

FLORIDA DEPARTMENT OF TRANSPORTATION TRAFFIC DETOURS FOR TRAFFIC SHIFT

State Road (SR) A1A/North Causeway Over Intracoastal Waterway (ICWW) Bridge Replacement Project
Saint Lucie County, Florida
Financial Project ID: 429936-2-52-01

SR 605/Old Dixie Hwy Full Closure at SR A1A Intersection for Reconstruction, Jan. 22-Mar. 15

The Florida Department of Transportation (FDOT) is pleased to provide information for the State Road (SR) A1A/North Causeway Over Intracoastal Waterway (ICWW) Bridge Replacement Project in the City of Fort Pierce. Please see below for information on detours required for traffic shift configuration work.

Construction Cost: \$111.5 million

Construction Start: May 1, 2023

Estimated Completion: Late 2027

TRAFFIC SHIFT CONFIGURATION WORK ON STATE ROAD (SR) A1A/NORTH CAUSEWAY AT SR 605/OLD DIXIE HIGHWAY

- **Beginning at 12 a.m., Monday, January 22, 2024, northbound and southbound SR 605/Old Dixie Highway at SR A1A will be closed around-the-clock through approximately 5 a.m., Friday, March 15, 2024, for roadway construction operations.**
- Southbound SR 605/Old Dixie Highway motorists will be detoured via Naco Road, US 1/North Federal Highway and SR A1A
- Northbound SR 605/Old Dixie Highway motorists will be detoured via SR A1A, US 1/ North Federal Highway and Naco Road
- Access to residences and businesses will be maintained.
- Once the roadway construction is completed, Old Dixie Highway will re-open one lane in each direction to both southbound and northbound traffic

PROJECT IMPROVEMENTS

- Construct a new high-level fixed bridge connected directly to SR 5/US 1 going over the Florida East Coast (FEC) Railroad, Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring:
 - One 12-foot travel lane in each direction
 - Navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel
- Install a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge
- Install 7-foot buffered bicycle lanes within the shoulders on both sides of SR A1A
- Construct a 12-foot shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway
- Build an observation deck beneath the west side of the new bridge structure
- Construct a new access road under the bridge to businesses east of the FEC Railroad
- Extend Juanita Avenue from SR 5/US 1 to Old Dixie Highway and connect SR 5/US 1 and Old Dixie Highway along Sunny Lane
