Laura Rossi, P.E.
Lead Roadway and Drainage
Protean Design Group

Project Presentation

- Please enjoy the project video which includes information on the improvements to be completed, along with road and lane closure information.
- We will start the Question & Answer session after the video.

Project Limits

Project Overview

Purpose: Mill and resurface the existing roadway excluding the Roosevelt Bridge; construct sidewalks filling in gaps; upgrade curb ramps; install pedestrian pushbutton detectors at signalized intersections; upgrade pavement markings and lighting at signalized intersections; and drainage improvements.

Length: 5.042 miles

Contractor: OHLA-USA, Inc.

Construction Start: June 19, 2023

Estimated Contract Cost: \$12 Million

Contract Time: 345 calendar days
(not including weather and holidays)

Estimated Completion: Spring 2024

Northbound SR-5/US-1 at SR-732/NW Jensen Beach Boulevard
(pre-construction)

Roadway and Drainage Improvements

- Mill and resurface the existing roadway excluding SW Joan Jefferson Way to NW Wright Boulevard (no work on the Roosevelt Bridge)
- Drainage improvements at the intersection of SR-5/US-1 and SW Ocean Boulevard

Northbound SR-5/US-1 between SW McPherson Street
and SW 7th Street
(pre-construction)

Pedestrian Feature Improvements

- Construct sidewalks to fill in missing gaps
- Install pedestrian pushbutton detectors at signalized intersections
- Upgrade pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards
- Upgrade pavement markings including green bike lanes and lighting at signalized intersections

Existing Typical Section 1

From SE Contractors Way to south of SW Joan Jefferson Boulevard

New Typical Section 1 from SE Contractors Way to south of SW Joan Jefferson Boulevard.

Existing Typical Section 2 Frazier Creek Bridge

Existing Typical Section 2 (Frazier Creek Bridge).

New Typical Section 2 Frazier Creek Bridge

New Typical Section 2 (Frazier Creek Bridge).

Existing Typical Section 3

From NW Wright Boulevard to NW River Shores Street

Existing Typical Section 3 from NW Wright Boulevard to NW River Shores Street.

New Typical Section 3

From NW Wright Boulevard to NW River Shores Street

New Typical Section 3 from SE Contractors Way to south of SW Joan Jefferson Boulevard.

Existing Typical Section 4

From NW River Shores Street to 1000 feet south of NW Britt Road

Existing Typical Section 4 from NW River Shores Street to 1000 feet south of NW Britt Road.

New Typical Section 4

From NW River Shores Street to 1000 feet south of NW Britt Road

New Typical Section 4 from NW River Shores Street to 1000 feet south of NW Britt Road.

Existing Typical Section 5

From 1000 feet south of NW Britt Road to south of SR-732/NW Jensen Beach Boulevard

Existing Typical Section 5 from 1000 feet south of NW Britt Road to south of SR-732/NW Jensen Beach Boulevard.

New Typical Section 5

From 1000 feet south of NW Britt Road to south of SR-732/NW Jensen Beach Boulevard

New Typical Section 5 from 1000 feet south of NW Britt Road to south of SR-732/NW Jensen Beach Boulevard

Maintenance of Traffic

- Work will be done in four major phases to minimize impacts to the construction corridor.
- Double-lane closures are permitted as follows:
 - Nighttime, SR-5/US-1 within project limits, Monday through Sunday from 8:00 p.m. to 6:00 a.m.
 - Nighttime, SR-5/US-1 within 600 feet of signalized intersections, Monday through Sunday from 10:00 p.m. to 6:00 a.m.
 - Double-lane closures are permitted at any time at the northbound SR-5/US-1 and SW Ocean Boulevard intersection for drainage work.

Maintenance of Traffic

- Single-lane closures are permitted as follows:
 - SR-5/US-1 within project limits, Monday through Sunday, as needed
 - Nighttime, SR-5/US-1 within 600 feet of signalized intersections, Monday through Sunday from 8:00 p.m. to 7:00 a.m.
- Sections of the sidewalk will be closed, and pedestrian detours will be in place.
- Business and residential access will be maintained at all times.

Phase 1

- Install pedestrian signals and lighting
- Construct curb and gutter, curb ramps, driveways, and sidewalks
- Install guardrail
- Construct drainage improvements at the intersection of SW Ocean Boulevard and SR-5/US-1
- Mill and resurface the roadway from SE Contractors Way to SR-732/NW Jensen Beach Boulevard in both directions

Phase 2

- Complete drainage improvements at the intersection of SW Ocean Boulevard and SR-5/US-1
- Construct left turn improvements at SW Ocean Boulevard and NW Baker Road/NW 14th Street
- Mill and resurface the roadway between SE Contractors Way and SR-732/NW Jensen Beach Boulevard in both directions

Phase 3

- Complete bridge improvements at Frazier Creek Bridge

Phase 4

- Install pavement markings and signage

Safety and Local Coordination

- **Public Safety is our Top Priority!**
 - **Work Zone Signage & Maintenance of Traffic**
 - Advanced warning and project signage will be placed throughout the construction corridor to alert the traveling public
 - **Local Agency & Stakeholder Coordination**
 - The project team will continue working closely with local stakeholders including local municipalities, schools, neighborhoods and other local agencies to ensure safety standards are met and impacts to the public are minimized in any way possible
 - **Emergency vehicles will be provided access at all times**

Lighted Message Board

Community Outreach

- To receive project specific updates please email skayser@corradino.com to be added to the distribution list
- A weekly press release will be distributed every Friday
- Additional project specific information can be found on the website

****All project updates will be posted to the District Four website.****

Scan this QR code to go to the District Four Website.
