Construction Cost: $33,480,584 **Construction Start:** October 30, 2023 **Anticipated Completion:** Early 2027

LOXAHATCHEE ROAD IMPROVEMENTS PROJECT MONTHLY PROGRESS REPORT– NOV. 2026

The City of Parkland, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT design and construct the Loxahatchee Road Improvements Project through the City of Parkland Resolution Numbers 2016-510, 2021-011, and 2021-018.

CURRENT MAINTENANCE OF TRAFFIC (MOT)

- **Full Closure:** Loxahatchee Road from Parkside Drive to S.R.7/U.S. 441 is closed to traffic for phased construction improvements through Fall 2026. Traffic will be detoured via Parkside Drive, Holmberg Road, and S.R.7/U.S. 441. Please click here to view the detour flyer.
- Within the project limits along Loxahatchee Road, from Bishop Pit Road to S.R. 7/U.S. 441, crews may conduct moving maintenance of traffic (MOT) or flagging operations at intermittent locations for asphalt correction work, Monday through Friday.
- **Sidewalk Closure:** To ensure pedestrian safety, the sidewalk on Loxahatchee Road between N. University Drive and Parkside Drive will be closed for sidewalk and handrail construction.
- **Speed Limit Enforcement:** Motorists are urged to adhere to posted speed limits. Law enforcement will be present throughout the construction period to monitor compliance and maintain safety.
- Additional lane closures, traffic shifts, and detours may be implemented as needed for ongoing construction. Every effort will be made to minimize impacts, and all future closures will be communicated well in advance to keep the community informed.
- **Pedestrians and cyclists are not permitted on Loxahatchee Road at this time.**

ANTICIPATED CONSTRUCTION ACTIVITIES FOR NOV. 2026

Parkside Drive to S.R. 7/U.S. 441:

- Continue sidewalk installation from east of NW 61st Way
- Continue median curb installation
- Continue roadway paving and asphalt correction operations with intermittent moving MOT or flagging operations
- Continue with Parkside Drive roundabout construction
- Continue permanent signage installation

Parkside Drive to Bishop Pit Road:

- Continue median curb installation
- Continue with Nob Hill Road roundabout construction
- Continue roadway paving and asphalt correction operations with intermittent moving MOT or flagging operations
- Continue permanent signage installation
- Resume subsoil preparation and earthwork activities

Asphalt Installation at Culvert

Roadway Reconstruction east of NW 61st Way

As of Sunday, Nov. 1, 2026 the Loxahatchee Road Improvements Project is 86% completed. Additional information, flyers and progress photos can be found on the project webpage.

Community feedback is at the core of all we do at FDOT, and we work with the public to balance the community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
