FDOT Treasure Coast Traffic Report

July 10, 2026 – July 17, 2026

MARTIN, ST. LUCIE and INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie, and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @ MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewall's Point)

1. United States (U.S.) 1/State Road (S.R.) 5 From SE Fisher Street To north of SE Decker Avenue Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 1.724-mile project on S.R. 5/U.S. 1 from north of southeast Fischer Street to north of southeast Decker Avenue in the City of Stuart and unincorporated Martin County began on May 5, 2025. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, widening the bicycle lane by restriping it from 4 feet to 5 feet to increase safety, constructing 25 new light poles with LED fixtures at signalized intersections to boost nighttime visibility, reconstructing existing sidewalk curb ramps throughout the project limits to enhance safety and connectivity for pedestrians, upgrading existing pedestrian signals at signalized intersections to improve push button accessibility, and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$7.5 million/Summer 2026

Traffic Impact:

- Northbound and southbound U.S. 1/S.R. 5 between north of SE Fischer Street and north of SE Decker Avenue may have two lanes closed intermittently, 8 p.m. to 6 a.m. Sunday, July 12, through Friday, July 17, for sign installation.

2. State Road (S.R.) 9/I-95 from south of S.R. 76/Kanner Highway to Martin/St. Lucie County Line Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 17.002-mile project on S.R. 9/I-95 from north of County Road (C.R.) 708/Bridge Road to the Martin/St. Lucie County line began on June 22, 2025. The project improvements consist of milling and resurfacing the S.R. 9/I-95 mainline from north of C.R. 708/Bridge Road to the Martin/St. Lucie County line to enhance safety and long-term resiliency; widening the northbound S.R. 9/I-95 entrance ramp shoulder from S.R. 76/Kanner Highway to improve safety and traffic operations; constructing new lighting to increase nighttime visibility; installing Wrong Way Vehicle Detection Systems (WWVDS) on S.R. 76/Kanner Highway, S.R. 714/Martin Highway, and C.R. 713/High Meadow Avenue ramps to improve safety; and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$40.8 million/Fall 2028

Traffic Impact:

- Southbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at Martin/St. Lucie County line, will have two lanes closed, 7:30 p.m. to 5:30 a.m. Sunday, July 12, through Friday, October 30, for signage, milling, and resurfacing.
- Northbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at the Martin/St. Lucie County line, will have two lanes closed, 8:30 p.m. to 6:30 a.m. Sunday, July 12, through Friday, October 30, for milling and resurfacing.
- Southbound S.R. 9/I-95 between S.R. 76/SW Kanner Highway (Exit 101) and C.R. 708/SE Bridge Road (Exit 96), will have two lanes closed starting at 4 p.m. and reopening at 5:30 a.m. Monday, July 20, and Tuesday, July 21, to complete an emergency repair at MM 98. Please consider other routes through this area to minimize impacts to your travel time.
- **Ramp Closure:** The S.R. 9/I-95 southbound exit ramp to C.R. 708/SE Bridge Road (Exit 96) will be closed from 8 p.m. to 6 a.m. Sunday July 12, through Thursday, July 16, for roadway construction. Motorists will be detoured from southbound S.R. 9/I-95 at the S.R. 76/SW Kanner Highway exit ramp to southbound C.R. 711/Pratt-Whitney Road to the eastbound C.R. 708/SE Bridge Road. The contingency dates due to weather or other unforeseen circumstances will be Sunday, July 19, through Thursday, July 23. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 northbound exit ramp to S.R. 714/SW Martin Highway will be closed from 8 p.m. to 6 a.m. Sunday, July 19, through Thursday, July 23, for the installation of overhead sign structures. Motorists will continue northbound on S.R. 9/I-95 to the SW Becker Road exit ramp (Exit 114) to westbound SW Becker Road, to the southbound S.R. 9/I-95 entrance ramp to the S.R. 714/SW Martin Highway exit ramp (Exit 110). The

contingency dates due to weather or other unforeseen circumstances will be Sunday, July 26, through Thursday, July 30. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.

- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 northbound entrance ramp from S.R. 714/SW Martin Highway will be closed from 8 p.m. to 6 a.m. Sunday, July 19, through Thursday, July 23, for the installation of overhead sign structures. Motorists will be detoured to eastbound S.R. 714/SW Martin Highway to northbound SW Newfield Parkway to westbound SW Becker Road to the northbound S.R. 9/I-95 entrance ramp. The contingency dates due to weather or other unforeseen circumstances will be Sunday, July 26, through Thursday, July 30. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound exit ramp to S.R. 714/SW Martin Highway (Exit 110) will be closed from 8 p.m. to 6 a.m. Sunday, July 26, through Thursday, July 30, for milling and resurfacing. Motorists will be detoured southbound S.R. 9/I-95 exit ramp to the C.R. 713/SW High Meadow Avenue (Exit 102) to northbound C.R. 713/SW High Meadow Avenue to S.R. 718/SW Martin Highway. The contingency dates due to weather or other unforeseen circumstances will be Sunday, August 2, through Thursday, August 6. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound entrance ramp from S.R. 714/SW Martin Highway, will be closed from 8 p.m. to 6 a.m., Sunday, August 2, through Thursday, August 6, for placement of friction course on the adjacent S.R. 9/I-95 lanes. Motorists will be detoured eastbound S.R. 714/SW Martin Highway to southbound C.R. 713/SW High Meadow Avenue (Exit 102) to the S.R. 9/I-95 southbound entrance ramp. The contingency dates due to weather or other unforeseen circumstances will be Sunday, August 9, through Thursday, August 13. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 northbound entrance ramp from S.R. 76/SW Kanner Highway will be closed from 8 p.m. to 6 a.m. Sunday, August 2, through Thursday, August 6, for milling and resurfacing. Motorists will be detoured to southbound S.R. 76/SW Kanner Highway to the C.R. 711/Pratt-Whitney Road to eastbound C.R. 708/SE Bridge Road to the northbound S.R. 9/I-95 entrance ramp. The contingency dates due to weather or other unforeseen circumstances will be Sunday, August 9, through Thursday, August 13. Detour signage will be in place to assist motorists. Only one ramp closure will occur at a time.

3. S.R. A1A from NE Shore Village Terrace to S.R. 732/Jensen Beach Causeway (RRR) Project

Description: This 2.277-mile project began on March 23, 2026. The project improvements consist of milling and resurfacing of S.R. A1A/NE Ocean Boulevard to extend the service life of the road to provide long term resiliency, installing new drainage structures to improve stormwater management, widening the shoulders to

increase width to five-feet at select locations, upgrading the existing lighting at the Jensen Beach Causeway roundabout, upgrading of pedestrian curb ramps to comply with American with Disabilities Act (ADA) standards for improved safety and connectivity, and installation of traffic calming measures and speed feedback signs to enhance safety; and upgrading signage and pavement markings to increase safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$4.9 million/Spring 2026

Traffic Impact:

- Northbound and southbound S.R. A1A/NE Ocean Boulevard from NE Shore Village Terrace to south of S.R. 732/Jensen Beach Causeway may have one lane closed intermittently, Monday, July 13, through Friday, July 17, for pavement widening and drainage work. During this time, two-way traffic will be maintained by a flagging operation.

4. State Road (S.R.) 714/SW Martin Highway Restoration, Resurfacing, and Rehabilitation Project from E to SW Stuart W Blvd to W of Citrus Blvd

Description: This 3.314-mile project on S.R. 714/SW Martin Highway from east of SW Stuart West Boulevard to west of Citrus Boulevard, in the city of Palm City and unincorporated Martin County, began in April 2026. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, widening eastbound and westbound SW Boat Ramp Avenue to accommodate turn lanes, installing new light poles at SW Boat Ramp Avenue to boost nighttime visibility, and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$3.5 million / Fall 2026

Traffic Impact:

- Eastbound and westbound S.R. 714/SW Martin Highway between east of SW Stuart W Boulevard and west of Citrus Boulevard may have one lane closed intermittently, from 7 p.m. to 6 a.m. Tuesday, July 14, through Thursday, July 16, for milling and resurfacing. During this time, two-way traffic will be maintained by a flagging operation.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

5. State Road (S.R.) 716/SE Port St. Lucie Boulevard and U.S. 1/State Road (S.R.) 5 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: The project began on August 5, 2025. The project improvements consist of milling and repaving the existing roadways within the project limits to enhance safety and long-term resiliency; upgrading signalization at the intersections of Lennard Road, S.R. 716/SE Port St. Lucie Boulevard, SE Morningside Boulevard, and SE Gowin Drive to improve traffic operations; modifying the lane configuration on Lennard Road at U.S. 1/S.R. 5 to enhance safety and traffic operations; upgrading the existing lighting at

signalized intersections to LED fixtures throughout the project corridors to increase nighttime visibility; upgrading pedestrian signals with new technology at signalized intersections to improve push button accessibility; reconstructing existing sidewalk curb ramps and replacing damaged sidewalk throughout the project limits to enhance safety and connectivity for pedestrians; upgrading drainage at various locations along S.R. 716/ SE Port St. Lucie Boulevard and U.S. 1/S.R. 5 to improve long-term resiliency; restriping U.S. 1/S.R. 5 to provide seven-foot bicycle lanes to enhance safety; and upgrading signage and pavement markings to increase safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$6.8 million/Spring 2027

Traffic Impact:

- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and SE Lennard Road may have one lane closed intermittently, 8:30 a.m. to 4:30 p.m. Monday, July 13, through Friday, July 17, for erosion control, excavation, drainage work, and sidewalk installation.
- Southbound and northbound S.R. 5/U.S. 1 between SE Jennings Road and NW Golden Oak Trail may have one lane closed, 8:30 a.m. to 4:30 p.m. Monday, July 13, through Friday, July 17, for erosion control, excavation, drainage work, and sidewalk installation.
- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and SE Lennard Road will have two lanes closed intermittently, 8 p.m. to 6 a.m. Sunday, July 12, through Friday, July 17, for erosion control, drainage work, milling, and repaving operations.
- Southbound and northbound S.R. 5/U.S. 1 between SE Jennings Road and NW Golden Oak Trail will have one lane closed, 8 p.m. to 6 a.m. Sunday, July 12, through Friday, July 17, for erosion control, drainage work, milling, and repaving operations.

6. SW Port St. Lucie Boulevard Widening Project from south of SW Paar Drive to south of SW Alcantarra Boulevard

Description: Construction began on Monday, September 8, 2025. The project improvements consist of widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, separated by an 18-foot wide median with stamped concrete and landscaping to improve safety and traffic operations; constructing new right-turn lanes on SW Port St. Lucie Boulevard at the north and south approaches to SW Paar Drive to enhance traffic flow; constructing new signalized intersections with mast arms on SW Port St. Lucie Boulevard at SW Paar Drive and SW McCall Road to improve safety and traffic operations; upgrading existing sidewalk curb ramps and constructing a new 8- to 10-foot wide sidewalk along both sides of SW Port St. Lucie Boulevard and adjacent side streets to improve pedestrian safety and connectivity; upgrading the existing lighting to LED fixtures and installing new light poles on the east side of the roadway within the project limits to improve safety for motorists and pedestrians; constructing a new drainage system to enhance functionality and long-term resiliency; and installing signage and pavement markings to improve safety,

functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$25.6 million/Fall 2028

Traffic Impact:

- Northbound and southbound SW Port St. Lucie Boulevard between SW Jordin Avenue and SW Alcantarra Boulevard will have one lane closed intermittently, from 8 a.m. to 4 p.m. Monday, July 13, through Friday, July 17, for roadway construction.
- As part of the SW Port St. Lucie Boulevard Widening Project, extended overnight road closures will occur intermittently on SW Jaslo Avenue, SW Jacoby Avenue, SW McCullough Avenue, SW McCall Road, and SW McHord Avenue for the installation of drainage and utilities. Closures may begin at 7 a.m. on Monday, July 13, with roads reopening at 5 p.m. on Friday, July 17. Adjacent road closures will not occur at the same time. Access to residences and businesses will be maintained throughout the work. Please [click here](#) to view the detour flyers for more information.
 - o Eastbound and westbound SW Jaslo Avenue will be detoured via southbound SW McCain Street to westbound SW Paar Drive to northbound SW Port St. Lucie Boulevard, or southbound SW Port St. Lucie Boulevard to eastbound SW Paar Drive to northbound SW McCain Street.
 - o Eastbound and westbound SW Jacoby Avenue will be closed between SW McCain Street and SW Port St. Lucie Boulevard. Motorists traveling northbound on SW McCain Street will be detoured to westbound SW McCullough Avenue to southbound SW Port St. Lucie Boulevard. Northbound SW Port St. Lucie Boulevard to eastbound SW McCullough Avenue to southbound SW McCain Street.
 - o Eastbound and westbound SW McCullough Avenue between SW Jaslo Avenue and SW Port St. Lucie Boulevard will detour motorists traveling northbound and southbound SW Port St. Lucie Boulevard to westbound on SW Paar Drive to northbound SW McIntyre Street.
 - o Eastbound and westbound SW McCall Road closure between SW Port St. Lucie Boulevard and SW Kabane Street will detour motorists traveling northbound and southbound on SW Port St. Lucie Boulevard to westbound SW McHord Avenue to southbound SW Kabane Street.
 - o Eastbound and westbound SW McHord Avenue will be closed between Port St. Lucie Boulevard and SW Kabane Street. Motorists traveling northbound and southbound Port St. Lucie Boulevard will detour to westbound SW McDevitt Avenue or westbound SW McCall Road to SW Kabane Street.

7. State Road (S.R.) 9/I-95 Roadway Improvement Project north of Glades Cut-Off Road to north of Florida's Turnpike/S.R. 91

Description: This 2.756-mile project on State Road (S.R.) 9/I-95 Roadway Improvement Project, north of Glades Cut-Off Road to north of Florida's Turnpike/S.R. 91, in the city of Fort Pierce, and unincorporated St. Lucie County will begin on June

2026. The project improvements consist of installing new Intelligent Transportation Systems or (ITS) devices, milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, replacing the guardrail, and upgrading pavement markings and signage, to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$5.1 million/Spring 2027

Traffic Impact:

- Northbound and southbound S.R. 9/I-95 between Glades Cut Off Road (mile marker 123) and just south of S.R. 70/Okeechobee Road (mile marker 128), will have up to two lanes closed from 8 p.m., to 6:30 a.m. Sunday, July 12, through Friday, July 17, as needed, for milling, and repaving operations.

8. State Road (S.R.) A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This project began on May 1, 2023. The S.R. A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement project improvements consist of constructing a new high-level fixed bridge connected directly to U.S. 1/S.R. 5 going over the Florida East Coast (FEC) Railroad, County Road (C.R.) 605/Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring: one 12-foot travel lane in each direction, navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel, installing a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge, installing 7-foot buffered bicycle lanes within the shoulders on both sides of S.R. A1A, constructing a 12-foot shared-use path along C.R. 605/Old Dixie Highway to provide connectivity to the East Coast Greenway, building an observation deck beneath the west side of the new bridge structure, constructing a new access road under the bridge to businesses east of the FEC Railroad, extending Juanita Avenue from U.S. 1/S.R. 5 to C.R. 605/Old Dixie Highway, and connecting U.S. 1/S.R. 5 and C.R.605/Old Dixie Highway along Sunny Lane. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$111.5 million/Late 2027

Channel Impact:

- **Temporary Deviation to S.R. A1A North Causeway Drawbridge Operations:** A temporary deviation to the S.R. A1A North Causeway drawbridge operations will take place from Thursday, July 16, through Friday, July 24, 2026, as follows:
 - From 7 a.m. on Thursday, July 16, 2026, through 6 p.m. on Saturday, July 18, 2026, the drawbridge will not open to marine traffic. Vessels able to pass without an opening may do so at any time.
 - From 6 p.m. on Saturday, July 18, 2026, through 6 p.m. on Wednesday, July 22, 2026, single-leaf only openings will be provided. The channel will be partially obstructed.
 - From 6 p.m. on Wednesday, July 22, 2026, through 7 a.m. on Thursday, July 23, 2026, the drawbridge will be locked in the up/open to navigation position.

- From 7 a.m. to 6 p.m. on Thursday, July 23, 2026, the channel will be partially obstructed. During this time, the channel will be fully obstructed for a 2-hour period for the removal of the steel bascule bridge leaf.
- From 7 a.m. to 6 p.m. on Friday, July 24, 2026, the channel will be partially obstructed. During this time, the channel will be fully obstructed for a 2-hour period for the removal of the steel bascule leaf.
- At 6 p.m. on Friday, July 24, 2026, the navigation channel will be unobstructed, and the drawbridge operating regulation is no longer effective.
- There are no impacts to vehicular traffic.
- All mariners should exercise caution and navigate the area at a slow speed. For waterway or draw bridge operating issues, please contact the USCG Sector Miami Waterways Division at 305-535-4317 or sectormiamiwaterways@uscg.mil.
- **Partial Channel Closures:** Between dawn and dusk, Monday through Friday, through Late 2026, in-water work will continue directly adjacent to, and at times partially restrict, the navigable waterway with barge(s) in order to perform maintenance work on the bascules of the existing bridge and perform other associated construction activities. At least 45 ft. width of the channel shall remain open at all times. Vessels needing a full channel passage are required to provide the bridge tender with a 120-minute advance notice to allow for the barge to clear the channel. During the evening/overnight hours, the channel will remain unobstructed, maintaining a minimum channel width of 45 ft. All in-water equipment will be properly lit. All mariners are requested to use caution and transit the area at a slow speed. For waterways questions or drawbridge operating issues, please contact the USCG Sector Miami Waterways Division at 305-535-4317 or sectormiamiwaterways@uscg.mil.
- **Full Channel Closures:** Intermittent full channel closures may occur for up to 6 hours between dawn and dusk, Monday through Friday, through July 2026, for removal of the steel bascule bridge spans in the main navigation channel. Vessels that require full channel access must provide the bridge tender with a 120-minute advanced notice to allow the work barges to clear the channel. The vertical clearance was permanently reduced to 85 feet on Thursday, April 17, 2025. The channel will be unobstructed during the evening, and all in-water equipment will be properly lighted. All mariners should exercise caution and navigate the area at a slow speed. For waterway or draw bridge operating issues, please contact the USCG Sector Miami Waterways Division at 305-535-4317 or sectormiamiwaterways@uscg.mil.

Traffic Impact:

- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- The new S.R. A1A North Causeway Bridge over the ICWW connecting directly to U.S. 1/S.R. 5 opened to the traveling public on Friday, May 15, 2026. At opening:
 - The eastbound and westbound S.R. A1A bicycle lanes and the shared-use path along S.R. A1A on the north side of the bridge remain closed as

construction activities continue. Pedestrians are detoured to the sidewalk on the south side of the bridge.

- The observation deck at the west end of the new bridge is also closed during this construction phase.
- The existing drawbridge was permanently closed to vehicular traffic and demolished as part of the final phase of work through Late 2027.
- Please note that the new bridge does not connect to C.R. 605/Old Dixie Highway.
- Accessing U.S. 1/S.R. 5 and C.R. 605/Old Dixie Highway:
 - Motorists traveling along U.S. 1/S.R. 5 can access C.R. 605/Old Dixie Highway via Juanita Avenue.
 - Motorists traveling along C.R. 605/Old Dixie Highway can access northbound and southbound U.S. 1/S.R. 5 via Juanita Avenue and northbound U.S. 1/S.R. 5 only via Sunny Lane. Please [click here](#) to view the graphic.
- U.S. 1/S.R. 5 between the Juanita Avenue intersection and Naco Road will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through July 2026, for roadway construction and installation of overhead signage.
- To enhance safety and long-term resiliency, the S.R. A1A and C.R. 605/Old Dixie Highway intersection was shifted slightly south on Monday, April 28, 2025, to facilitate the construction of the west end of the new North Causeway Bridge. Please note that the traffic lights at the S.R. A1A and C.R. 605/Old Dixie Highway intersection were removed and replaced with a 2-way stop.
- To enhance safety and long-term resiliency, eastbound and westbound traffic on S.R. A1A east of the park was shifted approximately 25 feet to the north on July 21, 2025. This shift is expected to last through Summer 2026 to allow for permanent roadway construction.
- Northbound and southbound traffic on C.R. 605/Old Dixie Highway, approximately 200 feet from the S.R. A1A intersection, was shifted slightly to the west on Monday, Aug. 4, 2025, for pile driving work adjacent to the railroad tracks.
- Juanita Avenue east of U.S. 1/S.R. 5 is open to motorists. The new traffic signal at the intersection of Juanita Avenue and U.S. 1/S.R. 5 is activated.
- Juanita Avenue west of U.S. 1/S.R. 5 will have the westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through July 2026, for installation of drainage catch basins. A flagging operation will be in place to assist motorists.
- Harbortown Drive will have one lane closed in either direction, 7 a.m. to 5 p.m., Monday through Friday, through July 2026, for roadway construction. A flagging operation will be in place to assist motorists.
- U.S. 1/S.R. 5 between NE 3rd Street and the Juanita Avenue intersection will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through July 2026, for roadway construction and right turn lane extension.
- C.R. 605/Old Dixie Highway between Sunny Lane and S.R. A1A will have one lane in either direction closed, 7 a.m. to 5 p.m., Monday through Friday, through July 2026, for roadway reconstruction. A flagging operation will be in place to maintain local traffic.

- Marina Access from C.R. 605/Old Dixie Highway to the North Causeway Bridge will have one lane closed in either direction, Monday through Friday, through July 2026, for roadway construction. A flagging operation will be in place to maintain local traffic.
- Northbound and southbound U.S. 1/S.R. 5 from the Taylor Creek Bridge to 500 feet north of Juanita Avenue will have one lane closed in either direction, 9 a.m. to 5 p.m., Monday through Friday, through July 2026, for milling and repaving work.
- Juanita Avenue, east of U.S. 1/S.R. 5, will have one westbound turn lane closed, 9 a.m. to 5 p.m., Monday through Friday, through July 2026, for roadway work. A flagging operation will be in place to assist motorists.

9. County Road (C.R.) 712/Midway Road Widening Project from west of Jenkins Road to Selvitz Road

Description: This 0.785-mile project began on April 1, 2024. The project improvements include widening C.R. 712/Midway Road from a two-lane undivided roadway to a four-lane divided roadway. The eastbound and westbound lanes of C.R. 712/Midway Road will be separated by a raised landscaped median. Additional improvements include constructing left turn lanes in the median to allow access to adjacent side streets, properties and businesses, constructing 7-foot buffered bicycle lanes on both sides of C.R. 712/Midway Road, constructing 6-foot sidewalk along the north side of C.R. 712/Midway Road, constructing a 12-foot bicycle/pedestrian path along the south side of the project, installing landscaping along the south side of the project, and upgrading drainage, signage and pavement markings. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$23.5 million/Early 2027

Traffic Impact:

- Eastbound or westbound C.R. 712/Midway Road between Florida's Turnpike and Selvitz Road will have one lane closed intermittently, 9 a.m. to 4 p.m. Monday through Friday, through September 2026, to facilitate roadway reconstruction.
- As part of the C.R. 712/Midway Road Widening Project, westbound traffic was shifted north onto the newly constructed lanes between NW Corporate Way and Selvitz Road. The shift began on Wednesday, June 10, and is expected to remain in place through September 2026. Please be advised that this schedule may change due to weather or unforeseen circumstances. The implementation of this traffic shift allows for the safe progression of the roadway construction on the median of C.R. 712/Midway Road.

10. Skid Hazard Overlay Northbound State Road (S.R.) 9/I-95 Exit Ramp to westbound S.R. 68/Orange Avenue

Description: This .291-mile project on the northbound S.R. 9/I-95 exit ramp to westbound S.R. 68/Orange Ave, in the City of Fort Pierce began in March 2026. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, by implementing the approved safety recommendations which include the installation of high friction surface treatment along the loop ramp, widening the outside shoulder for the length of the loop ramp,

installation of pedestrian crossing and chevron signs along the ramp, and to enhance the existing lighting along the ramp by replacing existing light poles to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$840,956/Fall 2026

Traffic Impact:

- **Ramp Closure:** The exit ramp to westbound S.R. 68/Orange Avenue from northbound S.R. 9/I-95 will be closed, from 8 p.m. to 6 a.m. Sunday, July 12, through Thursday, July 16, for paving and lighting installation. The contingency dates due to weather or other unforeseen circumstances will be Sunday, July 19, through Thursday, July 23. Motorists will detour to the exit ramp to eastbound S.R. 68/Orange Avenue, to northbound N Jenkins Road, to westbound Loop Road, to westbound S.R. 68/Orange Avenue. Adjacent exits and entrances will not be closed simultaneously. Signage will be in place to assist motorists.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)

11. State Road (S.R.) 656/17th Street East End of Bridge Rehabilitation and Improvements Project

Description: This project began on August 28, 2023. The project improvements consist of the replacement of the eastern 400 feet of the existing bridge; sealing the full length of the existing bridge deck surface; and upgrading signing and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$22.3 million/Late Summer 2026

Traffic Impact:

- One lane on the eastbound and westbound S.R. 656/17th Street Bridges, between S.R. 60/Indian River Boulevard and Indian Bay Drive, may be closed through Late Summer 2026. The lane closed may shift between the inside and outside travel lanes as required for thermoplastic striping, traffic railing coating, penetrant sealer application, and miscellaneous construction activities.

12. State Road (S.R.) 9/I-95 at S.R. 606/Oslo Road New Interchange and S.R. 606/Oslo Road Widening Project

Description: This project began on August 14, 2023. In partnership with Indian River County, FDOT is pleased to announce the construction of the new interchange at S.R. 9/I-95 and S.R. 606/Oslo Road and S.R. 606/Oslo Road improvements. Additionally, S.R. 606/Oslo Road will have capacity improvements to four lanes from west of S.R. 9/I-95 to 58th Avenue per Indian River County Resolution Nos. 2017-022 and 2017-023. Project improvements consist of constructing a new interchange with partial cloverleaf ramps at S.R. 9/I-95 and S.R. 606/Oslo Road, widening S.R. 606/Oslo Road from a two-lane to a four-lane divided roadway from west of S.R. 9/I-95 to SW 58th Avenue, installing interchange ramp lighting, replacing the existing S.R. 606/Oslo Road bridge over S.R. 9/I-95, installing a new signalized intersection at S.R. 606/Oslo Road and

66th Avenue SW, installing intersection lighting at 74th Avenue, 66th Avenue, and 58th Avenue, realigning 82nd Avenue at S.R. 606/Oslo Road, eliminating the 86th Avenue connection to S.R. 606/Oslo Road, constructing 13th Street SW to connect 86th Avenue SW and 90th Avenue, extending the south limit the existing noise wall on S.R. 9/I-95, replacing Indian River County sanitary, water and raw water mains, upgrading signing, signalization, intersection lighting, bicycle lanes, and sidewalks, installing a closed drainage system and constructing three drainage ponds. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$95.78 million/Spring 2027

Traffic Impact:

- Traffic on S.R. 606/Oslo Road from approximately 1,500 feet west of the S.R. 606/Oslo Road bridge over S.R. 9/I-95 to SW 58th Avenue was shifted at 5 p.m., Sunday, June 28, 2026. One westbound lane is open on the westbound roadway, and one eastbound traffic lane is open on the eastbound roadway. This shift is necessary to safely perform sidewalk construction activities as well as sod and signage installation. Please [click here](#) to view the flyer for more information.
- As part of the S.R. 9/I-95 at S.R. 606/Oslo Road New Interchange and S.R. 606/Oslo Road Widening Project, crews permanently closed 86th Avenue SW at S.R. 606/Oslo Road beginning at 5 a.m. on Friday, June 20, 2025, for the construction of a Cul-De-Sac. Signage is in place to assist motorists. The FPL access point will be maintained. Please [click here](#) to view the flyer.
 - Eastbound S.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at S.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Westbound S.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at S.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Northbound 86th Avenue SW motorists will be detoured via west on 13th Street and north on 90th Avenue SW to S.R. 606/Oslo Road.
- S.R. 9/I-95 may have one lane in either direction closed nightly within the project limits, as needed, from 9 p.m. to 6 a.m., Sunday through Thursday, through July 2026, for bridge work.
- S.R. 9/I-95 may have two lanes closed in either direction closed nightly within the project limits, as needed, from 9 p.m. to 6 a.m., Sunday through Thursday, through July 2026, for milling and resurfacing work.

13. U.S. 1/State Road (S.R.) 5 Sidewalk Improvement Project

Description: This project began on May 29, 2025. The project improvements include installing a six-foot wide concrete sidewalk on the east side of U.S. 1/S.R. 5 from County Road (C.R.) 611/45 Street to south of 53 Street to enhance safety and connectivity for pedestrians, constructing crosswalks at U.S. 1/S.R. 5 and 45 Street to increase pedestrian safety, replacing drainage at various locations throughout the project limits to improve functionality and long-term resiliency, and upgrading signage and pavement markings to boost safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$5.7 million/Late Summer 2026

Traffic Impact:

- All lanes are open.

14. State Road (S.R.) 510/85 Street Widening Project

Description: The project began on October 29, 2025. The project improvements consist of widening S.R. 510/85 Street from a two-lane undivided roadway to a four-lane divided roadway to improve safety and traffic operations; installing seven-foot wide buffered bicycle lanes to increase safety; constructing a six-foot wide sidewalk throughout the project limits to enhance pedestrian safety and connectivity; installing new traffic signals at the existing signalized intersections along S.R. 510/85 Street and S.R. 512/Sebastian Boulevard, Mako Way, Hammerhead Way, and 87 Street to improve traffic operations; constructing a new bus transfer facility with six additional bus bays around the perimeter of the new retention pond to improve traffic flow; constructing a new closed drainage system with a retention pond and new utility systems to improve functionality and long-term resiliency; and installing signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$24.89 million/Fall 2028

Traffic Impact:

- Northbound and southbound S.R. 510/90 Avenue between S.R. 512/Sebastian Boulevard and 87 Street may have one lane closed intermittently, from 8 p.m. to 6 a.m. Sunday, July 12, through Friday, July 17, for roadway construction.

15. State Road (S.R.) A1A/Jimmy Buffett Memorial Highway Over Sebastian Inlet Bridge Replacement Project

Description: The project began on June 1, 2026. Project improvements consist of constructing a new fixed bridge east of the existing bridge with a vertical clearance of 51 feet, two 12-foot wide travel lanes, two 8-foot wide shoulders, and two 12-foot wide shared-use paths to enhance safety, long-term resiliency, and pedestrian connectivity; constructing two observation decks, one under the bridge from the south shore and one under the bridge from the north shore to enhance recreational enjoyment for the community; constructing crosswalks on S.R. A1A/Jimmy Buffett Memorial Highway at the State Park's north and south entrances to enhance safety and pedestrian connectivity; reconfiguring the State Park's north and south entrances, including the addition of exiting right-turn lanes to improve traffic operations; constructing a southbound acceleration lane on S.R. A1A/Jimmy Buffett Memorial Highway from the State Park's south entrance to improve traffic operations; lengthening the southbound S.R. A1A/Jimmy Buffett Memorial Highway right-turn lane, north and south of the bridge into the State Park to improve traffic operations; constructing a 12-foot wide shared-use path on both sides of the bridge and roadway to enhance safety and pedestrian connectivity; and milling and resurfacing the State Park's North and South Parking Lots to enhance long-term resiliency. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$101.9 million/Spring 2032

Traffic Impact:

- S.R. A1A/Jimmy Buffett Memorial Highway, from the Sebastian Inlet State Park South Entrance in Indian River County to the Sebastian Inlet State Park North Entrance in Brevard County, may have one southbound lane and/or shoulder closed, as needed, Monday through Thursday from 7 a.m. to 5 p.m., and Friday from 7 a.m. to 1 p.m., beginning Monday, July 6, through Friday, July 17, excluding Saturdays, Sundays, and holidays, for FPL utility pole relocations and cut/fill operations. Only one lane will be closed at a time, and flaggers will direct traffic through the work zone. Motorists should use caution and allow extra travel time.
- To enhance safety and long-term resiliency, crews will perform clearing and grubbing activities at the Sebastian Inlet State Park North Parking Lot within the Florida Department of Transportation (FDOT) right-of-way, as needed, 7 a.m. to 5 p.m., Monday through Thursday, and Friday, 7 a.m. to 1 p.m., beginning Monday, June 29, through Friday, July 31. A flagging operation will be in place to maintain traffic.
- **Partial Closure of Sebastian Inlet State Park – North Parking Lot:** To enhance safety and long-term resiliency, the south section of the Sebastian Inlet State Park North Parking Lot is partially closed around-the-clock through Spring 2032 for bridge construction activities. Signage will be in place to assist motorists and pedestrians. Please [click here](#) to view the flyer for more information.
 - The State Park and remaining portions of the North Parking Lot will remain open for public use.
 - Limited parking will be available west of the bridge, south of the State Park entrance.
 - One row of public parking will remain open east of the bridge, along with the parking area northeast of the State Park entrance.
 - The observation deck under the north side of the bridge will remain closed.
- **Partial Closure of Sebastian Inlet State Park – South Parking Lot:** To enhance safety and long-term resiliency, sections of the Sebastian Inlet State Park South Parking Lot, located beneath and to the east and west of the bridge, were partially closed around-the-clock beginning at 7 a.m. Thursday, June 4, 2026, through Spring 2032, for bridge construction activities. Signage is in place to assist motorists and pedestrians. Please [click here](#) to view the flyer for more information.
 - Access to the south jetty from the South Parking Lot is closed.
 - The State Park and remaining portions of the South Parking Lot remain open for public use.
 - Limited parking is available west of the bridge inside the park.
 - The observation deck under the south side of the bridge remains closed.
 - Access to the boat ramp will be maintained at all times.

MAINTENANCE, UTILITY, PERMIT and ADDITIONAL AGENCY PROJECTS
