FLORIDA DEPARTMENT OF TRANSPORTATION
S.R. A1A/JIMMY BUFFETT MEMORIAL HIGHWAY TRAFFIC SHIFT NOTICE

State Road (S.R.) A1A/Jimmy Buffett Memorial Highway Over Sebastian Inlet Bridge Replacement Project
From south of the Sebastian Inlet in Indian River County to north of the Sebastian Inlet in Brevard County
Indian River and Brevard Counties, FL
Financial Project ID Number: 445618-1-52-01

S.R. A1A/JIMMY BUFFETT MEMORIAL HIGHWAY TRAFFIC SHIFT TO BEGIN OCTOBER 19, 2026

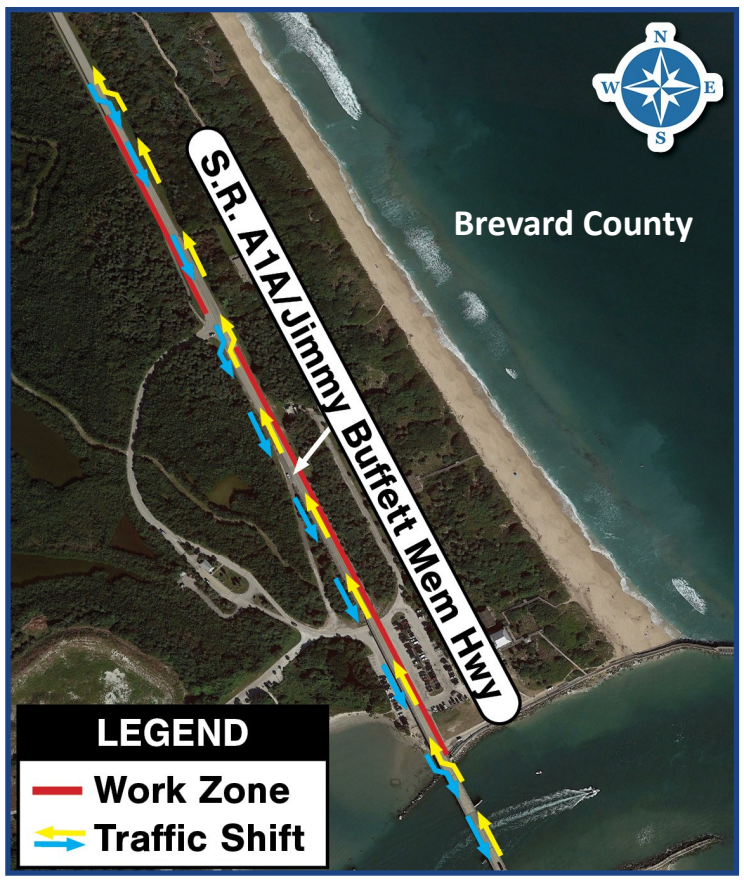

To enhance safety and long-term resiliency, northbound and southbound traffic on S.R. A1A/Jimmy Buffett Memorial Highway will be shifted from south of the Sebastian Inlet Bridge in Indian River County to north of the Sebastian Inlet Bridge in Brevard County beginning at approximately 7 a.m. (subject to change) on Monday, October 19, 2026, weather permitting, through Late 2028. The traffic shift is necessary to safely and efficiently complete critical construction activities, including bridge and roadway construction, and temporary and permanent wall construction. If weather or unforeseen circumstances occur, the shift will take place by Monday, October 26, 2026.

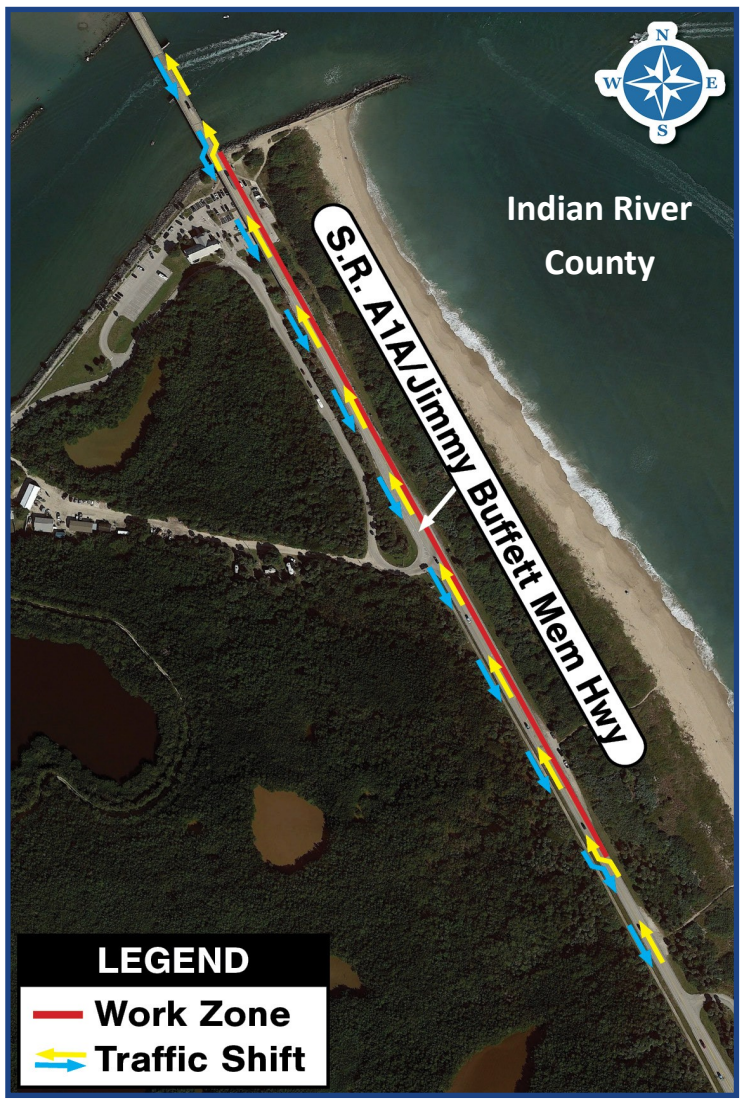

Starting approximately 1,400 feet south of the Sebastian Inlet State Park entrance in Indian River County, both northbound and southbound traffic on S.R. A1A/Jimmy Buffett Memorial Highway will shift onto temporary pavement on the west side of the existing roadway. Traffic will shift back to the existing roadway when crossing over the Sebastian Inlet Bridge. On the north side of the existing bridge, northbound and southbound traffic on S.R. A1A/Jimmy Buffett Memorial Highway will shift to temporary pavement west of the existing roadway, then east onto temporary pavement for approximately 900 feet, before shifting west onto the existing roadway.

Signage will be in place to assist motorists and pedestrians.
