

FLORIDA DEPARTMENT OF TRANSPORTATION

Public Notification

RESURFACING AND BOX CULVERT REHABILITATION PROJECT

State Road (S.R.) 816/Oakland Park Boulevard from east of S.R. 9/I-95 to S.R. A1A

Broward County, Florida

Financial Project ID's: 448409-1-52-01 and 453729-1-52-01

The Florida Department of Transportation (FDOT) is pleased to provide information regarding the above referenced project within Broward County. No public meeting is scheduled for this project. Questions and comments may be submitted by contacting the Project Manager Vamsee Tirunagari, P.E. Project information is posted at:

<https://tinyurl.com/448409-1-453729-1-Project>.

PURPOSE OF PROJECT: Repave and restripe the existing roadway to extend the service life of the pavement, enhance safety for motorists, pedestrians and bicyclists while updating crosswalks, ramps and pedestrian signals to comply with the American with Disabilities Act (ADA).

PROPOSED IMPROVEMENTS

- Repave the existing roadway to improve the resiliency of our infrastructure.
- Replace and upgrade signs and pavement markings to meet current standards and increase reflectivity.
- Add shared lane markings or “sharrows” to the outside lanes to indicate to motorists that cyclists should be expected in the travel lane.
- Modify curb ramps to comply with ADA to improve accessibility for users with disabilities.
- Make minor repairs to the existing box culvert which carries the North Fork of the Middle River under the intersection of Oakland Park Boulevard and Andrews Avenue.

CONSTRUCTION IMPACTS

- Work will be done in phases to reduce the effects of construction on the community.
- Temporary lane closures and detours required during construction and will be performed during off-peak hours.
- Pedestrian traffic will be maintained at all times.
- Access to businesses and residences will be maintained during construction.

CONSTRUCTION INFORMATION

- Anticipated Construction Start: **Fall 2027**
- Anticipated Construction End: **Spring 2029**
- Estimated Construction Cost: **\$7.9 Million**

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Vamsee Tirunagari, P.E., Project Manager, at least seven (7) days prior to the Public Meeting.

Community feedback is at the core of all we do. FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
