FDOT Treasure Coast Traffic Report

April 3, 2026 – April 10, 2026

MARTIN, ST. LUCIE and INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie, and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewall's Point)

1. United States (U.S.) 1/State Road (S.R.) 5 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 1.724-mile project on S.R. 5/U.S. 1 from north of southeast Fischer Street to north of southeast Decker Avenue in the City of Stuart and unincorporated Martin County began on May 5, 2025. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, widening the bicycle lane by restriping it from 4 feet to 5 feet to increase safety, constructing 25 new light poles with LED fixtures at signalized intersections to boost nighttime visibility, reconstructing existing sidewalk curb ramps throughout the project limits to enhance safety and connectivity for pedestrians, upgrading existing pedestrian signals at signalized intersections to improve push button accessibility, and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$7.5 million / Summer 2026

Traffic Impact:

- Northbound and southbound U.S. 1/S.R. 5 between north of SE Fischer Street and north of SE Decker Avenue will have two lanes closed, 8 p.m. to 6 a.m., Sunday, March 29, through Friday, April 10, for sign installation.

2. State Road (S.R.) 9/I-95 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 17.002-mile project on S.R. 9/I-95 from north of County Road (C.R.) 708/Bridge Road to the Martin/St. Lucie County line began on June 22, 2025. The project improvements consist of milling and resurfacing the S.R. 9/I-95 mainline from north of C.R. 708/Bridge Road to the Martin/St. Lucie County line to enhance safety and long-term resiliency; widening the northbound S.R. 9/I-95 entrance ramp shoulder from S.R. 76/Kanner Highway to improve safety and traffic operations; constructing new lighting to increase nighttime visibility; installing Wrong Way Vehicle Detection Systems (WWVDS) on S.R. 76/Kanner Highway, S.R. 714/Martin Highway, and C.R. 713/High Meadow Avenue ramps to improve safety; and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$40.8 million / Fall 2028

Traffic Impact:

- Southbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at Martin/St. Lucie County line, will have two lanes closed, 7:30 p.m. to 5:30 a.m., Monday, March 22, through Thursday, April 30, for signage, milling, and resurfacing.
- Northbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at the Martin/St. Lucie County line, will have two lanes closed, 8:30 p.m. to 6:30 a.m., Sunday, March 22, through Thursday, April 30, for milling and resurfacing.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound exit ramp to C.R. 713/High Meadow Avenue will be closed from 8 p.m. to 6 a.m., Monday, April 6, through Friday, April 17, for milling and resurfacing. Motorists will be detoured southbound S.R. 9/I-95 to the S.R. 76/Kanner Highway exit ramp (Exit 101) to westbound S.R. 76/Kanner Highway to the northbound S.R. 9/I-95 entrance ramp to the C.R. 713/High Meadow Avenue exit (Exit 102). Signage will be in place to assist motorists. Sunday, April 12, through April 24, will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound entrance ramp from C.R. 713/High Meadow Avenue will be closed from 8 p.m. to 6 a.m., Monday, April 6, through Friday, April 17, for milling and resurfacing the adjacent S.R. 9/I-95 lanes and closed ramps. Motorists will be detoured northbound to C.R. 713/SW High Meadow Avenue to eastbound SW Martin Highway to southbound S.R. 76/Kanner Highway to the southbound entrance ramp S.R.9/I-95 (Exit 101). Signage will be in place to assist motorists. Sunday, April 12, through Friday, April 24, will be used as contingency nights if needed. Only one ramp closure will occur at a time.

- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound exit ramp to S.R. 76/Kanner Highway (Exit 101) will be closed from 8 p.m. to 6 a.m., Monday, April 6, through Friday, April 17, for milling and resurfacing. Motorists will be detoured southbound on S.R. 9/I-95 to C.R. 708/Bridge Road (Exit 96) exit ramp to northbound S.R. 9/I-95 entrance ramp to S.R. 76/Kanner Highway (Exit 101). Signage will be in place to assist motorists. Sunday, April 12, through Friday, April 24, will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound entrance ramp from S.R. 76/Kanner Highway (Exit 101) will be closed from 8 p.m. to 6 a.m., Monday, April 6, through Friday, April 17, for milling and resurfacing. Motorists will be detoured southbound S.R. 76/Kanner Highway to eastbound C.R. 711/Pratt Whitney Road to continue southbound C.R. 711/Pratt Whitney Road to eastbound C.R. 708/Bridge Road to S.R. 9/I-95 southbound entrance ramp (Exit 96). Signage will be in place to assist motorists. Sunday, April 12, through Friday, April 24, will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 northbound entrance ramp from C.R. 708/Bridge Rd (Exit 96) will be closed from 8 p.m. to 6 a.m., Monday, April 20, through Tuesday, April 21, for installation of new light poles. Motorists will be detoured west on C.R. 708/ Bridge Rd. to Pratt Whitney Rd to S.R. 76/Kanner Highway to I 95 northbound on ramp (Exit 101). Signage will be in place to assist motorists. Tuesday night, April 21 through Friday morning, April 24, and Monday night, April 27 through Friday morning, May 1, will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 northbound entrance ramp from S.R. 76/Kanner Highway (Exit 101) will be closed from 8 p.m. to 6 a.m., Sunday, April 26 through Thursday, April 30, for milling and resurfacing. Motorists will be detoured southbound S.R. 9/I-95 from S.R. 76/Kanner Highway (Exit 101) to the C.R. 708/Bridge Road exit ramp (Exit 96) to eastbound C.R. 708/Bridge Road to the northbound S.R. 9/I-95 entrance ramp. Signage will be in place to assist motorists. Monday, April 27, through Thursday, April 30, will be used as contingency nights if needed. Only one ramp closure will occur at a time.

3. S.R. A1A from NE Shore Village Terrace to S.R. 732/Jensen Beach Causeway (RRR) Project

Description: This 2.277-mile project began on March 23, 2026. The project improvements consist of milling and resurfacing of S.R. A1A/NE Ocean Boulevard to extend the service life of the road to provide long term resiliency, installing new drainage structures to improve stormwater management, widening the shoulders to increase width to five-feet at select locations, upgrading the existing lighting at the Jensen Beach Causeway roundabout, upgrading of pedestrian curb ramps to comply with American with Disabilities Act (ADA) standards for improved safety and connectivity, and installation of traffic calming measures and speed feedback signs to enhance safety; and upgrading signage and pavement markings to increase safety,

functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$4,898,324 / Spring 2026

Traffic Impact:

- Northbound and southbound S.R. A1A/NE Ocean Boulevard from NE Shore Village Terrace to South of S.R. 732/Jensen Beach Causeway will have one lane intermittently closed, Monday, April 6, through Friday, April 10, for pavement widening and drainage work. During this time, a two-way traffic will be maintained by a flagging operation.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

4. State Road (S.R.) 716/SE Port St. Lucie Boulevard and U.S. 1/State Road (S.R.) 5 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: The project began on August 5, 2025. The project improvements consist of milling and repaving the existing roadways within the project limits to enhance safety and long-term resiliency; upgrading signalization at the intersections of Lennard Road, S.R. 716/SE Port St. Lucie Boulevard, SE Morningside Boulevard, and SE Gowin Drive to improve traffic operations; modifying the lane configuration on Lennard Road at U.S. 1/S.R. 5 to enhance safety and traffic operations; upgrading the existing lighting at signalized intersections to LED fixtures throughout the project corridors to increase nighttime visibility; upgrading pedestrian signals with new technology at signalized intersections to improve push button accessibility; reconstructing existing sidewalk curb ramps and replacing damaged sidewalk throughout the project limits to enhance safety and connectivity for pedestrians; upgrading drainage at various locations along S.R. 716/ SE Port St. Lucie Boulevard and U.S. 1/S.R. 5 to improve long-term resiliency; restriping U.S. 1/S.R. 5 to provide seven-foot bicycle lanes to enhance safety; and upgrading signage and pavement markings to increase safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$6.8 million / Spring 2027

Traffic Impact:

- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard crossing U.S. 1/S.R. 5 and ending at SE Lennard Road will have one lane intermittently closed, 8:30 a.m. to 4:30 p.m., Monday, April 6, through Friday, April 10, for erosion control, clearing and grubbing, excavation, and drainage work.
- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and U.S. 1/S.R. 5 will have one lane closed, and as needed, 8:30 a.m. to 4:30 p.m., Monday, April 6, through Friday, April 10, for erosion control, clearing and grubbing, excavation, and drainage work.
- Southbound and northbound U.S. 1/S.R. 5 between SE Jennings Road and NW Golden Oak Trail will have one lane closed, 8:30 a.m. to 4:30 p.m., Monday, April 6, through Friday, April 10, for erosion control, clearing and grubbing, excavation, and drainage work.

- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and U.S. 1/S.R. 5 will have two lanes closed (Double Lane Closure), and as needed, 7:00 p.m. to 6:00 a.m., Sunday, April 5, through Thursday, April 9, for erosion control, clearing and grubbing, excavation, and drainage work.
- Northbound U.S. 1/S.R. 5 from SE Westmoreland Blvd to SE Lennard Road will have one lane closed for roadway widening on Tuesday, March 31, at 8 p.m., and will reopen Thursday, April 30.

5. SW Port St. Lucie Boulevard Widening Project from south of SW Paar Drive to south of SW Alcantarra Boulevard

Description: Construction began on Monday, September 8, 2025. The project improvements consist of widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, separated by an 18-foot wide median with stamped concrete and landscaping to improve safety and traffic operations; constructing new right-turn lanes on SW Port St. Lucie Boulevard at the north and south approaches to SW Paar Drive to enhance traffic flow; constructing new signalized intersections with mast arms on SW Port St. Lucie Boulevard at SW Paar Drive and SW McCall Road to improve safety and traffic operations; upgrading existing sidewalk curb ramps and constructing a new 8- to 10-foot wide sidewalk along both sides of SW Port St. Lucie Boulevard and adjacent side streets to improve pedestrian safety and connectivity; upgrading the existing lighting to LED fixtures and installing new light poles on the east side of the roadway within the project limits to improve safety for motorists and pedestrians; constructing a new drainage system to enhance functionality and long-term resiliency; and installing signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$25,577,357 / Fall 2028

Traffic Impact:

- Northbound and southbound SW Port St. Lucie Boulevard between SW Jordin Avenue and SW Alcantarra Boulevard will have one lane intermittently closed for flagging operations, 8 a.m. to 4 p.m., Monday, April 6, through Friday, April 10.
- As part of the SW Port St. Lucie Boulevard Widening Project, beginning at 7 a.m. to 7 p.m., Monday, April 6, through Friday, April 10, full road closures will occur on SW Jordin Avenue, SW McCall Road, SW McHord Avenue, Jaslo Avenue, Jacoby Avenue, SE Koler Avenue, SW McComb and SW McCullough Avenue for the installation of drainage and utilities. Adjacent closures shall not occur simultaneously. Access to residences and businesses will be maintained. Please click here to view the detour flyers for more information.
 - Eastbound and westbound SW McCall Road closure between SW Port St. Lucie Boulevard and SW Kabane Street will detour motorists traveling northbound and southbound on SW Port St. Lucie Boulevard to westbound SW McHord Avenue to southbound SW Kabane Street.
 - Eastbound and westbound SW McHord Avenue closure between Port St. Lucie Boulevard and SW Kabane Street will detour motorists traveling

- northbound and southbound Port St. Lucie Boulevard to westbound SW McDevitt Avenue or westbound SW McCall Road to SW Kabane Street.
- Eastbound and westbound SW McCullough Avenue between SW Jaslo Avenue and SW Port St. Lucie Boulevard will detour motorists traveling northbound and southbound SW Port St. Lucie Boulevard to westbound on SW Paar Drive to northbound SW McIntyre Street.
- Eastbound and westbound SW McCall Road between SW Kober Road and SW Port St. Lucie Boulevard will detour motorists traveling northbound and southbound on SW Port St Lucie Boulevard to eastbound SW Koler Ave to southbound SW Kober Road. While the closure of SW McCall Road is in place during this time, the closures of SW McCall Road (west of Port St. Lucie Boulevard), SW McHord Avenue, and SW McCullough Avenue will not be closed simultaneously.
 - Eastbound and westbound SE Koler Avenue will be closed between SW Kober Road and Port St. Lucie Boulevard. Motorists traveling eastbound on SW Koler Avenue will detour to southbound SW Kober Road to westbound SW McCall Road. Southbound Port St. Lucie Boulevard motorist will detour to eastbound SW McCall Road to northbound SW Kober Road.
 - Eastbound and westbound SW McComb Avenue will be closed between SW Jamros Street and Port St. Lucie Boulevard. Motorists traveling northbound on Port St. Lucie Boulevard will detour to eastbound SW McCoy Avenue to southbound SW Jamros Street.
 - Motorists traveling westbound on SW McComb Avenue will detour northbound to SW Jamros Street to westbound SW McCoy Avenue to southbound Port St. Lucie Boulevard.

6. State Road (S.R.) A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This project began on May 1, 2023. The S.R. A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement project improvements consist of constructing a new high-level fixed bridge connected directly to U.S. 1/S.R. 5 going over the Florida East Coast (FEC) Railroad, County Road (C.R.) 605/Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring: one 12-foot travel lane in each direction, navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel, installing a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge, installing 7-foot buffered bicycle lanes within the shoulders on both sides of S.R. A1A, constructing a 12-foot shared-use path along C.R. 605/Old Dixie Highway to provide connectivity to the East Coast Greenway, building an observation deck beneath the west side of the new bridge structure, constructing a new access road under the bridge to businesses east of the FEC Railroad, extending Juanita Avenue from U.S. 1/S.R. 5 to C.R. 605/Old Dixie Highway, and connecting U.S. 1/S.R. 5 and C.R.605/Old Dixie

Highway along Sunny Lane. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$111.5 million/Late 2027

Channel Impact:

- **Partial Channel Closures:** Between dawn and dusk, Monday through Friday, through late 2026, in-water work will continue directly adjacent to, and at times partially restrict, the navigable waterway with barge(s) in order to perform maintenance work on the bascules of the existing bridge and perform other associated construction activities. At least 45 ft. width of the channel shall remain open at all times. Vessels needing a full channel passage are required to provide the bridge tender with a 30-minute advance notice to allow for the barge to clear the channel. During the evening/overnight hours the channel will be unobstructed. All in-water equipment will be properly lit. All mariners are requested to use caution and transit the area at a slow speed. For waterways questions or drawbridge operating issues, please contact USCG Sector Miami Waterways Division at 305-535-4317 or sectormiamiwaterways@uscg.mil.

Traffic Impact:

- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- U.S. 1/S.R. 5 between the Juanita Avenue intersection and Naco Road will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction and installation of overhead signage.
- As part of the North Causeway Bridge Replacement Project, crews closed the eastbound and westbound lanes on S.R. A1A between C.R. 605/Old Dixie Highway and U.S. 1/S.R. 5 through approximately late Spring/early Summer 2026 for roadway and bridge construction. Please [click here](#) to view the detour flyer for more information.
 - U.S. 1/S.R. 5 to eastbound S.R. A1A motorists will be detoured via Juanita Avenue and C.R. 605/Old Dixie Highway to S.R. A1A.
 - Westbound S.R. A1A to U.S. 1/S.R. 5 motorists will be detoured via C.R. 605/Old Dixie Highway and Juanita Avenue or Sunny Lane to U.S. 1/S.R. 5.
 - Access to residences and businesses will be maintained.
 - Once the construction is complete, traffic will be shifted onto the new bridge and the eastbound and westbound lanes will be open on S.R. A1A between U.S. 1/S.R. 5 and C.R. 605/Old Dixie Highway.
- To enhance safety and long-term resiliency, the S.R. A1A and C.R. 605/Old Dixie Highway intersection was shifted slightly south on Monday, April 28, 2025, to facilitate the construction of the west end of the new North Causeway Bridge. Please note that the traffic lights at the S.R. A1A and C.R. 605/Old Dixie Highway intersection will be removed and replaced with a 2-way stop. Traffic will remain in the new configuration until the new bridge is opened to the public, which is anticipated for late Spring/early Summer 2026. Please [click here](#) to view the detour flyer for more information.

- Westbound S.R. A1A to northbound and southbound U.S. 1/S.R. 5 motorists will be detoured via north C.R. 605/Old Dixie Highway to westbound Juanita Avenue to U.S. 1/S.R. 5.
 - Motorists on Sunny Lane must turn right onto northbound U.S. 1/S.R. 5.
 - Access to residences and businesses will be maintained.
- To enhance safety and long-term resiliency, eastbound and westbound traffic on S.R. A1A east of the park was shifted approximately 25 feet to the north on July 21, 2025. This shift is expected to last through late Spring/early Summer 2026 to allow for permanent roadway construction.
- Northbound and southbound traffic on C.R. 605/Old Dixie Highway, approximately 200 feet from the S.R. A1A intersection, was shifted slightly to the west on Monday, Aug. 4, 2025, for pile driving work adjacent to the railroad tracks.
- Juanita Avenue east of U.S. 1/S.R. 5 is open to motorists. The new traffic signal at the intersection of Juanita Avenue and U.S. 1/S.R. 5 is activated.
- Juanita Avenue west of U.S. 1/S.R. 5 will have the westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for installation of drainage catch basins. A flagging operation will be in place to assist motorists.
- S.R. A1A between C.R. 605/Old Dixie Highway to just west of the draw bridge will have one eastbound lane closed, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway reconstruction.
- Harbortown Drive will have one lane closed in either direction, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction. A flagging operation will be in place to assist motorists.
- S.R. A1A between the North Causeway Island Park Entrance and Harbortown Drive will have one westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for bridge deck maintenance. A flagging operation will be in place to maintain local traffic.
- S.R. A1A from just west of Little Jim Bridge to the existing North Causeway Bridge will have one westbound lane closed, 9 a.m. to 4:30 p.m., Monday through Friday, through May 2026, for roadway work. A flagging operation will be in place to maintain local traffic.
- U.S. 1/S.R. 5 between NE 3rd Street and the Juanita Avenue intersection will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction and right turn lane extension.
- C.R. 605/Old Dixie Highway between Sunny Lane and S.R. A1A will have one lane in either direction closed, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway reconstruction. A flagging operation will be in place to maintain local traffic.
- Marina Access from C.R. 605/Old Dixie Highway to the North Causeway Bridge will have one lane closed in either direction, Monday through Friday, through May 2026, for roadway construction. A flagging operation will be in place to maintain local traffic.
- S.R. A1A between C.R. 605/Old Dixie Highway to Little Jim Bridge will have one lane closed, 9 p.m. to 5 a.m., Sunday through Thursday, through May 2026, for bridge construction.

- Northbound and southbound U.S. 1/S.R. 5 from the Taylor Creek Bridge to 500 feet north of Juanita Avenue will have one lane closed in either direction, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for milling and repaving work.

7. County Road (C.R.) 712/Midway Road Widening Project from west of Jenkins Road to Selvitz Road

Description: This 0.785-mile project began on April 1, 2024. The project improvements include widening C.R. 712/Midway Road from a two-lane undivided roadway to a four-lane divided roadway. The eastbound and westbound lanes of C.R. 712/Midway Road will be separated by a raised landscaped median. Additional improvements include constructing left turn lanes in the median to allow access to adjacent side streets, properties and businesses, constructing 7-foot buffered bicycle lanes on both sides of C.R. 712/Midway Road, constructing 6-foot sidewalk along the north side of C.R. 712/Midway Road, constructing a 12-foot bicycle/pedestrian path along the south side of the project, installing landscaping along the south side of the project, and upgrading drainage, signage and pavement markings. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$23.5 million/ Early 2027

Traffic Impact:

- As part of the C.R. 712/ W. Midway Road Widening Project, the crew implemented a traffic shift to the south on the newly constructed eastbound roadway from just east of Turnpike to Selvitz Road, which began on Sunday, January 18, and will continue through to Summer 2026. Please be advised that this schedule may change due to weather or unforeseen circumstances. The implementation of this traffic shift allows for the safe progression of the roadway construction on the north side of W. Midway Road.
- Eastbound or westbound C.R. 712/Midway Road between Florida's Turnpike and Selvitz Road will have one lane closed, 9 a.m. to 4 p.m., Monday through Friday, through September 2026, to facilitate roadway reconstruction.

8. State Road (S.R.) 70/Okeechobee Road Resurfacing Project

Description: The project began on March 24, 2025. The project improvements include milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency; constructing new acceleration lanes on S.R. 70/Okeechobee Road at select locations to accommodate safe U-Turn movements; widening median left turn lanes on S.R. 70/Okeechobee Road at South Header Canal Road and Shinn Road for improved traffic operations; converting the intersections of South Header Canal Road and Shinn Road to Restricted Crossing U-Turn (RCUT) Intersections to improve traffic flow and safety by eliminating direct left turns and through traffic movements from side streets; installing illuminated stop signs at Ideal Holding Road and South Header Canal Road to increase visibility and safety; reconstructing existing sidewalk curb ramps throughout the project limits and installing a new 6-foot concrete sidewalk from the Creekside Community to the S.R. 91/Florida's Turnpike entrance at S.R. 713/Kings Highway to enhance safety and connectivity for pedestrians; extending lighting from east of County Road (C.R.) 712/Midway Road to east of Shinn Road to boost nighttime

visibility; replacing drainage at various locations throughout the project limits to enhance functionality and long-term resiliency; upgrading signage and pavement markings to improve safety, functionality, and traffic operations; and installing rumble strips to enhance safety. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$16.9 Million / Spring 2026

Traffic Impact:

- Eastbound S.R. 70/Okeechobee Road between Ideal Holding Road and S.R. 713/Kings Highway will have one lane closed at 8 a.m., on Monday, April 6, and reopen Friday, April 10, at 6 a.m. for roadway widening, milling and resurfacing, and drainage work.
- Westbound S.R. 70/Okeechobee Road between Ideal Holding Road and S.R. 713/Kings Highway will have one lane closed at 8 a.m., on Monday, April 6, and reopen Friday, April 10, for roadway widening, milling and resurfacing, and drainage work.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)

9. State Road (S.R.) 656/17th Street East End of Bridge Rehabilitation and Improvements Project

Description: This project began on August 28, 2023. The project improvements consist of the replacement of the eastern 400 feet of the existing bridge; sealing the full length of the existing bridge deck surface; and upgrading signing and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$22.3 million/Summer 2028

Traffic Impact:

- **Advanced Notice:** To enhance safety and long-term resiliency, the S.R. 656/17th Street Bridge between S.R. A1A/Jimmy Buffett Memorial Highway and S.R. 60/Indian River Boulevard will be closed around the clock beginning at 10:30 p.m., Sunday, April 12, through approximately 5 a.m., Friday, April 17, to shift traffic onto the eastbound and westbound bridges. Once the traffic shift is complete, the outside lanes on both the eastbound and westbound bridges will reopen to motorists. The inside lanes will remain closed for bridge sealant application, lighting, traffic separator maintenance, and miscellaneous construction work. Signage will be in place to assist motorists. Sunday, April 19 through Friday, April 24, will be used as contingency dates if needed. Please [click here](#) to view the detour flyer for more information.
 - Westbound motorists will be detoured via S.R. A1A/Jimmy Buffett Memorial Highway and S.R. 60/Beachland Boulevard to S.R. 60/Indian River Boulevard.
 - Eastbound motorists will be detoured via S.R. 60/Indian River Boulevard and S.R. 60/Beachland Boulevard to S.R. A1A/Jimmy Buffett Memorial Highway.

- The S.R. 656/17th Street Bridge will not be closed at the same time as the S.R. A1A North Causeway Bridge. Only one bridge will be closed at a time, and coordination between the closures is ongoing.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and W Camino Del Rio, will have one eastbound lane intermittently closed for up to 10 minutes at a time as needed, 9 a.m. to 4 p.m., Monday through Friday, through April 2026, for bridge construction activities.
- S.R. 656/17th Street, between 4th Avenue and W Camino Del Rio will have one lane closed in either direction around-the-clock through 12 a.m., Monday, April 27, 2026, for bridge construction activities.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and W Camino Del Rio may have one lane closed nightly in either direction, as needed, 9 p.m. to 7 a.m., Monday through Friday, through Monday, April 27, 2026, for routine maintenance. A flagging operation would be utilized to maintain eastbound and westbound traffic. For minor work, traffic pacing will be used.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and Indian Bay Drive will have one lane closed in either direction, as needed, 9 p.m. to 7 a.m., Sunday through Thursday, through April 2026, for bridge construction activities. A flagging operation will be utilized to maintain eastbound and westbound traffic.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and Indian Bay Drive will have one lane closed in either direction, as needed, 9 a.m. to 4 p.m., Monday through Friday, through April 2026, for bridge construction activities. A flagging operation will be utilized to maintain eastbound and westbound traffic.
- S.R.60/Indian River Boulevard to eastbound S.R. 656/17th Street has one southbound turn lane closed around-the-clock through 12 a.m. Monday, April 27, 2026, for bridge construction activities.

10. State Road (S.R.) 9/I-95 at County Road (C.R.) 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project

Description: This project began on August 14, 2023. In partnership with Indian River County, FDOT is pleased to announce the construction of the new interchange at S.R. 9/I-95 and C.R. 606/Oslo Road and C.R. 606/Oslo Road improvements. Additionally, C.R. 606/Oslo Road will have capacity improvements to four lanes from west of S.R. 9/I-95 to 58th Avenue per Indian River County Resolution Nos. 2017-022 and 2017-023. Project improvements consist of constructing a new interchange with partial cloverleaf ramps at S.R. 9/I-95 and C.R. 606/Oslo Road, widening C.R. 606/Oslo Road from a two-lane to a four-lane divided roadway from west of S.R. 9/I-95 to SW 58th Avenue, installing interchange ramp lighting, replacing the existing C.R. 606/Oslo Road bridge over S.R. 9/I-95, installing a new signalized intersection at C.R. 606/Oslo Road and 66th Avenue SW, installing intersection lighting at 74th Avenue, 66th Avenue, and 58th Avenue, realigning 82nd Avenue at C.R. 606/Oslo Road, eliminating the 86th Avenue connection to C.R. 606/Oslo Road, constructing 13th Street SW to connect 86th Avenue SW and 90th Avenue, extending the south limit the existing noise wall on S.R. 9/I-95, replacing Indian River County sanitary, water and raw water mains, upgrading signing, signalization, intersection lighting, bicycle lanes, and sidewalks, installing a closed

drainage system and constructing three drainage ponds. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$95.78 million/Spring 2027

Traffic Impact:

- To enhance safety and long-term resiliency, crews will implement a traffic shift by reducing the three-lane section of S.R. 9/I-95 in each direction to one lane between S.R. 614/Indrio Road (Exit 138) and S.R. 60/20th Street (Exit 147). This lane reduction will take place nightly, 9 p.m. to 6 a.m., Monday to Thursday, beginning Monday, April 6 through Thursday, April 16, for construction work, excluding Friday and Saturday nights. One lane of traffic in each direction will be maintained via two constructed crossover lanes to facilitate the traffic shift. This reduction is necessary to safely perform bridge construction. If weather or unforeseen circumstances occur, the shifts will continue through Thursday, April 23. Please see the attached flyer for more information.
 - Northbound motorists on S.R. 9/I-95 will be shifted to the southbound lanes at C.R. 606/Oslo Road bridge using a new crossover lane during bridge construction work.
 - Southbound motorists on S.R. 9/I-95 will be shifted to the northbound lanes at C.R. 606/Oslo Road bridge using a new crossover lane during bridge construction work.
 - To ensure motorist and crew safety, the speed limit will be reduced from 70 MPH to 35 MPH. The Florida Highway Patrol will be onsite, and signage will be in place to assist motorists.
- As part of the S.R. 9/I-95 at C.R. 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project, crews permanently closed 86th Avenue SW at C.R. 606/Oslo Road beginning at 5 a.m. on Friday, June 20, 2025, for the construction of a Cul-De-Sac. Signage is in place to assist motorists. The FPL access point will be maintained. Please [click here](#) to view the flyer.
 - Eastbound C.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at C.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Westbound C.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at C.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Northbound 86th Avenue SW motorists will be detoured via west on 13th Street and north on 90th Avenue SW to C.R. 606/Oslo Road.
- As part of the S.R. 9/I-95 at C.R. 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project, crews implemented a traffic shift that began on Sunday, July 13, 2025, and will continue through Spring 2026. The shift occurred approximately 1,500 feet west of the C.R. 606/Oslo Road bridge over S.R. 9/I-95, where eastbound and westbound traffic was shifted onto the newly constructed westbound C.R. 606/Oslo Road lanes. This shift is necessary to safely perform demolition of the existing bridge, construct the new eastbound bridge, roadwork, and reconstruction activities. Please view the [flyer](#) for more information.

- S.R. 9/I-95 may have one lane in either direction closed nightly, as needed, from 9 p.m. to 6 a.m., through April 2026, for bridge work.

11. U.S. 1/State Road (S.R.) 5 Sidewalk Improvement Project

Description: This project began on May 29, 2025. The project improvements include installing a six-foot wide concrete sidewalk on the east side of U.S. 1/S.R. 5 from County Road (C.R.) 611/45th Street to south of 53rd Street to enhance safety and connectivity for pedestrians, constructing crosswalks at U.S. 1/S.R. 5 and 4th Street to increase pedestrian safety, replacing drainage at various locations throughout the project limits to improve functionality and long-term resiliency, and upgrading signage and pavement markings to boost safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.7 million/Early 2026

Traffic Impact:

- U.S. 1/S.R. 5 from approximately 400 feet south of the Publix entrance to the Publix entrance will have one northbound right turn lane closed, as needed, 8 a.m. to 5 p.m., Monday through Saturday, to construct a segment of sidewalk and turn lane.
- U.S. 1/S.R. 5 between C.R. 611/45th Street to 47th Street will have one northbound lane closed around-the-clock, as needed, Monday through Saturday, for guardrail demolition, watermain replacement, headwall extension, sidewalk installation, drainage work, and thermoplastic pavement marking placement.
- U.S. 1/S.R. 5 between C.R. 611/45th Street to south of 53rd Street will have one northbound lane closed, as needed, 8 a.m. to 5 p.m., Monday through Saturday, for milling and repaving work, and thermoplastic pavement marking placement.

12. State Road (S.R.) 510/85 Street Widening Project

Description: The project began on October 29, 2025. The project improvements consist of widening S.R. 510/85 Street from a two-lane undivided roadway to a four-lane divided roadway to improve safety and traffic operations; installing seven-foot wide buffered bicycle lanes to increase safety; constructing a six-foot wide sidewalk throughout the project limits to enhance pedestrian safety and connectivity; installing new traffic signals at the existing signalized intersections along S.R. 510/85 Street and S.R. 512/Sebastian Boulevard, Mako Way, Hammerhead Way, and 87 Street to improve traffic operations; constructing a new bus transfer facility with six additional bus bays around the perimeter of the new retention pond to improve traffic flow; constructing a new closed drainage system with a retention pond and new utility systems to improve functionality and long-term resiliency; and installing signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$24.89 million / Fall 2028

Traffic Impacts:

- Eastbound or westbound S.R. 512/Sebastian Boulevard at S.R. 510/ 90 Street will have one lane intermittently closed, 8 p.m. to 6 a.m., Monday, April 6, through Saturday, April 11, for roadway construction.

MAINTENANCE, UTILITY, PERMIT and ADDITIONAL AGENCY PROJECTS

For additional maintenance, utility, permit, and agency closures not listed below, please click this link: [Lciv2](#)

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewall's Point)

MARTIN COUNTY:

Eastbound and westbound SW Martin Highway between Lady Lake Acres & SW Stuart W Blvd, in Palm City, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound SE Bridge Road between SE Lantana Ave & U.S. 1 in Hobe Sound, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Westbound SW Monterey Road between SW Kanner Highway & SW Palm City Rd, in Stuart, 9:00 a.m. to 4:00 p.m., Monday, April 6, through Friday, April 10, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L pole removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

PORT MAYACA:

Southbound and northbound SW Conners Highway between Port Mayaca Polo Club & Florida Trail Port Mayaca Recreation Area Trailhead, in Indiantown, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, FPL Utilities Installation. For more information, please contact Rafael Ureña at 772-882-5084.

INDIANTOWN:

Westbound SW Warfield Boulevard between SW Monroe Ave & Garcia Drive, in Indiantown, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane may be intermittently closed with possible lane shifts, for FP&L pole removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

FORT PIERCE:

Northbound & southbound U.S. 1 between Easy Street & Tumbling King Rd, in Fort Pierce, 9:00 a.m. to 4:00 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L pole replacement operations. For more information, please contact Rafael Ureña at 772-882-5084.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, City of Sebastian, Sebastian, Wabasso, Wabasso Beach, Orchid Island, City of Fellsmere)

VERO BEACH:

Southbound U.S. 1 between 15 Place & 13 Place, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound 20 Street between 27 Ave & 25 Ave, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound A1A between Periwinkle Drive & Regatta Drive in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Westbound S.R. 60 between 66 Avenue & Royal Palm Drive E, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound S.R. 60 between 53 Ave & 44 Ave, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between Garden Grove Parkway & Grove Isle Circle, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between 33 Street & 37 Street, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with

possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound & westbound S.R. 60 between 100 Ave Plantation Drive, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound & westbound S.R. 510 between U.S. 1 & Harbor Isle Way, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between Bridge Blvd & Durrance Rd, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & northbound Jimmy Buffet Memorial Highway between Island Club Manor & Sea Oak Blvd, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & northbound Jimmy Buffet Memorial Highway between Cavalla Rd & Seagrape Drive in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound S.R. 60 between 95 Ct & 94 Drive, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between 21 St SE & Highland Drive SE, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & northbound U.S. 1 between 43 Ave & 77 Street 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Westbound S.R. 60 between 82 Ave & 85 CT, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1 between 57 Street Ave & 63 Street, in Vero Beach, 9 a.m. to 4 p.m., Monday, April 6, through Friday, April 10, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations.
