information, please contact Guillermo Canedo at 954-777-4090.

**Southbound US 1** between Gateway Plaza and SR 70/Virginia Avenue, in Fort Pierce, 7 a.m. to 4 p.m., Monday, June 23 through Thursday, July 3, the entrance into the Wawa parking lot will be closed for roadway work at the Wawa entrance. For more information, please contact Eli Hirsch at 561-242-9770, ext. 210.

## **PORT ST. LUCIE:**

**Northbound US 1** between SE Walton Road and SE Huffman Road, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound Crosstown Parkway** at US 1, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound and southbound US 1** between SE Village Green Drive and SE Walton Road, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound and southbound US 1** between Saeger Avenue and SE Village Green Drive, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes may be intermittently closed with possible lane shift and or flagging operations, for FP&L pole installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Southbound US 1** between Crosstown Parkway and SE Jennings Road, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound US 1** between SE Mariposa Avenue and SE Tiffany Avenue, in Port Saint Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Northbound US 1** between SE Lennard Road and SE Mariposa Avenue, in Port St. Lucie, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 4 lanes closed for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

## **INDIAN RIVER COUNTY**

**(City of Vero Beach, Vero Beach, Indian River Shores, City of Sebastian, Sebastian, Wabasso, Wabasso Beach, Orchid Island, City of Fellsmere)**

### **SEBASTIAN:**

**Northbound and southbound US 1** between Main Street and Bay Street, in Sebastian, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

### **VERO BEACH:**

**Eastbound and westbound 20<sup>th</sup> Street** between US 1 and Indian River Boulevard, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes may be intermittently closed with possible lane shifts and or flagging operations, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound 20<sup>th</sup> Street** between US 1 and Indian River Boulevard, in Vero Beach, 9 p.m. to 6 a.m., Sunday, June 15 through Thursday, June 19, 1 of 2 lanes may be intermittently closed with possible lane shifts and or flagging operations, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound SR 510/Bridge Boulevard** between the Wabasso Causeway Park and Wabasso Island Lane, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 2 lanes closed for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound SR 60** between 21<sup>st</sup> Avenue and 19<sup>th</sup> Avenue, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes closed for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SR 60** between 30<sup>th</sup> Avenue and 27<sup>th</sup> Avenue, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes closed, for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound and westbound SR 60** between 30<sup>th</sup> Avenue and 27<sup>th</sup> Avenue, in Vero Beach, 9 p.m. to 6 a.m., Sunday, June 15 through Thursday, June 19, 2 of 3 lanes closed, for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Westbound SR 60** between Commerce Avenue and 12<sup>th</sup> Court, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 4 lanes closed, for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound SR 60** between 44<sup>th</sup> Avenue and 50<sup>th</sup> Avenue, in Vero Beach, 9 a.m. to 4 p.m., Monday, June 16 through Friday, June 20, 1 of 3 lanes closed for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Eastbound SR 60** between 44<sup>th</sup> Avenue and 50<sup>th</sup> Avenue, in Vero Beach, 9 p.m. to 6 a.m., Sunday, June 15 through Thursday, June 19, 2 of 3 lanes closed for installation and/or replacement of FPL poles. For more information, please contact Rafael Ureña at 772-882-5084.

**Westbound Beachland Boulevard** between SR A1A and approximately 100 feet west of Eagle Drive and the Beachland Boulevard intersection, in Vero Beach, 9 p.m. to 5:30 a.m., Thursday, June 19 through Friday, June 20, 1 of 2 lanes may be closed for AT&T manhole work. For more information, please contact Gene Horne at 904-860-0072.
