PROJECT IMPROVEMENTS

South side of the North Fork New River (C-12) Canal from SR 7/US 441 to NW 31st Avenue/M.L.K. Jr. Avenue

- Constructing a new shared-use path to improve connectivity
- Installing a new crosswalk and pedestrian signal enhancements, including Rectangular Rapid Flashing Beacons (RRFBs), at NW 34th Street and the North Fork New River (C-12) Canal to enhance pedestrian safety
- Upgrading sidewalk curb ramps, signage, and pavement markings throughout the project limits to improve accessibility and nighttime visibility

Northbound SR 7/US441 from Orange Drive to Riverland Road

- Repaving the roadway from Oakes Road to Riverland Road to reconfigure the roadway from three to two lanes to enhance traffic operations to and from interstate ramps
- Widening the westbound SR 84 exit ramp to northbound SR 7/US 441 to enhance safety by improving sight distance visibility
- Widening the eastbound SR 862/I-595 exit ramp to northbound SR 7/US 441 from one lane to two lanes to improve traffic operations
- Constructing a new shared-use path from Oakes Road to just south of the South Fork New River (C-12) Canal
 - Installing a bridge barrier separation along northbound SR 7/US 441 over the South Fork New River Canal to enhance shared-use path safety
- Constructing a new sidewalk along northbound SR 7/US 441 from Orange Drive to Oakes Road to enhance pedestrian connectivity
- Installing new light poles with LED fixtures at shared-use path crossings to improve nighttime visibility
- Installing a new traffic signal mast arm at the intersection of SR 7/US 441 and Riverland Road to enhance traffic flow
- Upgrading sidewalk curb ramps, signage, and pavement markings throughout the project limits to improve accessibility and nighttime visibility

TRAFFIC IMPACTS

- Northbound SR 7/US 441 is permitted to have a continuous single-lane closure as needed to facilitate construction operations.
- Northbound SR 7/US 441, from the SR 862/I-595 entrance ramp to the South Fork New River (C-12) Canal, will be permanently reduced from three lanes to two lanes to improve traffic flow to and from the SR 862/I-595 interstate ramps.
- NW 34th Avenue may be closed in one direction as needed to safely accommodate roadway operations.
 - Northbound NW 34th Avenue will be detoured via NW 9th Street and SR 7/US 441.
 - Southbound NW 34th Avenue will be detoured via SR 7/US 441, NW 8th Street, and NW 8th Place.
- Shoulder closures are permitted as needed
- Motorist and pedestrian access to businesses and residences will be maintained at all times.
- Additional information about lane closures and detours will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link: [FDOT Broward County Construction - Home \(d4fdot.com\)](https://www.d4fdot.com)
