

FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR FULL RAMP CLOSURE - SB I-95 OFF RAMP to EB INDIANTOWN RD.

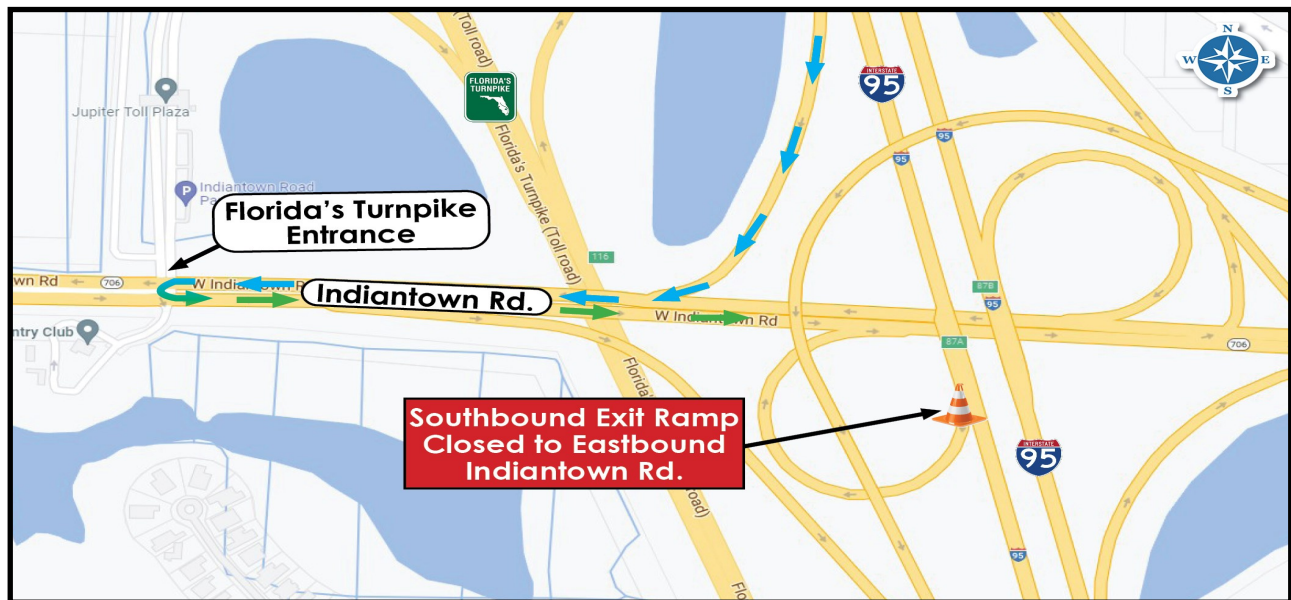

I-95 Lighting and Roadway Improvements Project

From south of the State Road (SR) 706/Indiantown Road Interchange to the County Road (CR) 708/SE Bridge Road Interchange

Financial Project ID: 434273-3-52-01 & 434273-4-52-01

SB I-95 to EB Indiantown Road Off Ramp Nighttime Full Closure, Jan. 3 - 20, 2022

Beginning Monday night, Jan. 3, 2022, the southbound I-95 to eastbound Indiantown Road off ramp will be closed Sunday through Thursday nights, from 10 p.m. to 6 a.m., through Thursday, Jan. 20, 2022, to install new light pole foundations along the I-95 off ramp. Motorists heading south on I-95 to eastbound Indiantown Road should take the westbound off ramp to Indiantown Road, then make a U-Turn at the Florida's Turnpike entrance to go eastbound on Indiantown Road.

This work is part of the I-95 lighting and roadway improvements project from south of the SR 706/Indiantown Road interchange to the CR 708/SE Bridge Road interchange in Jupiter and Hobe Sound. Work on this project includes: installing new roadway lighting with LED luminaries, replacing the high mast lighting system with a conventional LED roadway lighting system, extending the northbound I-95 merge lane just north of Indiantown Road, extending the deceleration distances for the I-95 northbound to westbound Indiantown Road exit ramp and the I-95 southbound to eastbound Indiantown Road exit ramp, and installing wrong way vehicle detection systems at the Indiantown Road and SE Bridge Road I-95 interchanges and new advanced warning signage.
