FDOT Treasure Coast Traffic Report

March 20, 2026 – March 27, 2026

MARTIN, ST. LUCIE and INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie, and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been highlighted below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @ MyFDOTSEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewall's Point)

1. United States (U.S.) 1/State Road (S.R.) 5 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 1.724-mile project began on May 5, 2025. The project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, widening the bicycle lane by restriping it from 4 feet to 5 feet to increase safety, constructing 25 new light poles with LED fixtures at signalized intersections to boost nighttime visibility, reconstructing existing sidewalk curb ramps throughout the project limits to enhance safety and connectivity for pedestrians, upgrading existing pedestrian signals at signalized intersections to improve push button accessibility, and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$7.5 million / Summer 2026

Traffic Impact:

- Northbound and southbound U.S. 1/S.R. 5 between north of SE Fischer Street and north of SE Decker Avenue will have two lanes closed, 8 p.m. to 6 a.m., Sunday, March 22, through Friday, March 27, for sign installation.

2. State Road (S.R.) 9/I-95 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: This 17.002-mile project on S.R. 9/I-95 from north of County Road (C.R.) 708/Bridge Road to the Martin/St. Lucie County line began on June 22, 2025. The project improvements consist of milling and resurfacing the S.R. 9/I-95 mainline from north of C.R. 708/Bridge Road to the Martin/St. Lucie County line to enhance safety and long-term resiliency; widening the northbound S.R. 9/I-95 entrance ramp shoulder from S.R. 76/Kanner Highway to improve safety and traffic operations; constructing new lighting to increase nighttime visibility; installing Wrong Way Vehicle Detection Systems (WWVDS) on S.R. 76/Kanner Highway, S.R. 714/Martin Highway, and C.R. 713/High Meadow Avenue ramps to improve safety; and upgrading signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$40.8 million/ Fall 2028

Traffic Impact:

- Southbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at Martin/St. Lucie County line, will have two lanes closed, 7:30 p.m. to 5:30 a.m., Monday, March 22, through Thursday, April 30, for signage, milling, and resurfacing.
- Northbound S.R. 9/I-95 between C.R. 708/SE Bridge Road to the approach of Bridge 890111, at the Martin/St. Lucie County line, will have two lanes closed, 8:30 p.m. to 6:30 a.m., Sunday, March 22, through Thursday, April 30, for milling and resurfacing.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound exit ramp to C.R. 713/High Meadow Avenue will be closed from 8 p.m. to 6 a.m., Sunday, March 29, through Friday, April 3rd, for milling and resurfacing. Motorists will be detoured southbound S.R. 9/I-95 to the S.R. 76/Kanner Highway exit ramp (Exit 101) to westbound S.R. 76/Kanner Highway to the northbound S.R. 9/I-95 entrance ramp to the C.R. 713/High Meadow Avenue exit (Exit 102). Signage will be in place to assist motorists. Monday, 6th, through April 17th will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound entrance ramp from C.R. 713/High Meadow Avenue will be closed from 8 p.m. to 6 a.m. Monday, March 30, through Friday, April 3rd, for milling and resurfacing the adjacent S.R. 9/I-95 lanes and closed ramps. Motorists will be detoured northbound C.R. 713/SW High Meadow Avenue to eastbound SW Martin Highway to southbound S.R. 76/Kanner Highway to southbound entrance ramp S.R.9/I-95 (Exit 101). Signage will be in place to assist motorists. Monday, 6th, through April 17th, will

be used as contingency nights if needed. Only one ramp closure will occur at a time.

- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound exit ramp to S.R. 76/Kanner Highway (Exit 101) will be closed from 8 p.m. to 6 a.m., Monday, March 30, through Friday, April 3rd, for milling and resurfacing. Motorists will be detoured southbound on S.R. 9/I-95 to C.R. 708/Bridge Road (Exit 96) exit ramp to northbound S.R. 9/I-95 entrance ramp to S.R. 76/Kanner Highway (Exit 101). Signage will be in place to assist motorists. Monday April 6th, through Friday, April 17th, will be used as contingency nights if needed. Only one ramp closure will occur at a time.
- **Ramp Closure Advanced Notice:** The S.R. 9/I-95 southbound entrance ramp from S.R. 76/Kanner Highway (Exit 101) will be closed from 8 p.m. to 6 a.m., Tuesday, March 31st, through Friday, April 3rd, for milling and resurfacing. Motorists will be detoured southbound S.R. 76/Kanner Highway to eastbound C.R. 711/Pratt Whitney Road to continue southbound C.R. 711/Pratt Whitney Road to eastbound C.R. 708/Bridge Road to S.R. 9/I-95 southbound entrance ramp (Exit 96). Signage will be in place to assist motorists. Monday, April 6th, through Friday, April 17th, will be used as contingency nights if needed. Only one ramp closure will occur at a time.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

3. State Road (S.R.) 716/SE Port St. Lucie Boulevard and U.S. 1/State Road (S.R.) 5 Resurfacing, Restoration, and Rehabilitation (RRR) Project

Description: The project began on August 5, 2025. The project improvements consist of milling and repaving the existing roadways within the project limits to enhance safety and long-term resiliency; upgrading signalization at the intersections of Lennard Road, S.R. 716/SE Port St. Lucie Boulevard, SE Morningside Boulevard, and SE Gowin Drive to improve traffic operations; modifying the lane configuration on Lennard Road at U.S. 1/S.R. 5 to enhance safety and traffic operations; upgrading the existing lighting at signalized intersections to LED fixtures throughout the project corridors to increase nighttime visibility; upgrading pedestrian signals with new technology at signalized intersections to improve push button accessibility; reconstructing existing sidewalk curb ramps and replacing damaged sidewalk throughout the project limits to enhance safety and connectivity for pedestrians; upgrading drainage at various locations along S.R. 716/ SE Port St. Lucie Boulevard and U.S. 1/S.R. 5 to improve long-term resiliency; restriping U.S. 1/S.R. 5 to provide seven-foot bicycle lanes to enhance safety; and upgrading signage and pavement markings to increase safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$6.8 million / Spring 2027

Traffic Impact:

- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between U.S. 1/S.R. 5 and SE Lennard Road will have one lane intermittently closed, 8:30 a.m. to 4:30 p.m., Monday, March 23 through Friday, March 27, for erosion control, clearing and grubbing, excavation, and drainage work.
- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and U.S. 1/S.R. 5 will have one lane closed, 8:30 a.m. to 4:30 p.m., Monday, March 23 through Friday, March 27, for erosion control, clearing and grubbing, excavation, and drainage work.
- Southbound and northbound U.S. 1/S.R. 5 between SE Jennings Road and NW Golden Oak Trail will have one lane closed, 8:30 a.m. to 4:30 p.m., Monday, March 23 through Friday, March 27 for erosion control, clearing and grubbing, excavation, and drainage work.
- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between U.S. 1/S.R. 5 and SE Lennard Road will have two lanes intermittently closed, 7 p.m. to 6 a.m., Monday, March 23 through Friday, March 27, for pipe installation.
- Westbound and eastbound S.R. 716/SE Port St. Lucie Boulevard between SE Seafury Lane and U.S. 1/S.R. 5 will have two lanes intermittently closed, 7 p.m. to 6 a.m., Monday, March 23 through Friday, March 27, for pipe installation.

4. SW Port St. Lucie Boulevard Widening Project from south of SW Paar Drive to south of SW Alcantarra Boulevard

Description: Construction began on Monday, September 8, 2025. The project improvements consist of widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, separated by an 18-foot wide median with stamped concrete and landscaping to improve safety and traffic operations; constructing new right-turn lanes on SW Port St. Lucie Boulevard at the north and south approaches to SW Paar Drive to enhance traffic flow; constructing new signalized intersections with mast arms on SW Port St. Lucie Boulevard at SW Paar Drive and SW McCall Road to improve safety and traffic operations; upgrading existing sidewalk curb ramps and constructing a new 8- to 10-foot wide sidewalk along both sides of SW Port St. Lucie Boulevard and adjacent side streets to improve pedestrian safety and connectivity; upgrading the existing lighting to LED fixtures and installing new light poles on the east side of the roadway within the project limits to improve safety for motorists and pedestrians; constructing a new drainage system to enhance functionality and long-term resiliency; and installing signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$25,577,357 / Fall 2028

Traffic Impact:

- Northbound and southbound SW Port St. Lucie Boulevard between SW Jordin Avenue and SW Alcantarra Boulevard will have one lane intermittently closed for flagging operations, 8 a.m. to 4 p.m., Monday, March 23 through Friday, March 27.
- As part of the SW Port St. Lucie Boulevard Widening Project, beginning at 7 a.m. to 7 p.m., Monday, March 23, through Friday, April 4, full road closures will occur

on SW Jordin Avenue, SW McCall Road, SW McHord Avenue, Jaslo Avenue, Jacoby Avenue and SW McCullough Avenue for the installation of drainage and utilities. Adjacent closures shall not occur simultaneously. Access to residences and businesses will be maintained. Please click [here](#) to view the detour flyers for more information.

- o Eastbound and westbound SW McCall Road will be closed between SW Port St. Lucie Boulevard and SW Kabane Street. Motorists traveling northbound and southbound on SW Port St. Lucie Boulevard will detour to westbound SW McHord Avenue to southbound SW Kabane Street.
- o Eastbound and westbound SW McHord Avenue will be closed between Port St. Lucie Boulevard and SW Kabane Street. Motorists traveling northbound and southbound Port St. Lucie Boulevard will detour to westbound SW McDevitt Avenue or westbound SW McCall Road to SW Kabane Street.
- o Eastbound and westbound SW McCullough Avenue will be closed between SW Jaslo Avenue and SW Port St. Lucie Boulevard. Motorists traveling northbound and southbound SW Port St. Lucie Boulevard will detour to westbound on SW Paar Drive to northbound SW McIntyre Street.
- o Eastbound and westbound SW McCall Road will be closed between SW Kober Road and SW Port St. Lucie Boulevard. Motorists traveling northbound and southbound on SW Port St. Lucie Boulevard will detour to eastbound SW Koler Ave to southbound SW Kober Road.
- o Eastbound and westbound SW Jordin Avenue will be closed between SW Port St. Lucie Boulevard and SW McIntyre Street. Motorists will detour to northbound or southbound SW Port St. Lucie Boulevard to westbound SW Paar Drive to eastbound SW McIntyre Street.
- As part of the SW Port St. Lucie Boulevard Widening Project, beginning at 7 a.m. to 7 p.m., Monday, April 6 through Friday, April 11, full road closures will occur on SW Koler Avenue, and SW McComb Avenue for the installation of drainage and utilities. Adjacent closures shall not occur simultaneously. Access to residences and businesses will be maintained.
 - o Eastbound and westbound SE Koler Avenue will be closed between SW Kober Road and Port St. Lucie Boulevard. Motorists traveling eastbound on SW Koler Avenue will detour to southbound SW Kober Road to westbound SW McCall Road. Southbound Port St. Lucie Boulevard motorist will detour to eastbound SW McCall Road to northbound SW Kober Road.
 - o Eastbound and westbound SW McComb Avenue will be closed between SW Jamros Street and Port St. Lucie Boulevard. Motorists traveling northbound on Port St. Lucie Boulevard will detour to eastbound SW McCoy Avenue to southbound SW Jamros Street.
 - o Motorists traveling westbound on SW McComb Avenue will detour northbound to SW Jamros Street to westbound SW McCoy Avenue to southbound Port St. Lucie Boulevard.

5. State Road (S.R.) A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This project began on May 1, 2023. The S.R. A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement project improvements consist of constructing a new high-level fixed bridge connected directly to U.S. 1/S.R. 5 going over the Florida East Coast (FEC) Railroad, County Road (C.R.) 605/Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring: one 12-foot travel lane in each direction, navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel, installing a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge, installing 7-foot buffered bicycle lanes within the shoulders on both sides of S.R. A1A, constructing a 12-foot shared-use path along C.R. 605/Old Dixie Highway to provide connectivity to the East Coast Greenway, building an observation deck beneath the west side of the new bridge structure, constructing a new access road under the bridge to businesses east of the FEC Railroad, extending Juanita Avenue from U.S. 1/S.R. 5 to C.R. 605/Old Dixie Highway, and connecting U.S. 1/S.R. 5 and C.R.605/Old Dixie Highway along Sunny Lane. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$111.5 million/Late 2027

Channel Impact:

- **Partial Channel Closures:** Between dawn and dusk, Monday through Friday, through late 2026, in-water work will continue directly adjacent to, and at times partially restrict, the navigable waterway with barge(s) in order to perform maintenance work on the bascules of the existing bridge and perform other associated construction activities. At least 45 ft. width of the channel shall remain open at all times. Vessels needing a full channel passage are required to provide the bridge tender with a 30-minute advance notice to allow for the barge to clear the channel. During the evening/overnight hours the channel will be unobstructed. All in-water equipment will be properly lit. All mariners are requested to use caution and transit the area at a slow speed. For waterways questions or drawbridge operating issues, please contact USCG Sector Miami Waterways Division at 305-535-4317 or sectormiamiwaterways@uscg.mil.

Traffic Impact:

- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.
- U.S. 1/S.R. 5 between the Juanita Avenue intersection and Naco Road will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction and installation of overhead signage.
- As part of the North Causeway Bridge Replacement Project, crews closed the eastbound and westbound lanes on S.R. A1A between C.R. 605/Old Dixie Highway and U.S. 1/S.R. 5 through approximately late Spring/early Summer 2026 for roadway and bridge construction. Please [click here](#) to view the detour flyer for more information.
 - U.S. 1/S.R. 5 to eastbound S.R. A1A motorists will be detoured via Juanita Avenue and C.R. 605/Old Dixie Highway to S.R. A1A.

- Westbound S.R. A1A to U.S. 1/S.R. 5 motorists will be detoured via C.R. 605/Old Dixie Highway and Juanita Avenue or Sunny Lane to U.S. 1/S.R. 5.
 - Access to residences and businesses will be maintained.
 - Once the construction is complete, traffic will be shifted onto the new bridge and the eastbound and westbound lanes will be open on S.R. A1A between U.S. 1/S.R. 5 and C.R. 605/Old Dixie Highway.
- To enhance safety and long-term resiliency, the S.R. A1A and C.R. 605/Old Dixie Highway intersection was shifted slightly south on Monday, April 28, 2025, to facilitate the construction of the west end of the new North Causeway Bridge. Please note that the traffic lights at the S.R. A1A and C.R. 605/Old Dixie Highway intersection will be removed and replaced with a 2-way stop. Traffic will remain in the new configuration until the new bridge is opened to the public, which is anticipated for late Spring/early Summer 2026. Please [click here](#) to view the detour flyer for more information.
 - Westbound S.R. A1A to northbound and southbound U.S. 1/S.R. 5 motorists will be detoured via north C.R. 605/Old Dixie Highway to westbound Juanita Avenue to U.S. 1/S.R. 5.
 - Motorists on Sunny Lane must turn right onto northbound U.S. 1/S.R. 5.
 - Access to residences and businesses will be maintained.
- To enhance safety and long-term resiliency, eastbound and westbound traffic on S.R. A1A east of the park was shifted approximately 25 feet to the north on July 21, 2025. This shift is expected to last through late Spring/early Summer 2026 to allow for permanent roadway construction.
- Northbound and southbound traffic on C.R. 605/Old Dixie Highway, approximately 200 feet from the S.R. A1A intersection, was shifted slightly to the west on Monday, Aug. 4, 2025, for pile driving work adjacent to the railroad tracks.
- Juanita Avenue east of U.S. 1/S.R. 5 is open to motorists. The new traffic signal at the intersection of Juanita Avenue and U.S. 1/S.R. 5 is activated.
- Juanita Avenue west of U.S. 1/S.R. 5 will have the westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for installation of drainage catch basins. A flagging operation will be in place to assist motorists.
- S.R. A1A between C.R. 605/Old Dixie Highway to just west of the draw bridge will have one eastbound lane closed, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway reconstruction.
- Harbortown Drive will have one lane closed in either direction, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction. A flagging operation will be in place to assist motorists.
- S.R. A1A between the North Causeway Island Park Entrance and Harbortown Drive will have one westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for bridge deck maintenance. A flagging operation will be in place to maintain local traffic.
- S.R. A1A from just west of Little Jim Bridge to the existing North Causeway Bridge will have one westbound lane closed, 9 a.m. to 4:30 p.m., Monday

through Friday, through May 2026, for roadway work. A flagging operation will be in place to maintain local traffic.

- U.S. 1/S.R. 5 between NE 3rd Street and the Juanita Avenue intersection will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway construction and right turn lane extension.
- C.R. 605/Old Dixie Highway between Sunny Lane and S.R. A1A will have one lane in either direction closed, 7 a.m. to 5 p.m., Monday through Friday, through May 2026, for roadway reconstruction. A flagging operation will be in place to maintain local traffic.
- Marina Access from C.R. 605/Old Dixie Highway to the North Causeway Bridge will have one lane closed in either direction, Monday through Friday, through May 2026, for roadway construction. A flagging operation will be in place to maintain local traffic.
- S.R. A1A between C.R. 605/Old Dixie Highway to Little Jim Bridge will have one lane closed, 9 p.m. to 5 a.m., Sunday through Thursday, through May 2026, for bridge construction.
- Northbound and southbound U.S. 1/S.R. 5 from the Taylor Creek Bridge to 500 feet north of Juanita Avenue will have one lane closed in either direction, 9 a.m. to 5 p.m., Monday through Friday, through May 2026, for milling and repaving work.

6. SUN Trail Improvements Project from Kitterman Road to the Savannas Recreation Area

Description: This 4.2-mile project began on July 21, 2024. This segment of the Shared-Use Nonmotorized (SUN) Trail Network is located within the Savannas Preserve State Park. The improvements consisted of constructing approximately 4.2 miles of 10-foot wide (8-foot where constrained) accessible multi-use trail. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.82 million/**The project was Final Accepted by the Florida Department of Transportation on Thursday, Feb. 26, 2026.**

Traffic Impact:

- All lanes open.

7. County Road (C.R.) 712/Midway Road Widening Project from west of Jenkins Road to Selvitz Road

Description: This 0.785-mile project began on April 1, 2024. The project improvements include widening C.R. 712/Midway Road from a two-lane undivided roadway to a four-lane divided roadway. The eastbound and westbound lanes of C.R. 712/Midway Road will be separated by a raised landscaped median. Additional improvements include constructing left turn lanes in the median to allow access to adjacent side streets, properties and businesses, constructing 7-foot buffered bicycle lanes on both sides of C.R. 712/Midway Road, constructing 6-foot sidewalk along the north side of C.R. 712/Midway Road, constructing a 12-foot bicycle/pedestrian path along the south side of the project, installing landscaping along the south side of the project, and upgrading

drainage, signage and pavement markings. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$23.5 million/ Early 2027

Traffic Impact:

- As part of the C.R. 712/ W. Midway Road Widening Project, the crew implemented a traffic shift to the south on the newly constructed eastbound roadway from just east of Turnpike to Selvitz Road, which began on Sunday, January 18, and will continue through to Summer 2026. Please be advised that this schedule may change due to weather or unforeseen circumstances. The implementation of this traffic shift will allow for the safe progression of the roadway construction on the north side of W. Midway Road. Please click [the detour flyer](#) for more information.
- C.R. 712/Midway Road between Turnpike bridge and Selvitz Road will have one lane closed in either direction, 9 a.m. to 4 p.m., Monday through Friday, through September 2026, to facilitate roadway reconstruction.
- As we work to provide a more reliable and safe infrastructure and ensure community and public safety, S Jenkins Road between Midway Road and Environment Drive will be closed for drainage pipe installation and roadway paving on Monday, March 16, at 7 a.m. and will reopen Monday, March 23 at 5:00 p.m. Tuesday, March 24, through Friday, March 27, will be used as contingency dates.
 - Motorists traveling eastbound and westbound on Midway Road will detour northbound Post Office Road to southbound S Jenkins Road to westbound Environment Drive.
 - Environment Drive motorists will detour northbound S Jenkins Road to southbound Post Office Road. Detour signs will be in place to guide motorists around the closure. Should weather or unforeseen circumstances arise, this schedule may change.

8. State Road (S.R.) 70/Okeechobee Road Resurfacing Project

Description: The project began on March 24, 2025. The project improvements include milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency; constructing new acceleration lanes on S.R. 70/Okeechobee Road at select locations to accommodate safe U-Turn movements; widening median left turn lanes on S.R. 70/Okeechobee Road at South Header Canal Road and Shinn Road for improved traffic operations; converting the intersections of South Header Canal Road and Shinn Road to Restricted Crossing U-Turn (RCUT) Intersections to improve traffic flow and safety by eliminating direct left turns and through traffic movements from side streets; installing illuminated stop signs at Ideal Holding Road and South Header Canal Road to increase visibility and safety; reconstructing existing sidewalk curb ramps throughout the project limits and installing a new 6-foot concrete sidewalk from the Creekside Community to the S.R. 91/Florida's Turnpike entrance at S.R. 713/Kings Highway to enhance safety and connectivity for pedestrians; extending lighting from east of County Road (C.R.) 712/Midway Road to east of Shinn Road to boost nighttime visibility; replacing drainage at various locations throughout the project limits to enhance

functionality and long-term resiliency; upgrading signage and pavement markings to improve safety, functionality, and traffic operations; and installing rumble strips to enhance safety. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$16.9 Million / Spring 2026

Traffic Impact:

- Eastbound S.R. 70/Okeechobee Road between Ideal Holding Road and S.R. 713/Kings Highway will have one lane closed at 8 a.m., on Monday, March 23, and reopen Friday, March 27, at 6 a.m. for roadway widening, milling and resurfacing, and drainage work.
- Westbound S.R. 70/Okeechobee Road between Ideal Holding Road and S.R. 713/Kings Highway will have one lane closed at 8 a.m., on Monday, March 23, and reopen Friday, March 27, for roadway widening, milling and resurfacing, and drainage work.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)

9. State Road (S.R.) 656/17th Street East End of Bridge Rehabilitation and Improvements Project

Description: This project began on August 28, 2023. The project improvements consist of the replacement of the eastern 400 feet of the existing bridge; sealing the full length of the existing bridge deck surface; and upgrading signing and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$22.3 million/Summer 2028

Traffic Impact:

- To enhance safety and long-term resiliency, eastbound and westbound traffic on S.R. 656/17th Street Bridge between S.R. A1A and S.R. 60/Indian River Boulevard, may be closed to traffic nightly, 9 p.m. to 5 a.m., Monday, March 23 through Thursday, March 26, for traffic separator maintenance throughout the bridge. Signage will be in place to assist motorists. Please [click here](#) to view the detour flyer for more information.
 - Westbound motorists will be detoured via S.R. A1A and S.R. 60/Beachland Boulevard to S.R. 60/Indian River Boulevard.
 - Eastbound motorists will be detoured via S.R. 60/Indian River Boulevard and S.R. 60/Beachland Boulevard to S.R. A1A.
 - The S.R. 656/17th Street Bridge will not be closed at the same time as the S.R. A1A North Causeway Bridge. Only one bridge will be closed at a time, and coordination between the closures is ongoing.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and W Camino Del Rio, will have one eastbound lane intermittently closed for up to 10 minutes at a time as needed, 9 a.m. to 4 p.m., Monday through Friday, through April 2026, for bridge construction activities.

- S.R. 656/17th Street, between 4th Avenue and W Camino Del Rio will have one lane closed in either direction around-the-clock through 12 a.m., Monday, April 27, 2026, for bridge construction activities.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and W Camino Del Rio may have one lane closed nightly in either direction, as needed, 9 p.m. to 7 a.m., Monday through Friday, through Monday, April 27, 2026, for routine maintenance. A flagging operation would be utilized to maintain eastbound and westbound traffic. For minor work, traffic pacing will be used.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and Indian Bay Drive will have one lane closed in either direction, as needed, 9 p.m. to 7 a.m., Sunday through Thursday, through April 2026, for bridge construction activities. A flagging operation will be utilized to maintain eastbound and westbound traffic.
- S.R. 656/17th Street, between S.R. 60/Indian River Boulevard and Indian Bay Drive will have one lane closed in either direction, as needed, 9 a.m. to 4 p.m., Monday through Friday, through April 2026, for bridge construction activities. A flagging operation will be utilized to maintain eastbound and westbound traffic.
- S.R.60/Indian River Boulevard to eastbound S.R. 656/17th Street has one southbound turn lane closed around-the-clock through 12 a.m. Monday, April 27, 2026, for bridge construction activities.

10. State Road (S.R.) 9/I-95 at County Road (C.R.) 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project

Description: This project began on August 14, 2023. In partnership with Indian River County, FDOT is pleased to announce the construction of the new interchange at S.R. 9/I-95 and C.R. 606/Oslo Road and C.R. 606/Oslo Road improvements. Additionally, C.R. 606/Oslo Road will have capacity improvements to four lanes from west of S.R. 9/I-95 to 58th Avenue per Indian River County Resolution Nos. 2017-022 and 2017-023. Project improvements consist of constructing a new interchange with partial cloverleaf ramps at S.R. 9/I-95 and C.R. 606/Oslo Road, widening C.R. 606/Oslo Road from a two-lane to a four-lane divided roadway from west of S.R. 9/I-95 to SW 58th Avenue, installing interchange ramp lighting, replacing the existing C.R. 606/Oslo Road bridge over S.R. 9/ I-95, installing a new signalized intersection at C.R. 606/Oslo Road and 66th Avenue SW, installing intersection lighting at 74th Avenue, 66th Avenue, and 58th Avenue, realigning 82nd Avenue at C.R. 606/Oslo Road, eliminating the 86th Avenue connection to C.R. 606/Oslo Road, constructing 13th Street SW to connect 86th Avenue SW and 90th Avenue, extending the south limit the existing noise wall on S.R. 9/I-95, replacing Indian River County sanitary, water and raw water mains, upgrading signing, signalization, intersection lighting, bicycle lanes, and sidewalks, installing a closed drainage system and constructing three drainage ponds. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$95.78 million/Spring 2027

Traffic Impact:

- To enhance safety and long-term resiliency, crews will implement a traffic shift by reducing the three-lane section of S.R. 9/I-95 in each direction to one lane between S.R. 614/Indrio Road (Exit 138) and S.R. 60/20th Street (Exit 147). This

lane reduction will take place nightly, 9 p.m. to 6 a.m., Monday to Thursday, beginning Monday, March 2, through Thursday, March 26, for construction work, excluding Friday and Saturday nights. One lane of traffic in each direction will be maintained via two constructed crossover lanes to facilitate the traffic shift. This reduction is necessary to safely perform roadway work and construction. If weather or unforeseen circumstances occur, the shifts will continue through Thursday, April 2. Please [click here](#) to view the flyer for more information.

- Northbound motorists on S.R. 9/I-95 will be shifted to the southbound lanes at C.R. 606/Oslo Road bridge using a new crossover lane during bridge construction work.
- Southbound motorists on S.R. 9/I-95 will be shifted to the northbound lanes at C.R. 606/Oslo Road bridge using a new crossover lane during bridge construction work.
- To ensure motorist and crew safety, the speed limit will be reduced from 70 MPH to 35 MPH. The Florida Highway Patrol will be onsite, and signage will be in place to assist motorists.
- To enhance safety and long-term resiliency, C.R. 606/Oslo Road between 66th Avenue SW and 58th Avenue SW may be closed nightly, 9 p.m. to 6 a.m., Sunday through Thursday, through Thursday, March 26, 2026, for milling and resurfacing work. Sunday, March 29, through Thursday, April 2, 2026, will be used as contingency nights if needed. Please [click here](#) to view the detour flyer for more information
 - Westbound C.R. 606/Oslo Road motorists will be detoured via northbound 58th Avenue SW, westbound 1st Street SW and southbound 66th Avenue SW to C.R. 606/Oslo Road.
 - Eastbound C.R. 606/Oslo Road motorists will be detoured via northbound 66th Avenue SW, eastbound 1st Street SW and southbound 58th Avenue SW to C.R. 606/Oslo Road.
- As part of the S.R. 9/I-95 at C.R. 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project, crews permanently closed 86th Avenue SW at C.R. 606/Oslo Road beginning at 5 a.m. on Friday, June 20, 2025, for the construction of a Cul-De-Sac. Signage is in place to assist motorists. The FPL access point will be maintained. Please [click here](#) to view the flyer.
 - Eastbound C.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at C.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Westbound C.R. 606/Oslo Road motorists to 86th Avenue SW will be detoured via south 90th Avenue SW at C.R. 606/Oslo Road, and east on 13th Street to 86th Avenue SW.
 - Northbound 86th Avenue SW motorists will be detoured via west on 13th Street and north on 90th Avenue SW to C.R. 606/Oslo Road.
- As part of the S.R. 9/I-95 at C.R. 606/Oslo Road New Interchange and C.R. 606/Oslo Road Widening Project, crews implemented a traffic shift that began on Sunday, July 13, 2025, and will continue through Spring 2026. The shift occurred approximately 1,500 feet west of the C.R. 606/Oslo Road bridge over S.R. 9/I-95, where eastbound and westbound traffic was shifted onto the newly

constructed westbound C.R. 606/Oslo Road lanes. This shift is necessary to safely perform demolition of the existing bridge, construct the new eastbound bridge, roadwork, and reconstruction activities. Please view the [flyer](#) for more information.

- S.R. 9/I-95 may have one lane in either direction closed nightly, as needed, from 9 p.m. to 6 a.m., through March 2026, for bridge work.
- On Monday, Dec. 15, 2025, northbound and southbound traffic on 74th Avenue SW between 8th Street and C.R. 606/Oslo Road shifted to the east for drainage work through March 2026.

11. U.S. 1/State Road (S.R.) 5 Sidewalk Improvement Project

Description: This project began on May 29, 2025. The project improvements include installing a six-foot wide concrete sidewalk on the east side of U.S. 1/S.R. 5 from County Road (C.R.) 611/45th Street to south of 53rd Street to enhance safety and connectivity for pedestrians, constructing crosswalks at U.S. 1/S.R. 5 and 4th Street to increase pedestrian safety, replacing drainage at various locations throughout the project limits to improve functionality and long-term resiliency, and upgrading signage and pavement markings to boost safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.7 million/Spring 2026

Traffic Impact:

- U.S. 1/S.R. 5 from approximately 400 feet south of the Publix entrance to the Publix entrance will have one northbound right turn lane closed, as needed, 8 a.m. to 5 p.m., Monday through Saturday, to construct a segment of sidewalk and turn lane.
- U.S. 1/S.R. 5 between C.R. 611/45th Street to 47th Street will have one northbound lane closed around-the-clock, as needed, Monday through Saturday, for guardrail demolition, watermain replacement, headwall extension, sidewalk installation, drainage work, and thermoplastic pavement marking placement.
- U.S. 1/S.R. 5 between C.R. 611/45th Street to south of 53rd Street will have one northbound lane closed, as needed, 8 a.m. to 5 p.m., Monday through Saturday, for milling and repaving work, and thermoplastic pavement marking placement.

12. State Road (S.R.) 510/85 Street Widening Project

Description: The project began on October 29, 2025. The project improvements consist of widening S.R. 510/85 Street from a two-lane undivided roadway to a four-lane divided roadway to improve safety and traffic operations; installing seven-foot wide buffered bicycle lanes to increase safety; constructing a six-foot wide sidewalk throughout the project limits to enhance pedestrian safety and connectivity; installing new traffic signals at the existing signalized intersections along S.R. 510/85 Street and S.R. 512/Sebastian Boulevard, Mako Way, Hammerhead Way, and 87 Street to improve traffic operations; constructing a new bus transfer facility with six additional bus bays around the perimeter of the new retention pond to improve traffic flow; constructing

a new closed drainage system with a retention pond and new utility systems to improve functionality and long-term resiliency; and installing signage and pavement markings to enhance safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Kim Johnson at 772-801-8736.

Cost/Completion: \$24.89 million / Fall 2028

Traffic Impacts:

Traffic Impacts:

- SR 510/85th Street from S.R. 512/ Sebastian Boulevard to 87th Street may have one lane in either direction closed, Monday through Sunday, between 8 p.m. to 6 a.m., for roadway construction. During this time, a two-way traffic will be maintained by a flagging operation.
- At the intersection of S.R. 510/ 85th Street and S.R. 512/ Sebastian Boulevard, 1000 feet eastbound and westbound may have one lane in either direction closed, Monday through Sunday, between 8 p.m. to 6 a.m., for roadway construction
- **Advanced Notice:** As part of the State Road S.R. 510/85th Street Widening Project, the Florida Department of Transportation will be installing a box culvert across S.R. 510/85th Street. Northbound and southbound SR 510/85th Street between south of Stony Point Drive and north of 87th Street will close on Friday, March 27, at 10 p.m., and reopen Sunday, April 5, at 12:00 a.m. Access to driveways and the transit hub will be maintained. Please [click here](#) to view the detour flyer for more information.
 - Motorists traveling northbound on S.R. 510/90th Avenue Street will be detoured westbound to 87th Street, northbound to 101st Avenue, eastbound to S.R. 512/Sebastian Boulevard.
 - Motorists traveling southbound on S.R. 510/90th Street will be detoured westbound to S.R.512/Sebastian Boulevard to South 101st Avenue, to eastbound 87th Street.
 - Heavy trucks traveling northbound on S.R. 510/90th Street will be detoured eastbound 85th Street, northbound to U.S. 1, to westbound S.R. 512/Sebastian Boulevard.
 - Heavy trucks traveling southbound on S.R. 510/90th Street will be detoured to eastbound S.R. 512/Sebastian Boulevard, to southbound U.S. 1, to westbound 85th Street.

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewall's Point)

HOBE SOUND

Eastbound SE Bridge Road between SE Lantana Avenue and U.S. 1/State Road (S.R.) 5, in Hobe Sound, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed for a flagging operation, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

STUART:

Southbound U.S. 1/NW Federal Hwy between top of causeway and SW Ocean Blvd, in Stuart, 9:00 a.m. to 3:30 p.m., Monday through Friday, Jan. 26 to Mar. 27, 1 of 3 lanes will be closed for a utility pole installation and directional boring for conduits. For more information, please contact Daylin Pacheco at 786-567-3734.

PALM CITY:

Eastbound & Westbound SW Martin Highway between Lady Lake Acres and SW Stuart W Boulevard, in Palm City, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 20, one lane in either direction may be intermittently closed with flagging operation, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Westbound SW Martin Highway between Lady Lake Acres and SW Stuart W Boulevard, in Palm City, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes may be intermittently closed with possible lane shifts for FP&L underground utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

JENSEN BEACH:

Northbound U.S 1/State Road (S.R.) 5 between just south of SE Westmoreland Boulevard and just south of NW Eugenia Street, in Jensen Beach, 9:00 a.m. to 3:00 p.m., Monday through Friday, Feb. 16, to April 24; 1 of 4 northbound lanes will be closed for installation of pole, cabinet, and directional bore. For more information, please contact Jeff Lindstrom at 561-662-7171.

Northbound U.S 1/State Road (S.R.) 5 and westbound right turn lane of Jensen Beach Boulevard just north of the entrance to 7-11 store, in Jensen Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, Feb. 16, to April 24; one westbound right turn lane of the northeast corner at Jensen Beach Boulevard unto the eastside northbound lane of U.S 1./S.R. 5 will close for installation of pole, cabinet, and directional bore. For more information, please contact Jeff Lindstrom at 561-662-7171.

PORT MAYACA:

Southbound and northbound SW Conners Highway between Port Mayaca Polo Club and Florida Trail Port Mayaca Recreation Area Trailhead, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed for a flagging operation, FPL Utilities Installation. For more information, please contact Rafael Ureña at 772-882-5084.

INDIANTOWN:

Eastbound and westbound State Road (S.R.) 76 between SW Sunlight Ranch Drive and SW Groveside Drive, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes in either direction will be partially closed for paving and milling and resurfacing of travels lanes. For more information, please contact Robert (Bob) Reckline 772-453-3509 or Jose Perez 561- 229-2688.

Eastbound and westbound State Road (S.R.) 76 between SW Warfield Boulevard and SW Lake Point Drive, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operation for FP&L utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound and westbound SW Warfield Boulevard between SW Citrus Boulevard and Dr. Martin Luther King Jr. Drive, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operation for FP&L underground utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound SW Warfield Boulevard between W Indiantown Road and SW Kanner Highway, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes may be intermittently closed with possible lane shifts for FP&L underground utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound and westbound SW Kanner Highway between SW Indiantown Avenue and SW Warfield Boulevard, in Indiantown, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operation for FP&L underground utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

FORT PIERCE:

Southbound U.S. 1/State Road (S.R.) 5 between Midway Road and Melton Drive, in Fort Pierce, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 22, one lane may be intermittently closed for Mavis Tire's underground utility installations. For more information, please contact Rafael Ureña at 772-882-5084.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, City of Sebastian, Sebastian, Wabasso, Wabasso Beach, Orchid Island, City of Fellsmere)

VERO BEACH:

Southbound State Road (S.R.) A1A between West Sandpointe Lane and Round Island Beach Park, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes may be intermittently closed with possible lane shifts for FP&L utility installations operation. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound State Road (S.R.) A1A between Shoreland Drive E and Seagrove Drive West, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed for a flagging operation for FP&L pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound State Road (S.R.) A1A between Somerset Bay Lane and Sea Oaks Boulevard, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operations for FP&L pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound State Road (S.R.) A1A between Jasmine Lane and Sandpiper Lane, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operations for FP&L pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound State Road (S.R.) A1A between Wildlife Way and Windsor Boulevard, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed with flagging operations for FPL utility installation. For more information, please contact Rafael Ureña at 772-882-5084.

Westbound State Road (S.R.) 60 between 82 Avenue and 85 Court, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 3

lanes may be intermittently closed, with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1/State Road (S.R.) 5 between 57 Street and 63 Street, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes may be intermittently closed, with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound State Road (S.R.) 60 between 39 Avenue and 35 Avenue, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 3 lanes may be intermittently closed, with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1/State Road (S.R.) 5 between 47 Street and Lindsey Road, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 2 lanes may be intermittently closed with possible lane shifts, for FP&L utility installation operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound and northbound Jimmy Buffett Memorial Highway between Cavalla Road and Seagrape Drive, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, one lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound State Road (S.R.) 60 between 95 Court and 94 Drive, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2, through to March 27, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound U.S. 1/State Road (S.R.) 5 between 21 Street SE and Highland Drive SE, in Vero Beach, 9:00 a.m. to 4:00 p.m., Monday through Friday, March 2 through to March 27, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & Northbound Jimmy Buffett Memorial Highway between Cavalla Rd & Seagrape Drive in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Eastbound State Road (S.R.) 60 between 95th Ct & 94th Drive, in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 of 3 lanes may be intermittently

closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & Northbound A1A between Shorelands Drive & Seagrape Drive, in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound & Northbound Jimmy Buffett Memorial Highway between Island Club Manor & Sea Oak Blvd, in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Northbound Jimmy Buffett Memorial Highway between Holoma Drive & Bermuda Bay Lane, in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 lane in either direction may be intermittently closed for a flagging operation, for FPL pole removal. For more information, please contact Rafael Ureña at 772-882-5084.

Southbound U.S. 1 between Oslo Rd & 11 ST SW, in Vero Beach, 9 a.m. to 4 p.m. Monday, March 2, through Friday, March 27, 1 of 3 lanes may be intermittently closed with possible lane shifts, for FP&L utility removal operations. For more information, please contact Rafael Ureña at 772-882-5084.
