

FLORIDA DEPARTMENT OF TRANSPORTATION Monthly Progress Report— May 2026

Loxahatchee Road Improvements Project
From the Arthur R. Marshall Loxahatchee National Wildlife Refuge to State
Road (S.R.) 7/U.S. 441
City of Parkland
Broward County, FL
Financial Project ID Number: 436564-1-52-01, 02, & 03

Construction Cost: \$33,480,584

Construction Start Date: October 30, 2023

Anticipated Completion: Early 2027

LOXAHATCHEE ROAD IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT— MAY 2026

The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- **Traffic Impacts:** On Friday, May 1, eastbound and westbound traffic along Loxahatchee Road was shifted into its final configuration, separated by a median, from Bishop Pit Road to N. University Drive, with the exception of the culvert area.
- **Full Closure:** Loxahatchee Road from Parkside Drive to U.S. 441/S.R. 7 is closed to traffic for phased construction improvements through Fall 2026. Traffic will be detoured via Parkside Drive, Holmberg Road, and U.S. 441/S.R. 7. Please click [here](#) to view the detour flyer.
- **Sidewalk Closure:** To ensure pedestrian safety, the sidewalk on Loxahatchee Road between N. University Drive and Parkside Drive will be closed for sidewalk and handrail construction.
- **Speed Limit Enforcement:** Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
- Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.
- **Pedestrians and cyclists are not permitted on Loxahatchee Road at this time.**

ANTICIPATED CONSTRUCTION ACTIVITIES FOR MAY 2026

Parkside Drive and S.R. 7/U.S. 441:

- Continue curb installation from Parkside Drive to NW 61st Way
- Continue guardrail installation from Parkside Drive to NW 61st Way
- Continue with roadway widening operations from Parkside Drive to NW 61st Way
- Continue sidewalk installation from Parkside Drive to NW 61st Way
- Continue drainage installation east of NW 61st Way
- Continue signalization improvements at S.R. 7/U.S. 441

West of North University Drive and Bishop Pit Road:

- Continue median curb installation
- Continue with Nob Hill Road roundabout construction
- Begin culvert extension installation

**Final Traffic Configuration from West of the Culvert to
Bishop Pit Road**

Asphalt Installation East of Parkside Drive

As of Friday, May 1, 2026 the Loxahatchee Road Improvements Project is 75% completed. Additional information, flyers and progress photos can be found on the [project webpage](#).

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
