Community feedback is at the core of all we do; FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future. For more information, please contact Community Outreach Specialist Kim Johnson at (772) 801-8736 or Kim@holtcommunications.net. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status
