St. Lucie West Boulevard Widening Project

The City of Port St. Lucie, as Project Sponsor, requested that the Florida Department of Transportation (FDOT), District Four, design and construct the St. Lucie West Boulevard Widening Project through application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 20-R75. FDOT is pleased to assist with completing these improvements. Please see below for more information.

Construction Cost: \$15,518,729 **Construction Start:** January 24, 2022 **Estimated Completion:** Summer 2023

PROJECT IMPROVEMENTS

- Construct a new 3-lane eastbound bridge over I-95
- Widen St. Lucie West Boulevard to accommodate:
 - Two (2) eastbound and westbound travel lanes, with a third eastbound lane between the I-95 southbound and northbound ramps
 - Two (2) eastbound left turn lanes at the I-95 northbound entrance ramp
 - Two (2) westbound right turn lanes at the I-95 northbound entrance ramp
- Reconstruct/widen the I-95 ramps
- Connect the existing St. Lucie West Boulevard roadway to the new eastbound bridge from the east and west
- Construct a 7-foot buffered bike lane, paved shoulder and new sidewalks on both sides of the roadway
- Construct a median with curb and gutter (varying in width from 22 feet to 40 feet)
- Install fencing retrofits on the north side of the existing bridge, and new railing on the eastbound bridge
- Install new traffic signals with enhanced timing and synchronization at I-95 ramps

TRAFFIC IMPACTS

- Single-lane nighttime closures along St. Lucie West Boulevard are permitted Sunday through Friday from 10:00 p.m. to 6:00 a.m.
- Up to two lanes of I-95 may be closed in one direction at a time, Sunday through Thursday night, 11:00 p.m. to 5:00 a.m.
- When major bridge work is occurring over I-95, the interstate will be closed and advanced notice will be provided with detour signage in place as needed
- No lane closures are allowed during New York Mets Spring Training games from Feb. 1 through March 31
- Access to properties will be maintained at all times; driveways will not be permanently closed or relocated
- The project team will coordinate with businesses if temporary driveway closures are needed
- Construction will occur in phases to minimize impacts to the public
